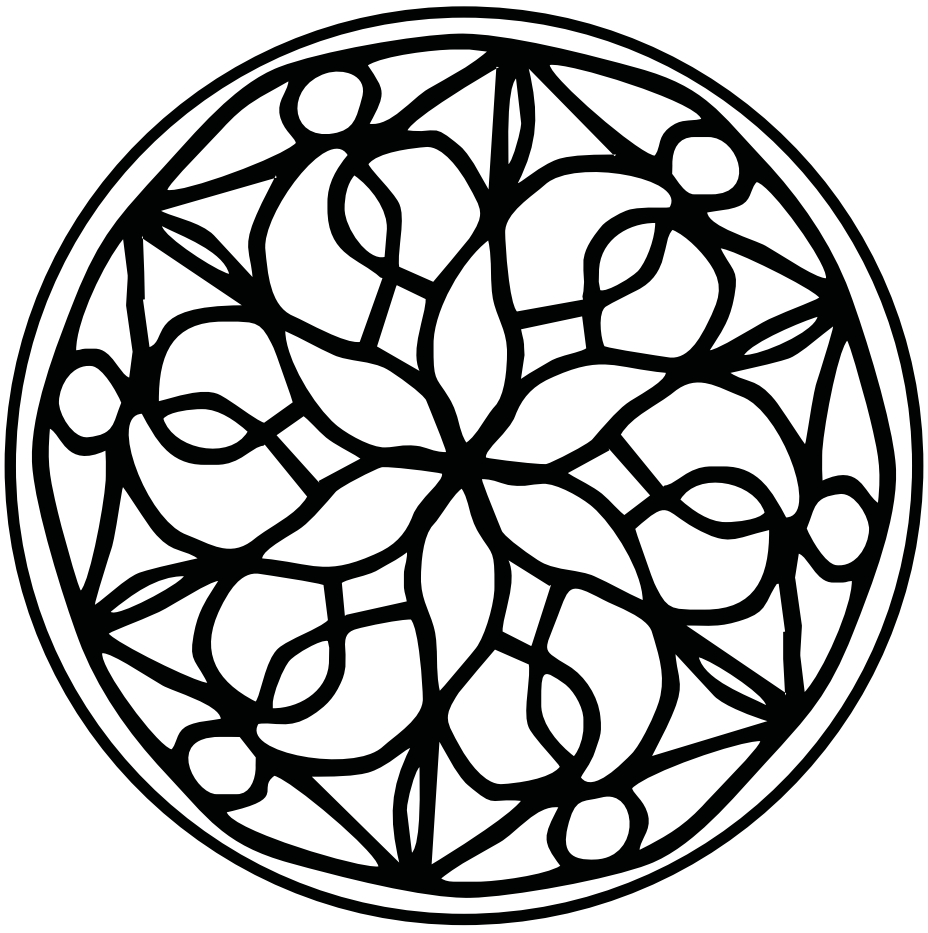
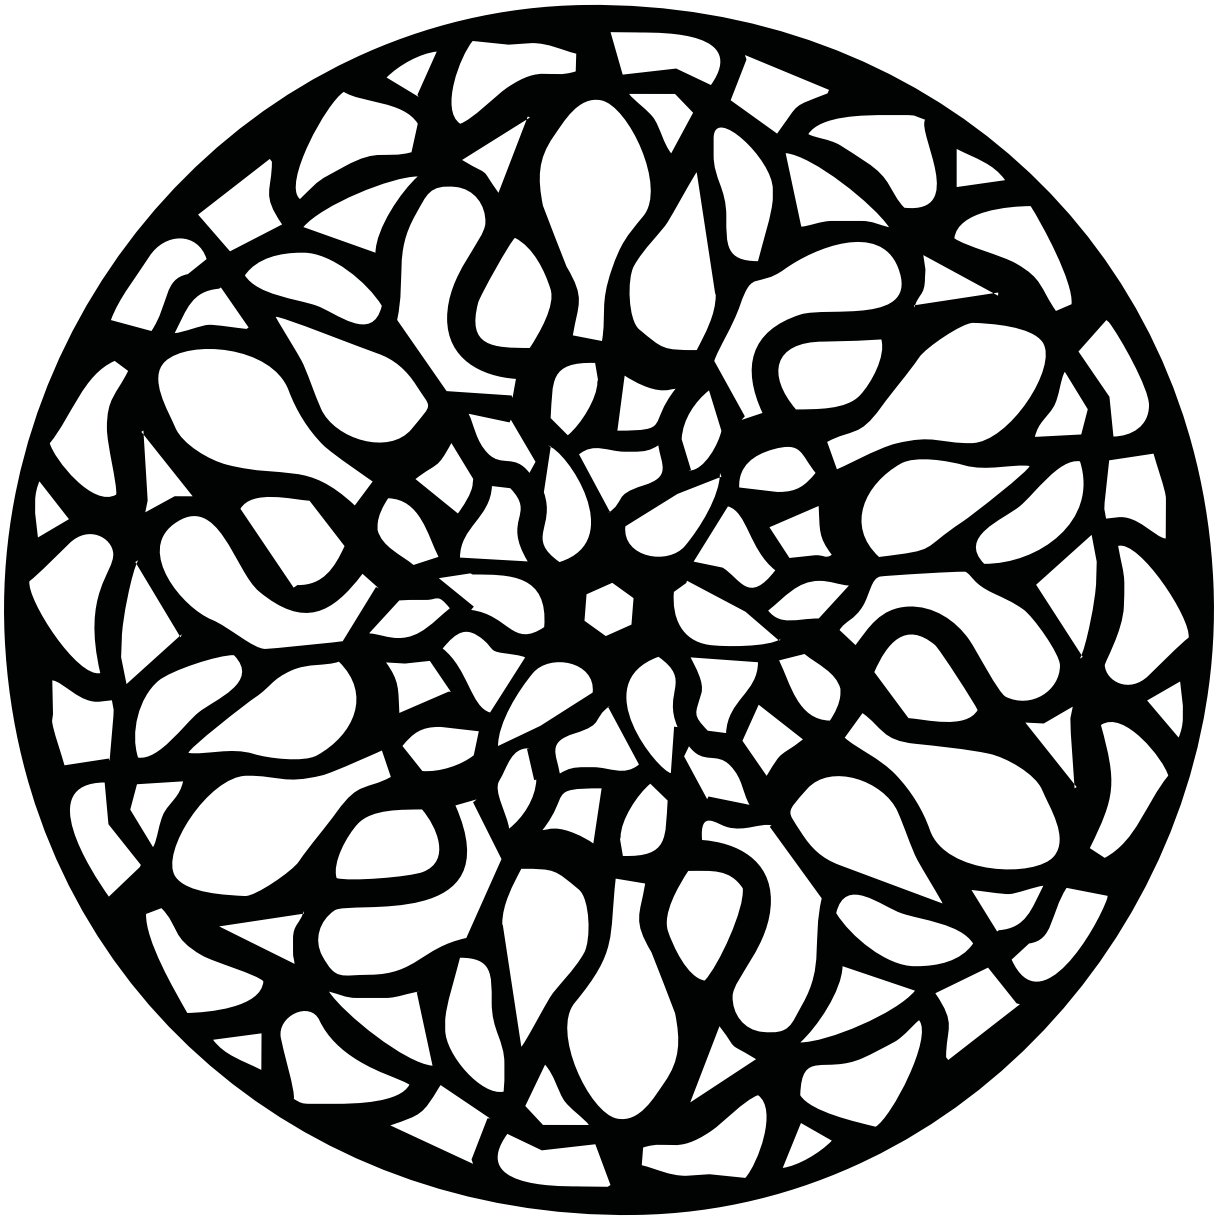
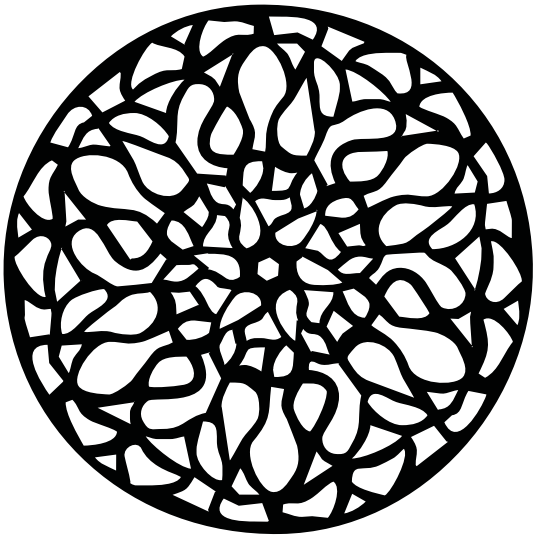
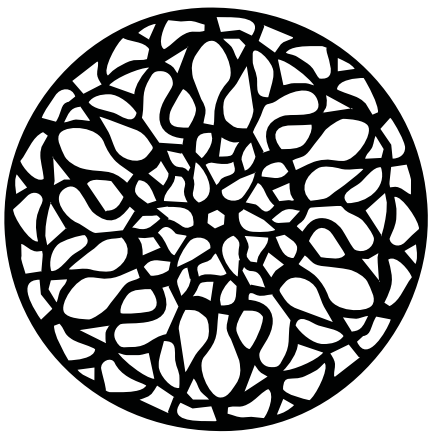
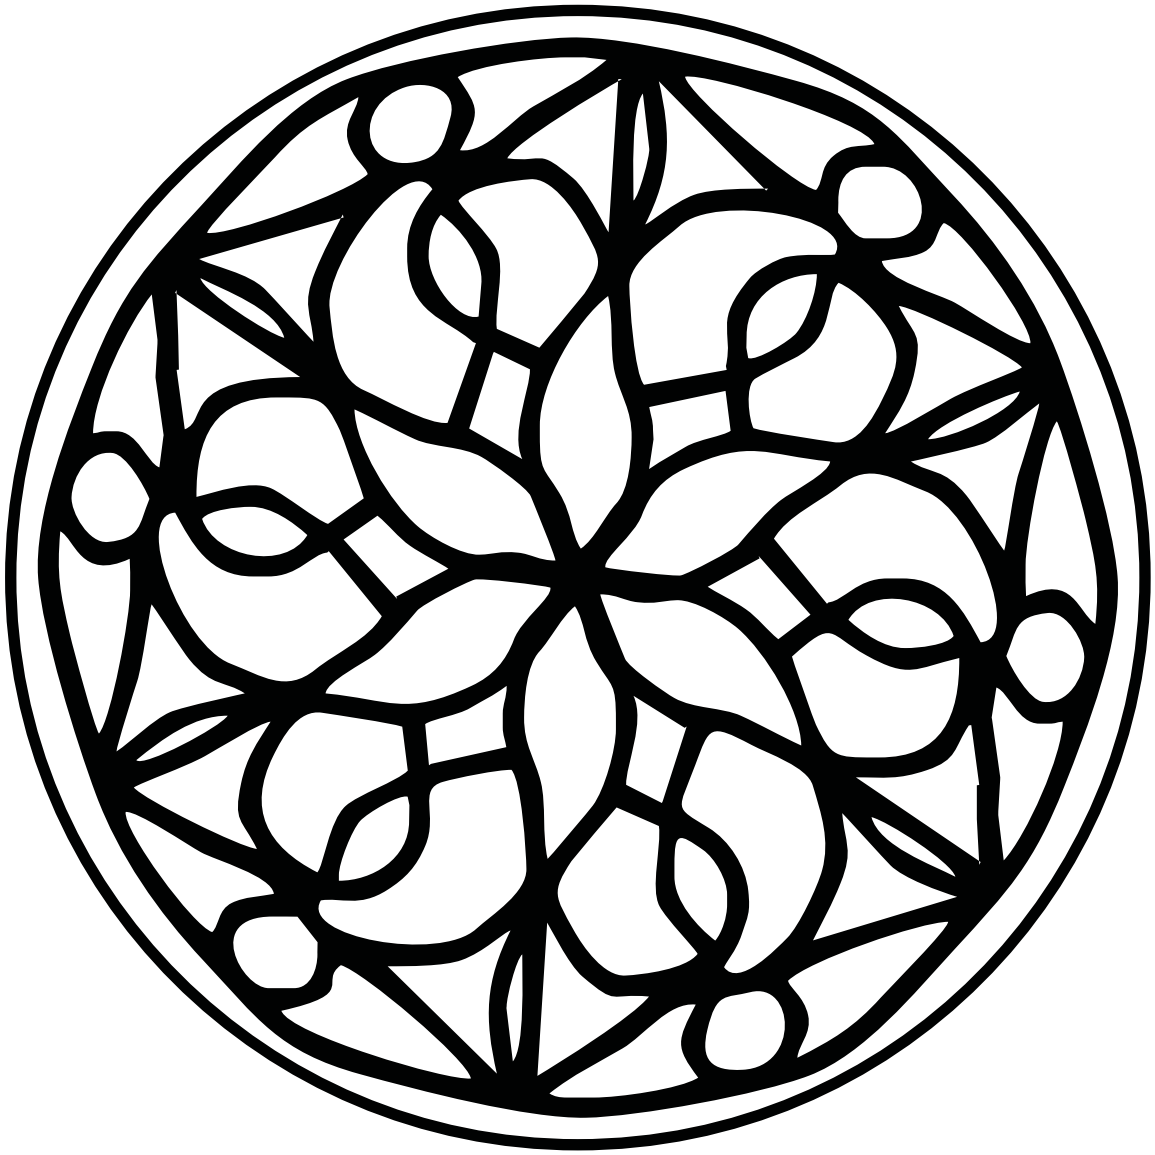
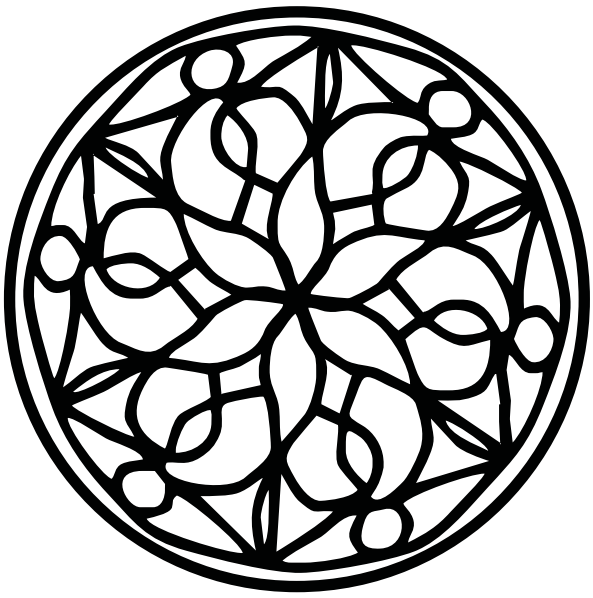
Magiczne Mandale to zbiór rysunków, które po pokolorowaniu będziesz mogła zamienić w niezwykłą ozdobę do swojego domu lub biżuterię. Mandale możesz malować farbami (najlepiej akrylowymi), mazakami, żelpenami, kolorować zwykłymi kredkami, kredkami świecowymi albo pastelami.
Większe mandale po pokolorowaniu możesz oprawić w ramki tak, by stały się ozdobą ścian, ale możesz nimi również ozdobić pudełka, szkatułki lub po wycięciu paska o odpowiednio dobranej szerokości, drewniane bransoletki. Z mniejszych mandali możesz zrobić ozdobne zawieszki, podkładki pod kubeczki, a te najmniejsze pomogą Ci stworzyć niezwykłą biżuterię: kolczyki, wisiory, broszki, breloczki lub magnesy na lodówkę czy ozdobne zawieszki.
Nie ograniczaj się, łącz ze sobą różne techniki i baw się dobrze! :)


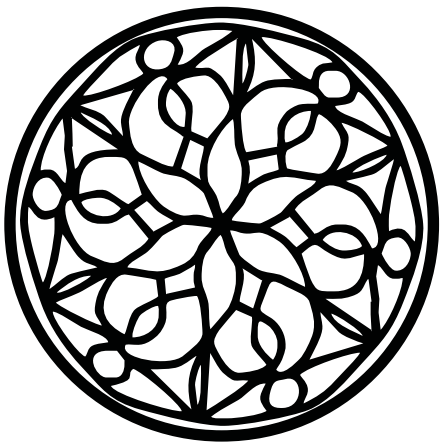


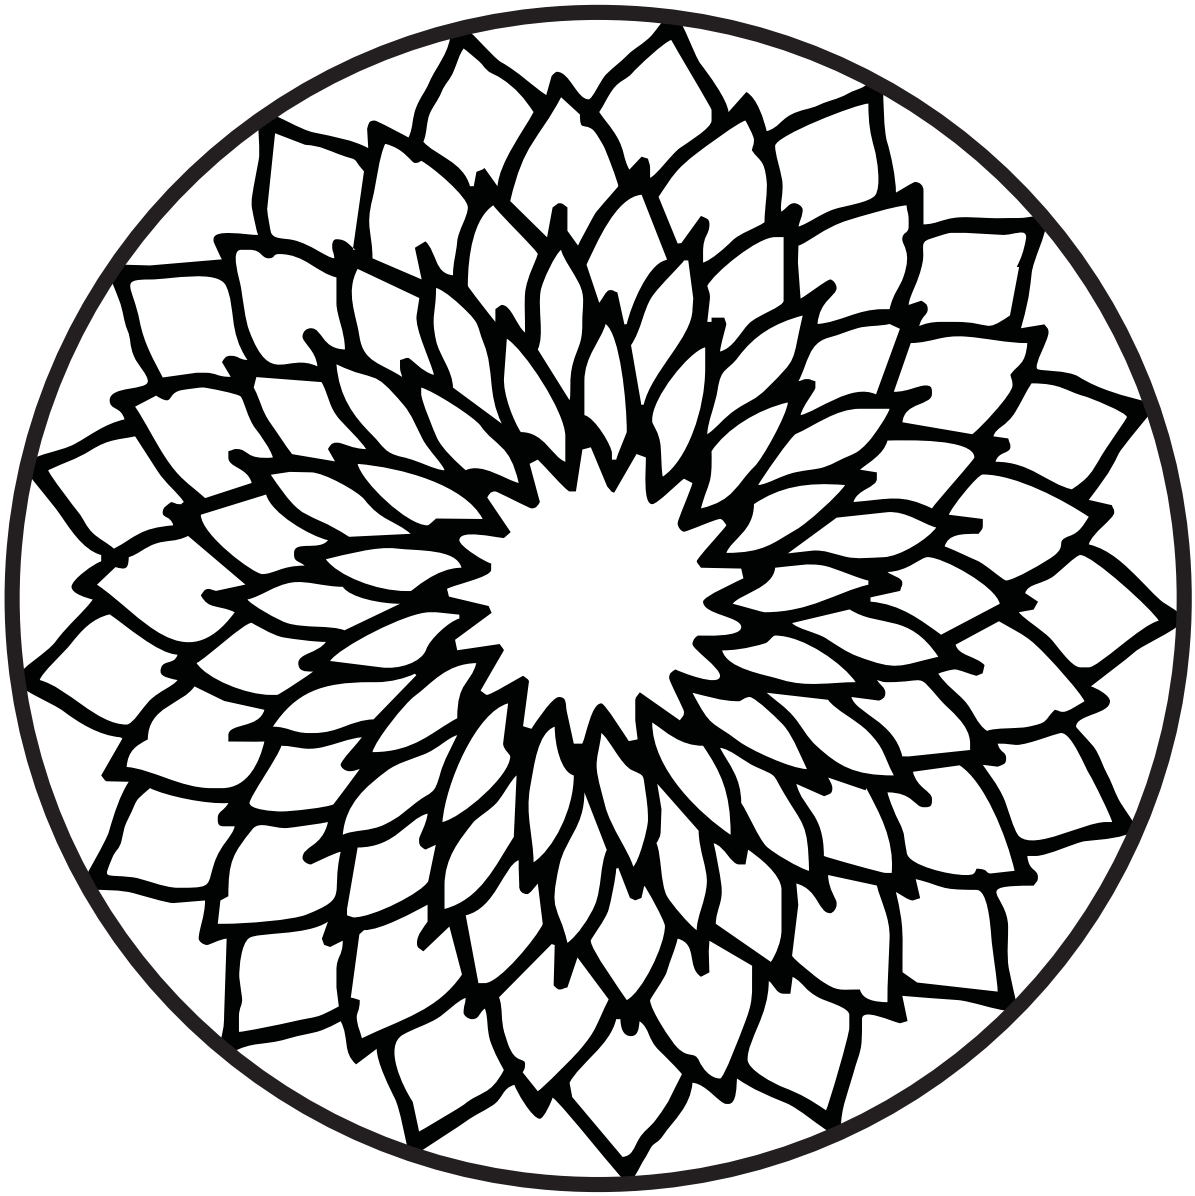


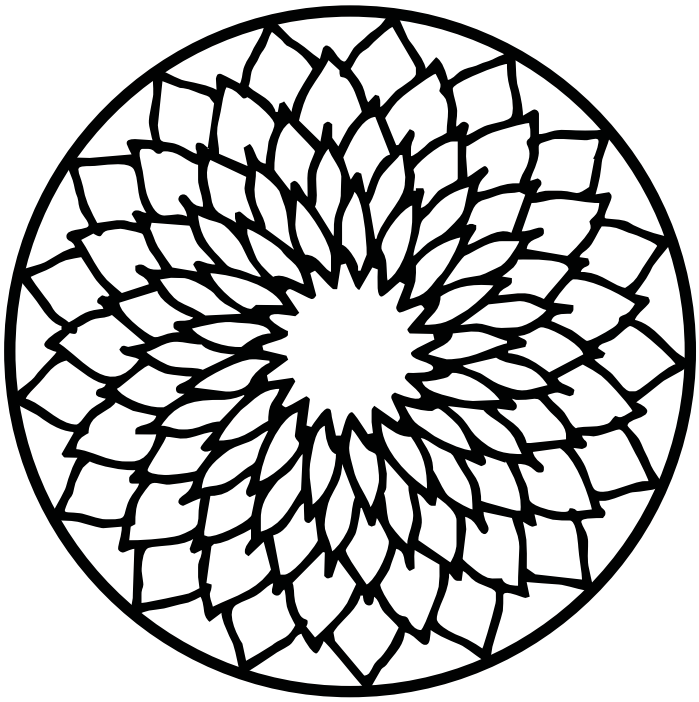


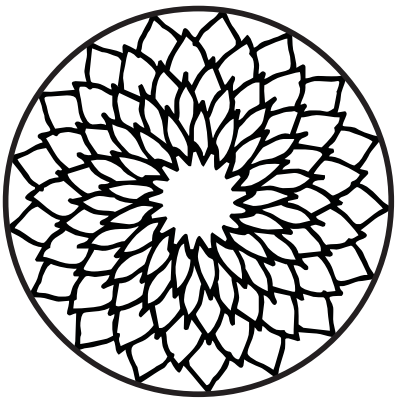


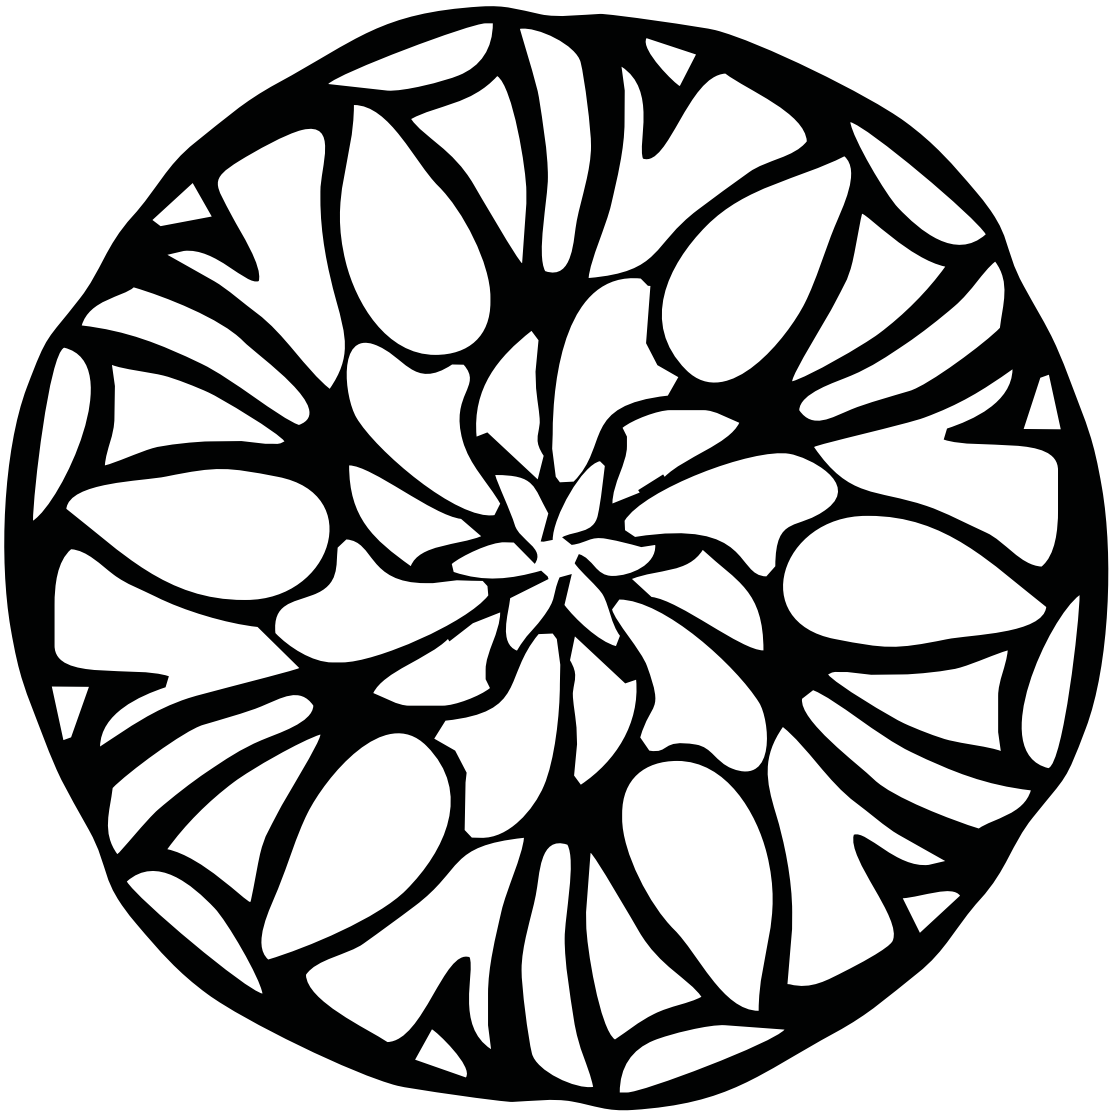


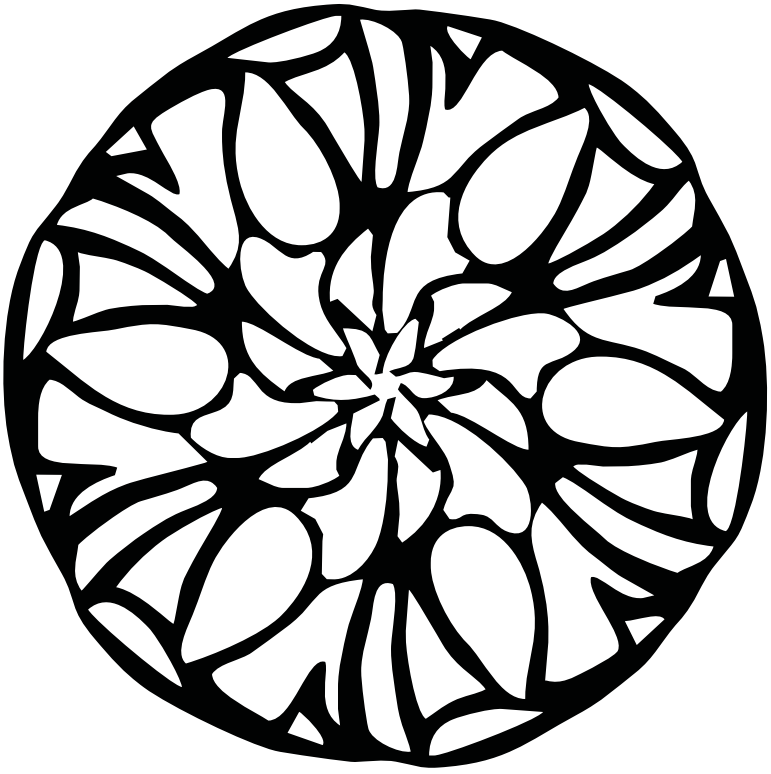


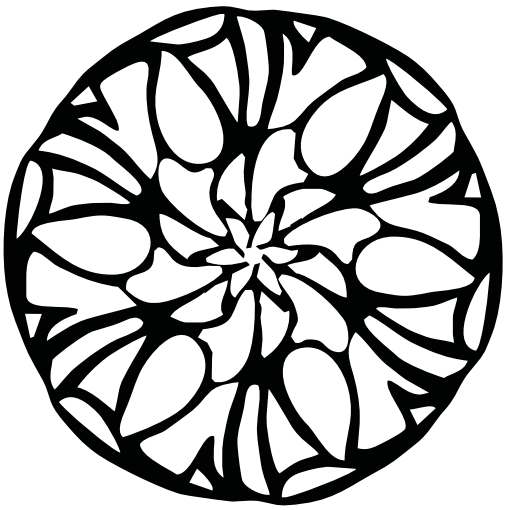


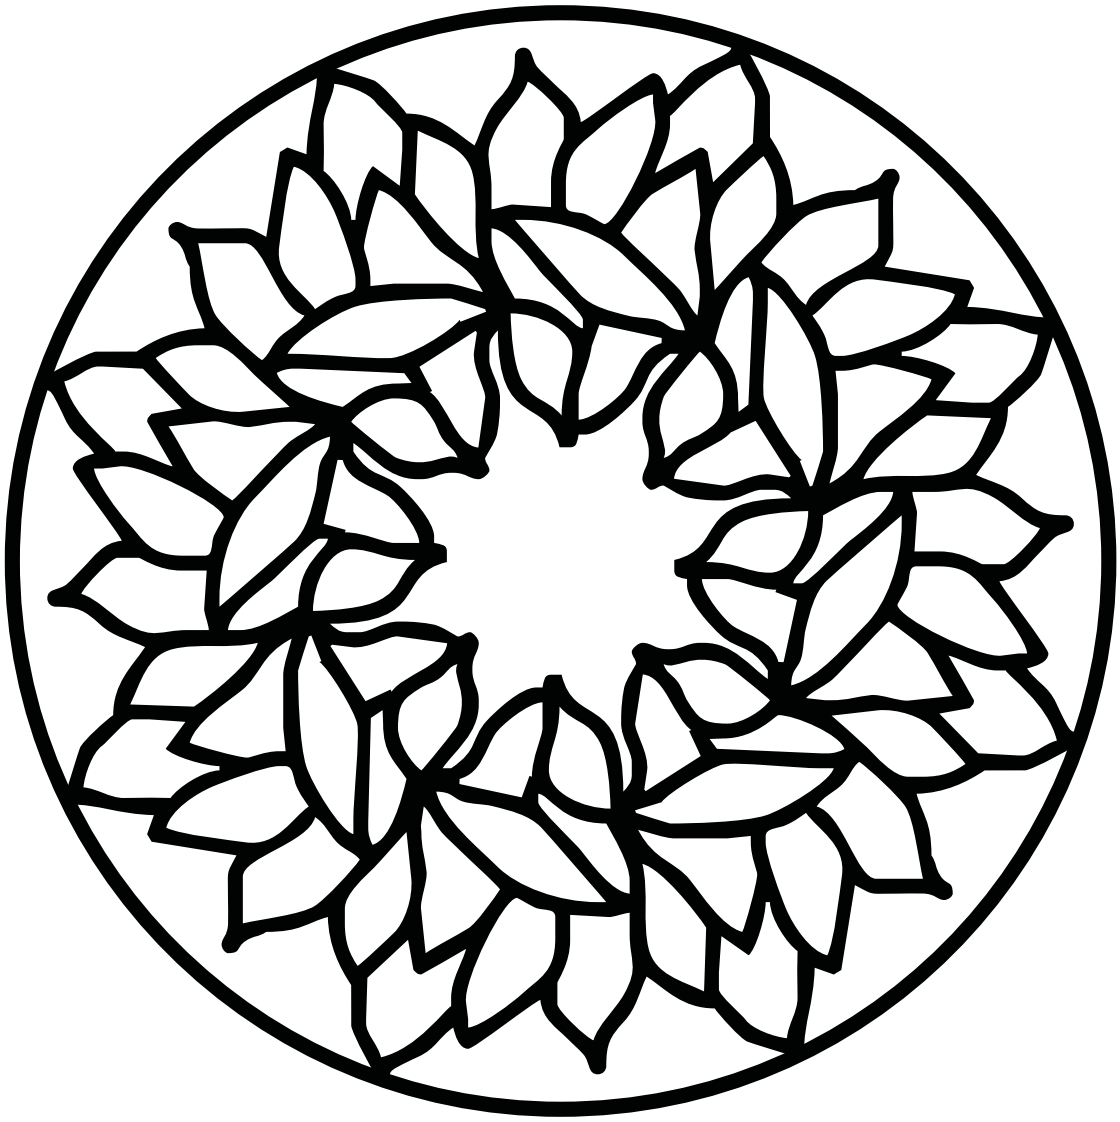


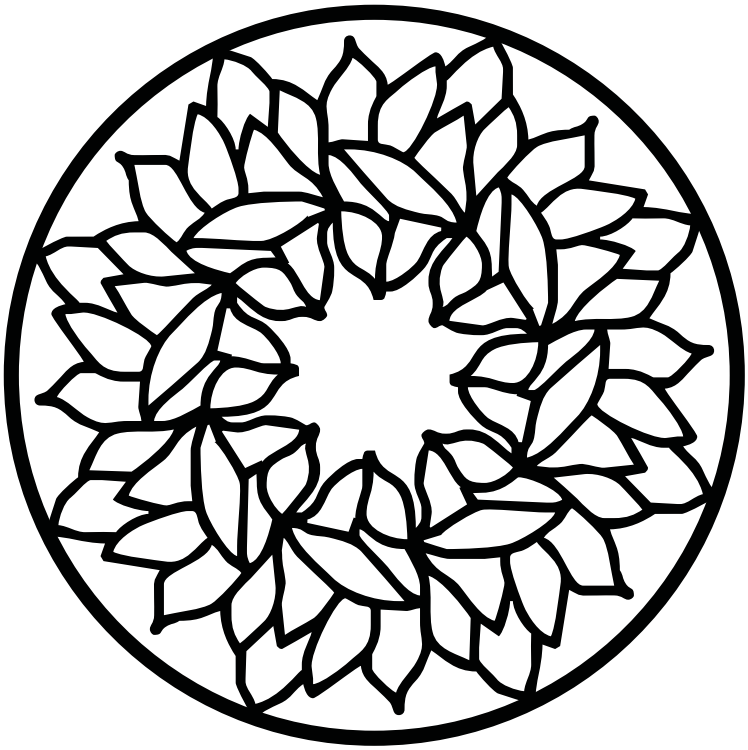


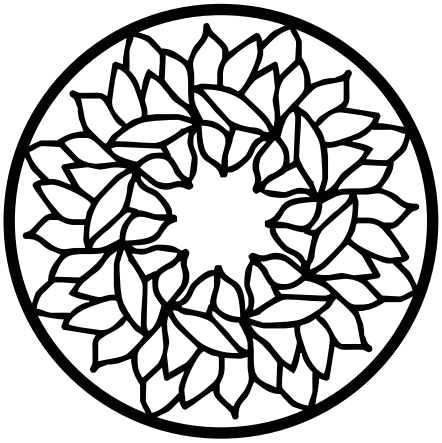


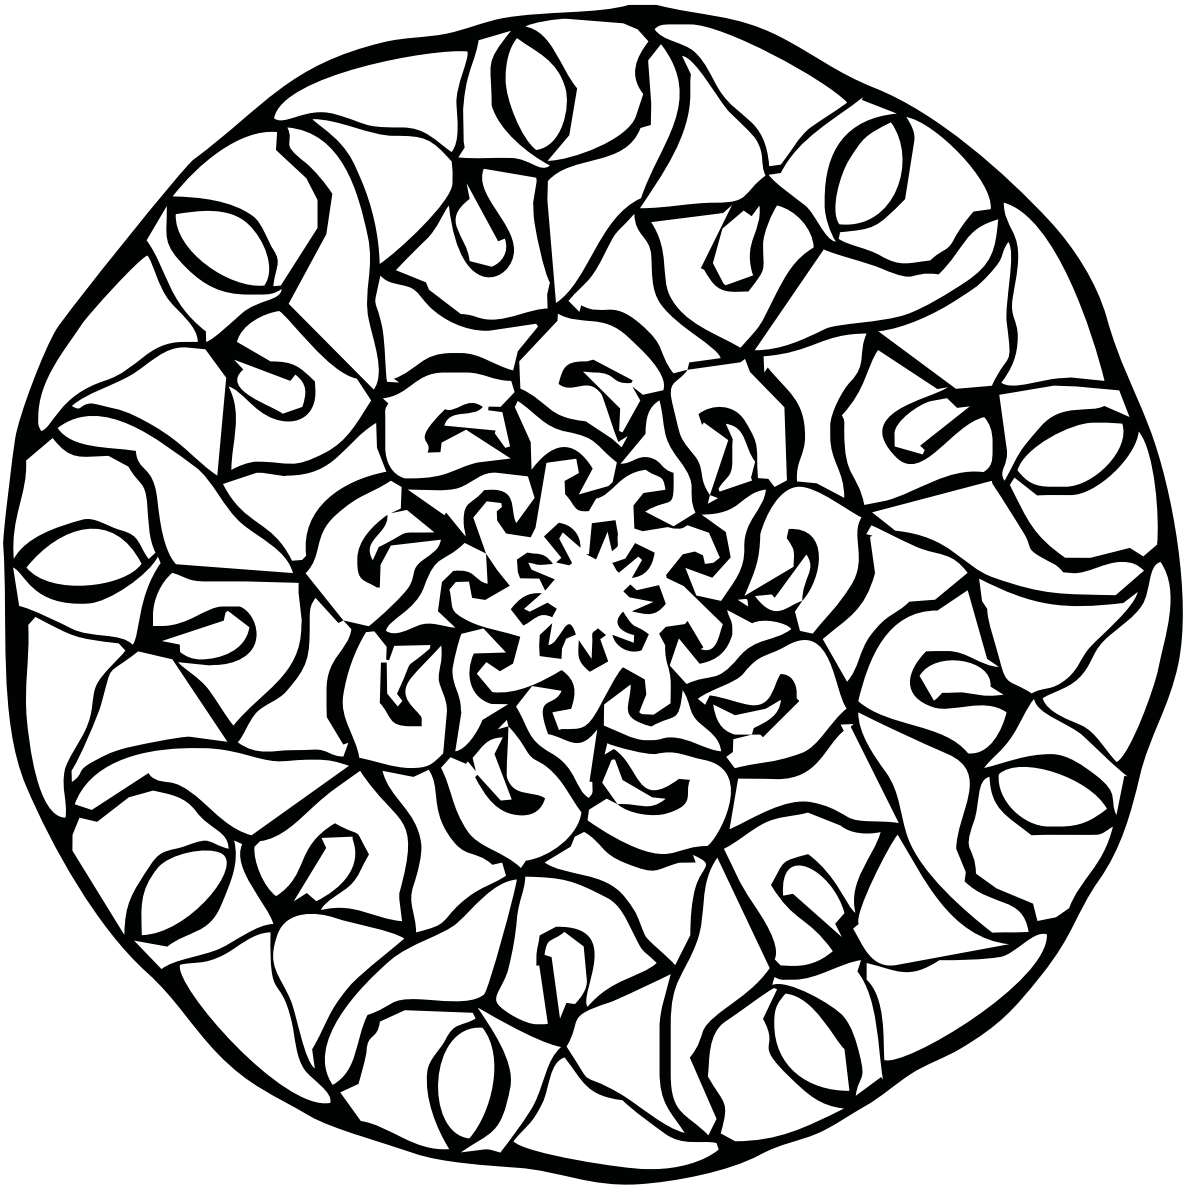


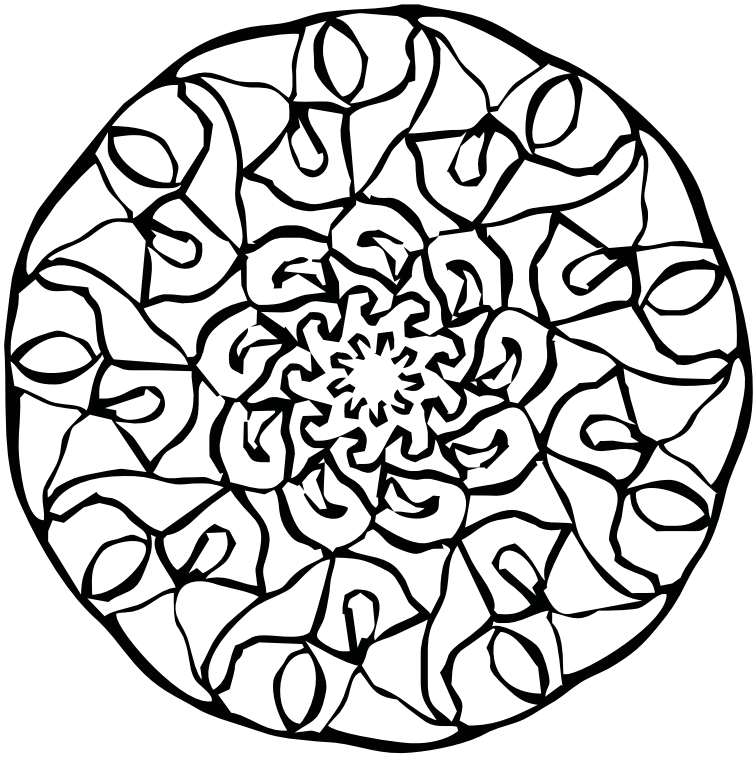


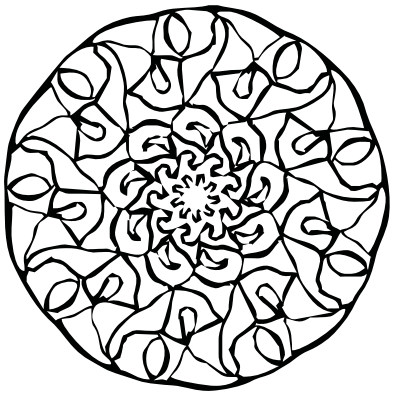


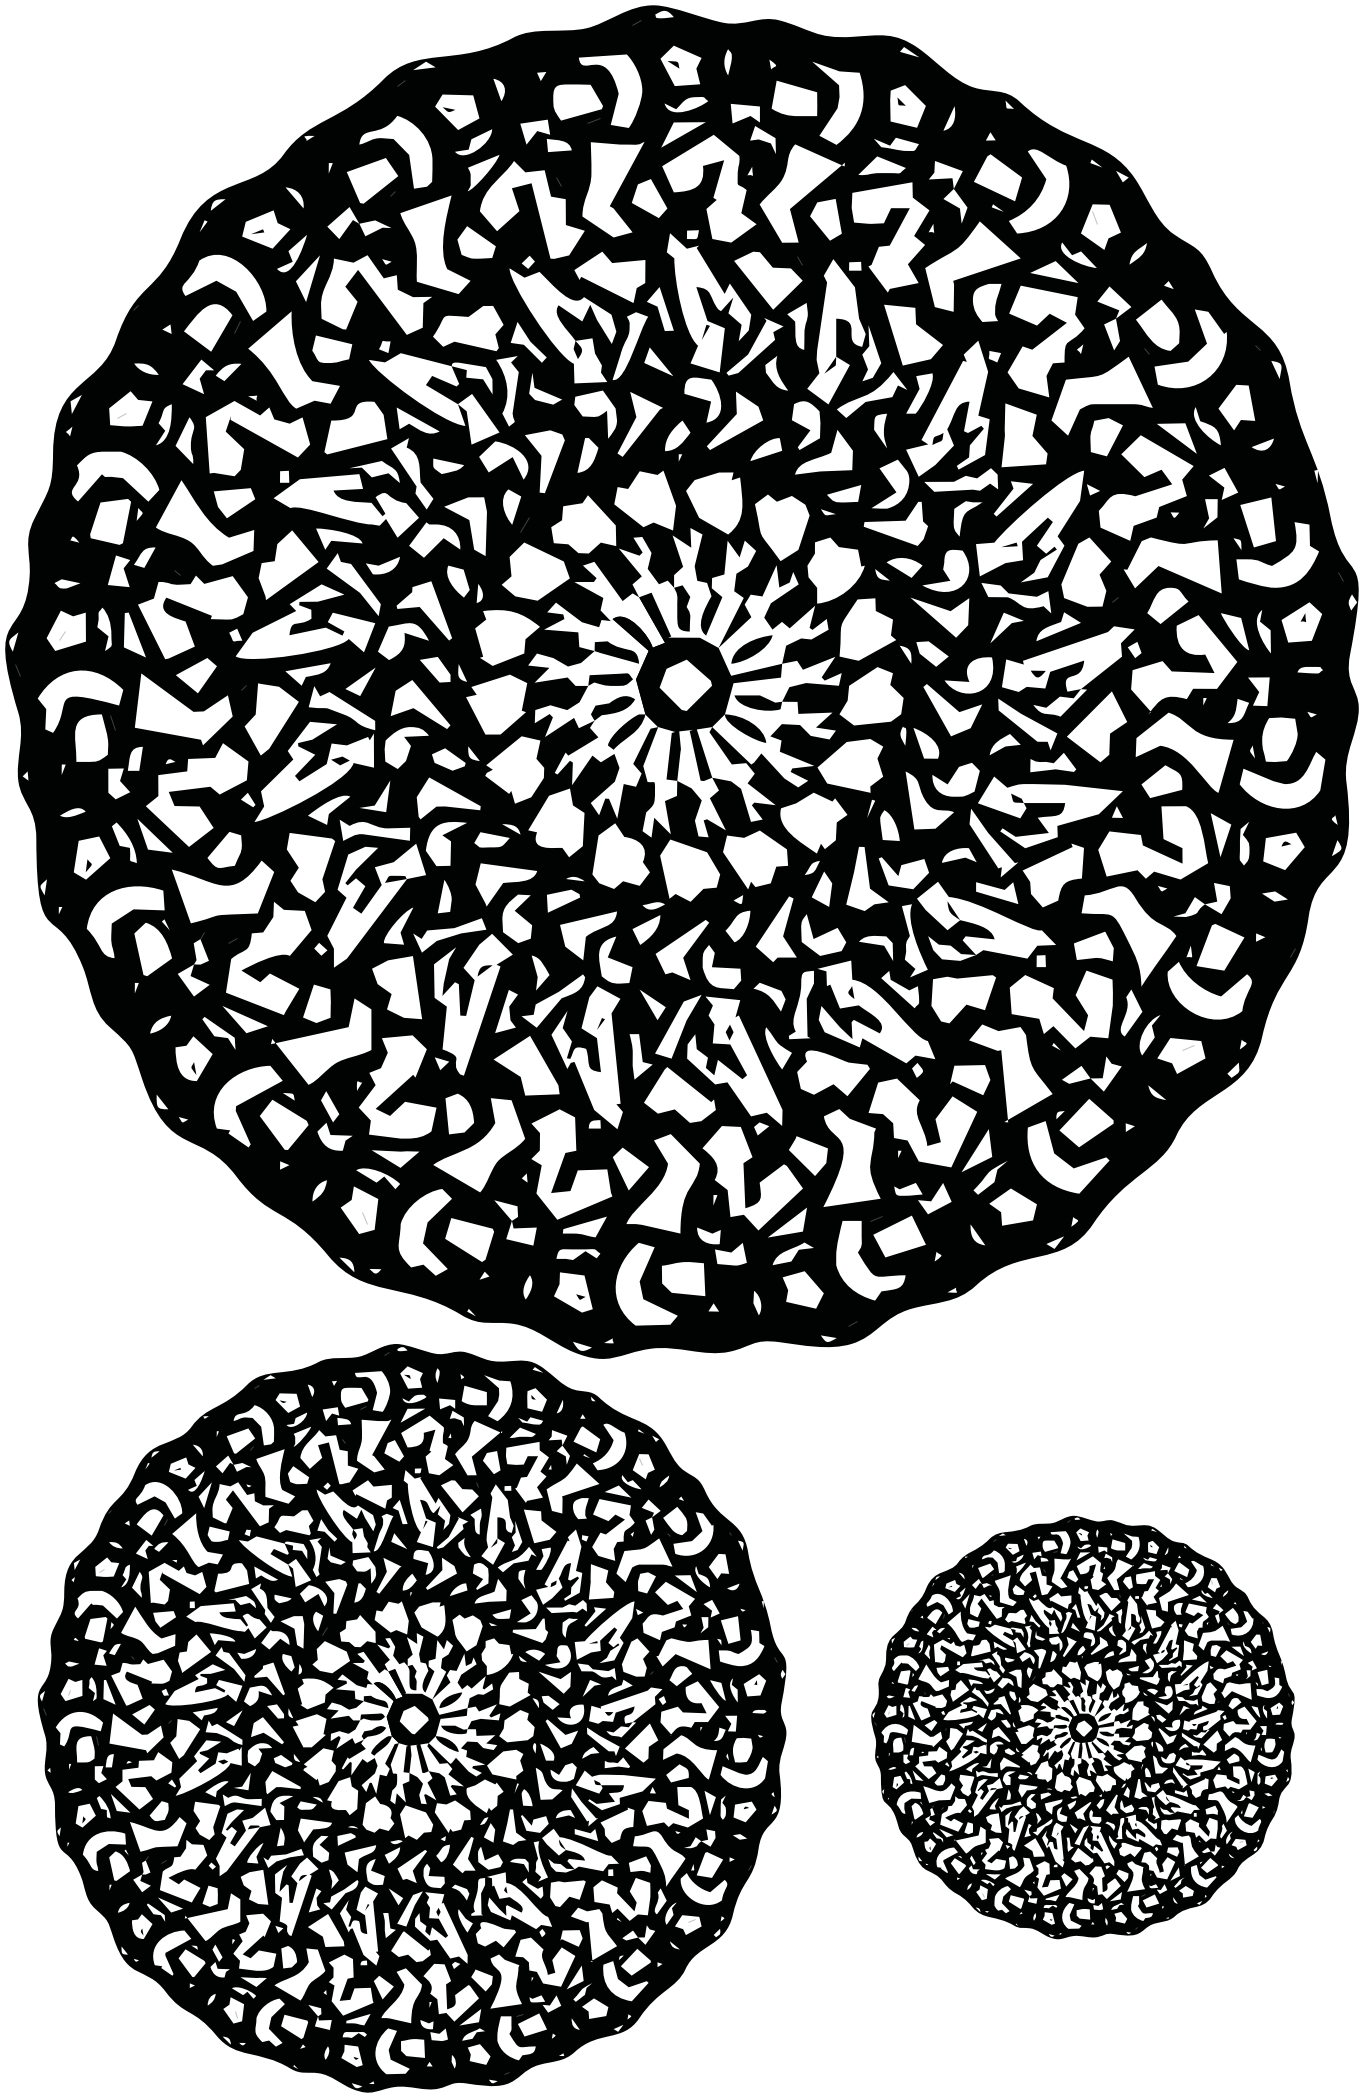


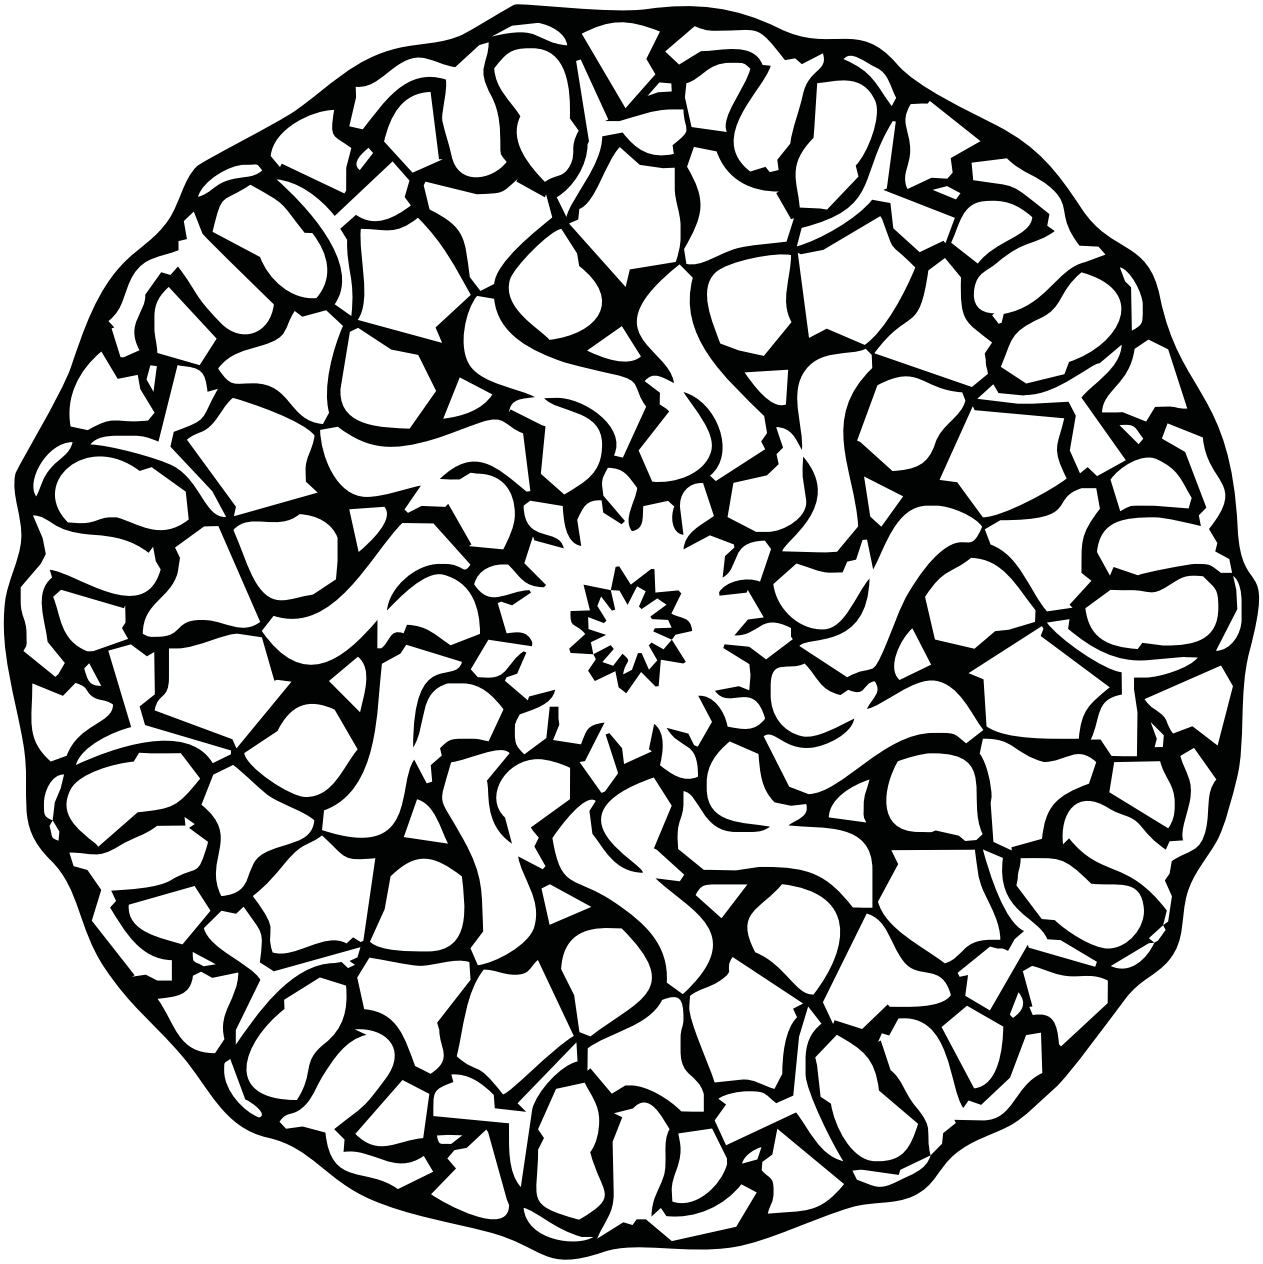


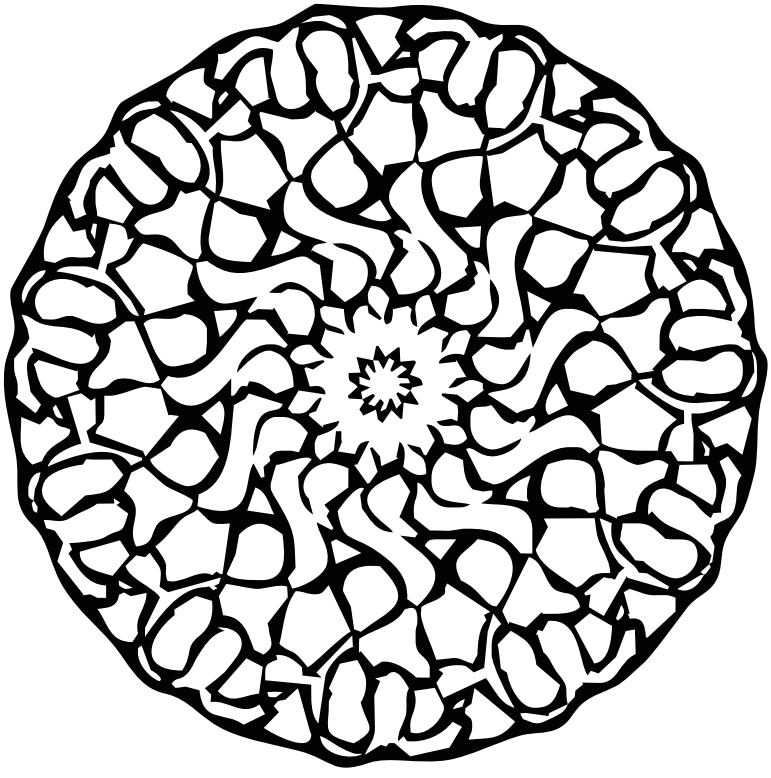


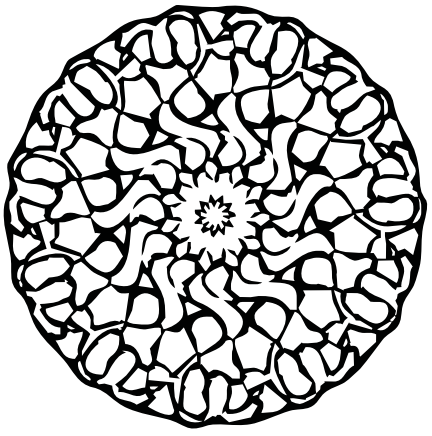


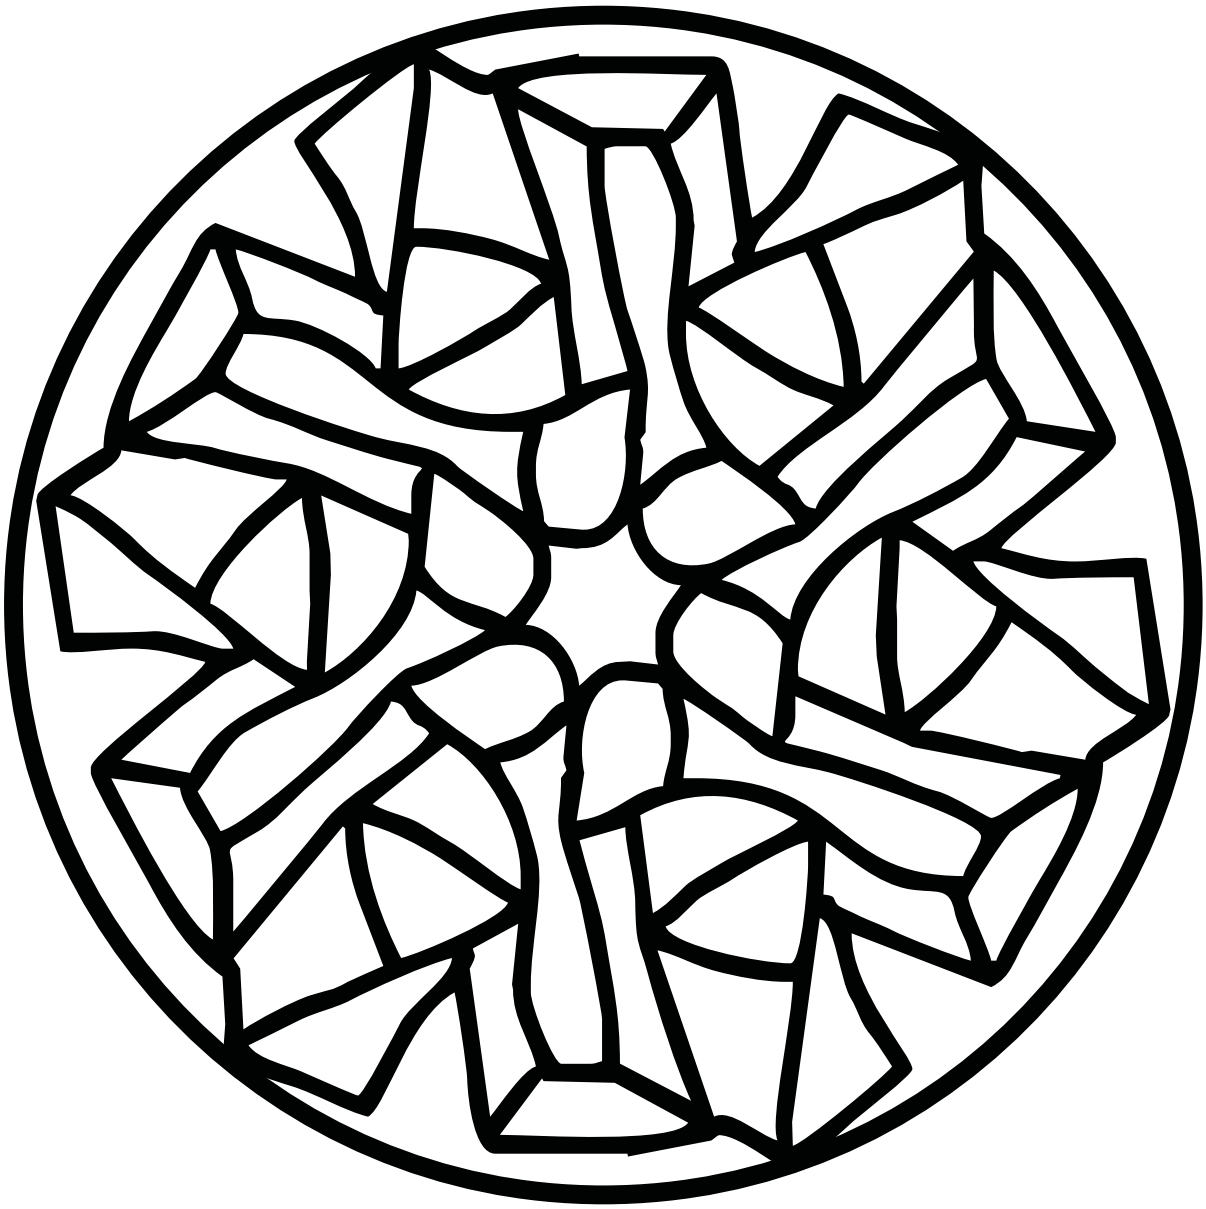


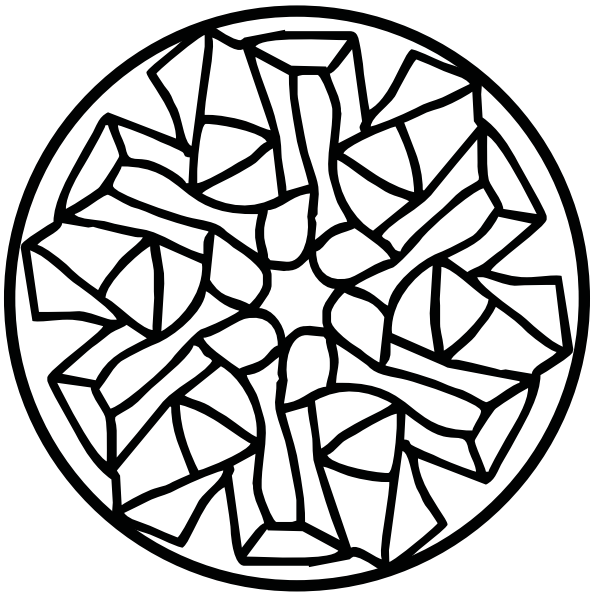


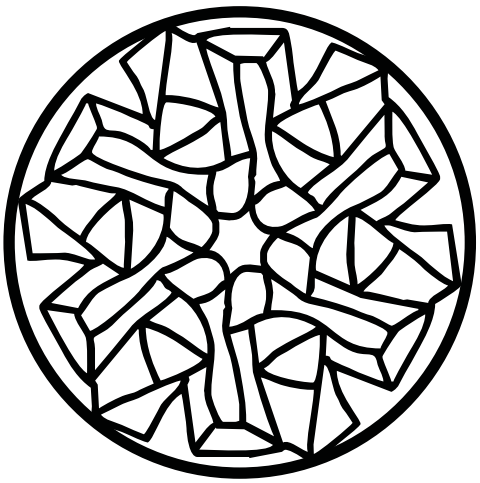


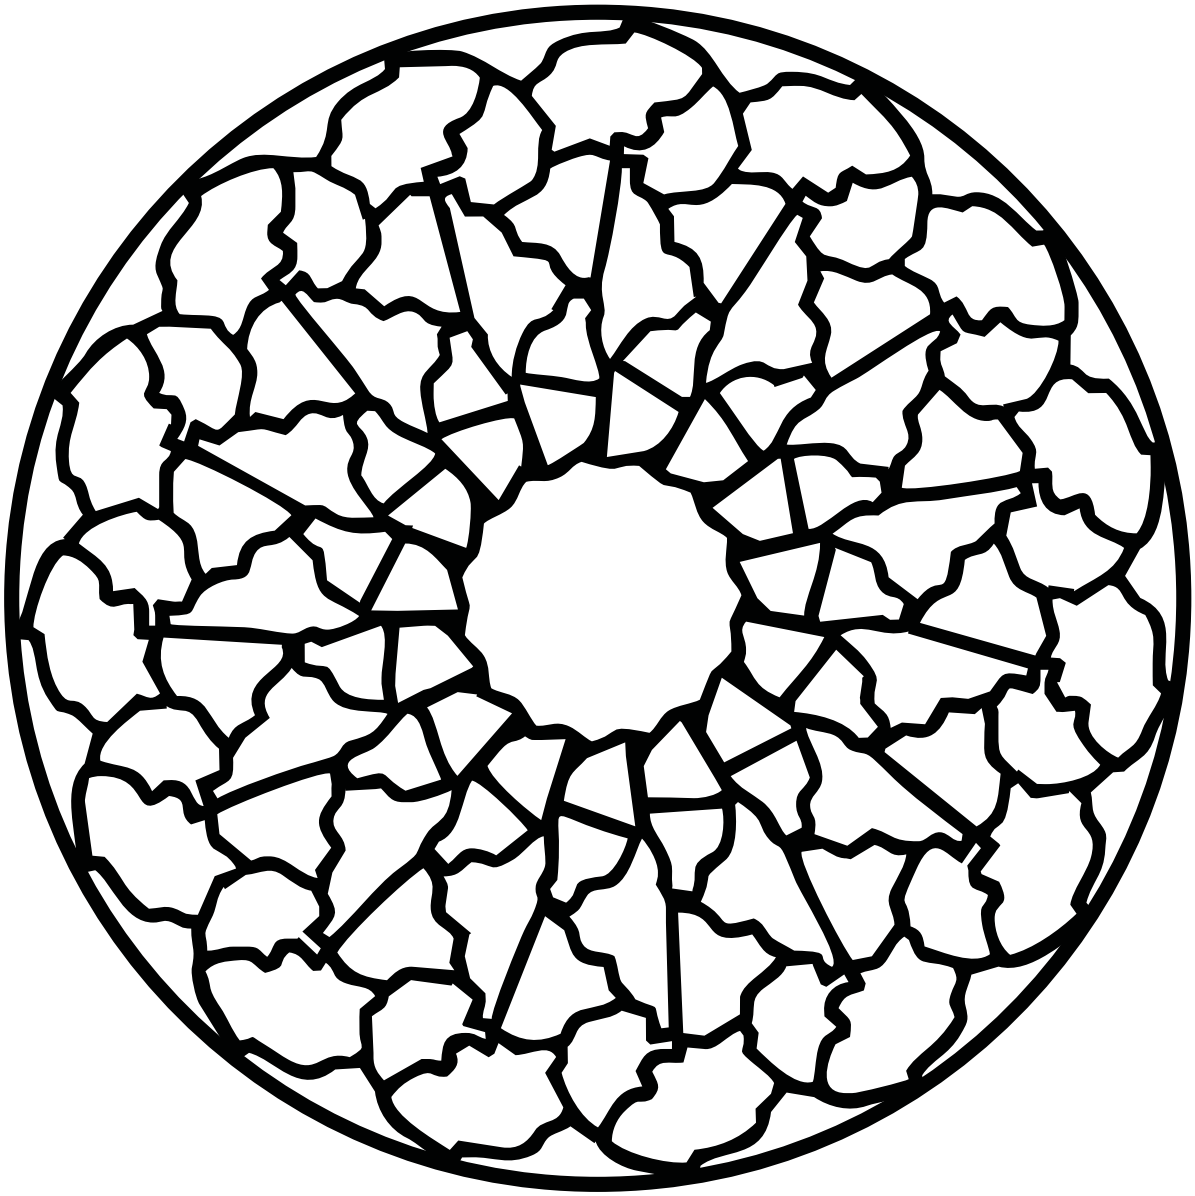


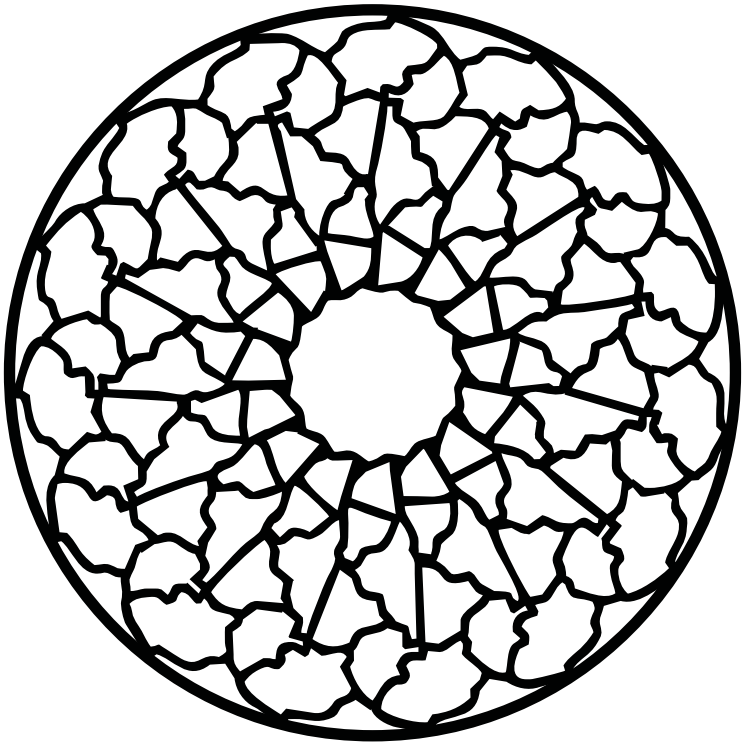


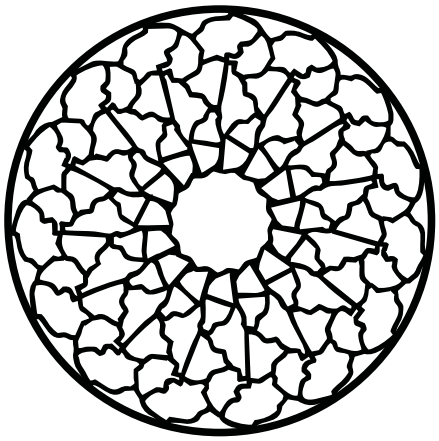


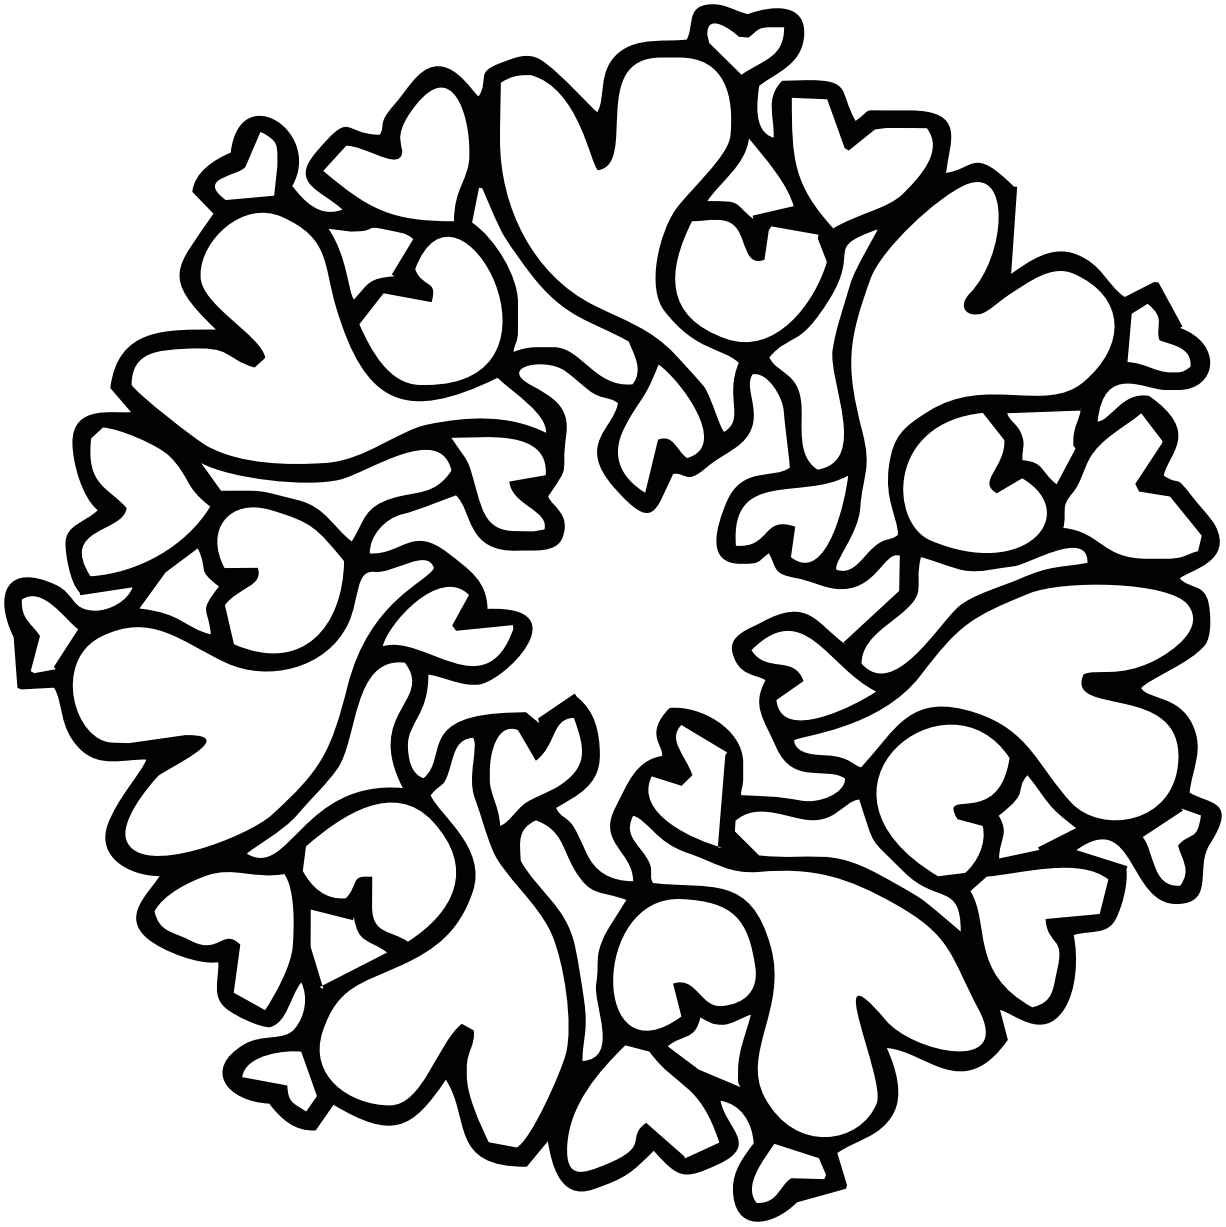


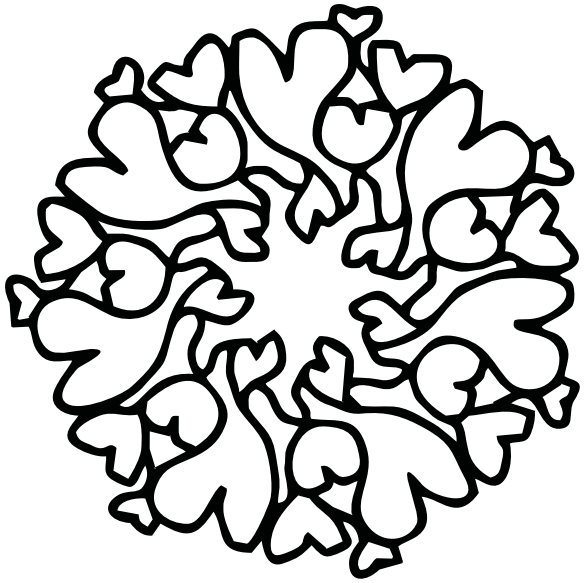


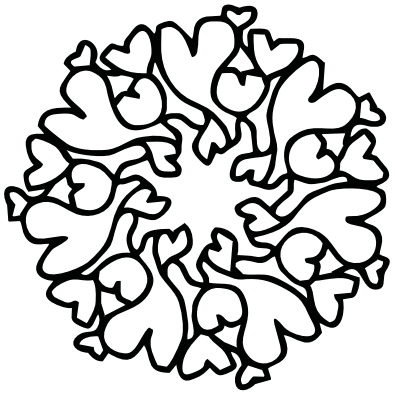


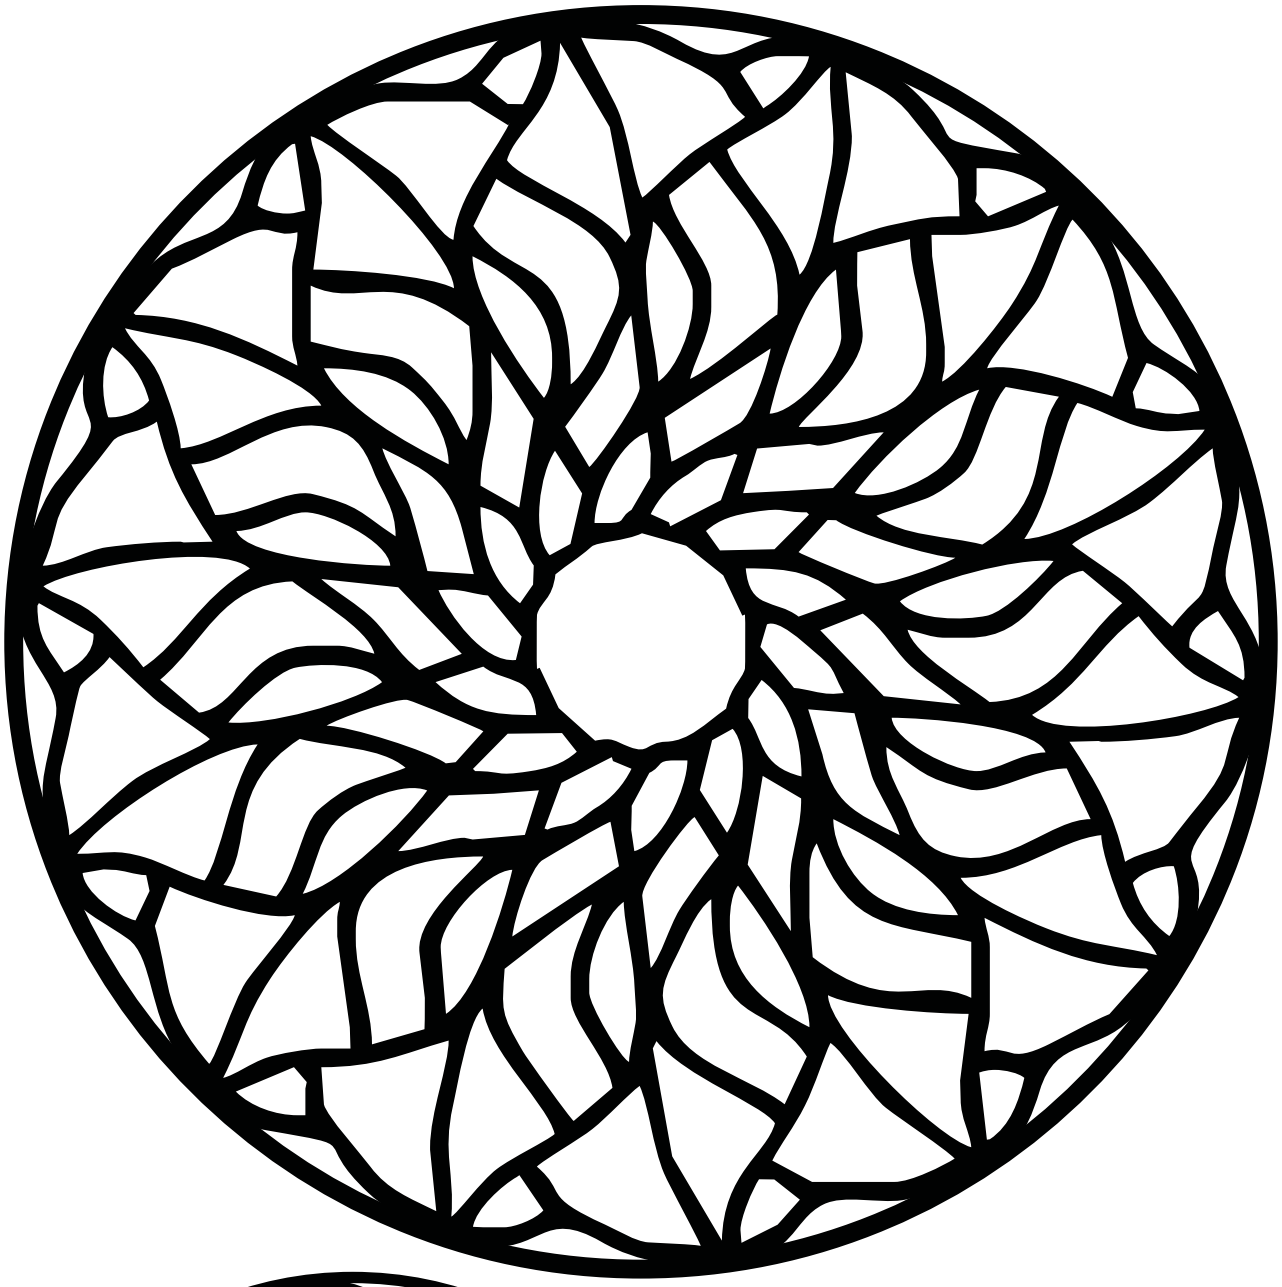


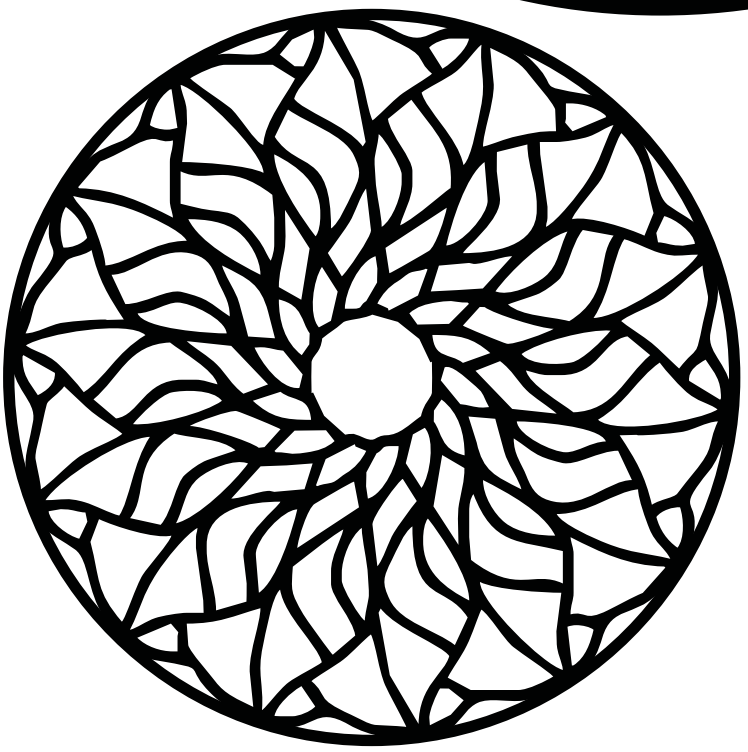


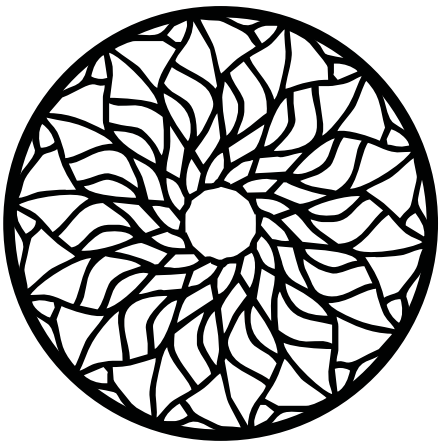


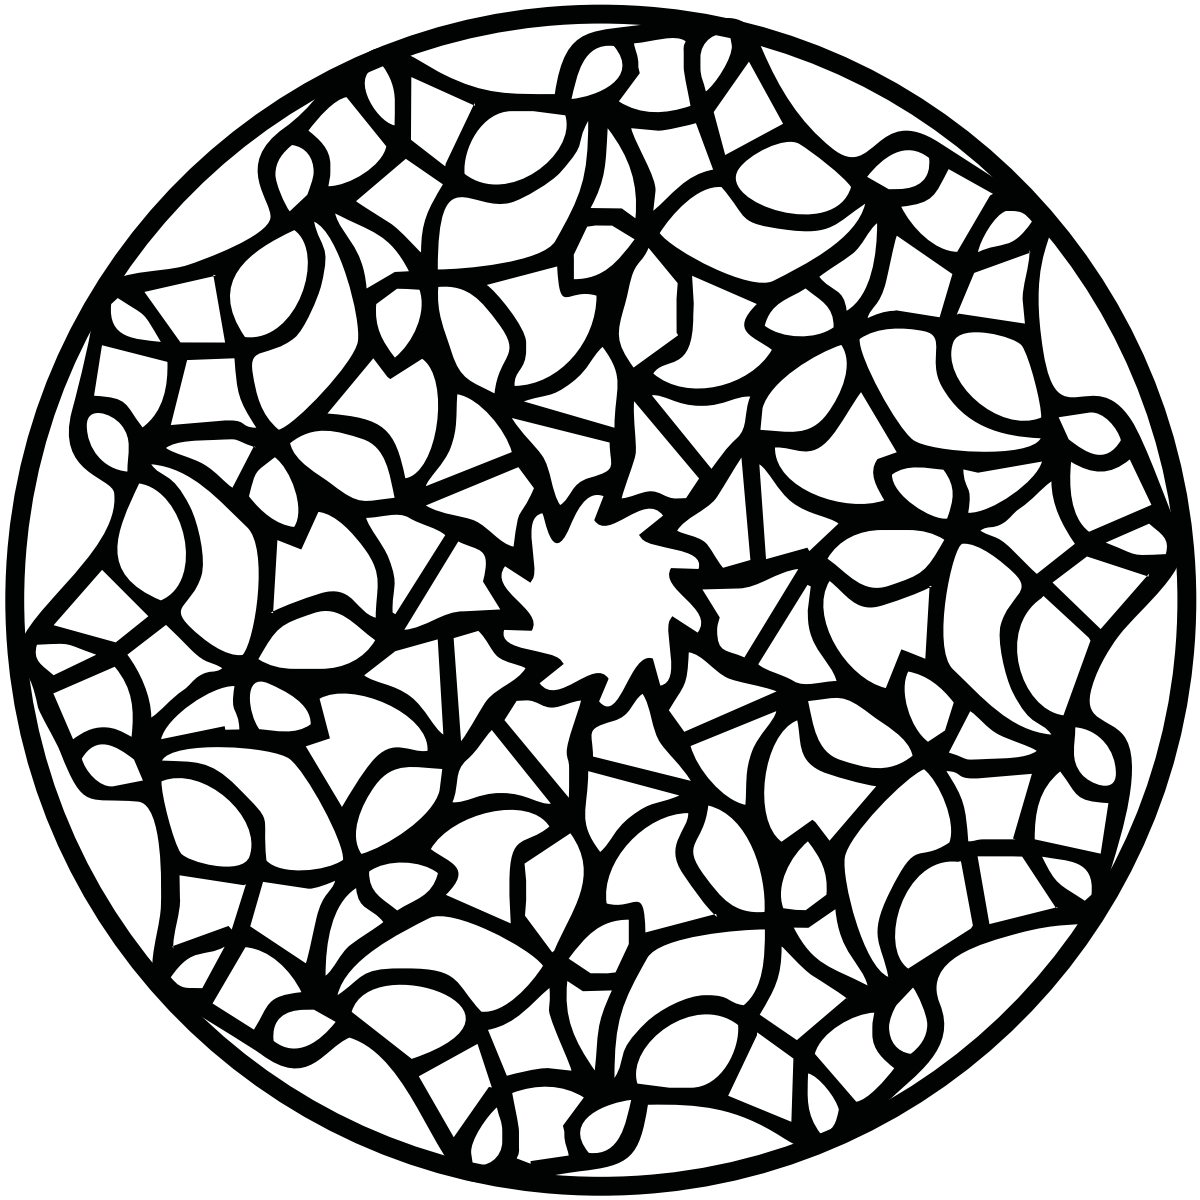


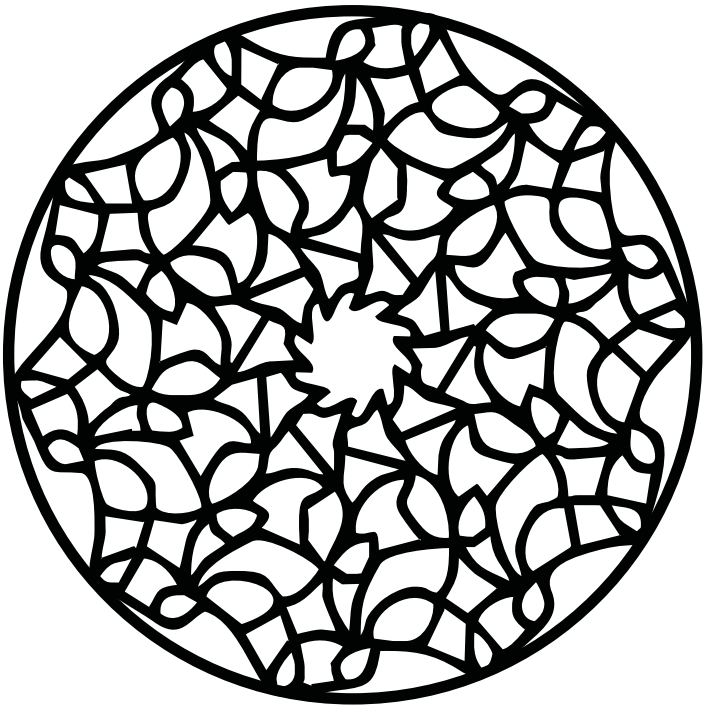


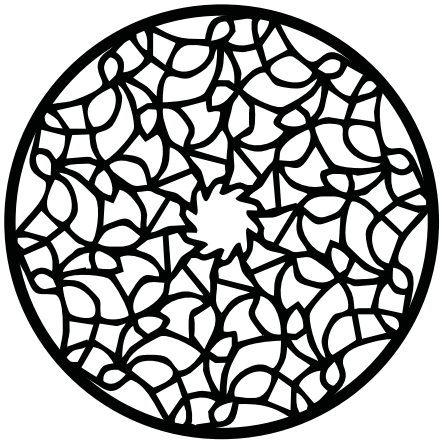


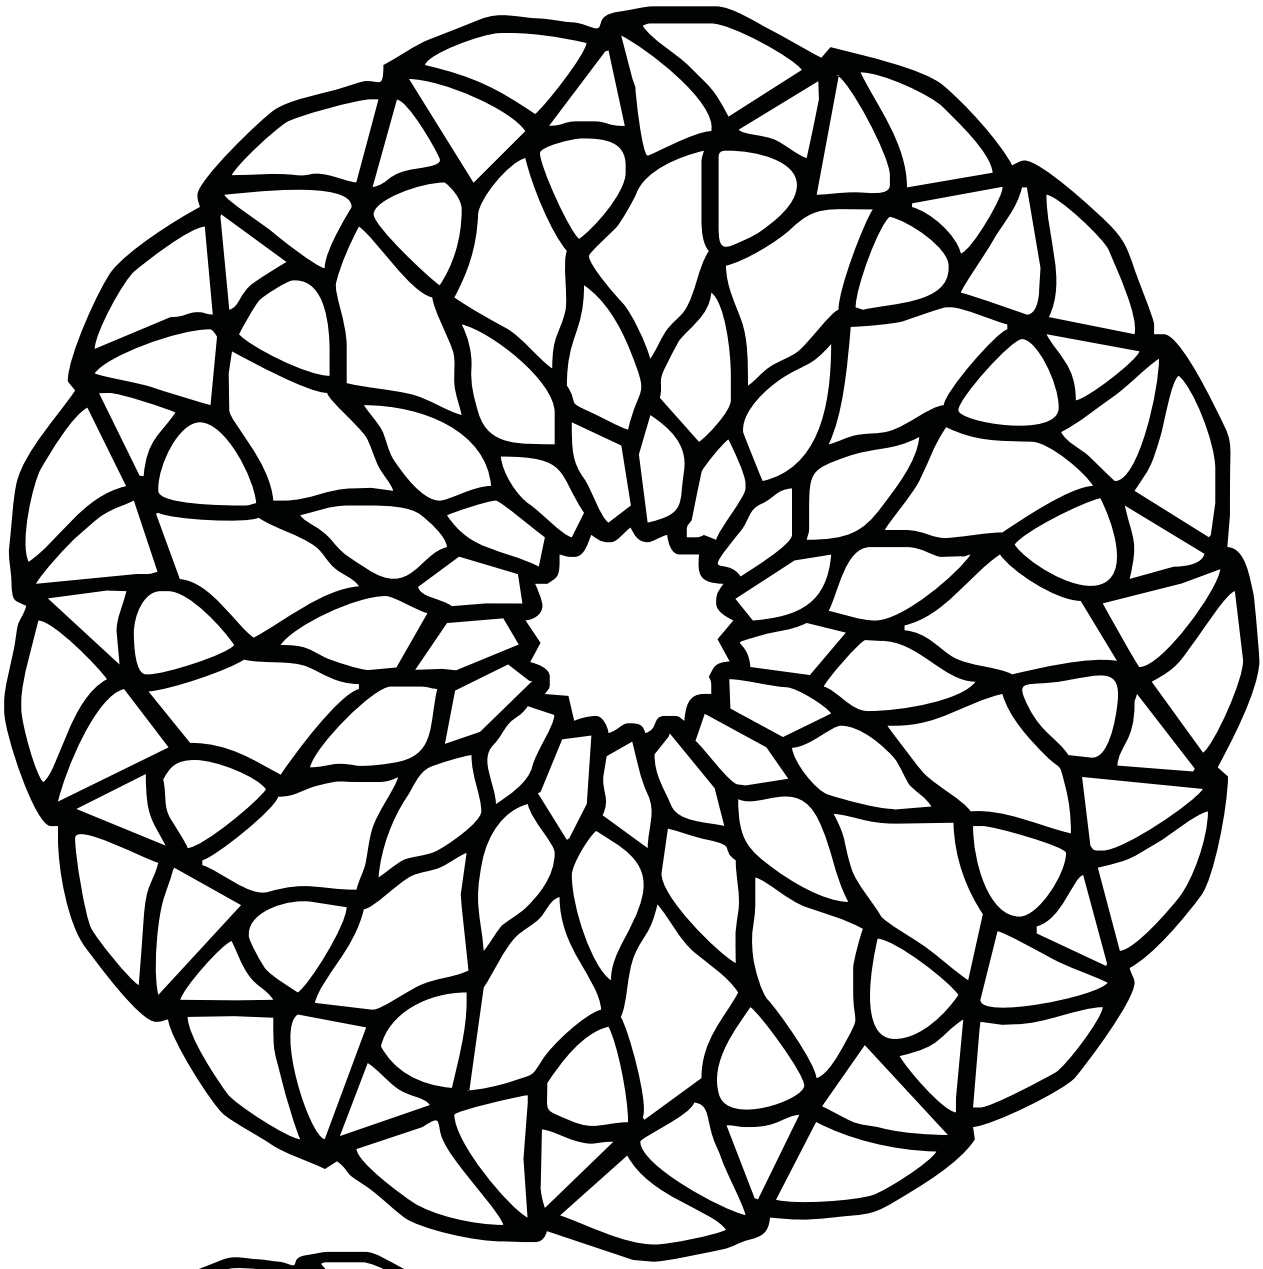


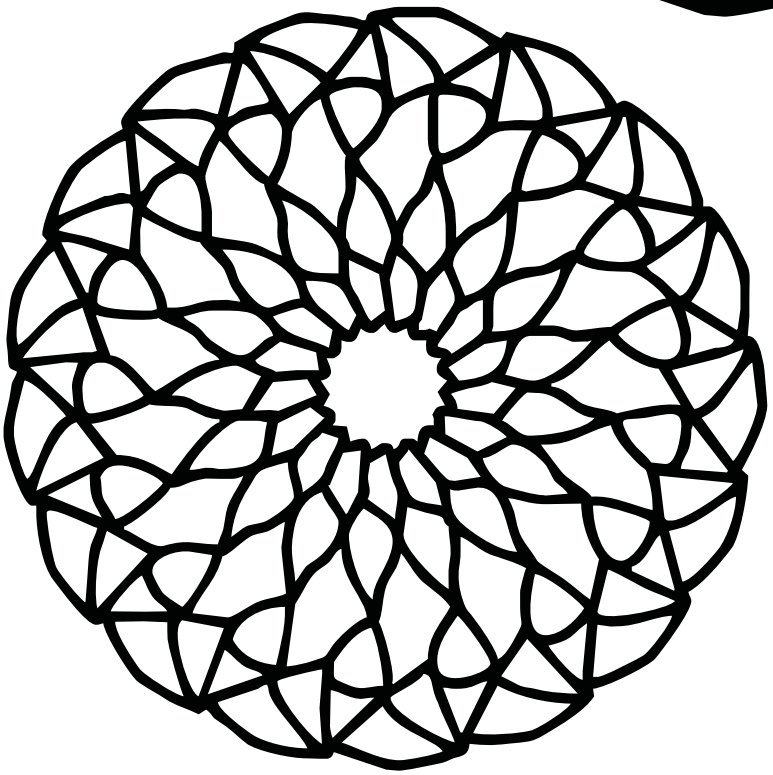


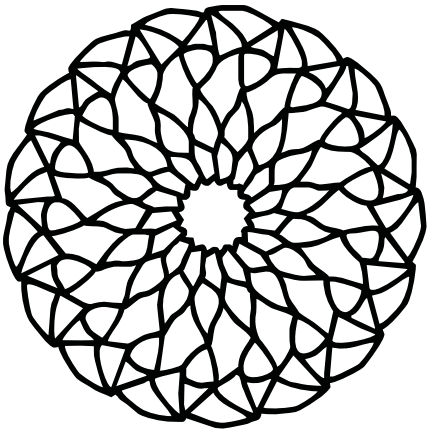


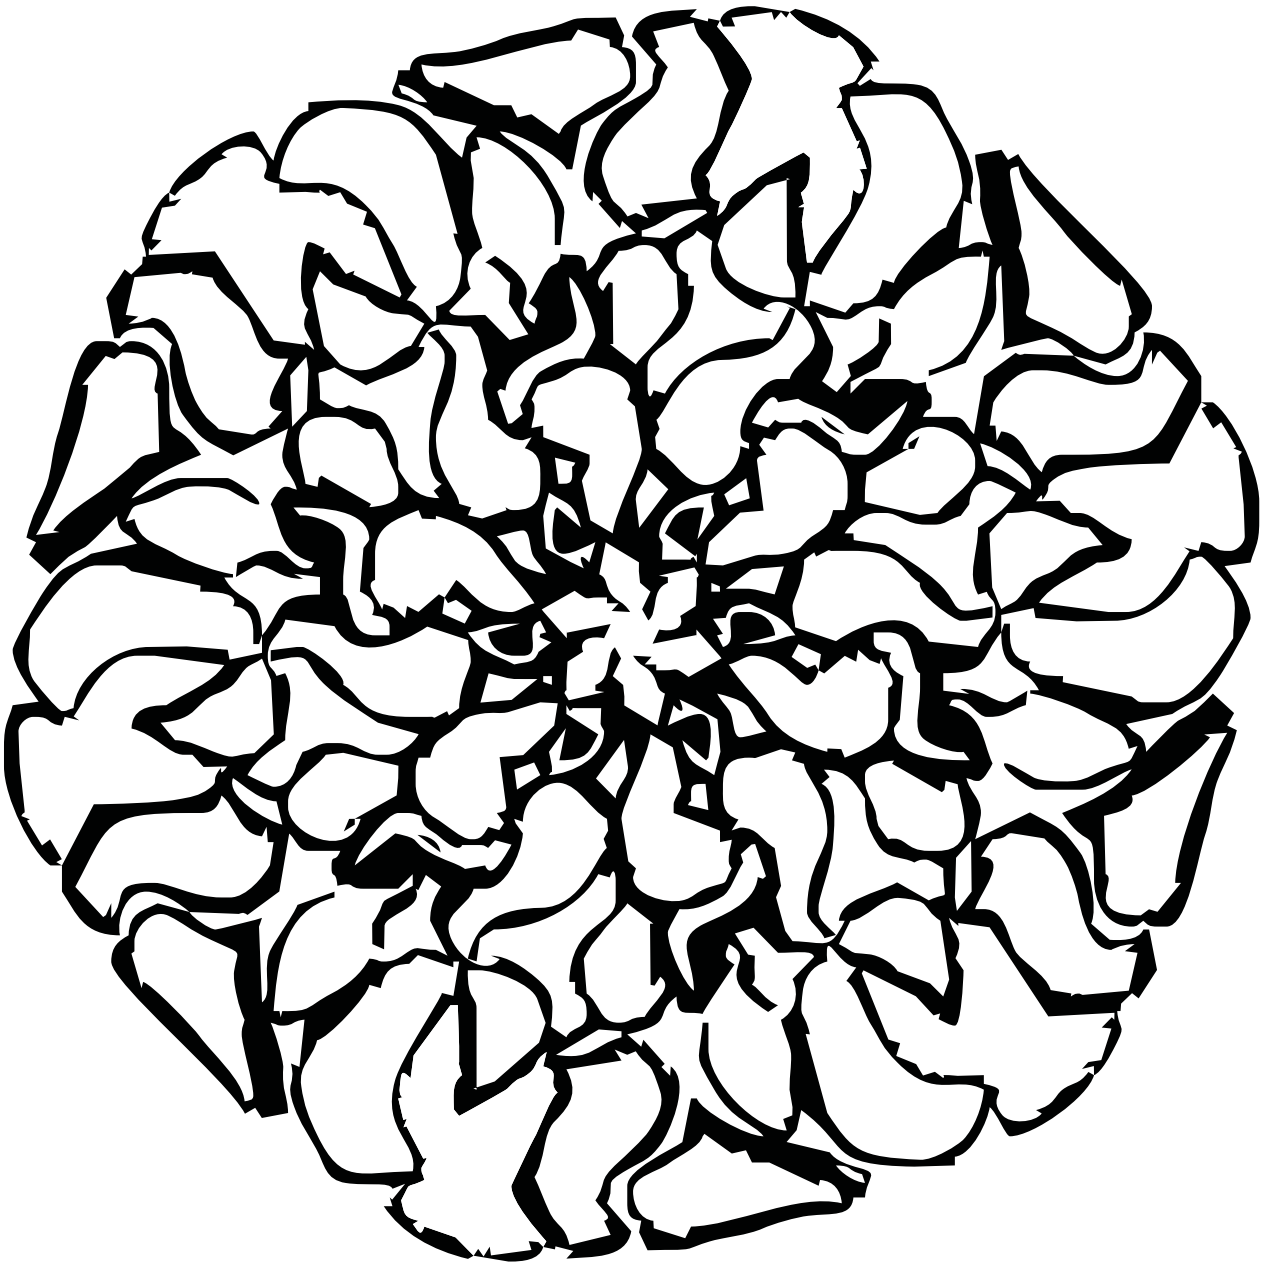


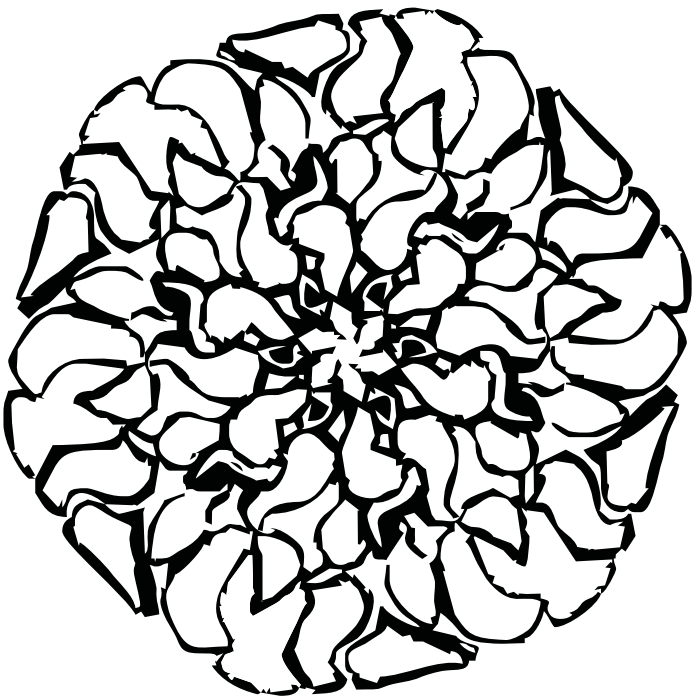


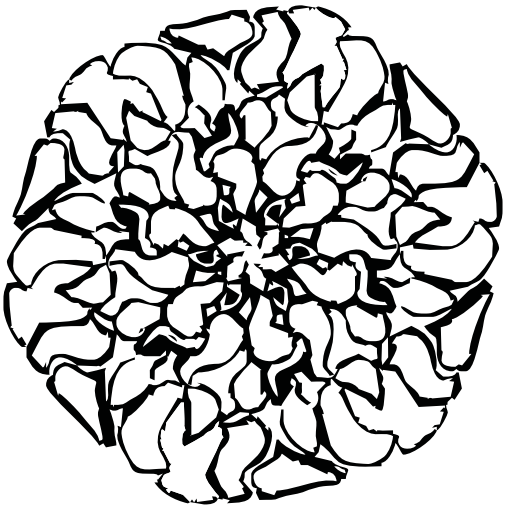


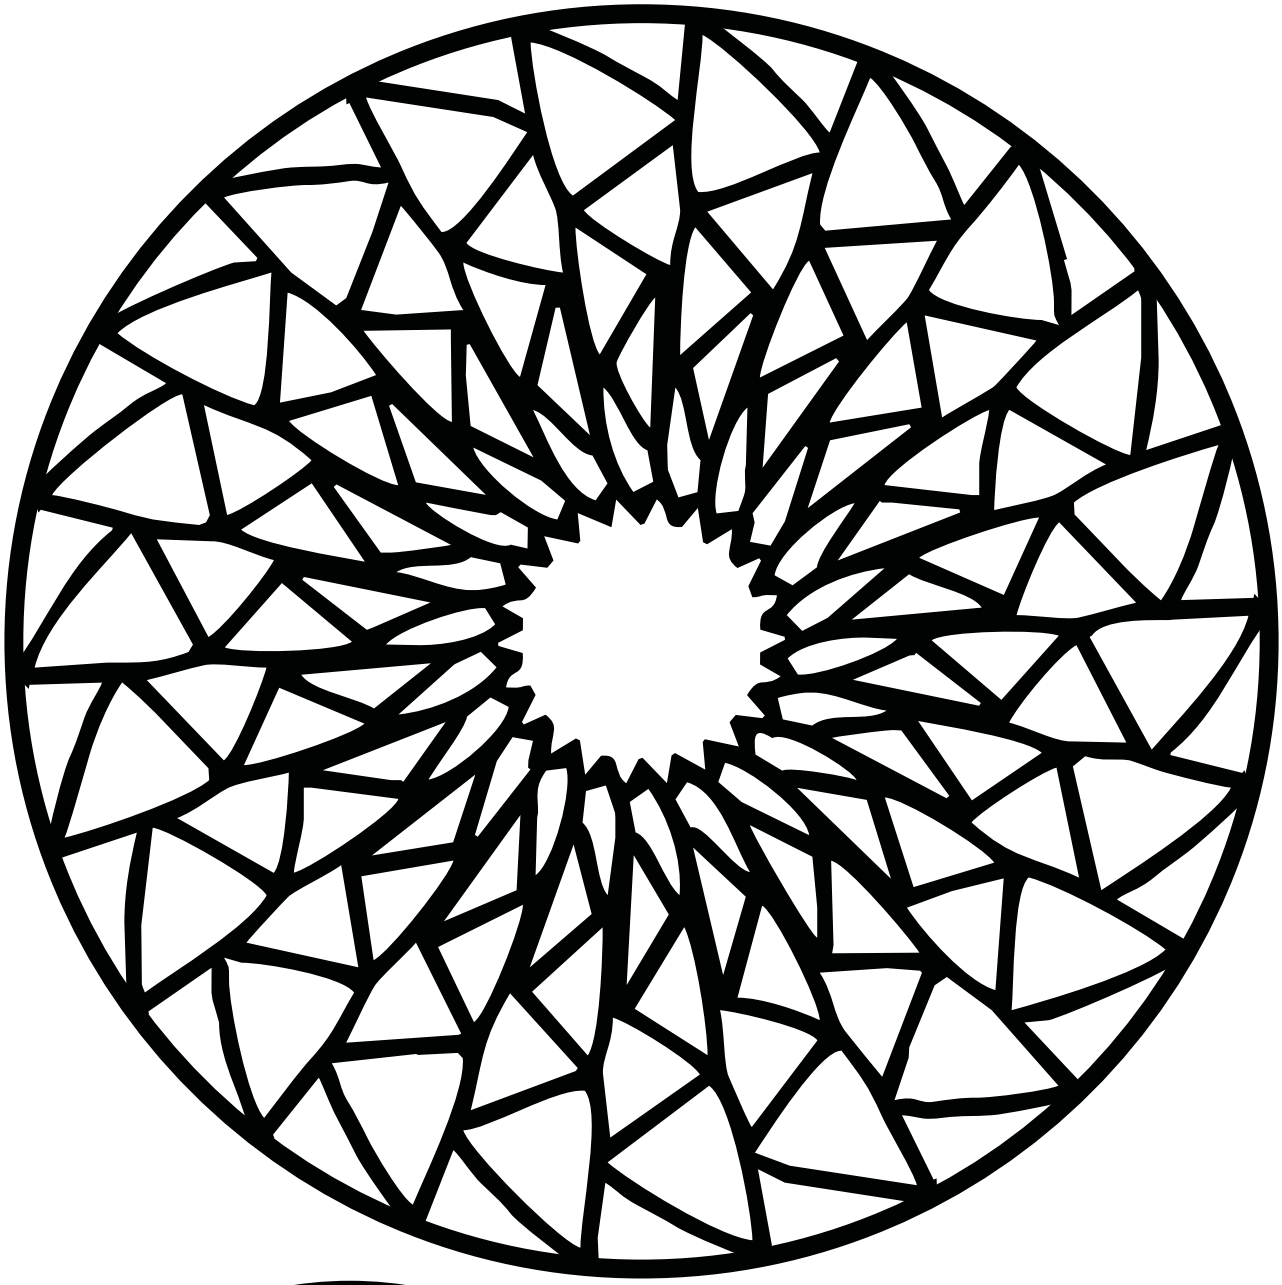


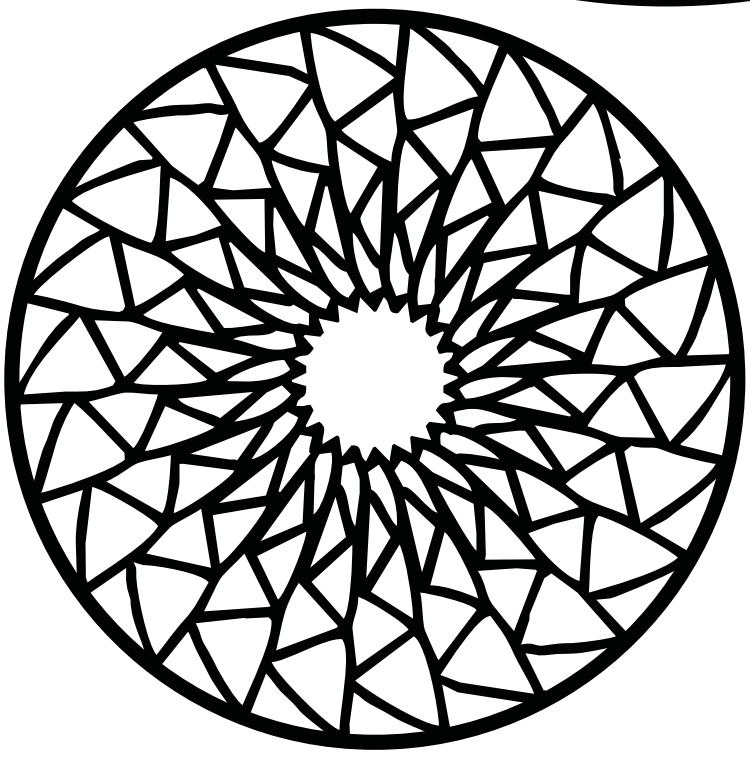


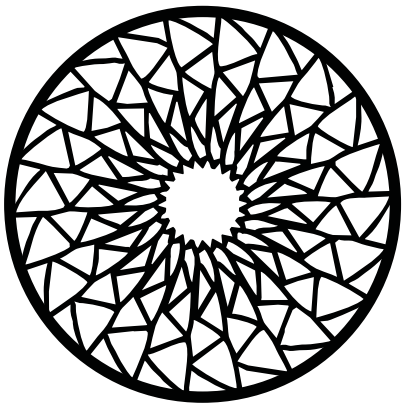


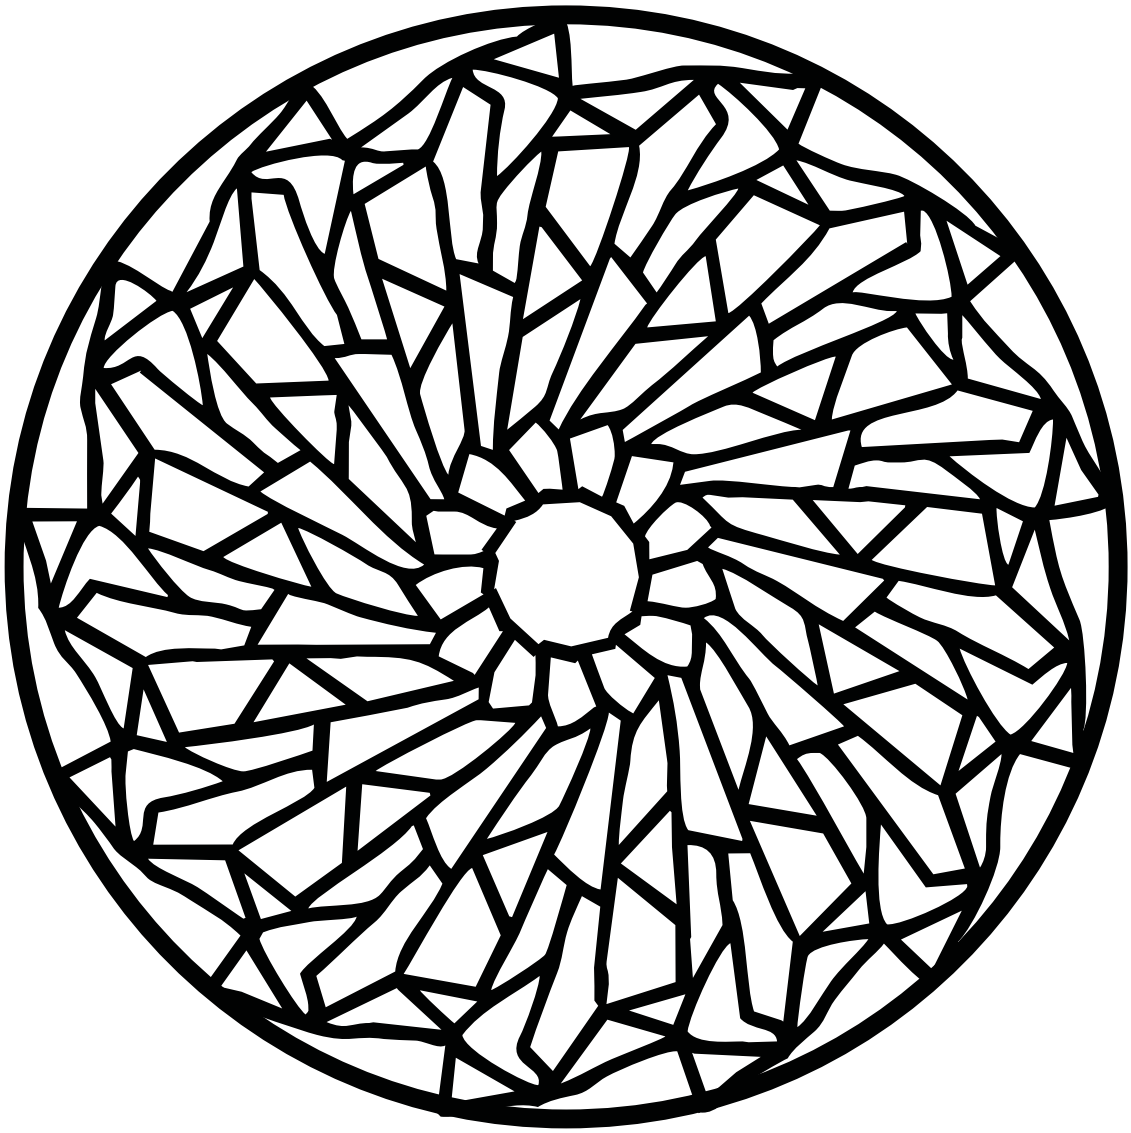


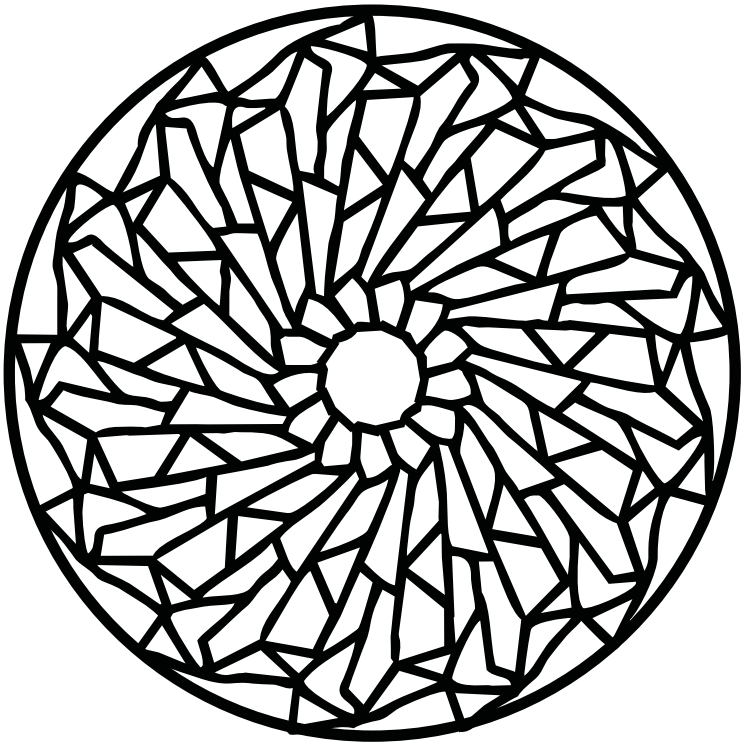


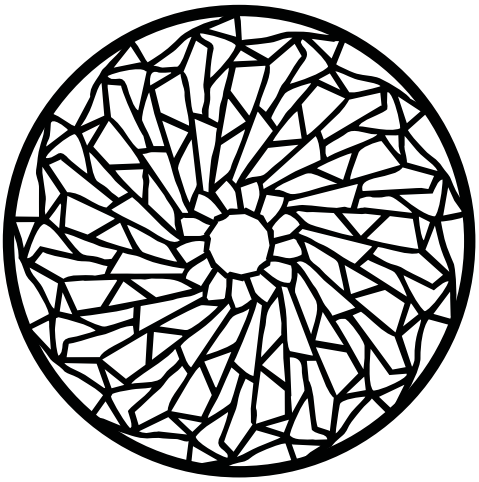


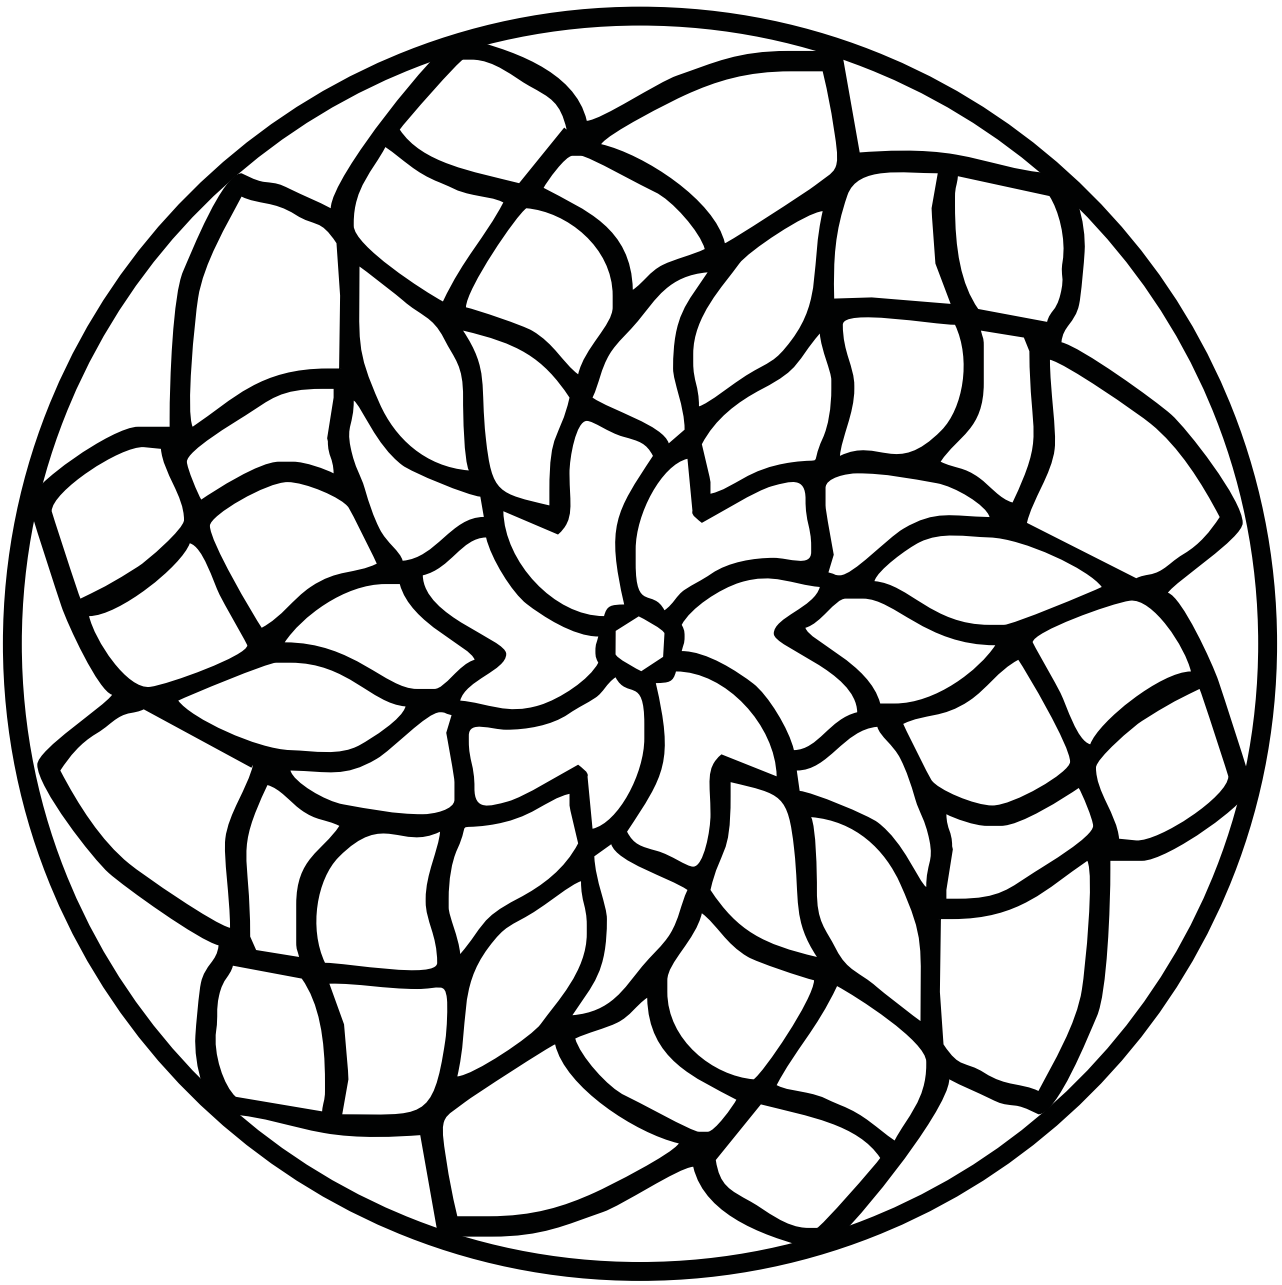


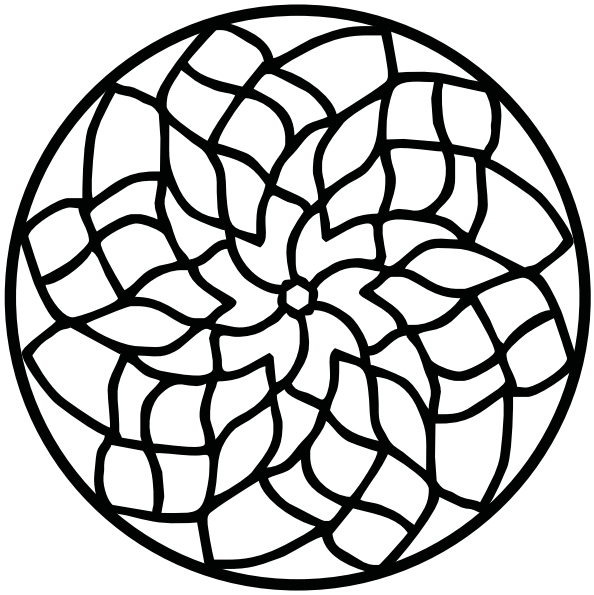


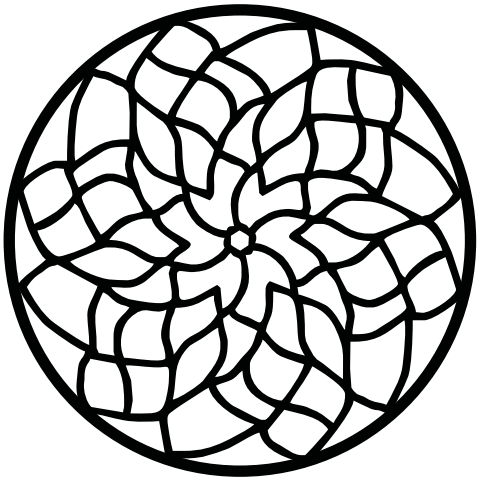


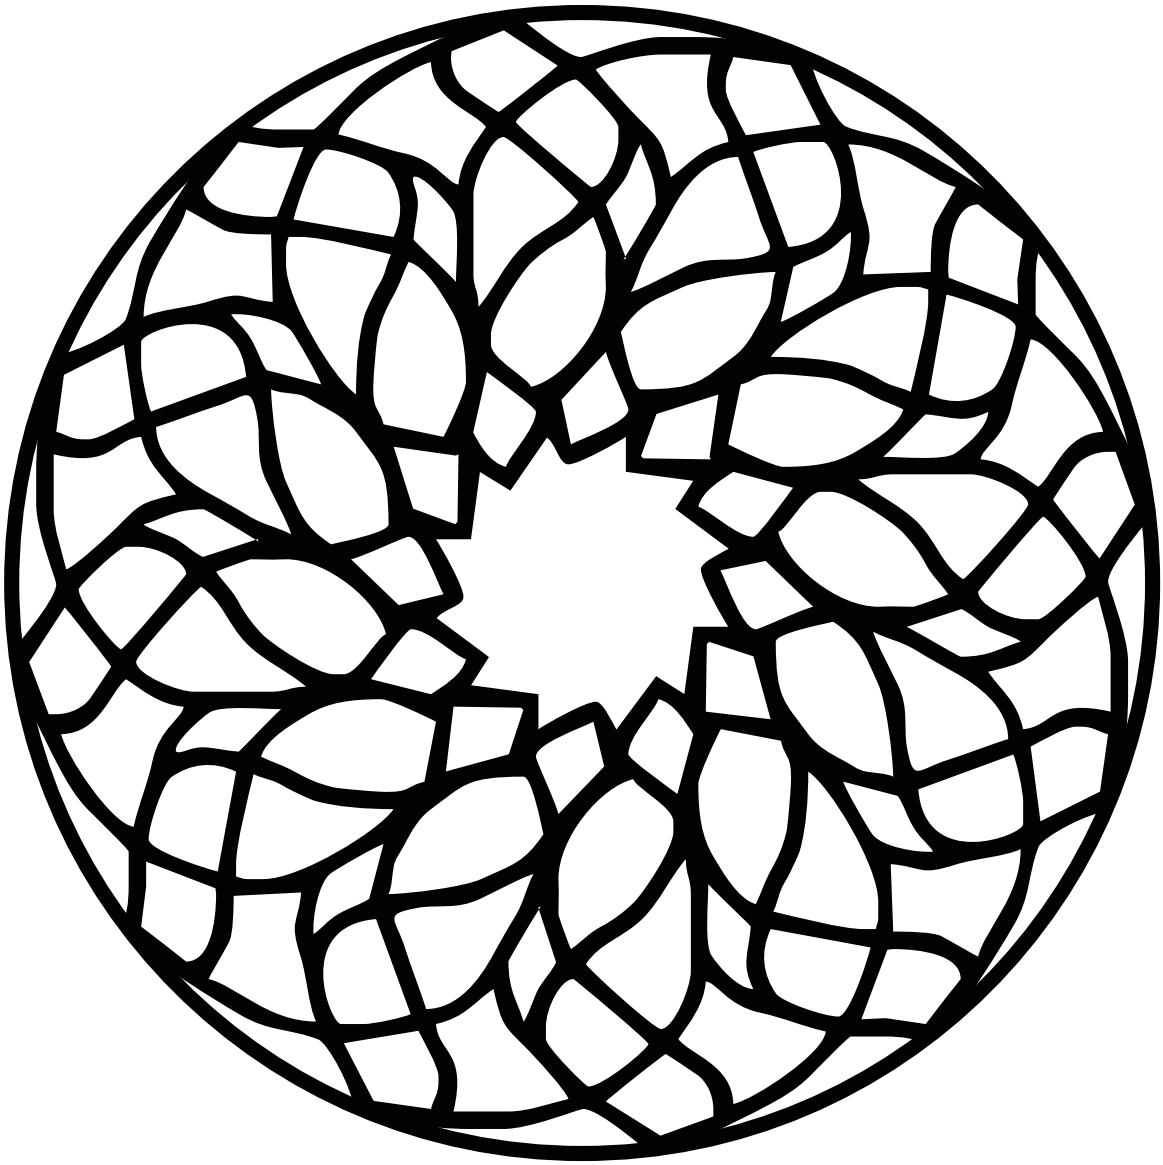


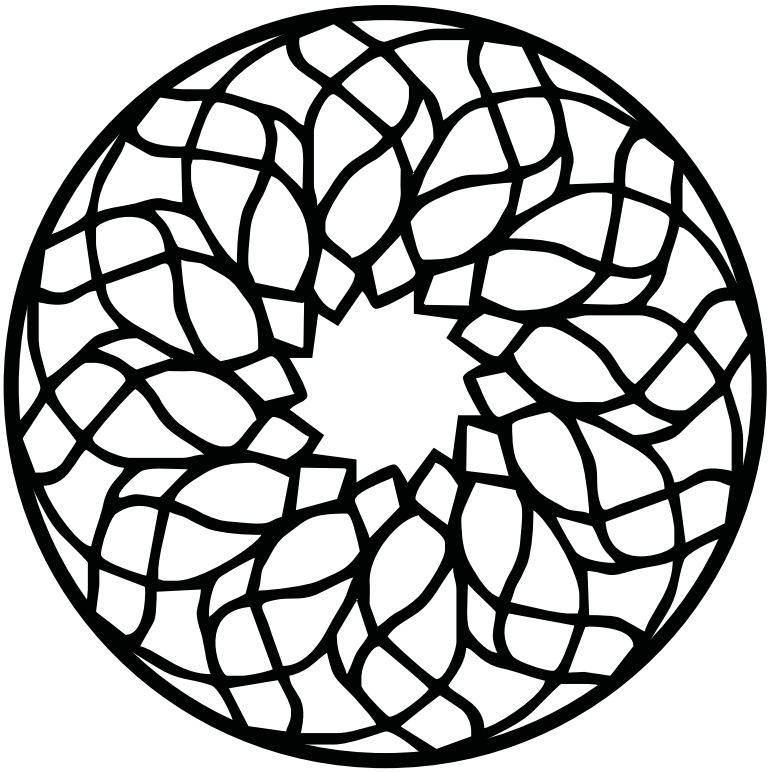


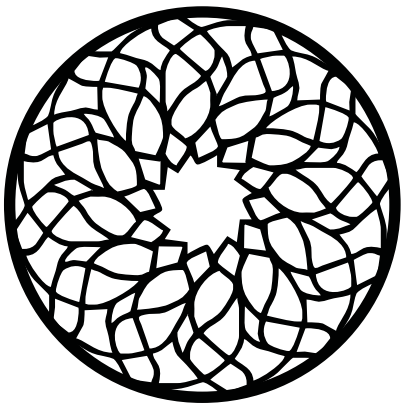


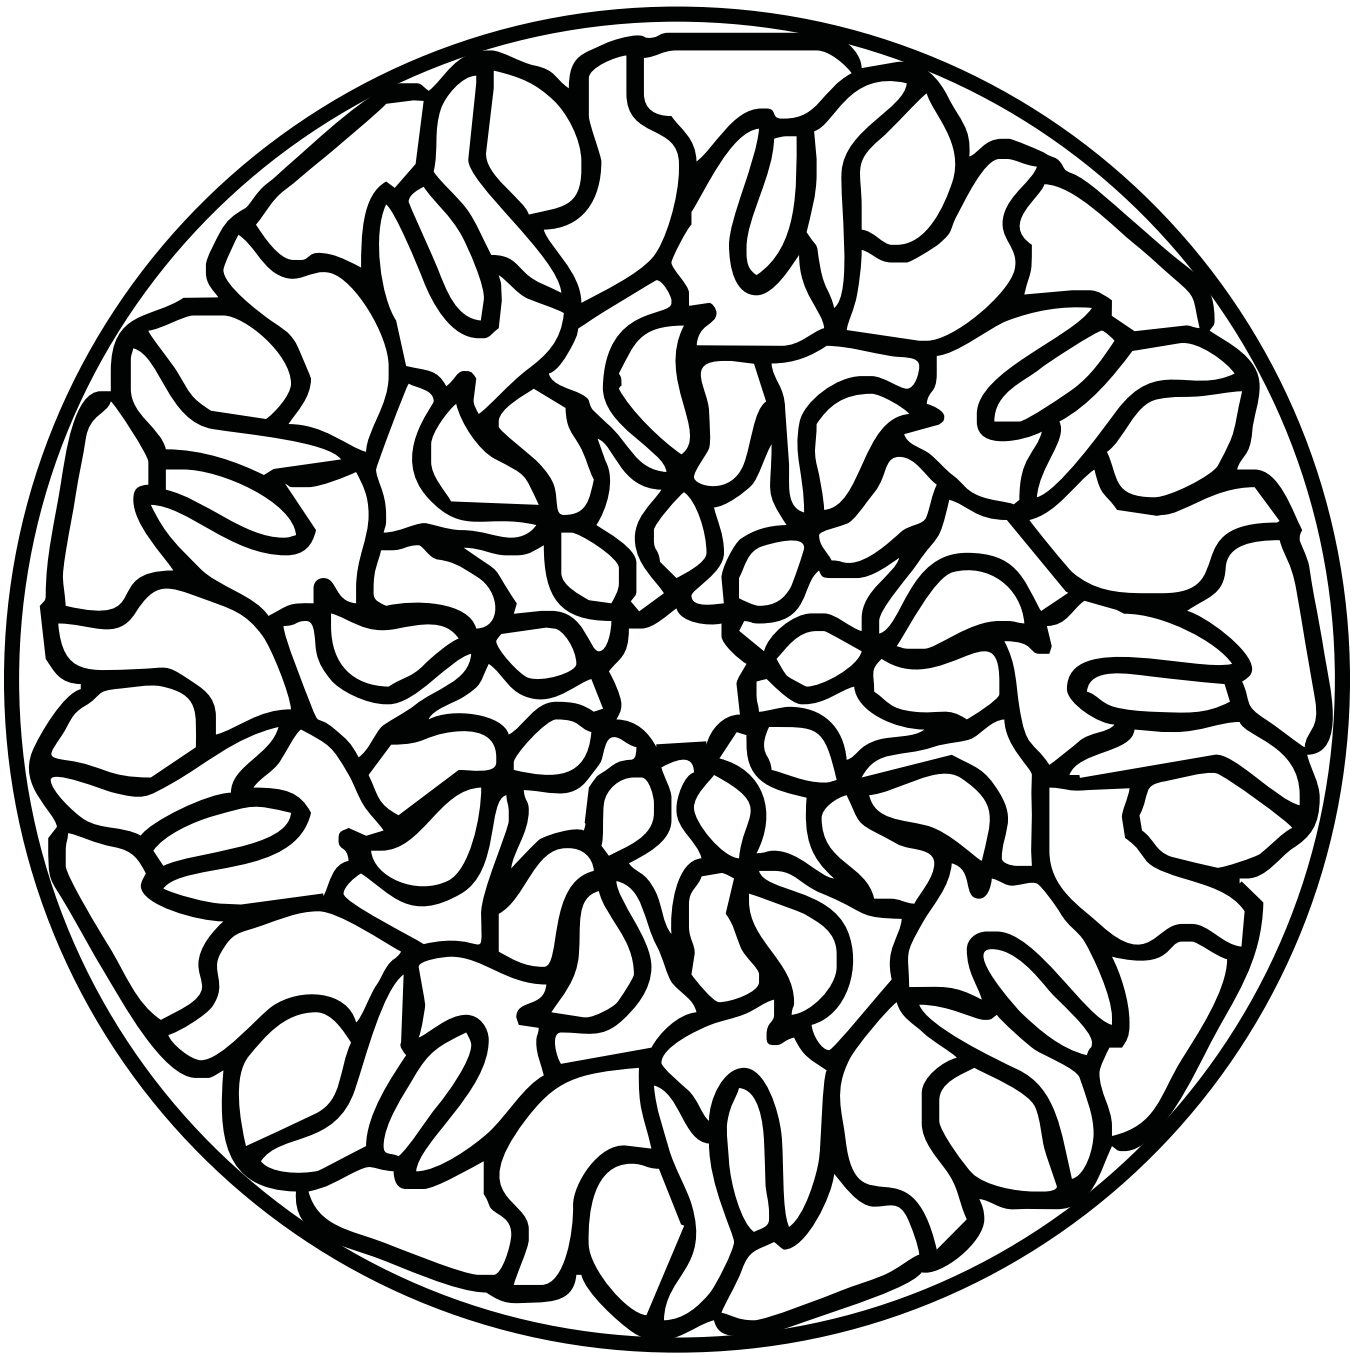


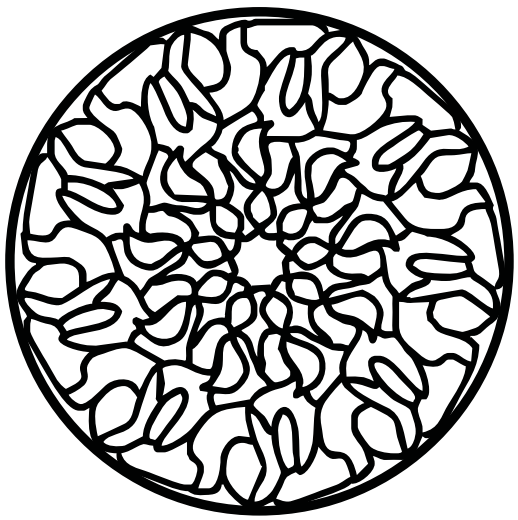


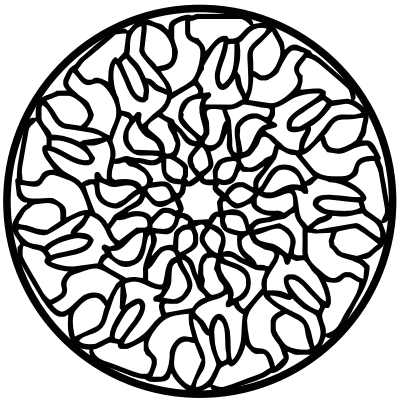


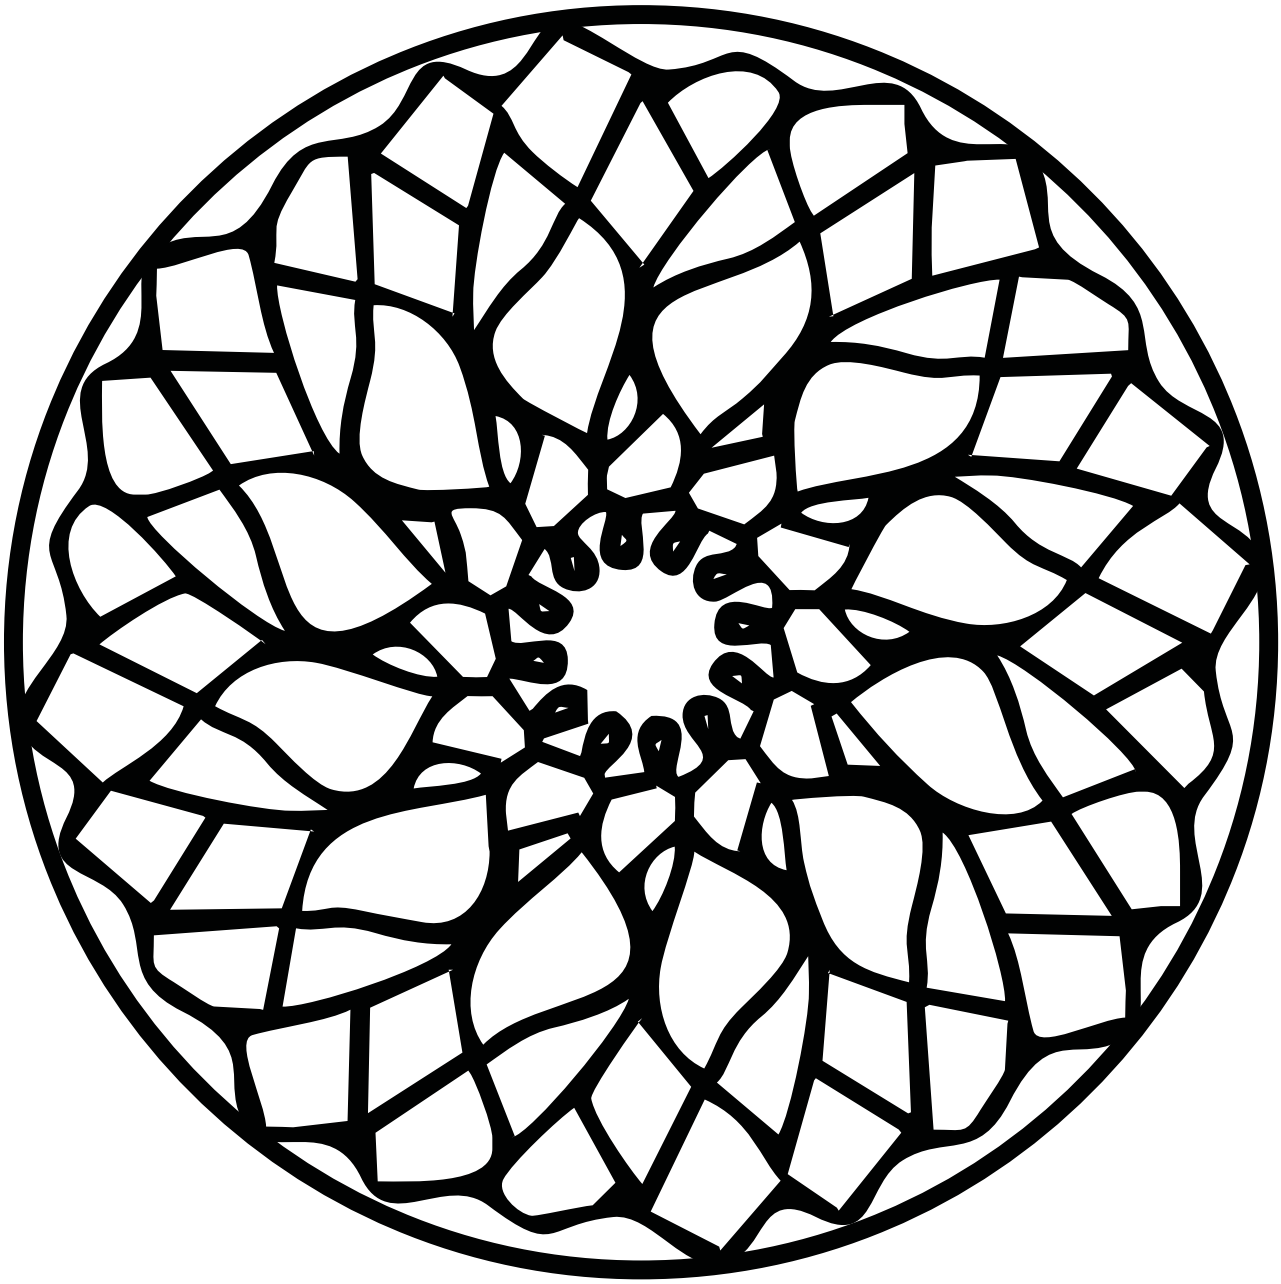


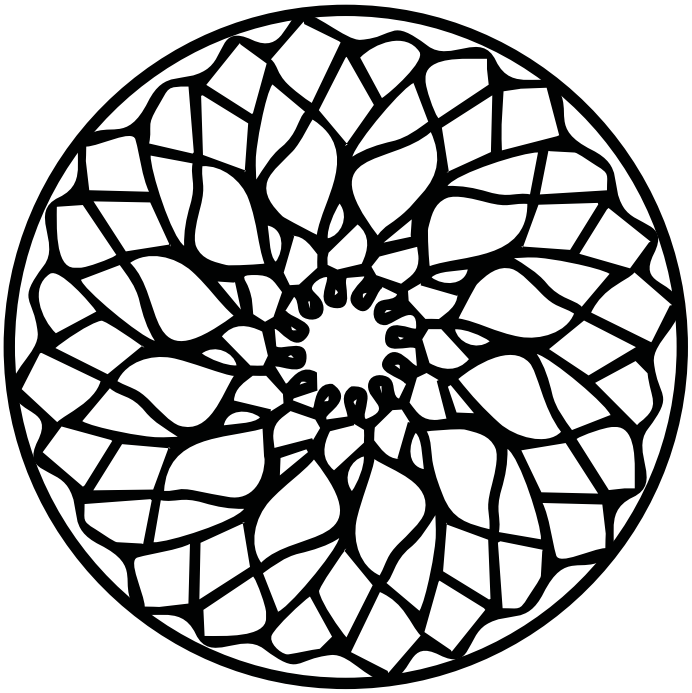


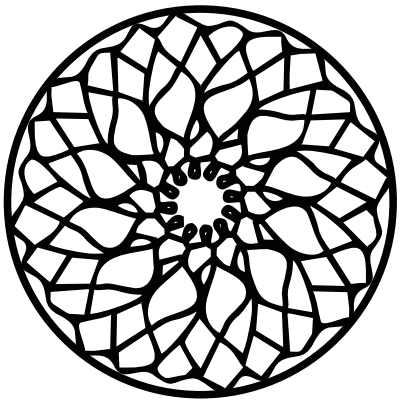


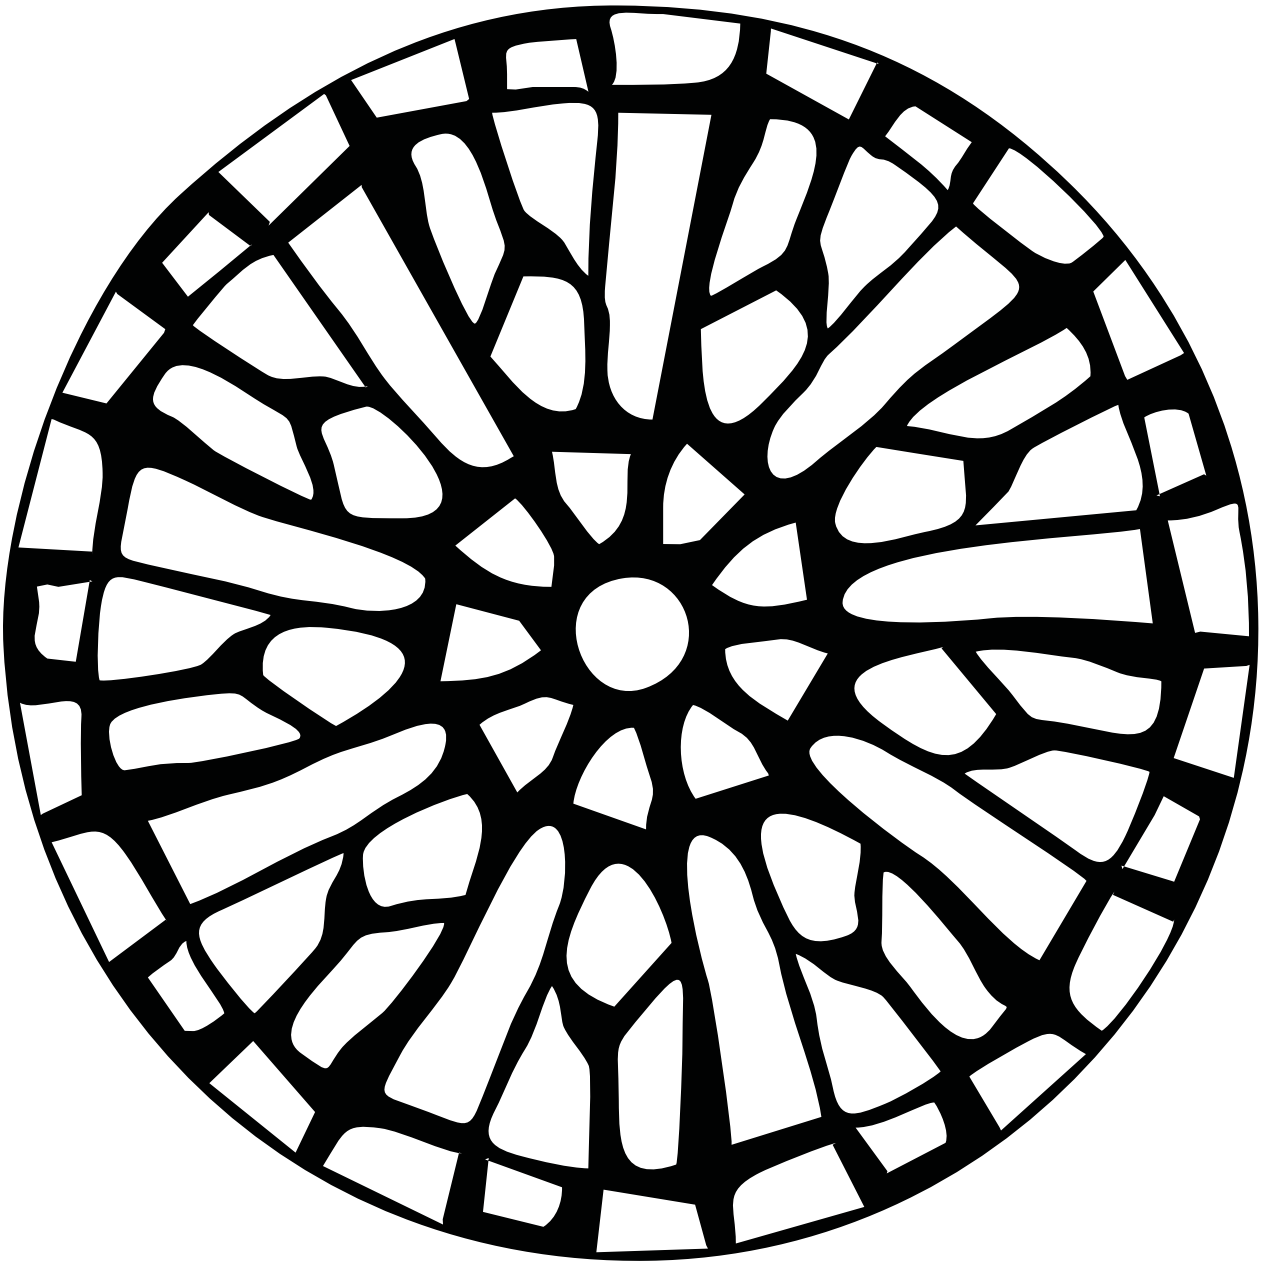


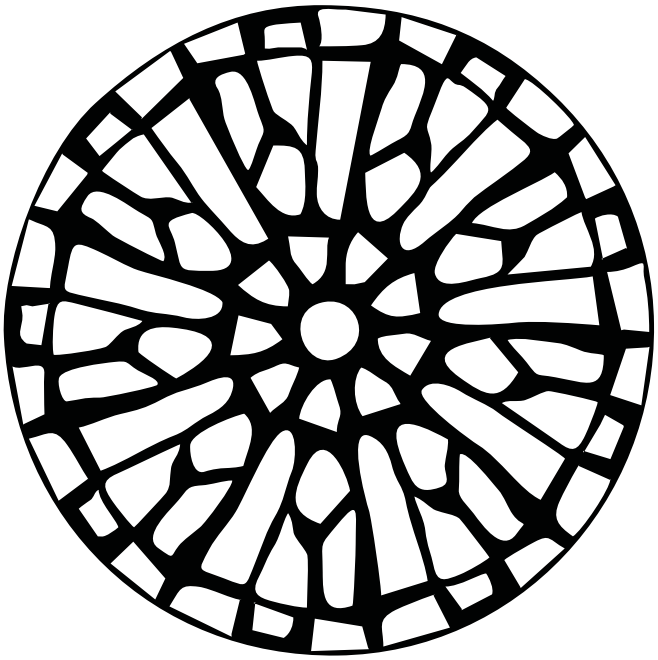


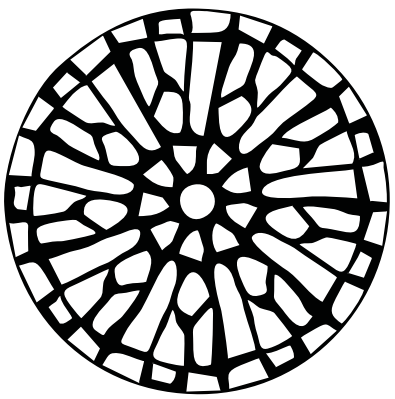


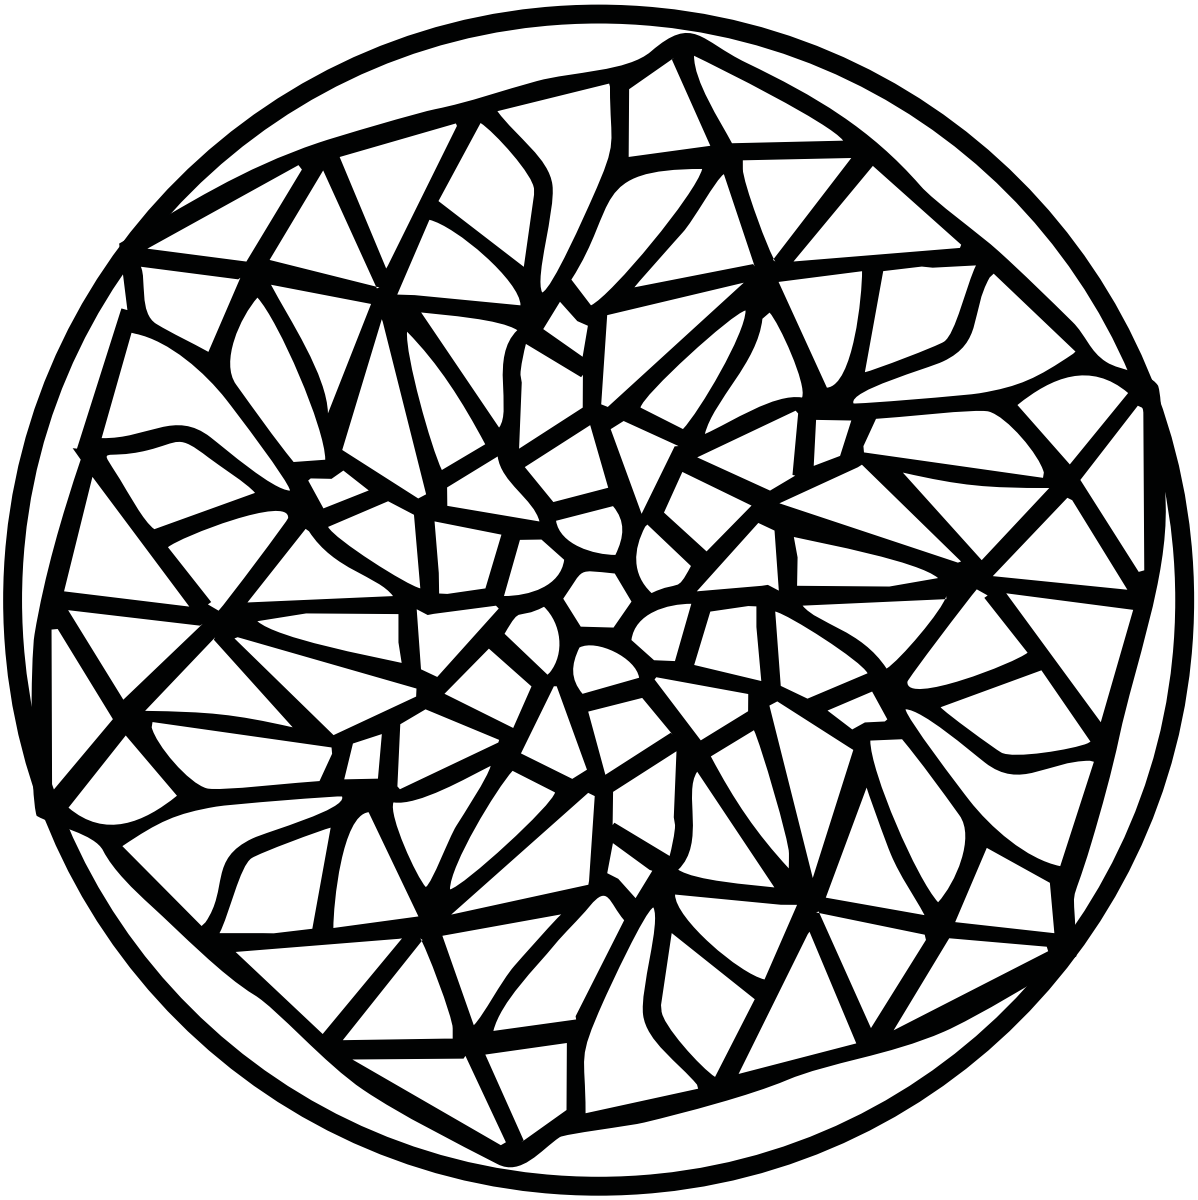


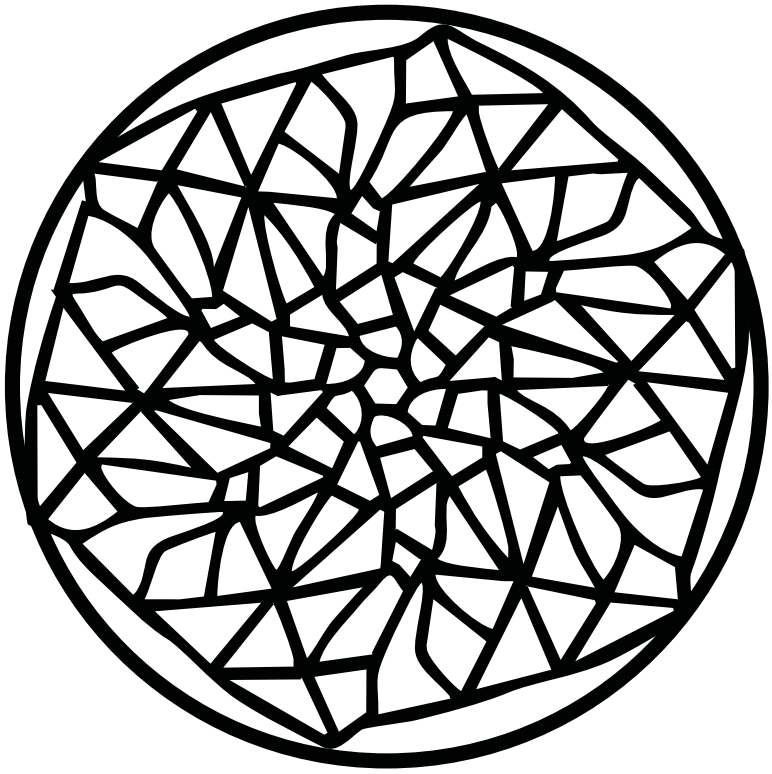


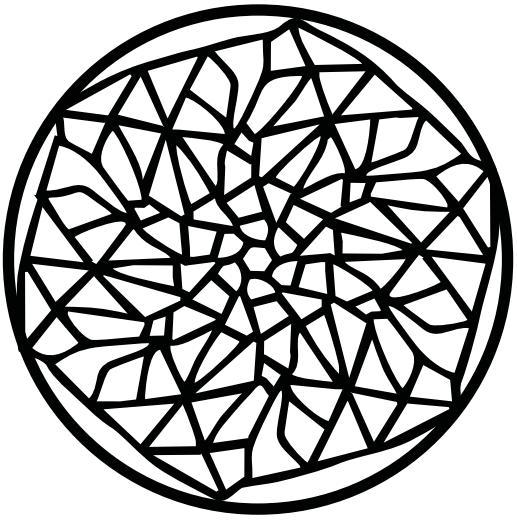


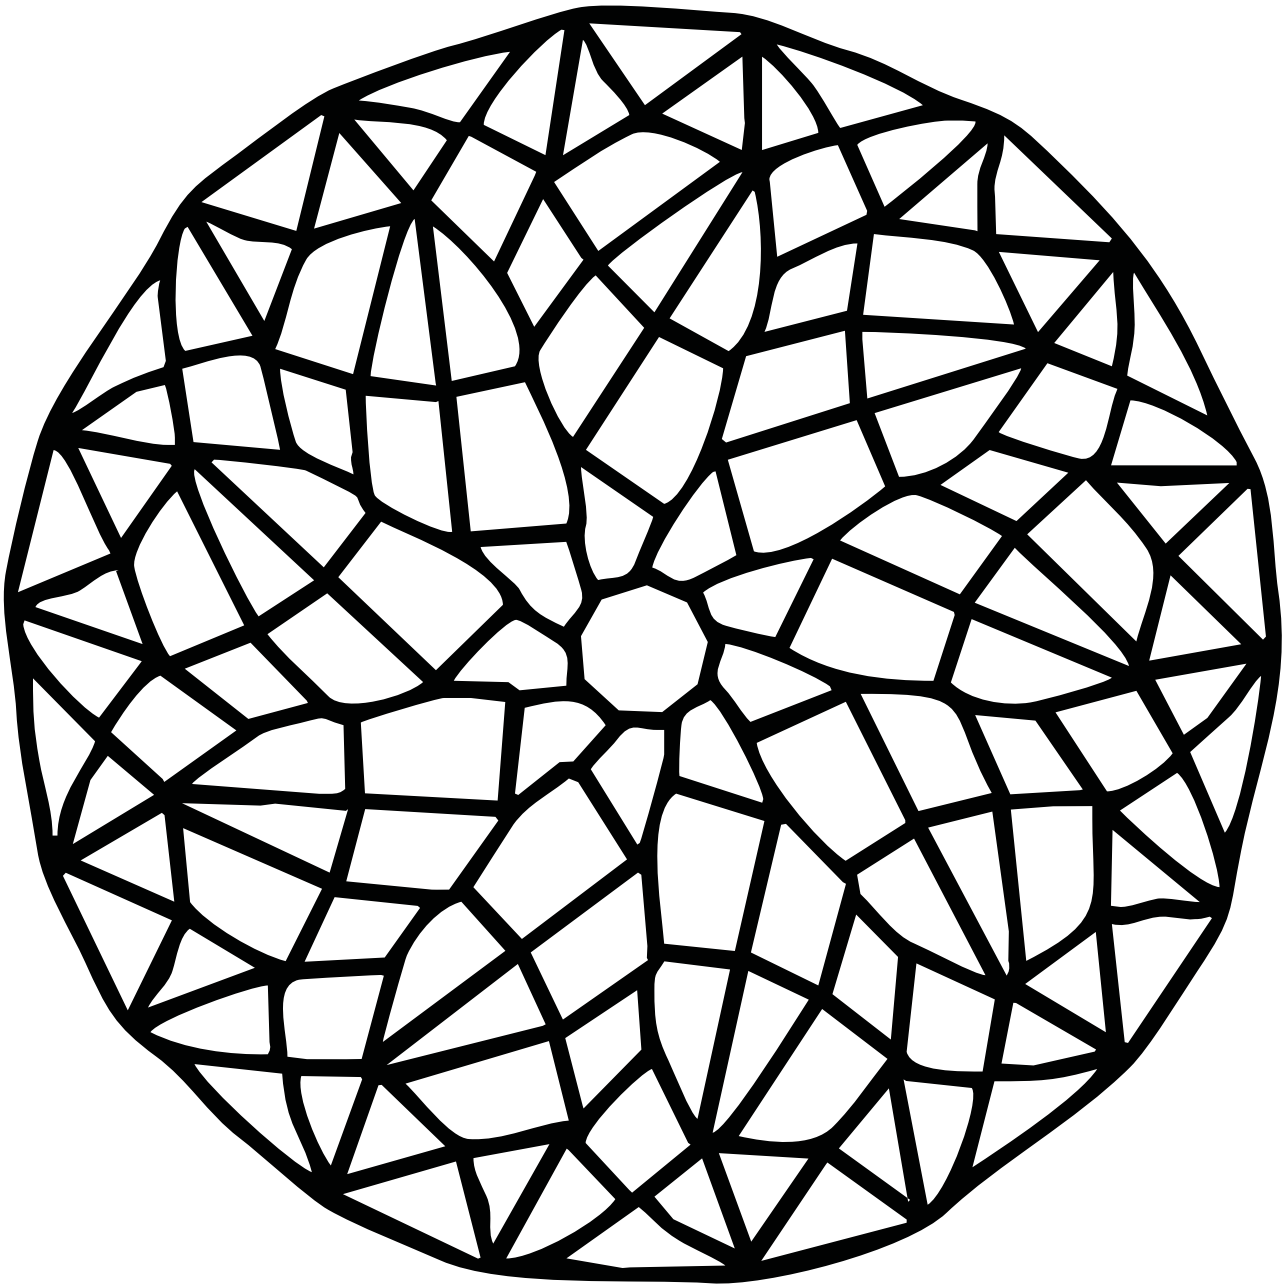


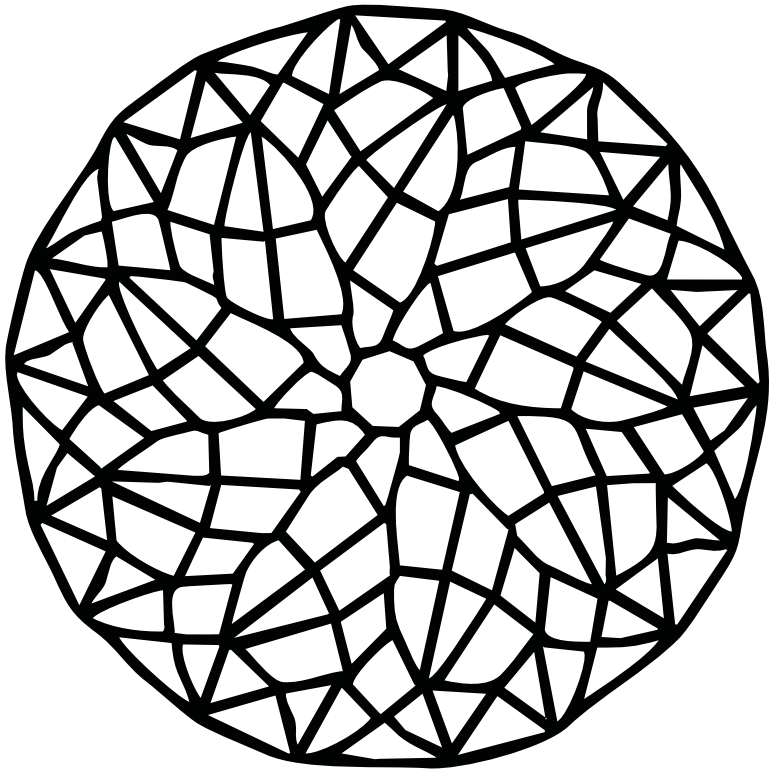


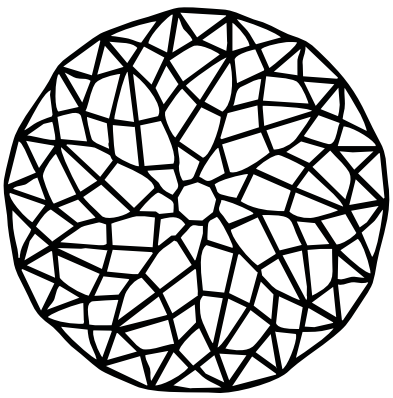


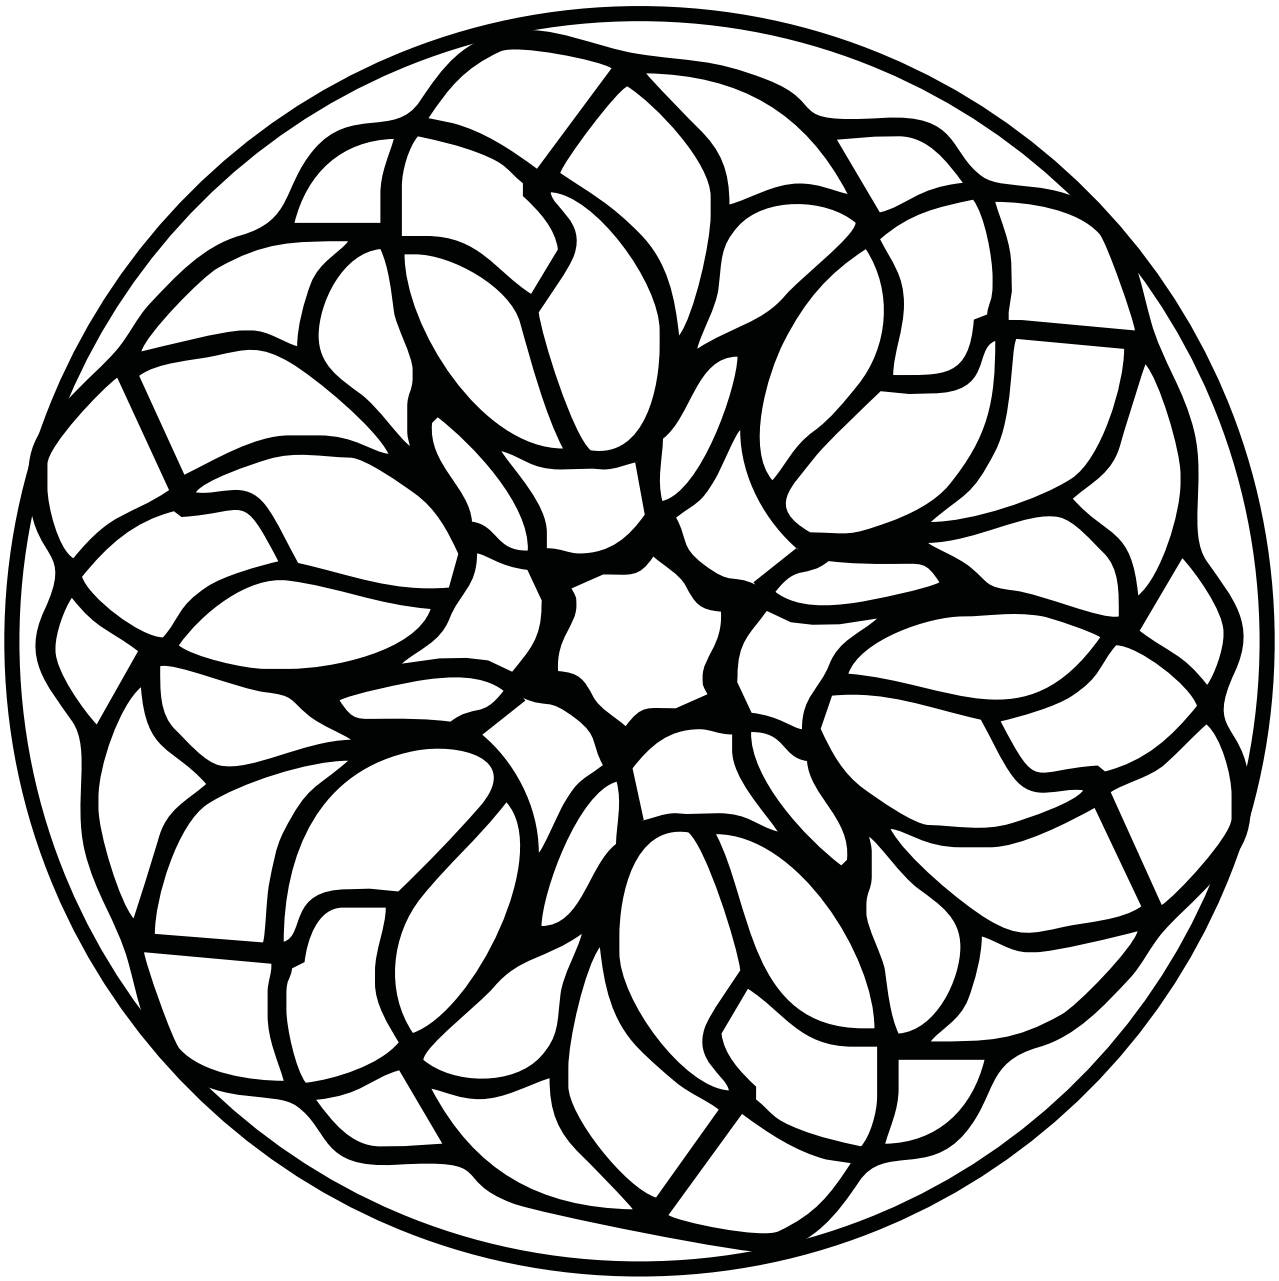


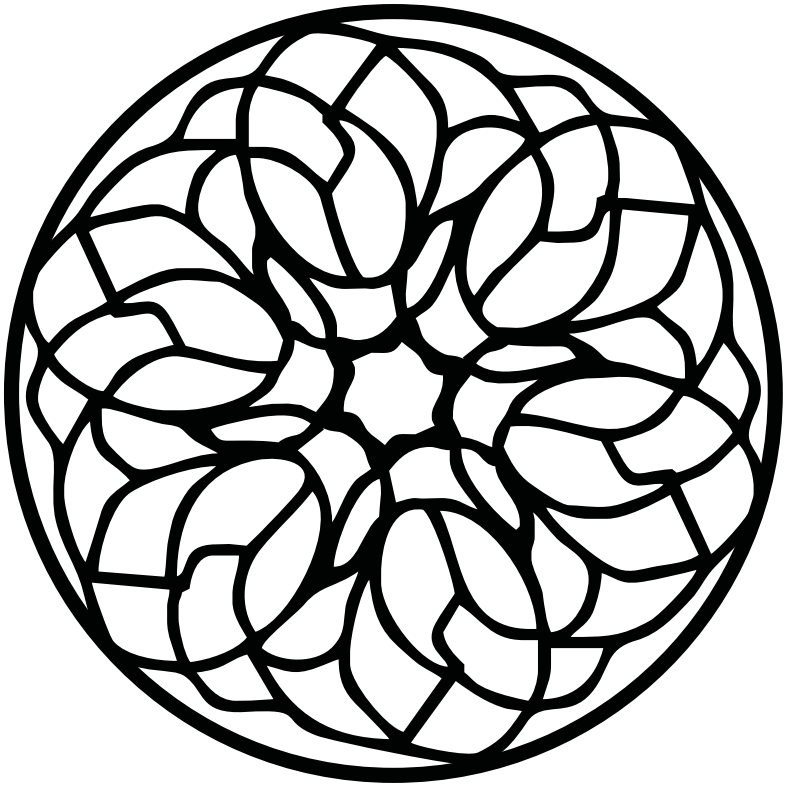


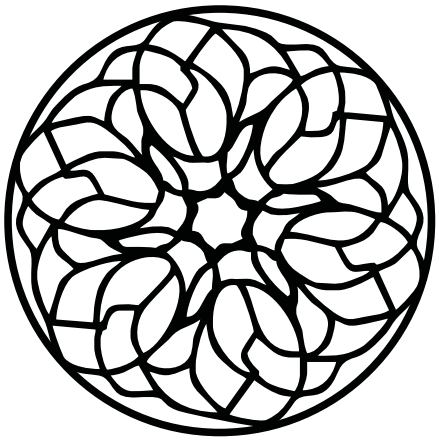


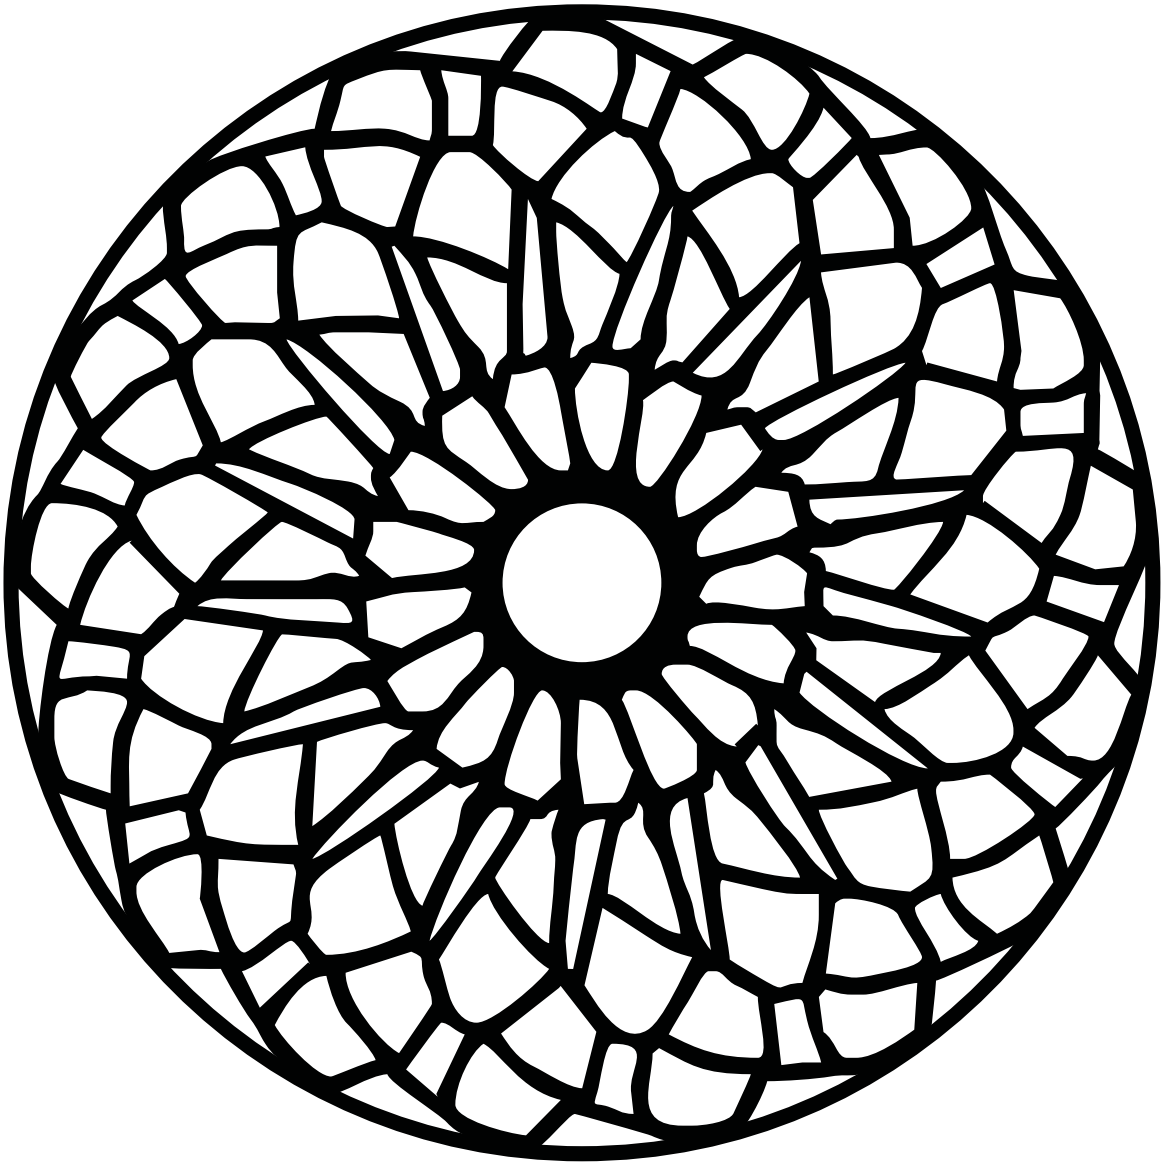


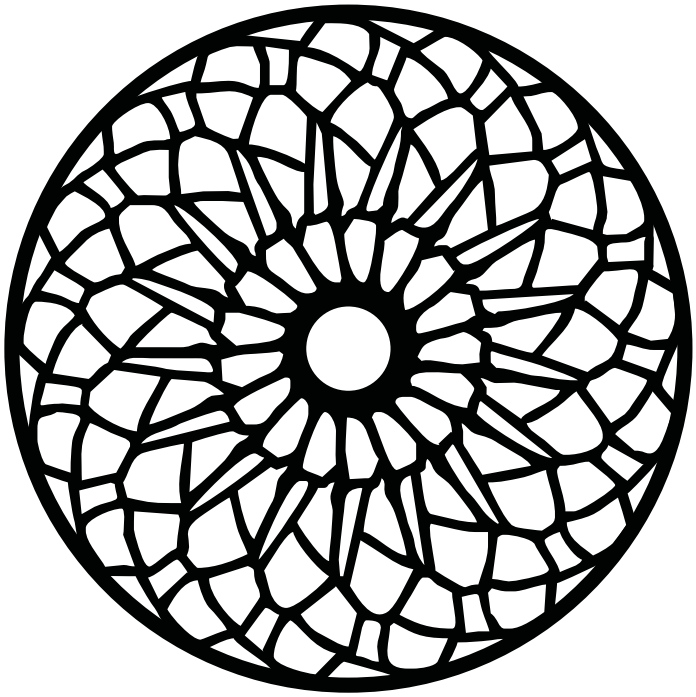


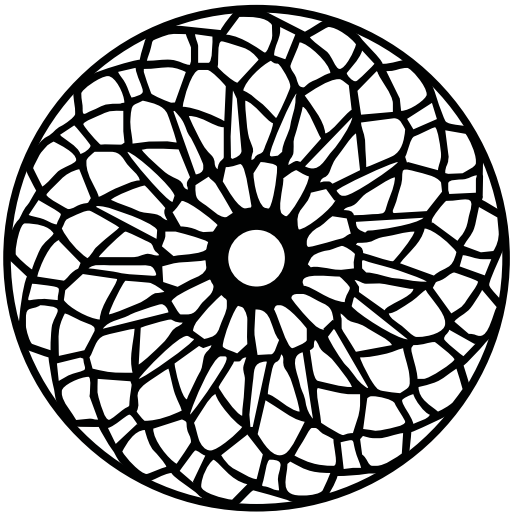


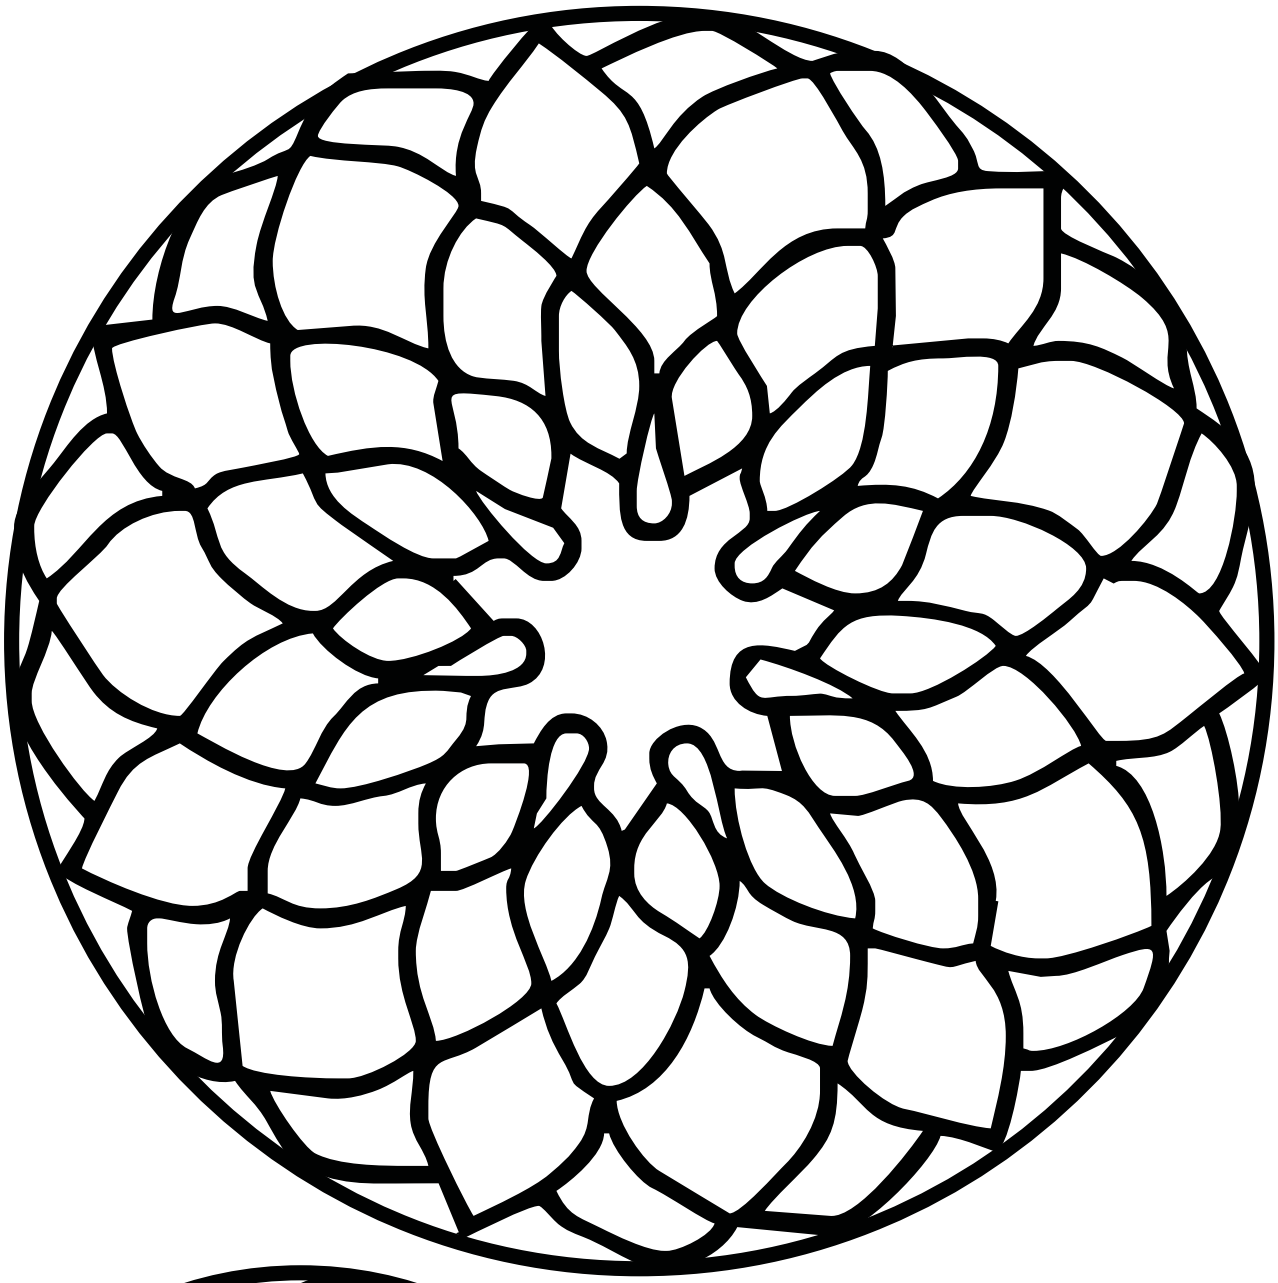


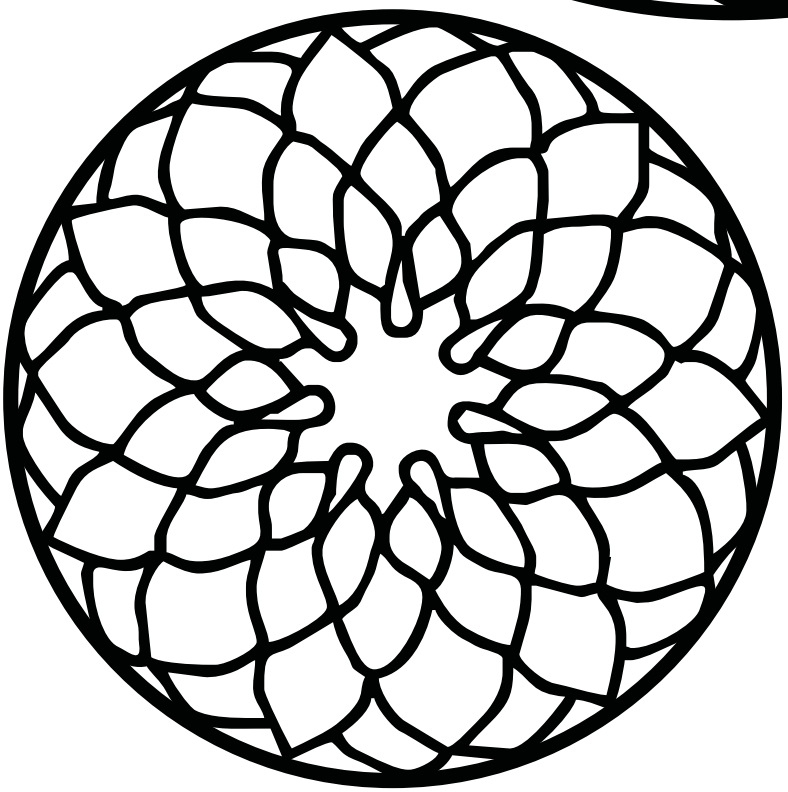


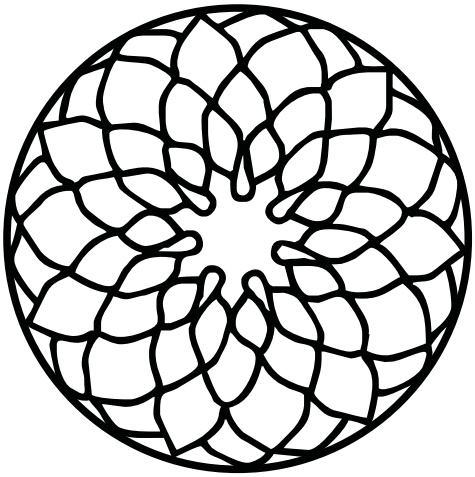


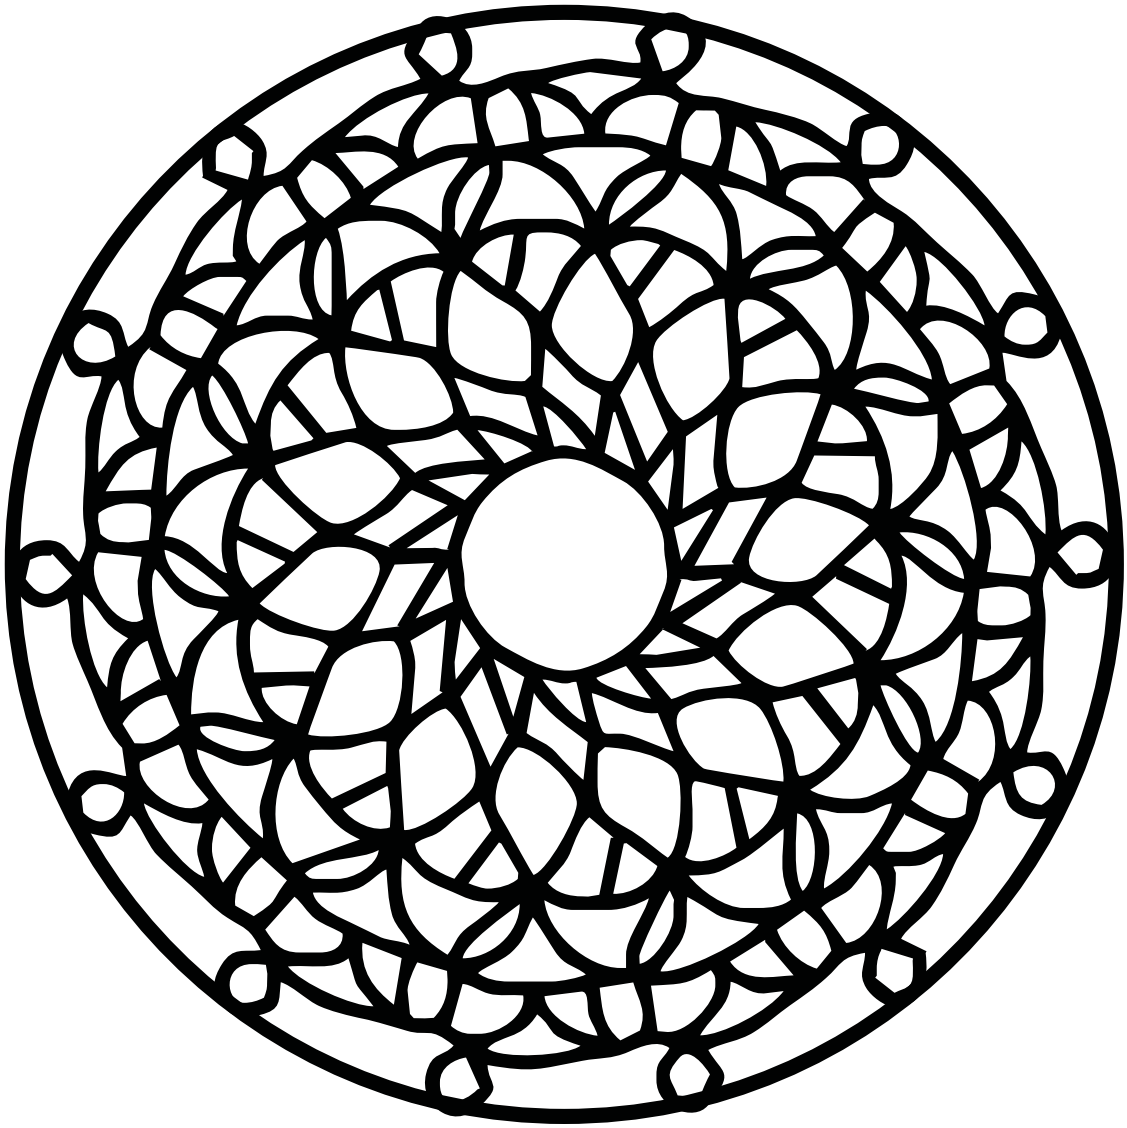


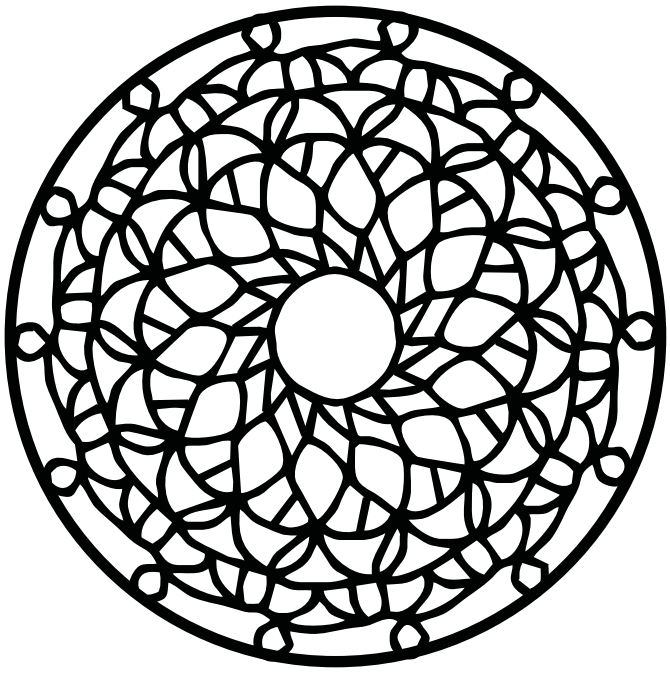


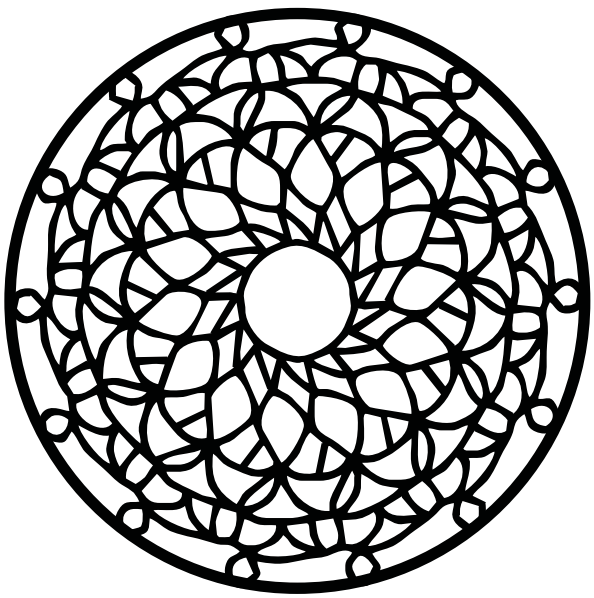


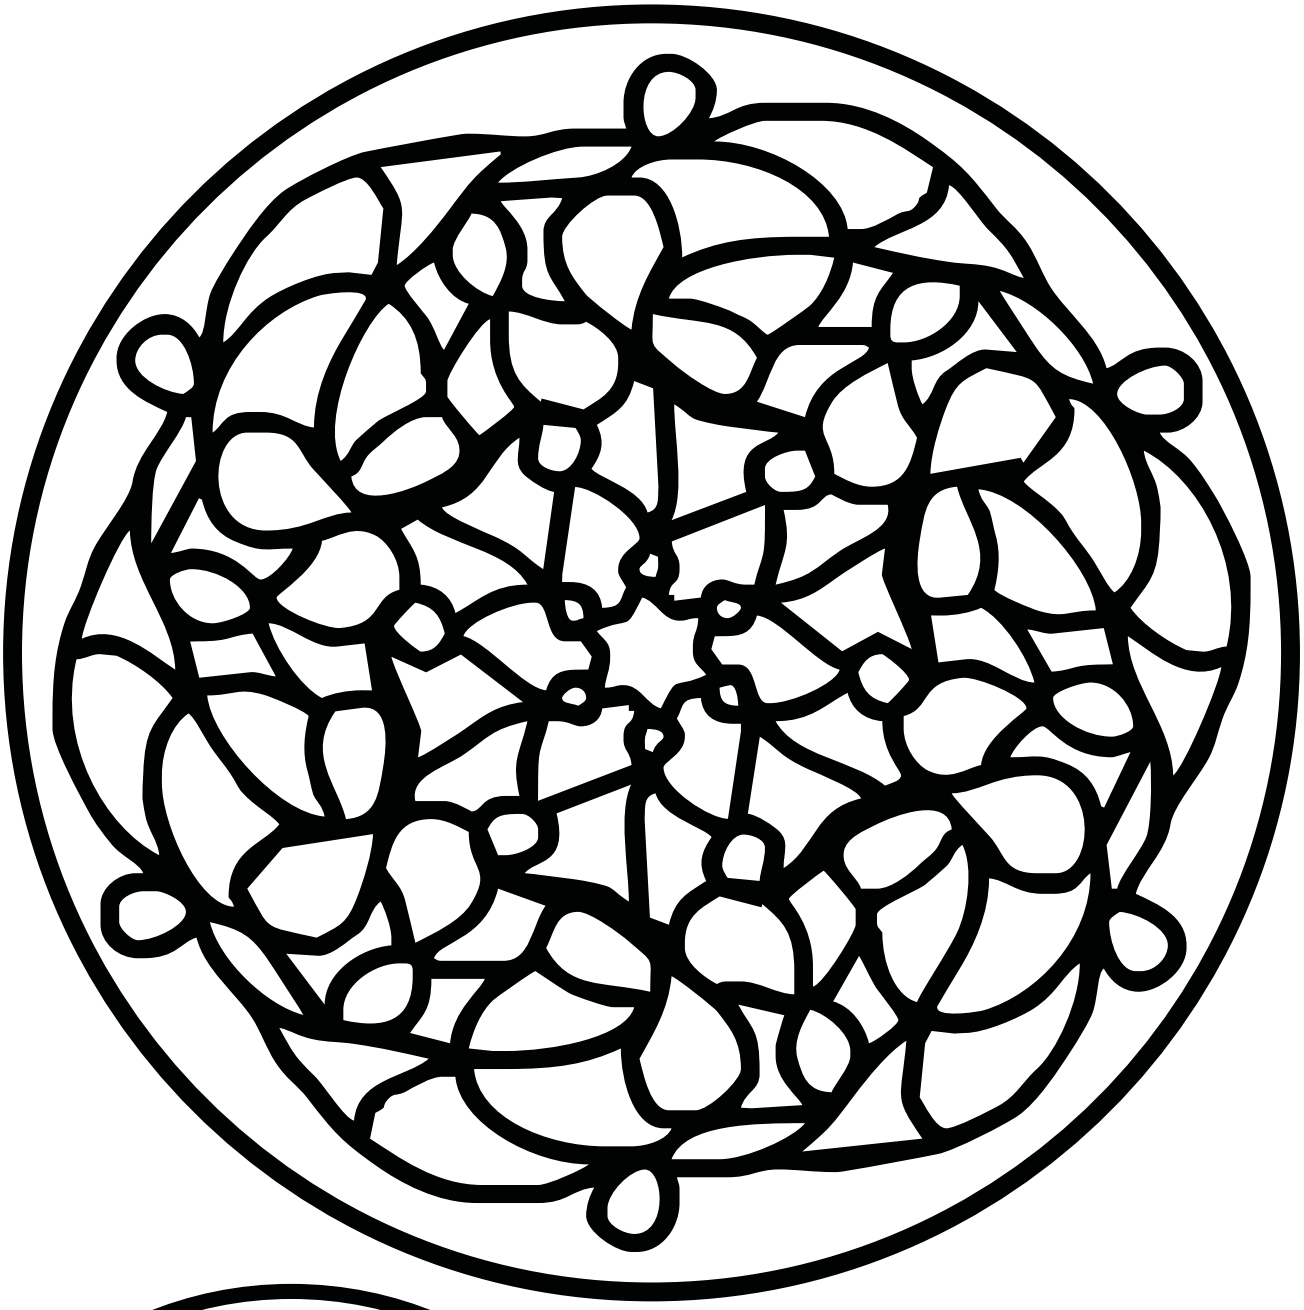


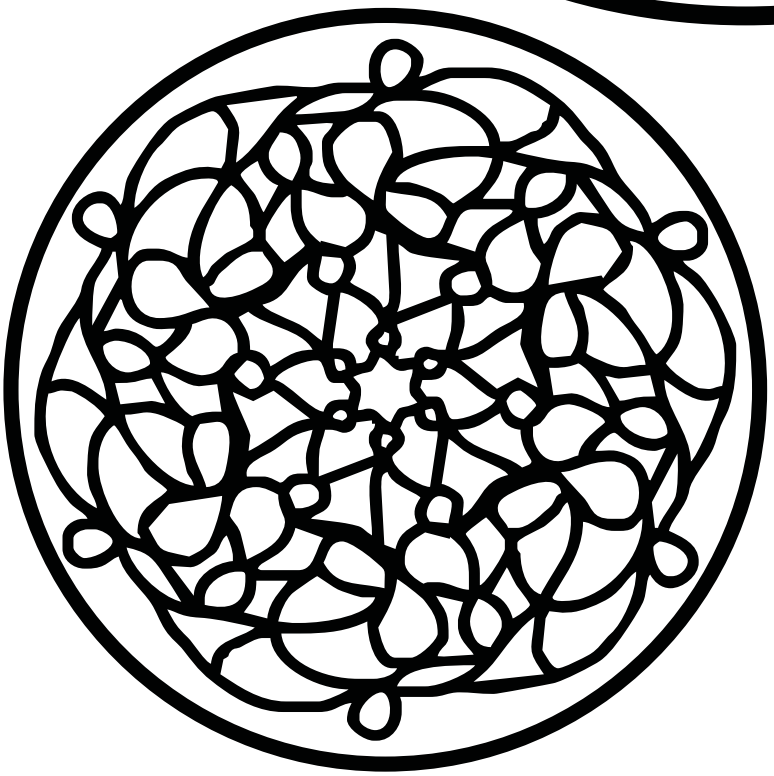


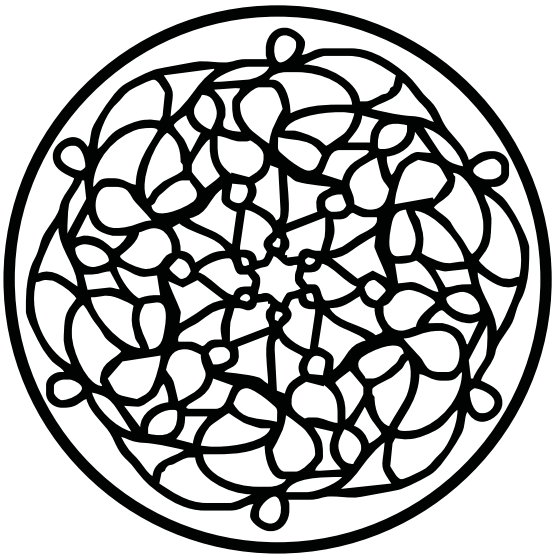


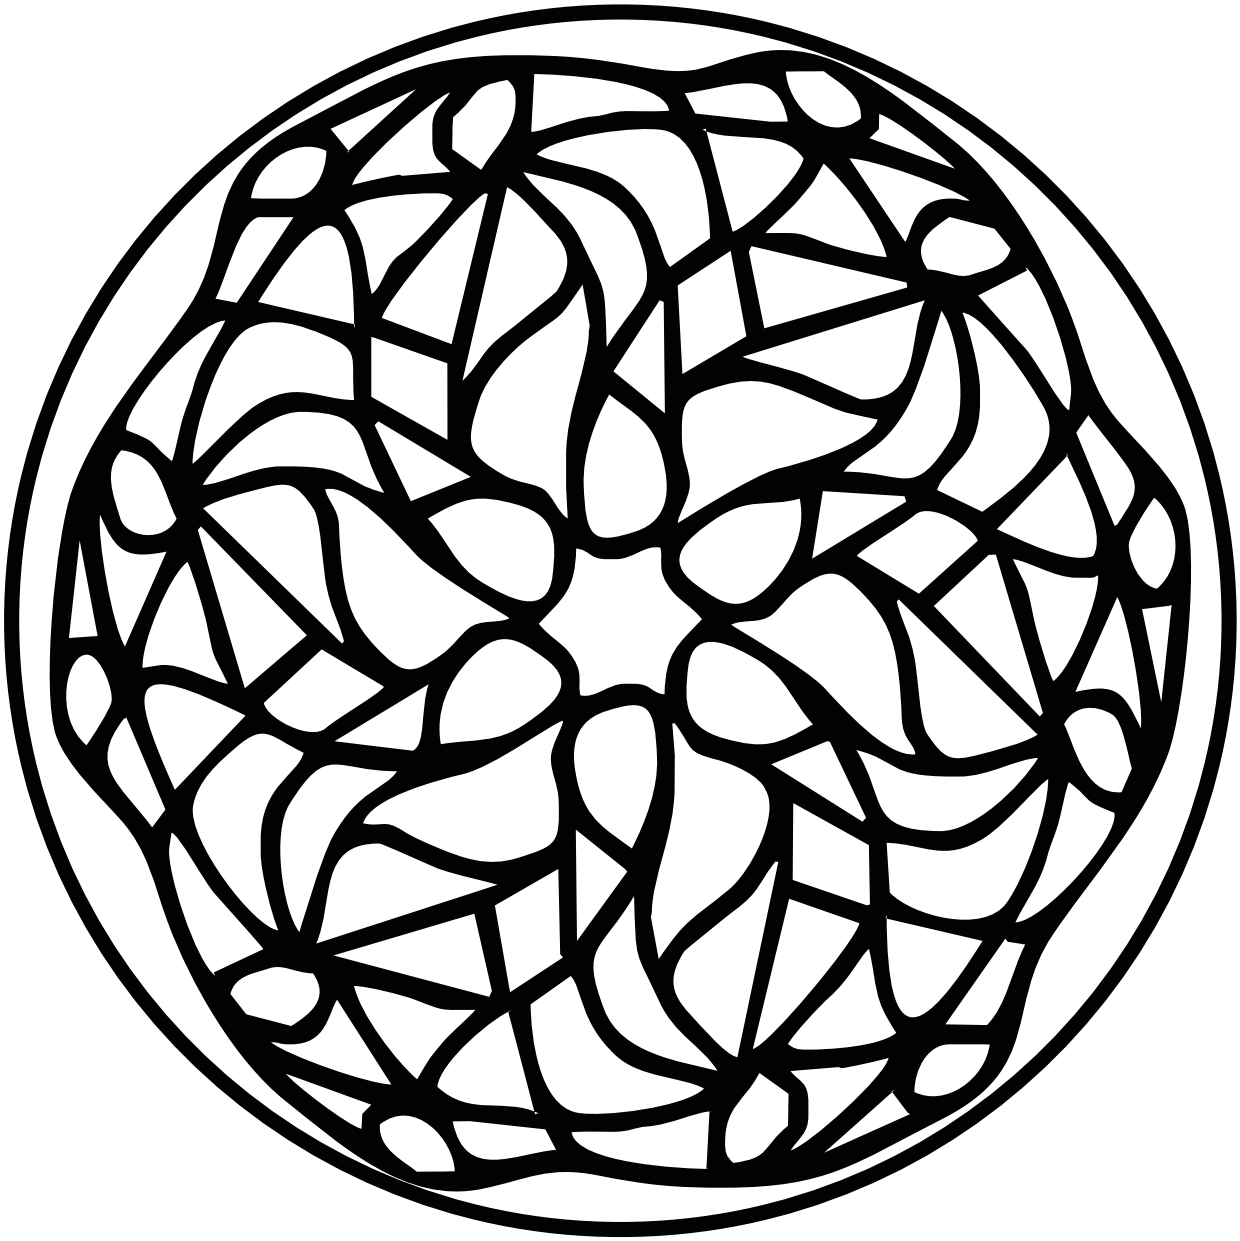


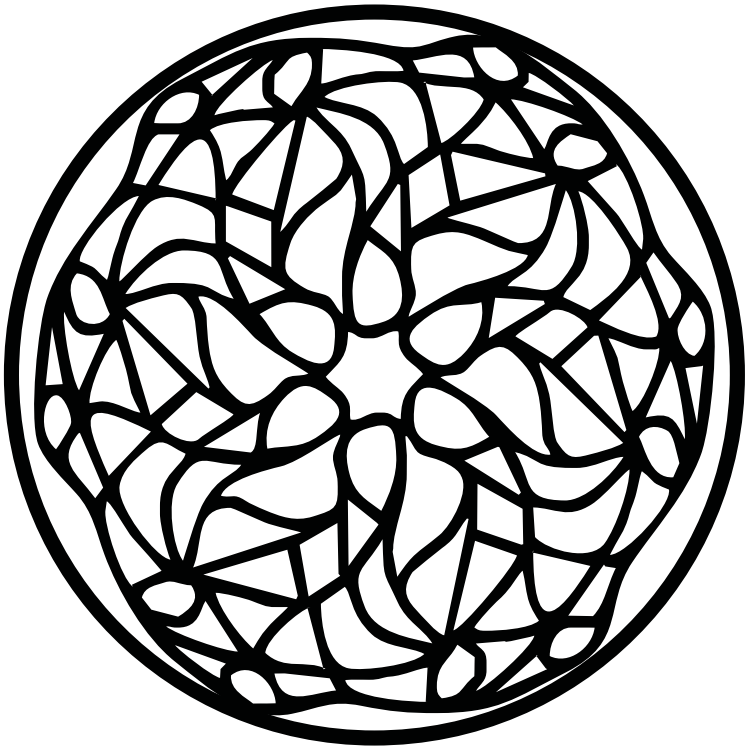


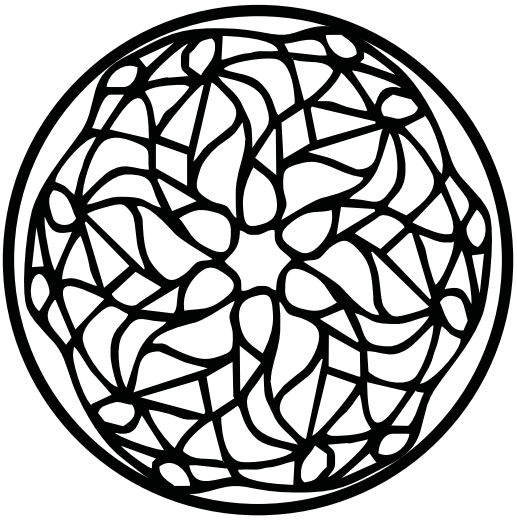


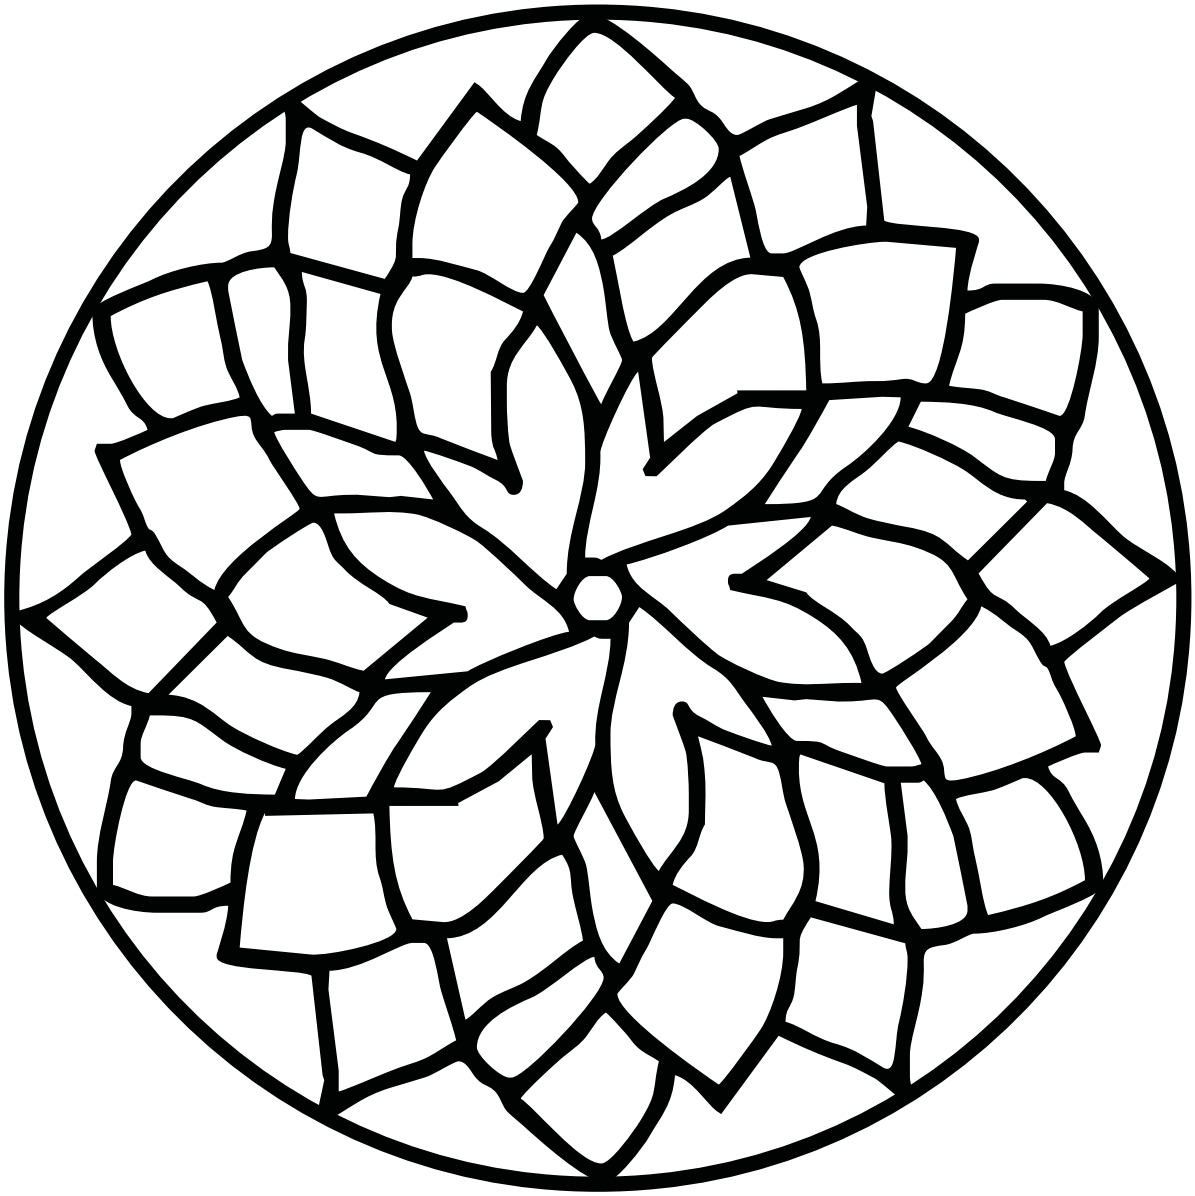


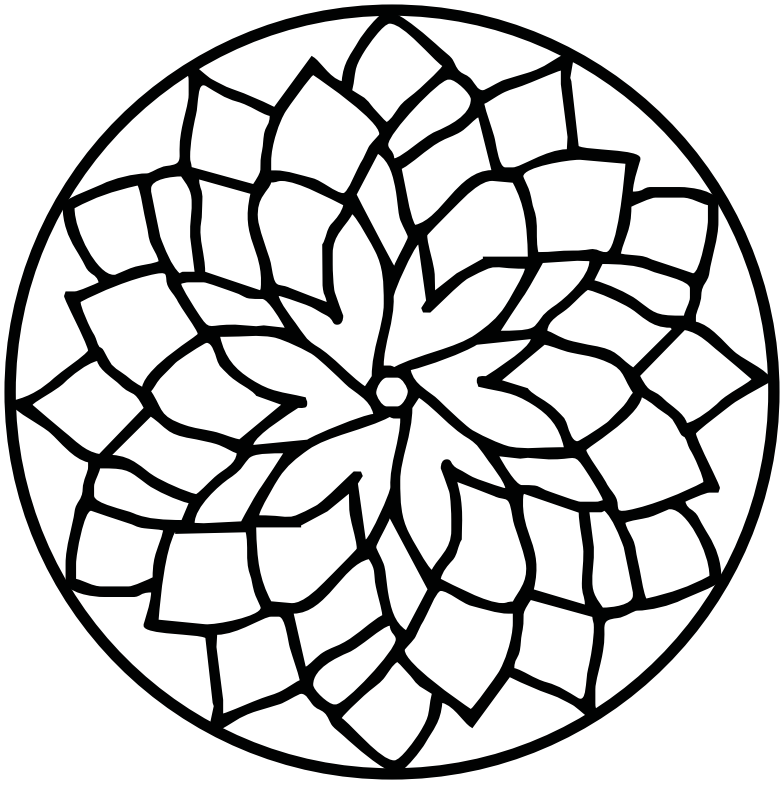


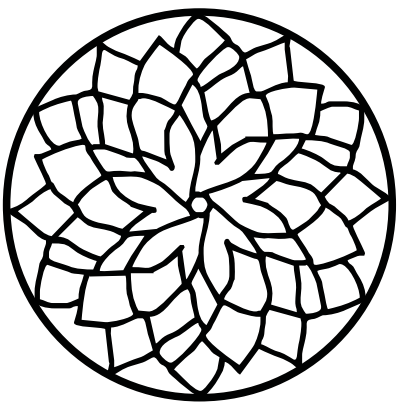


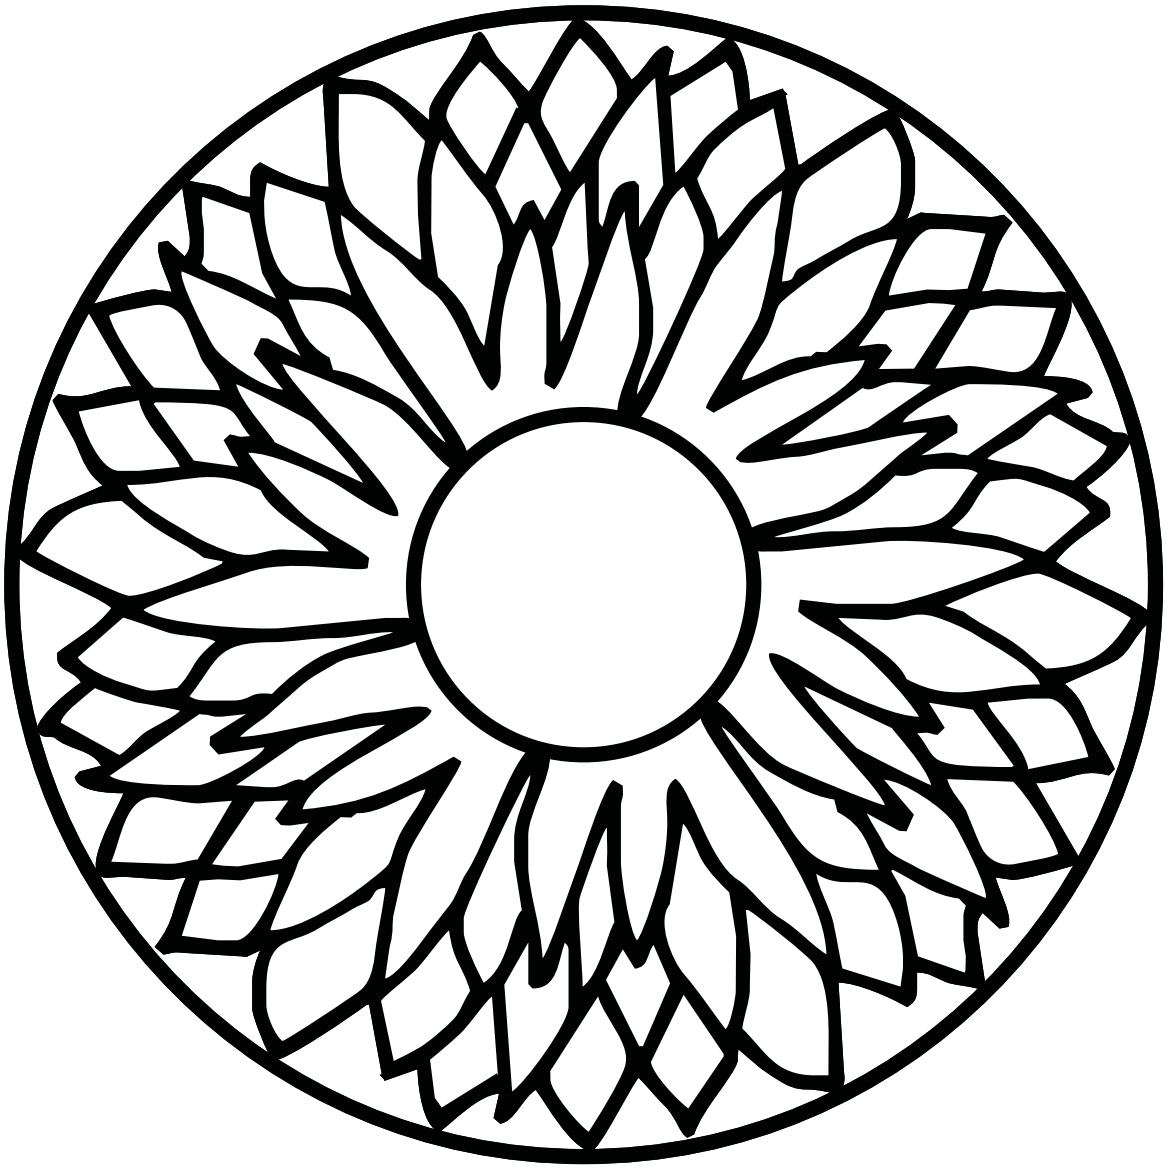


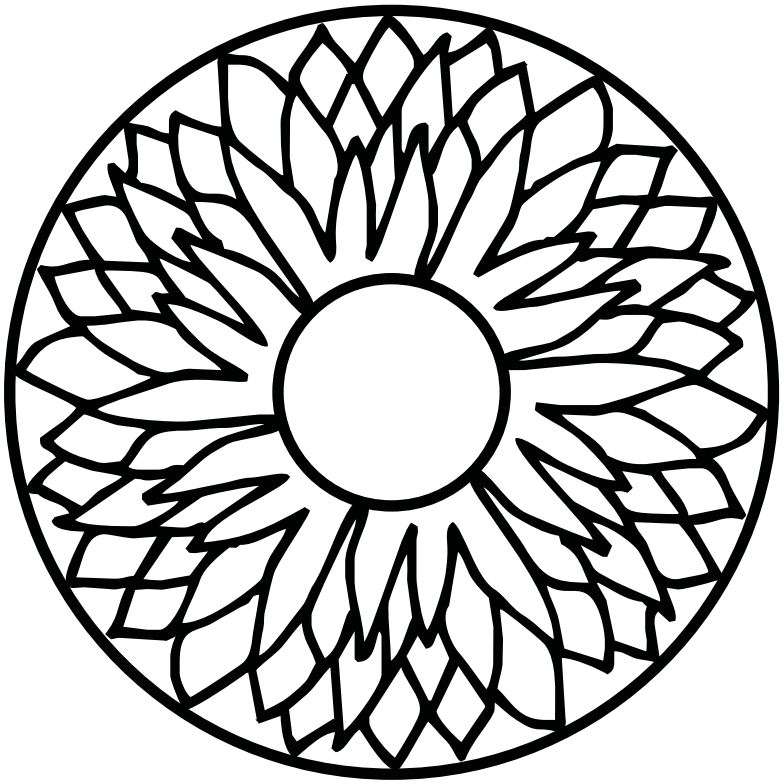


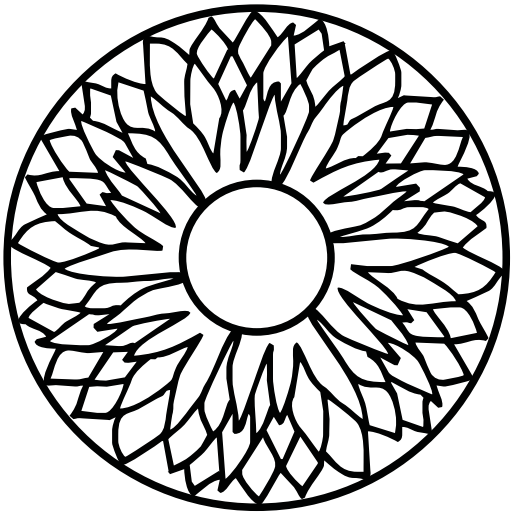


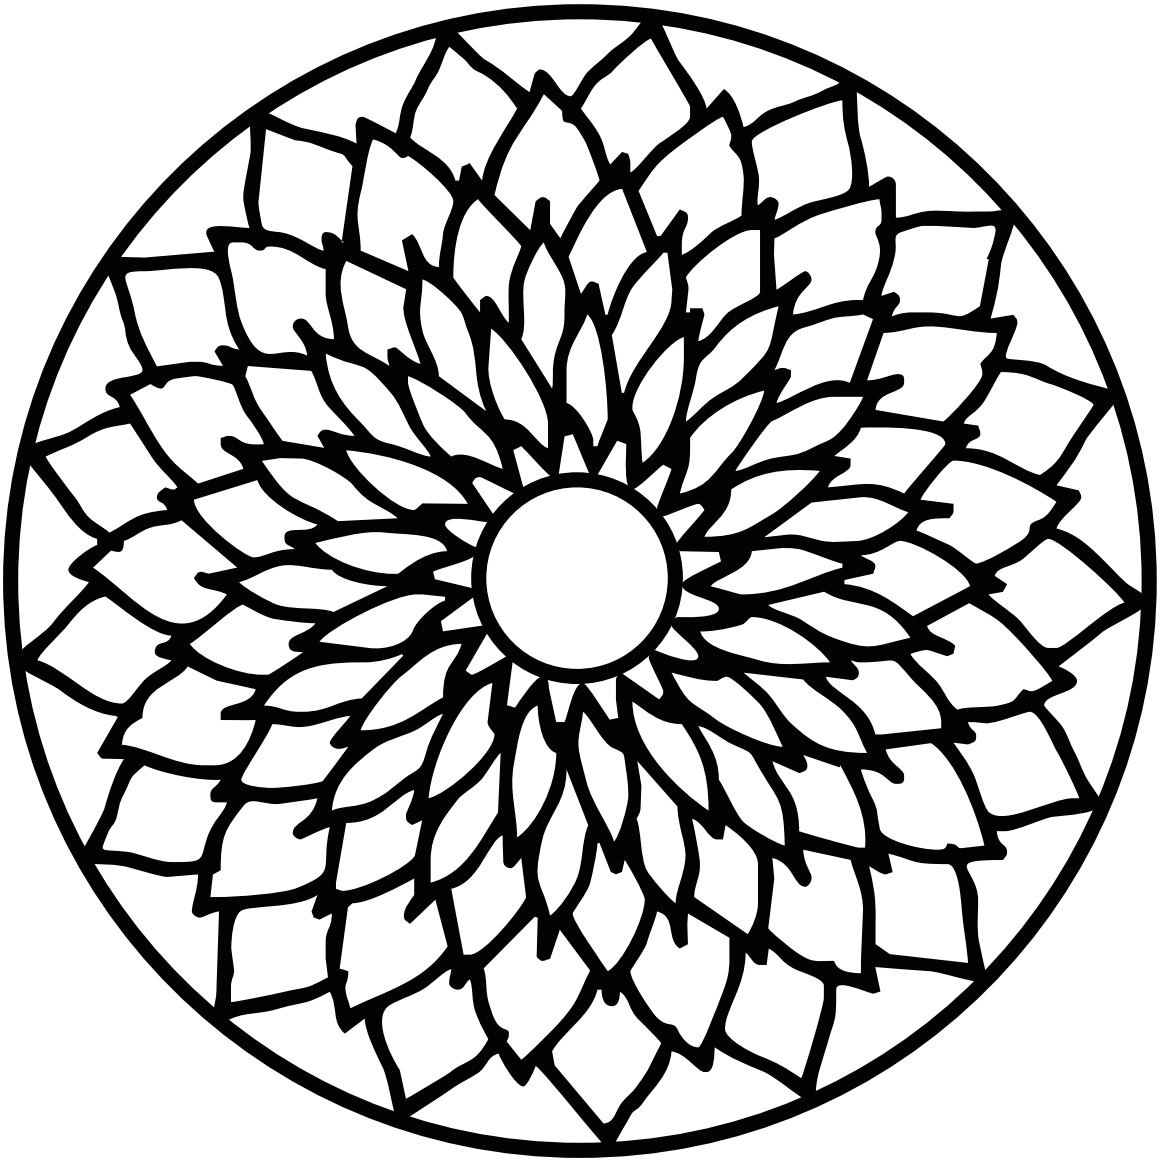


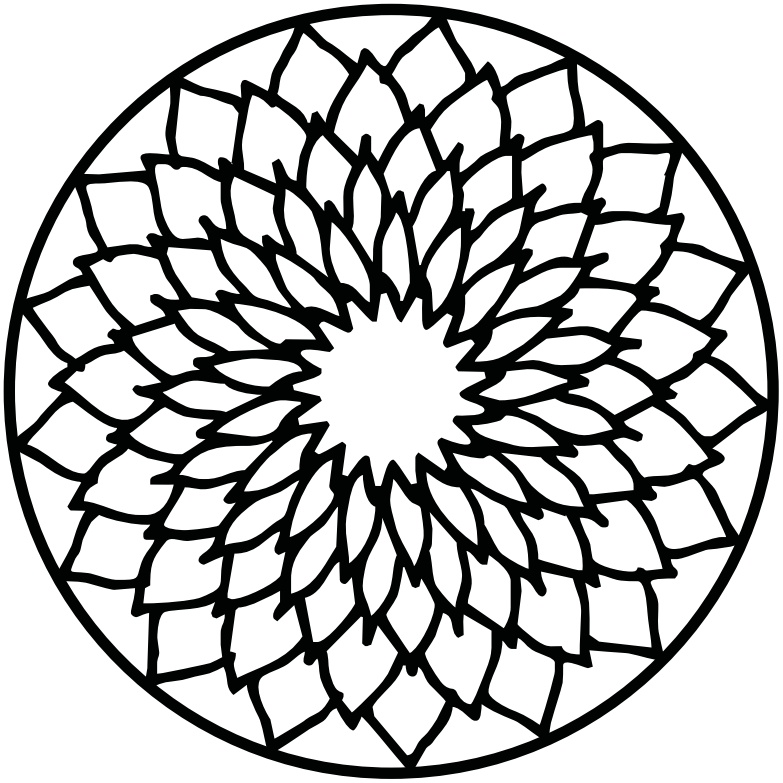


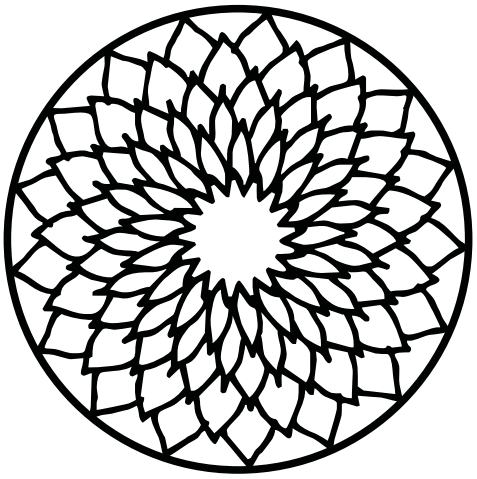


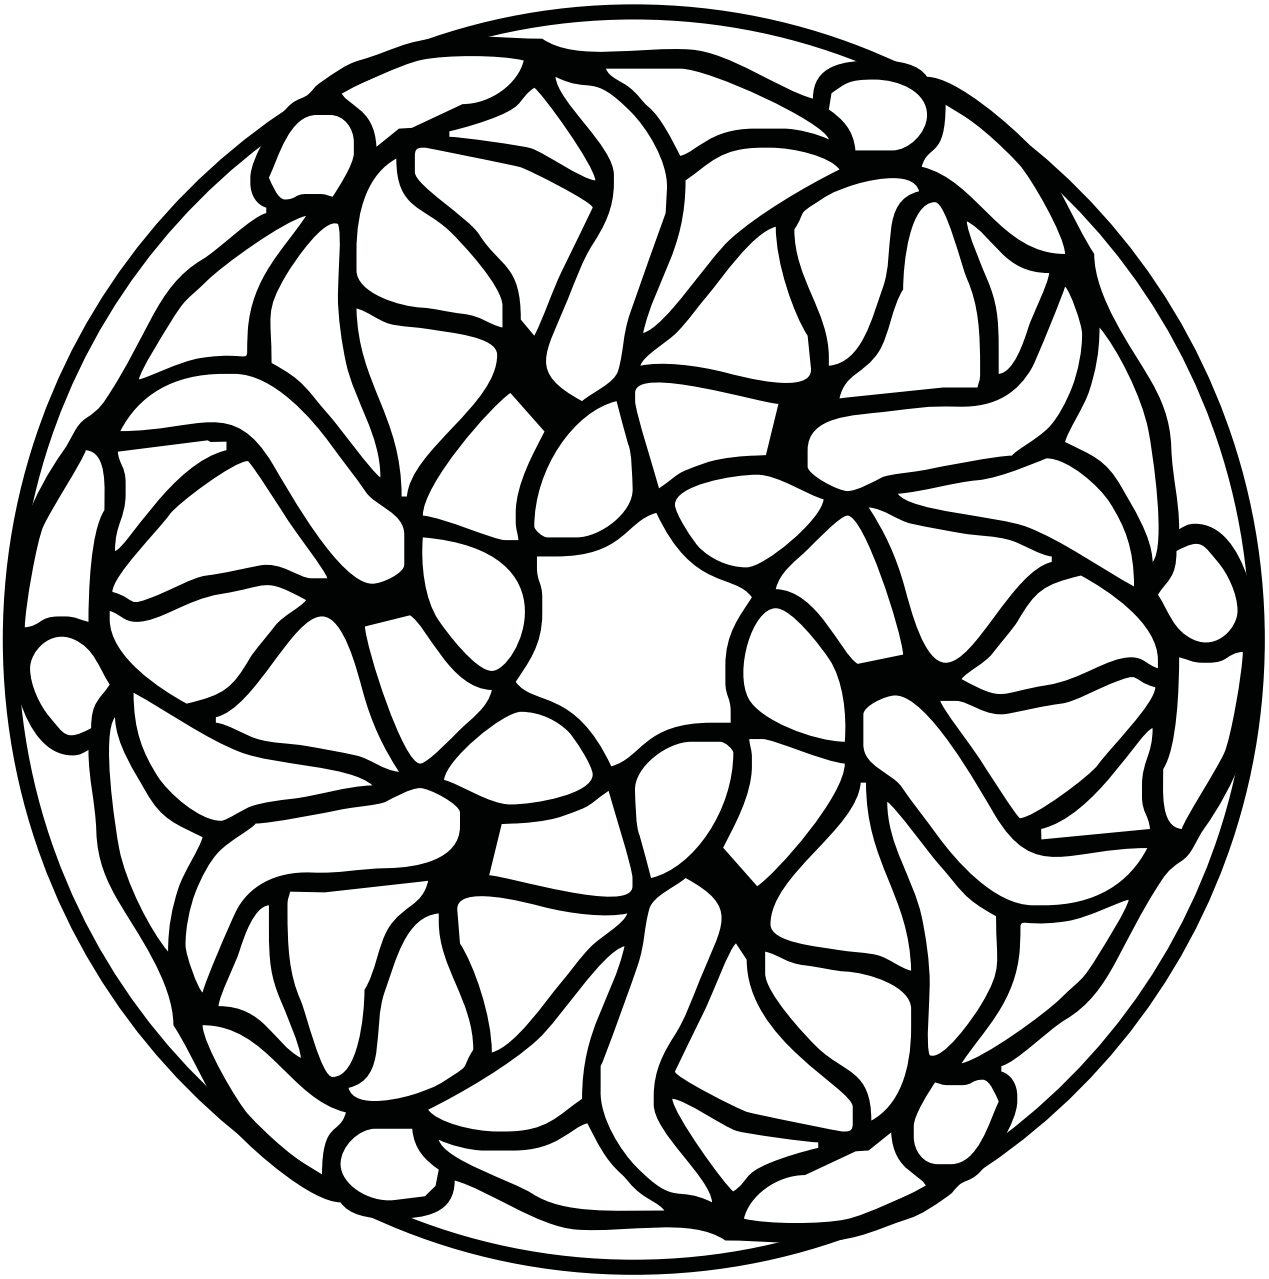


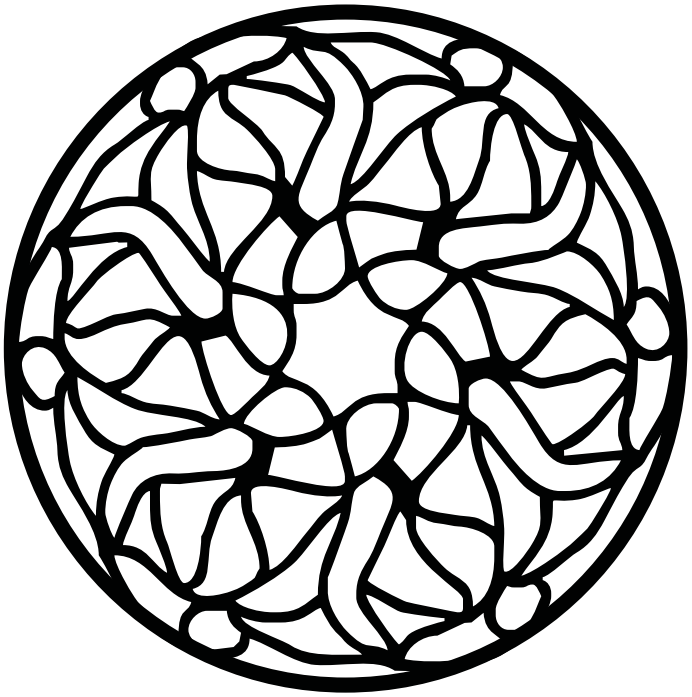


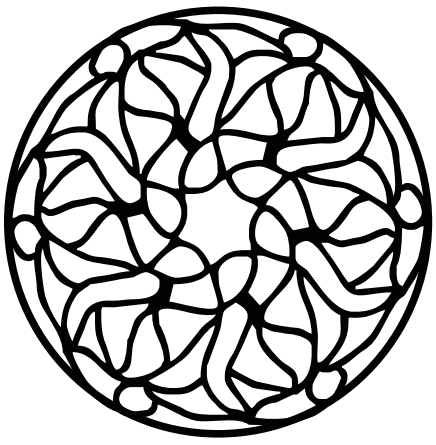


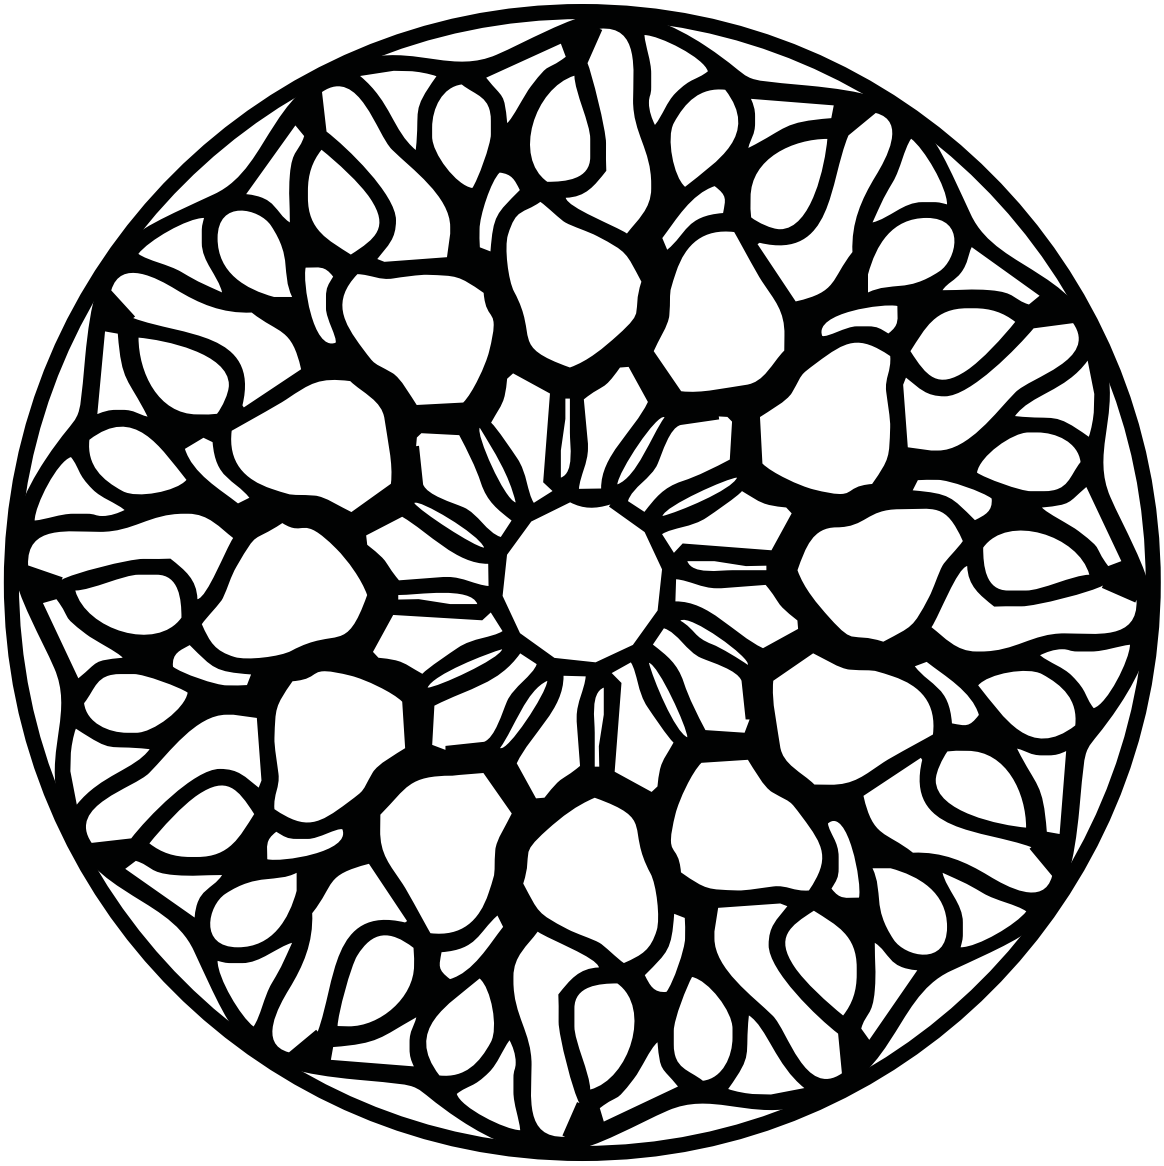


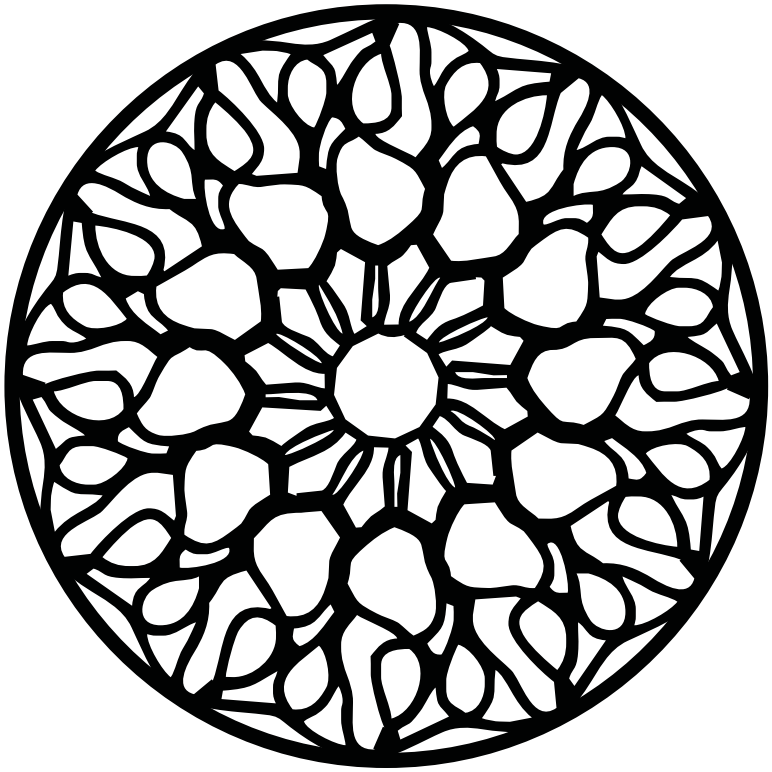


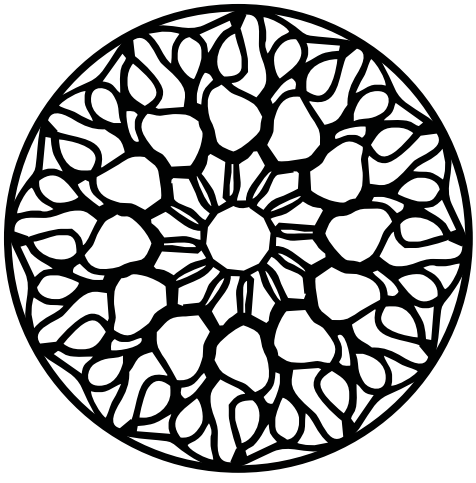


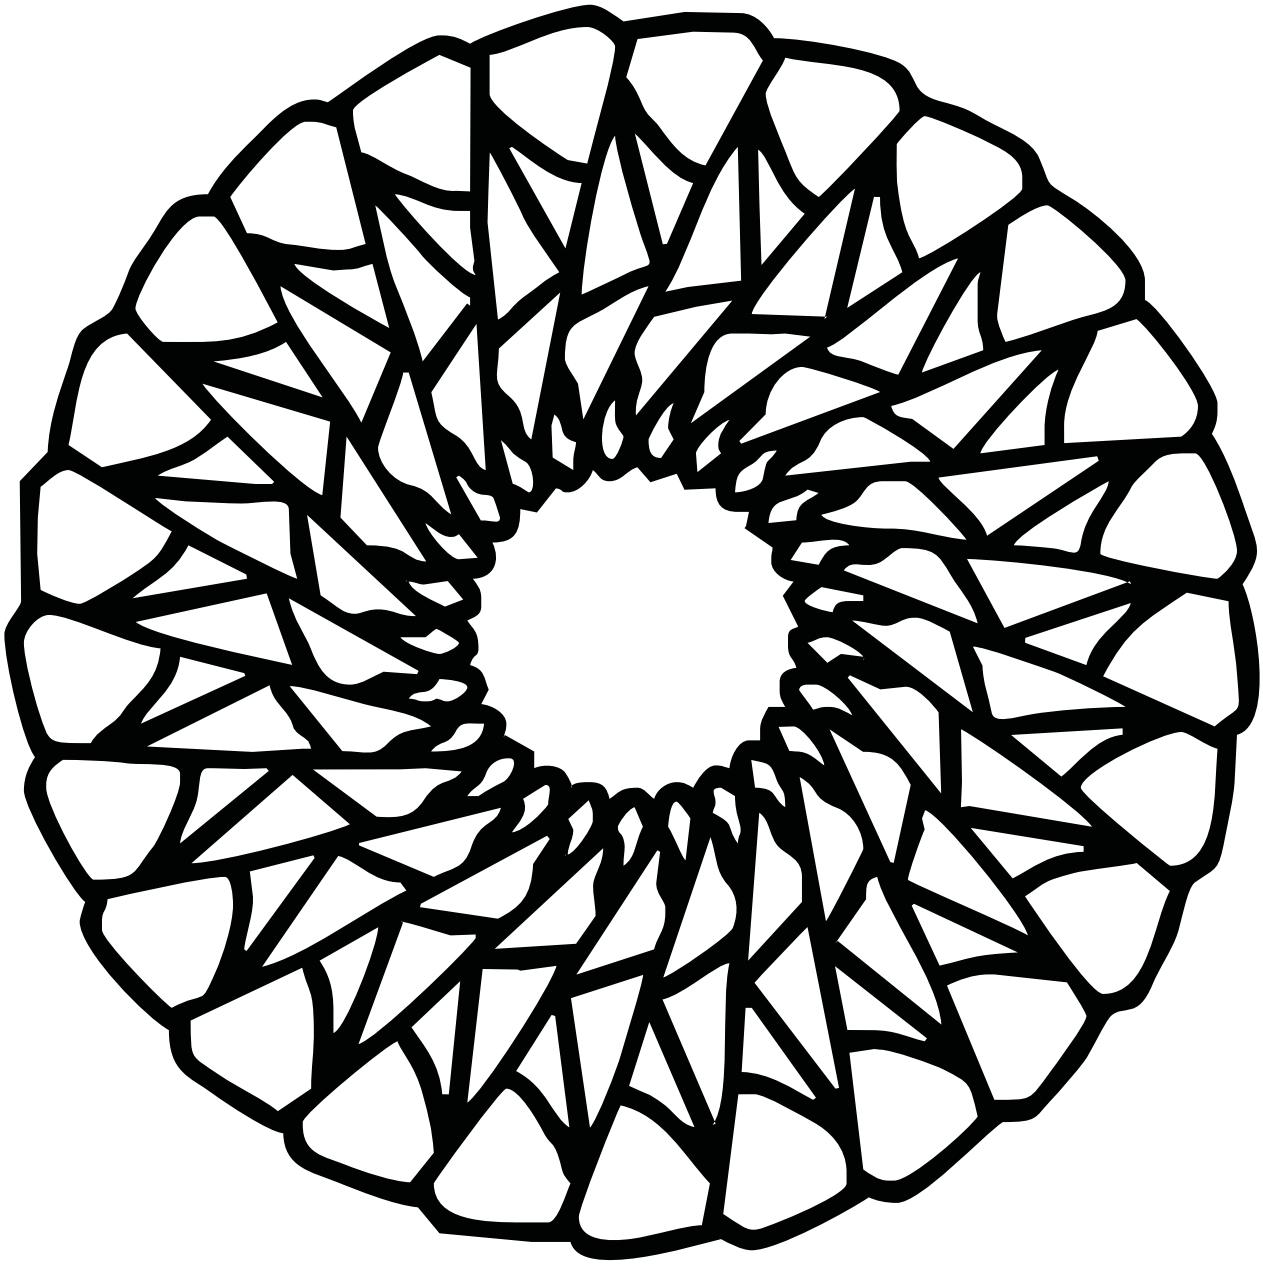


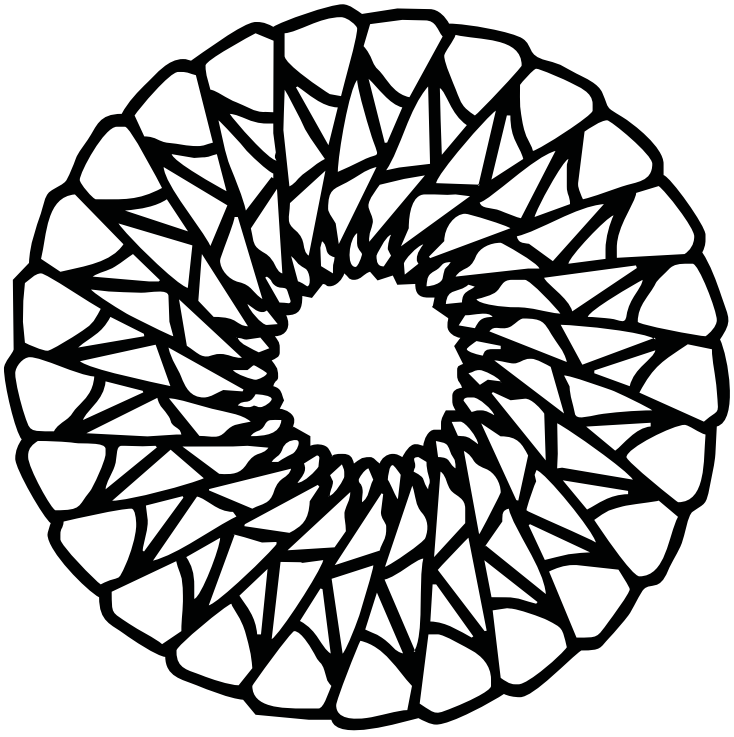


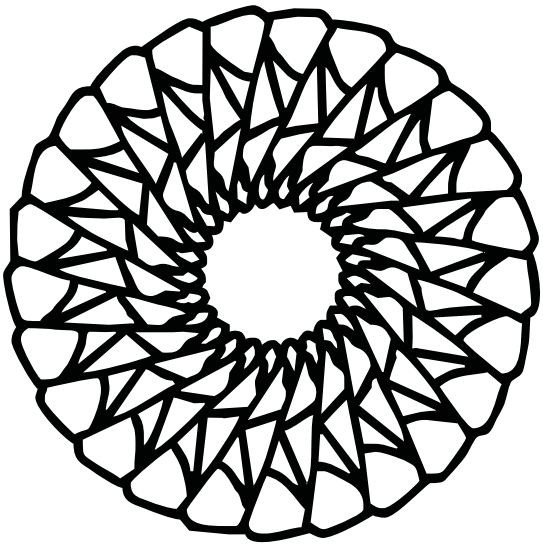


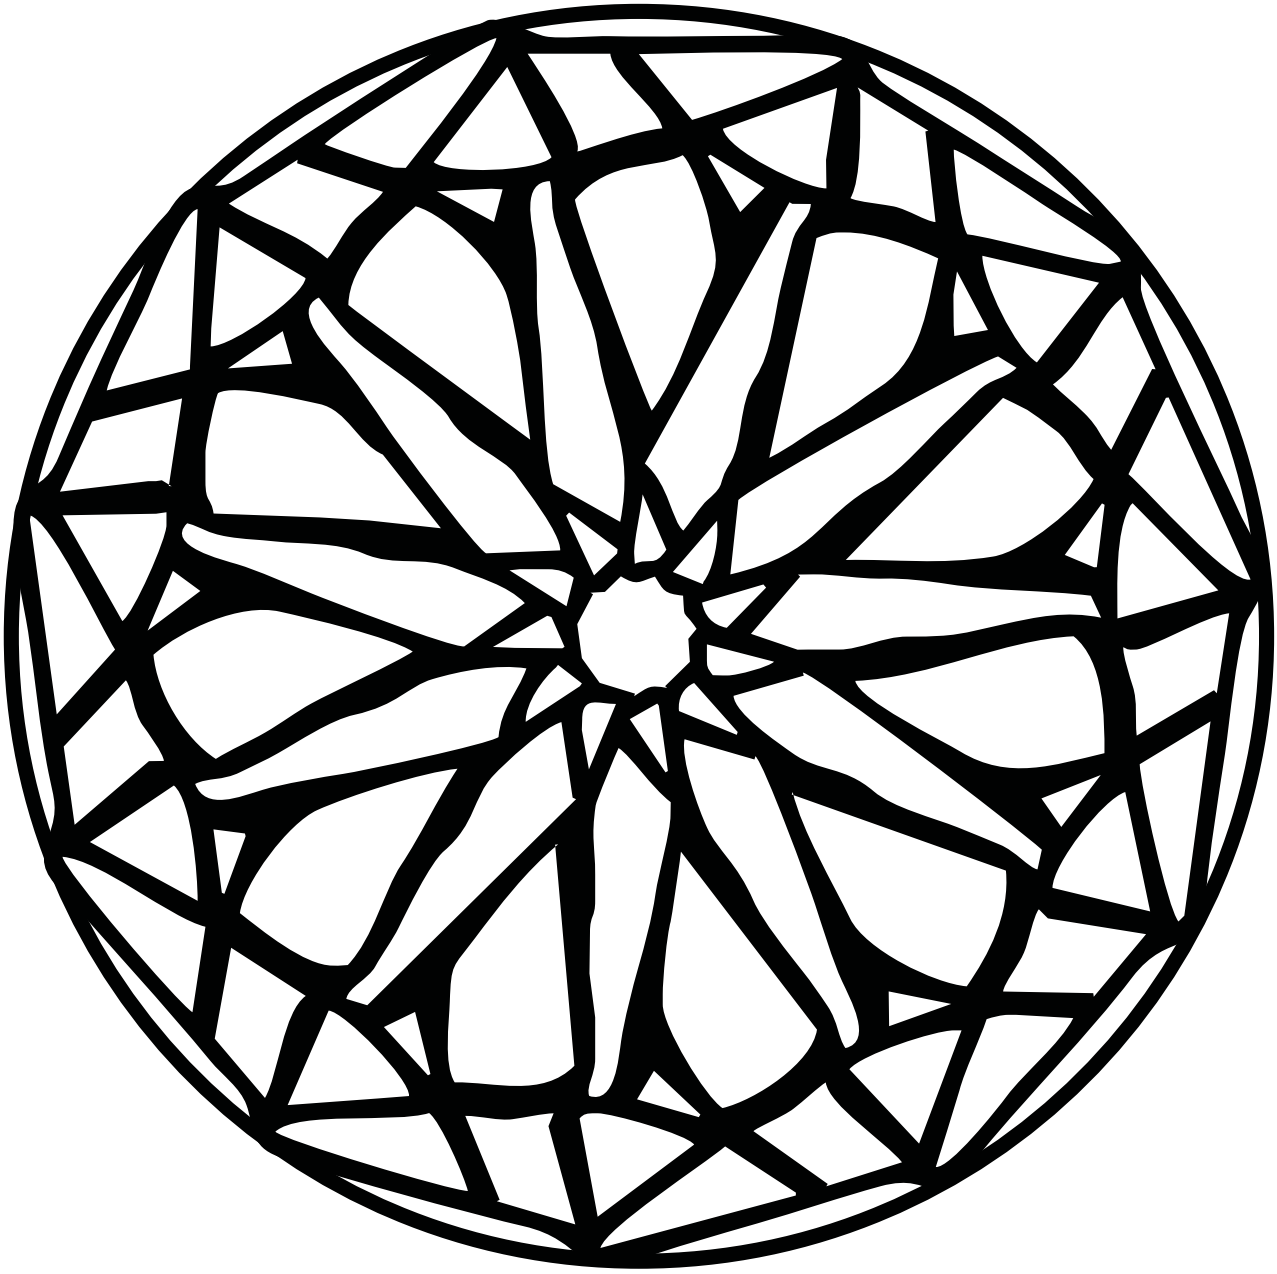


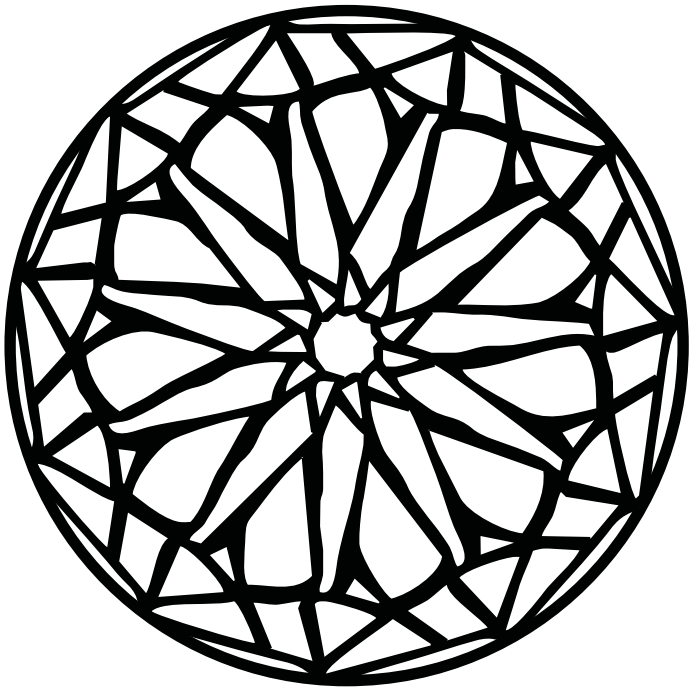


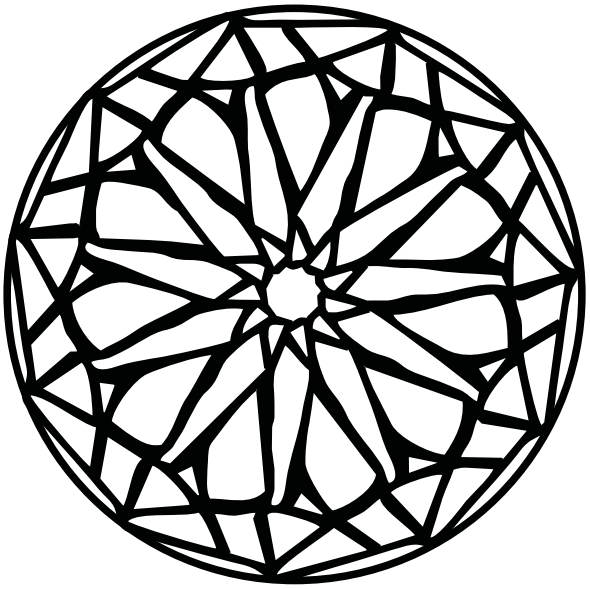


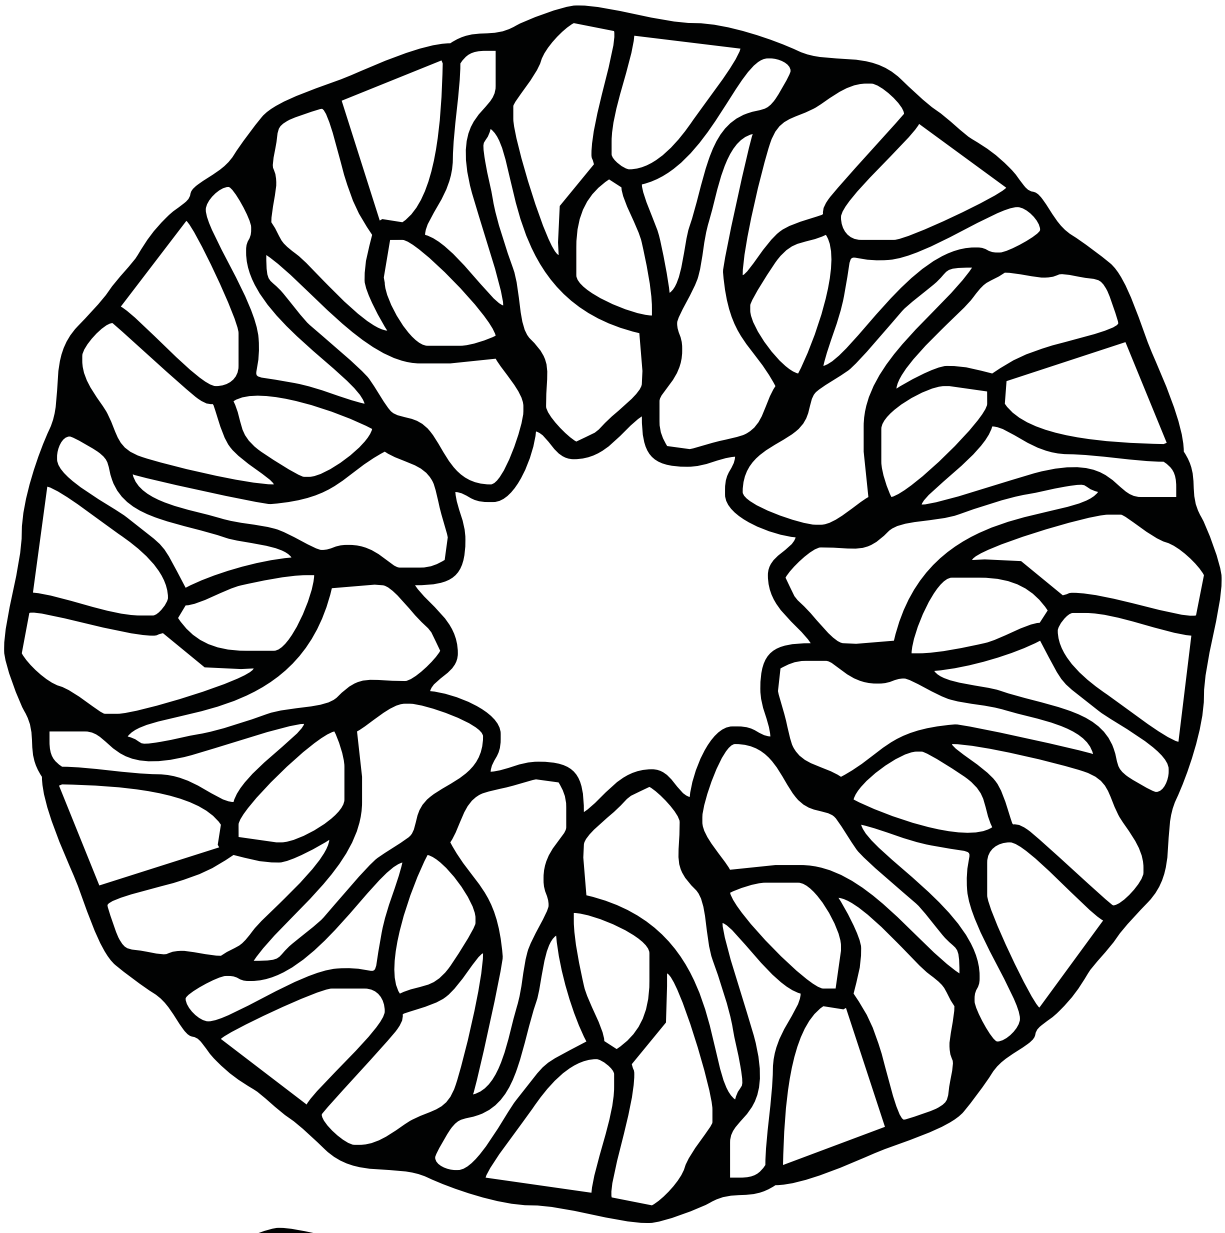


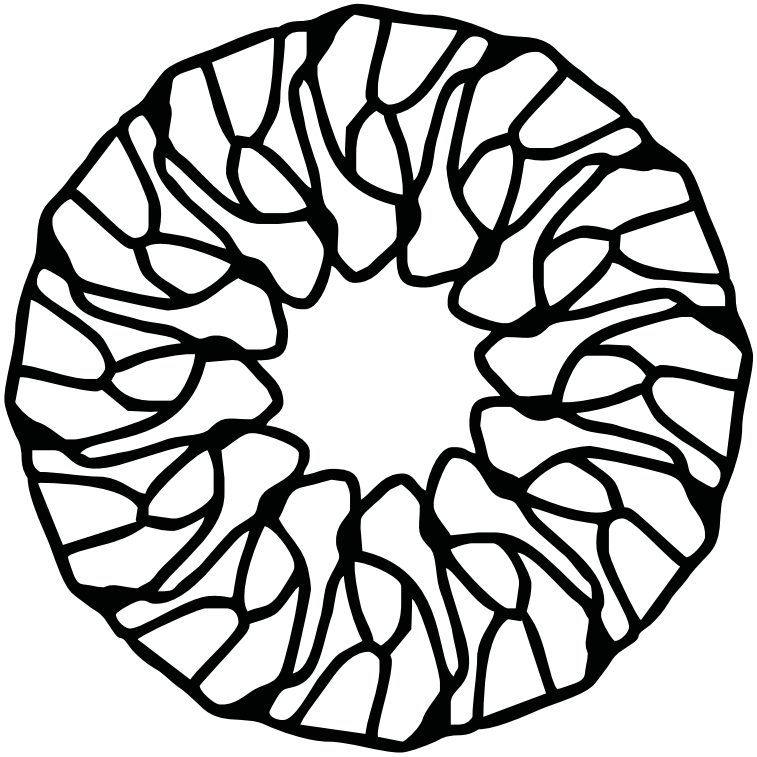


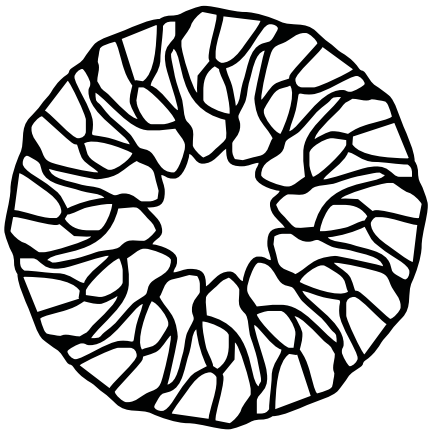


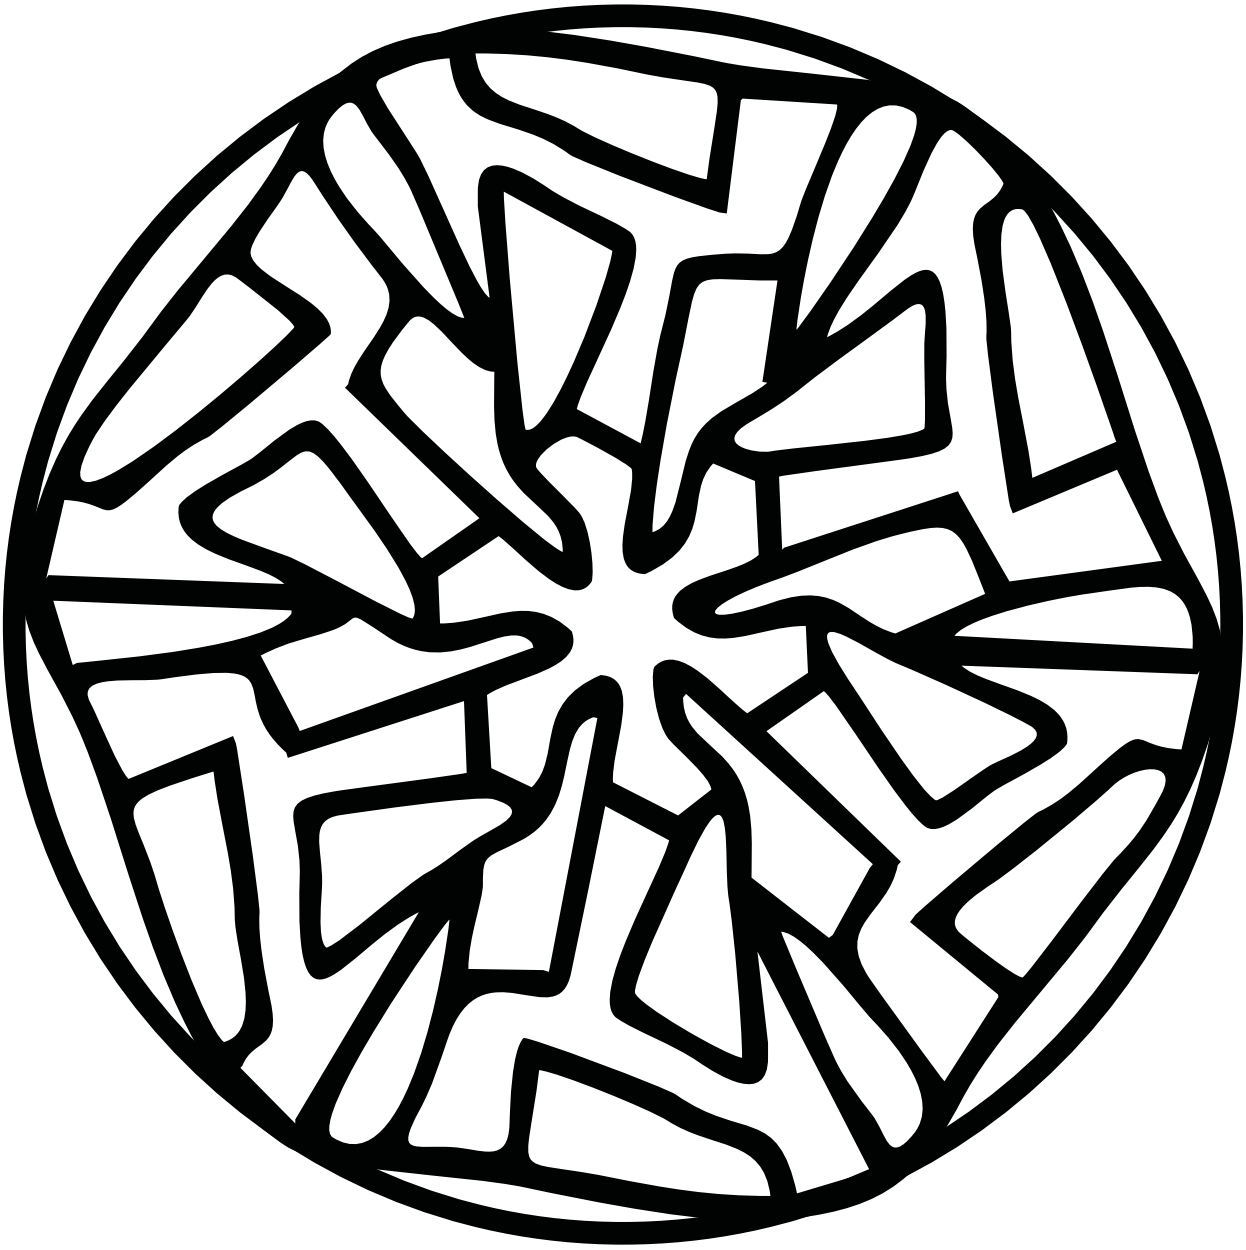


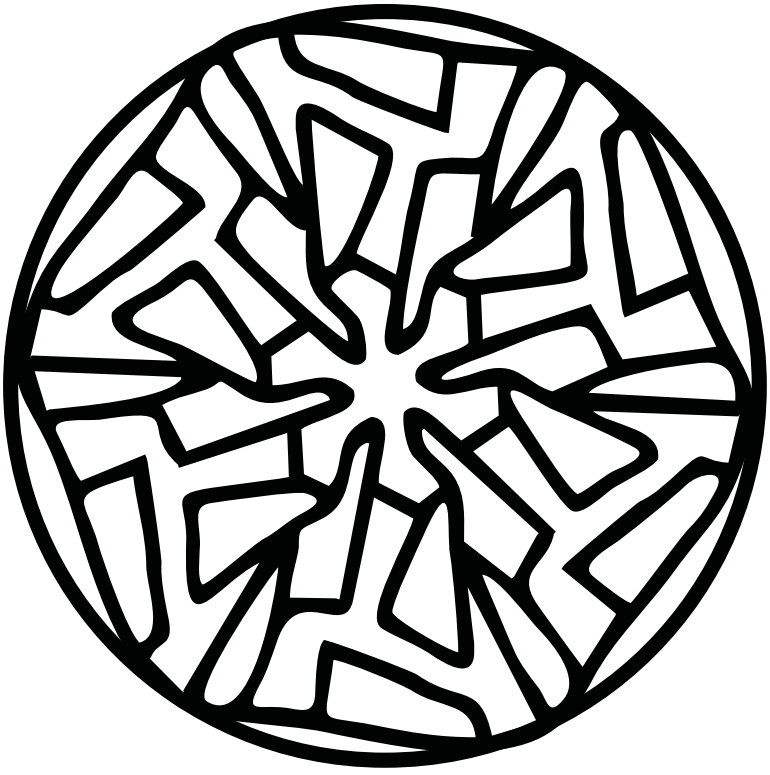


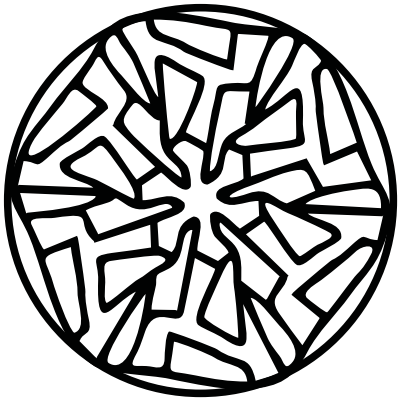


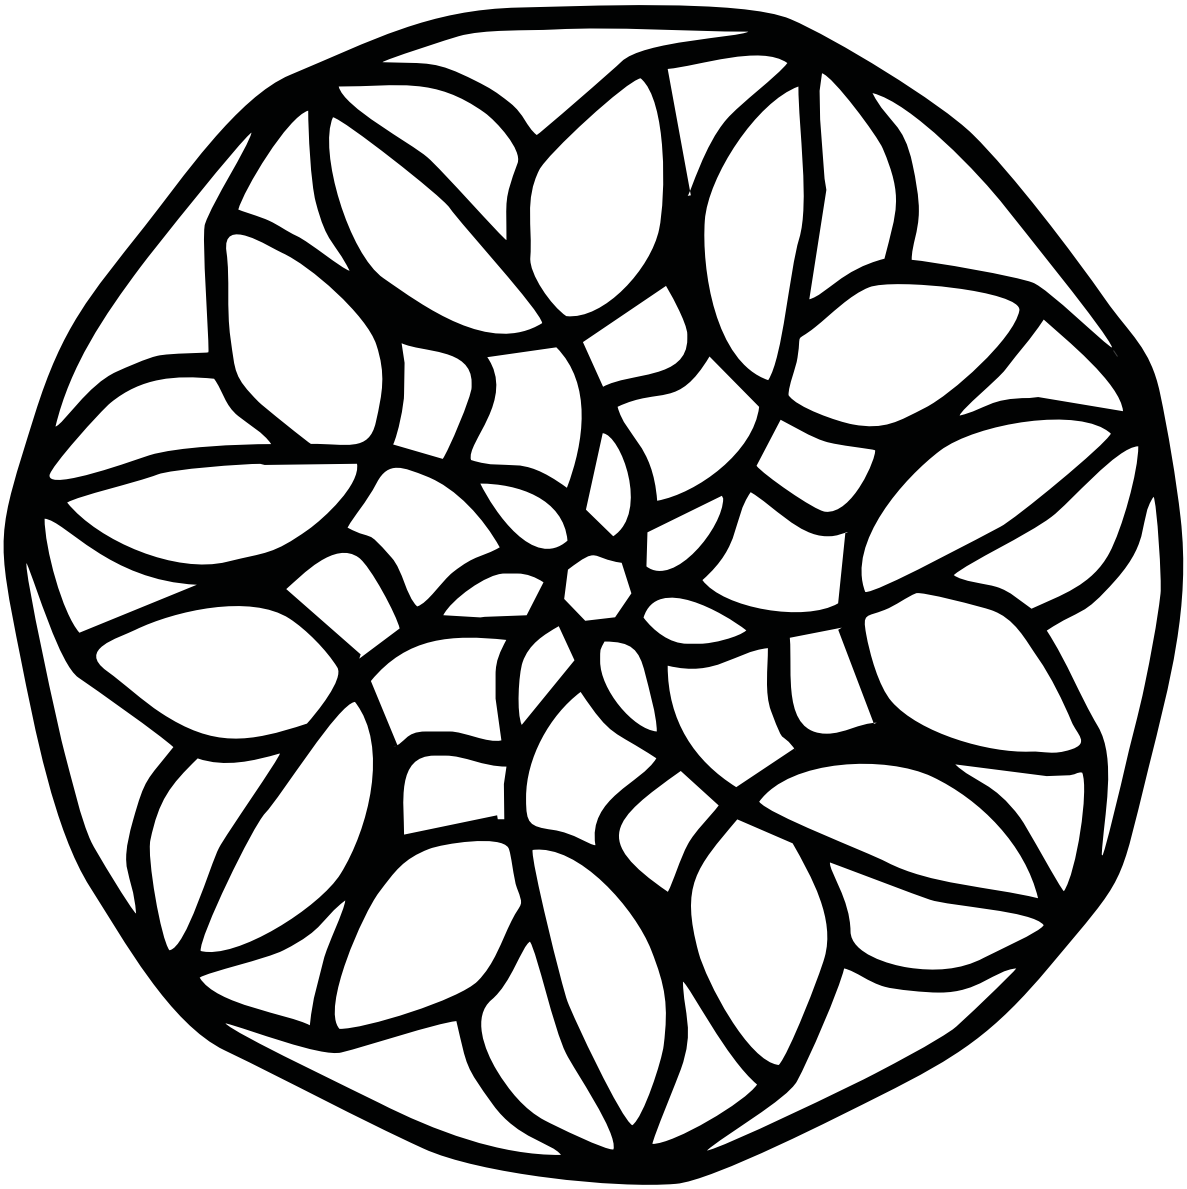


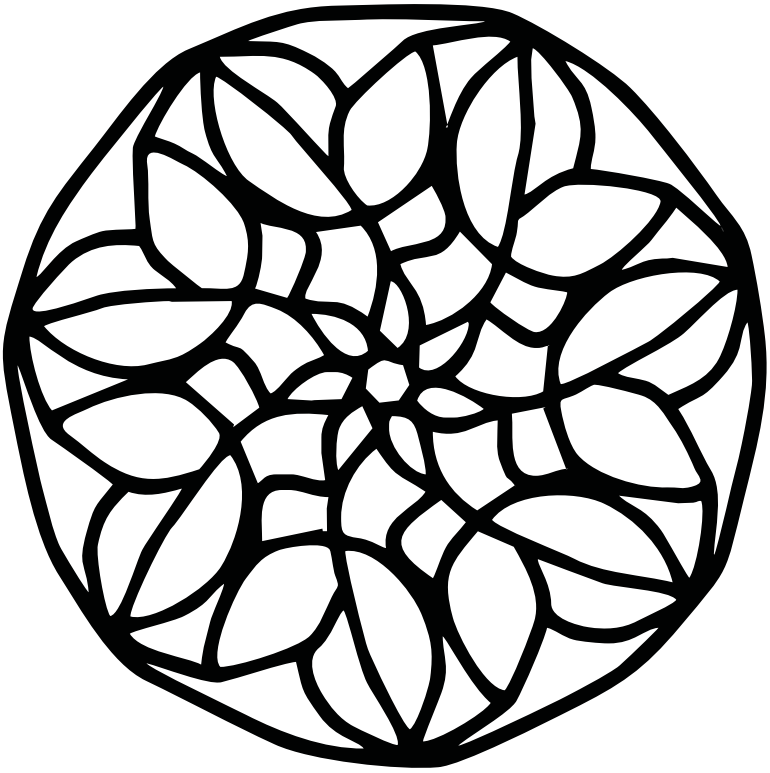


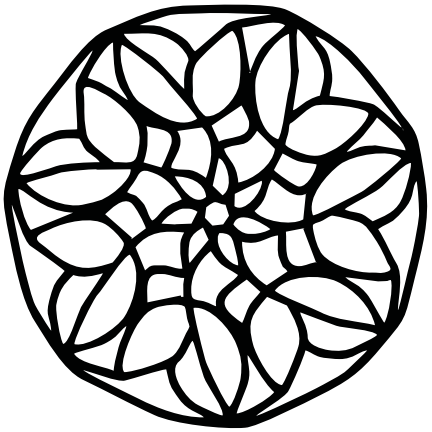


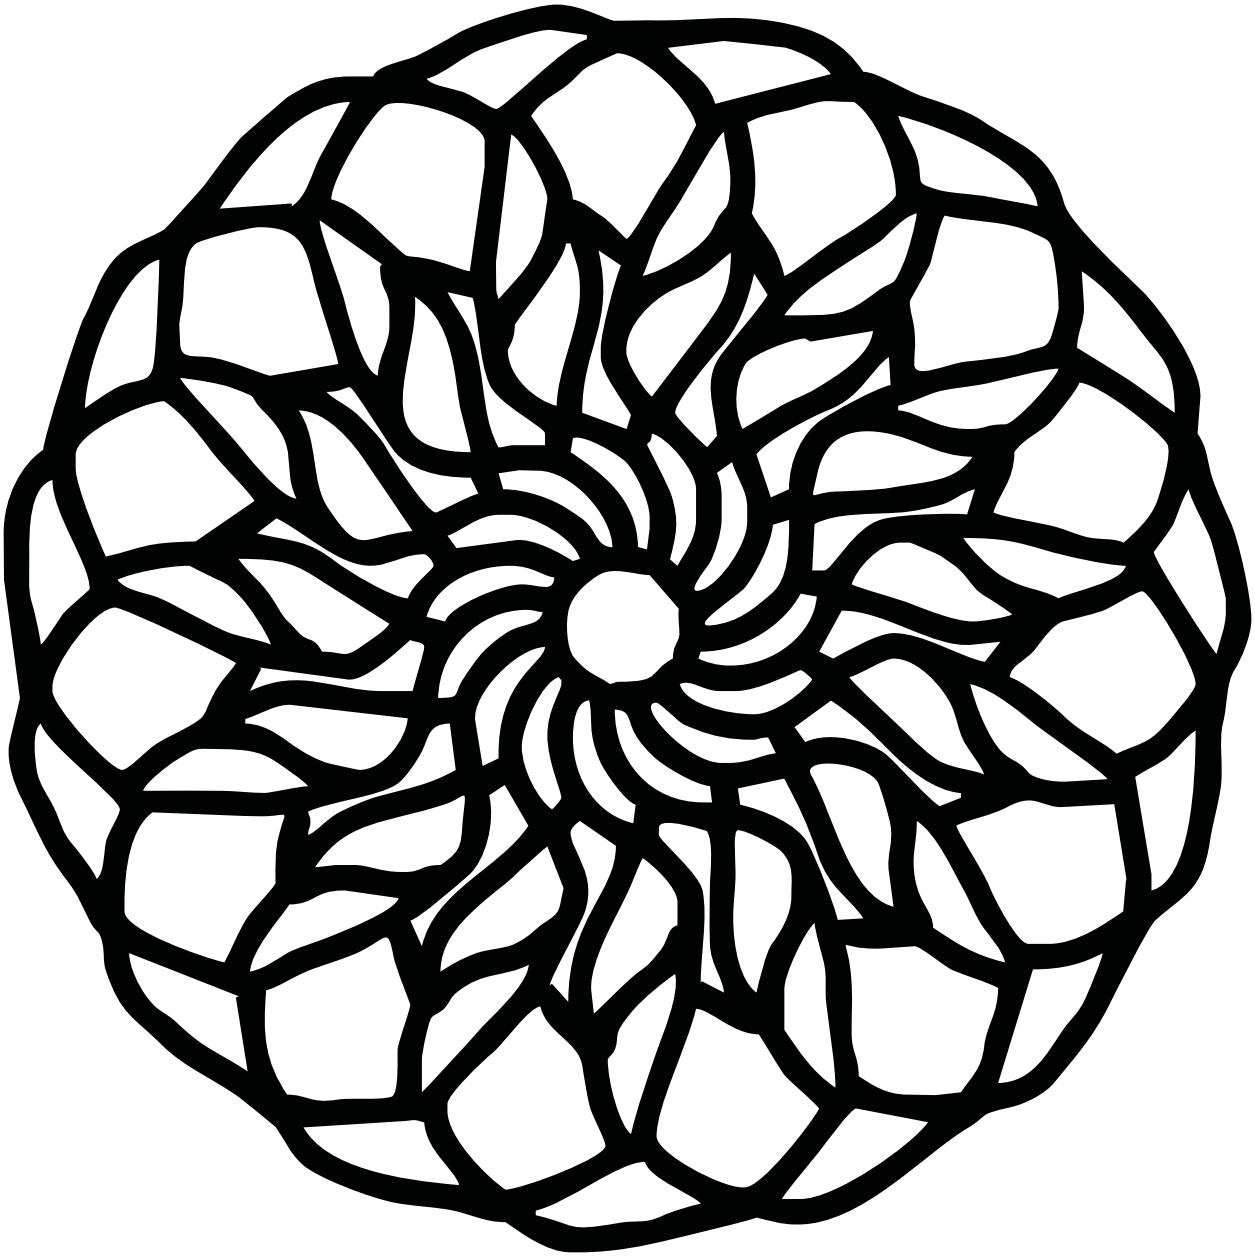


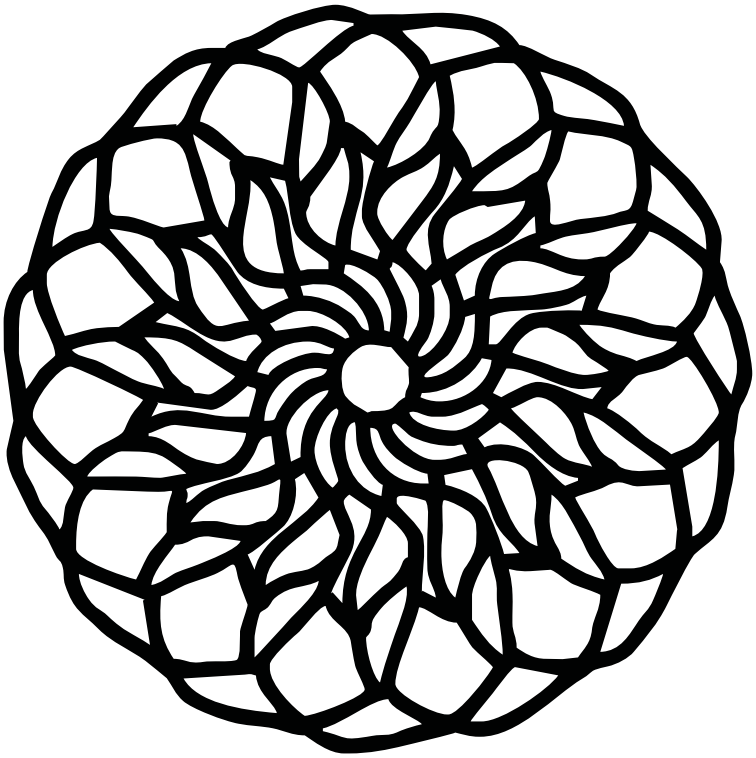


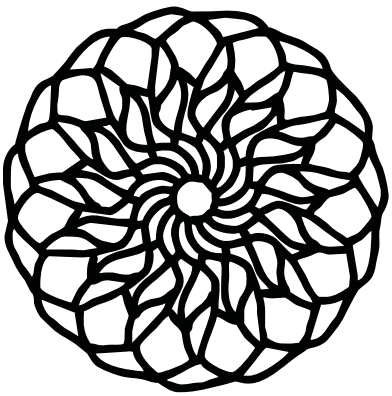


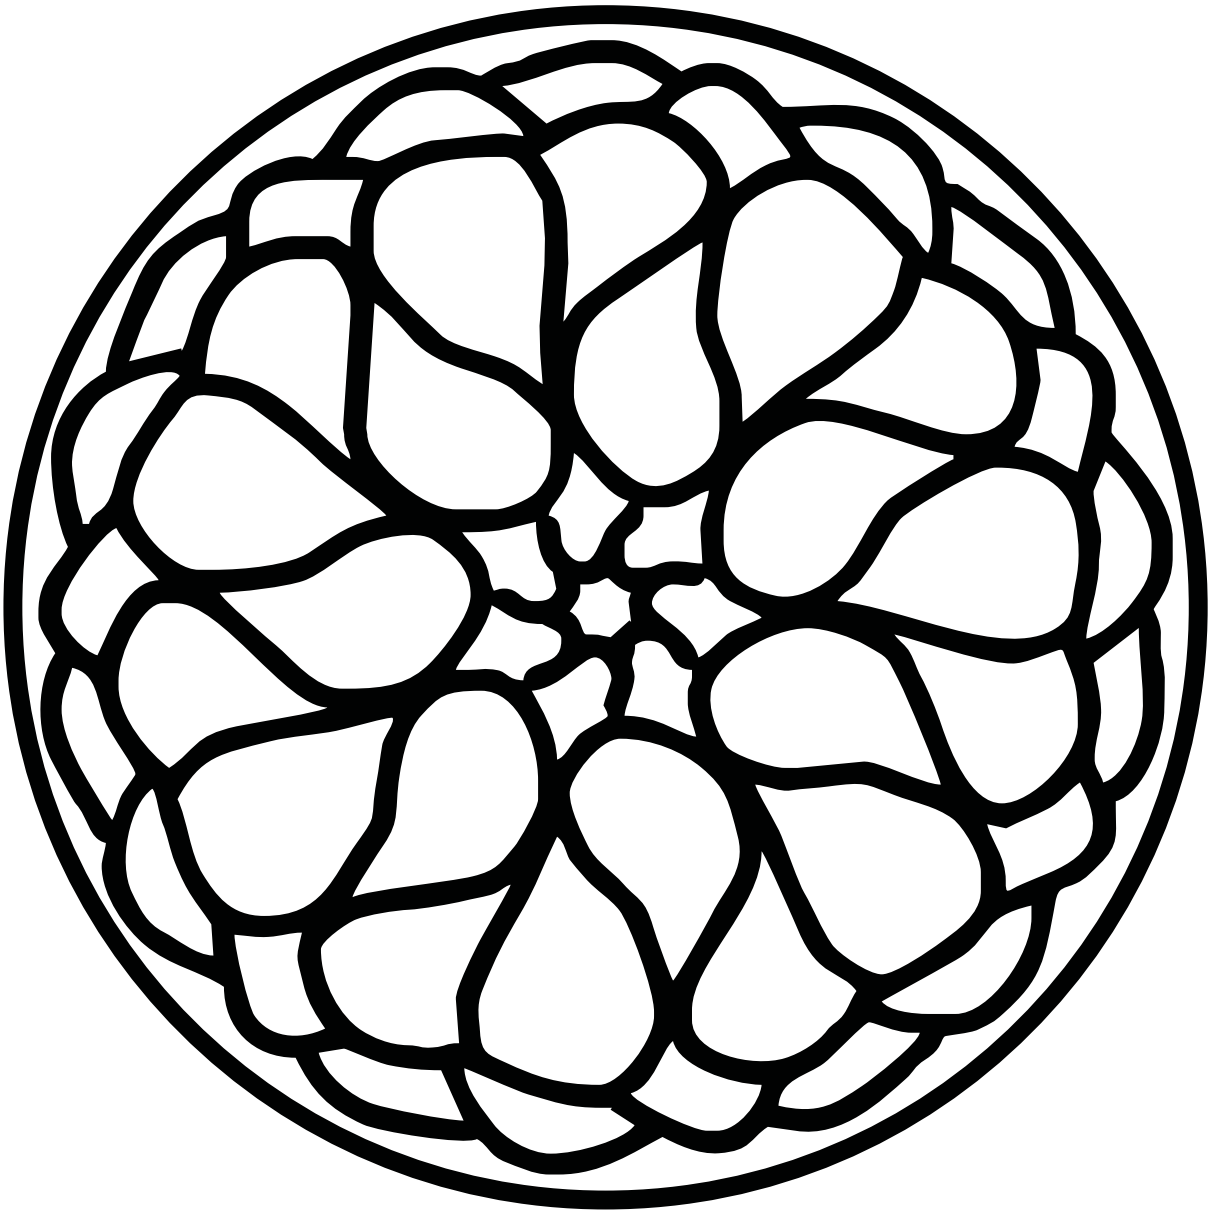


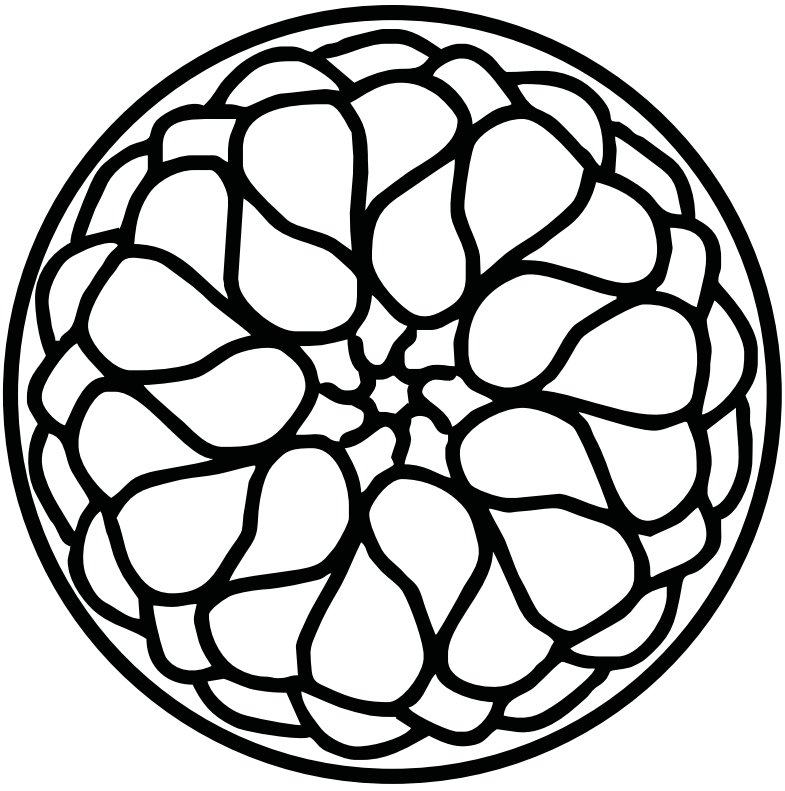


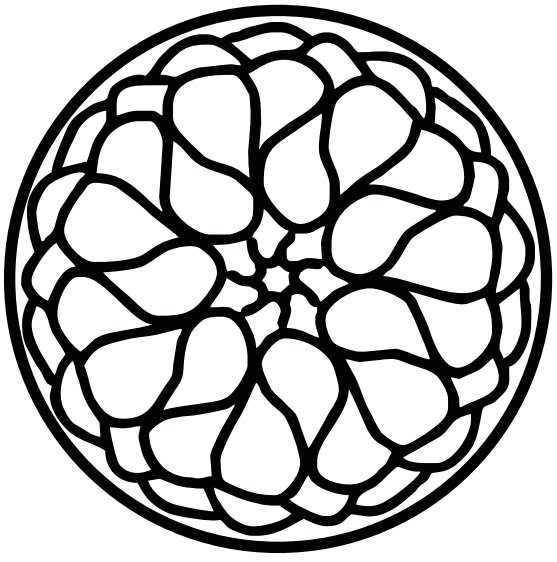


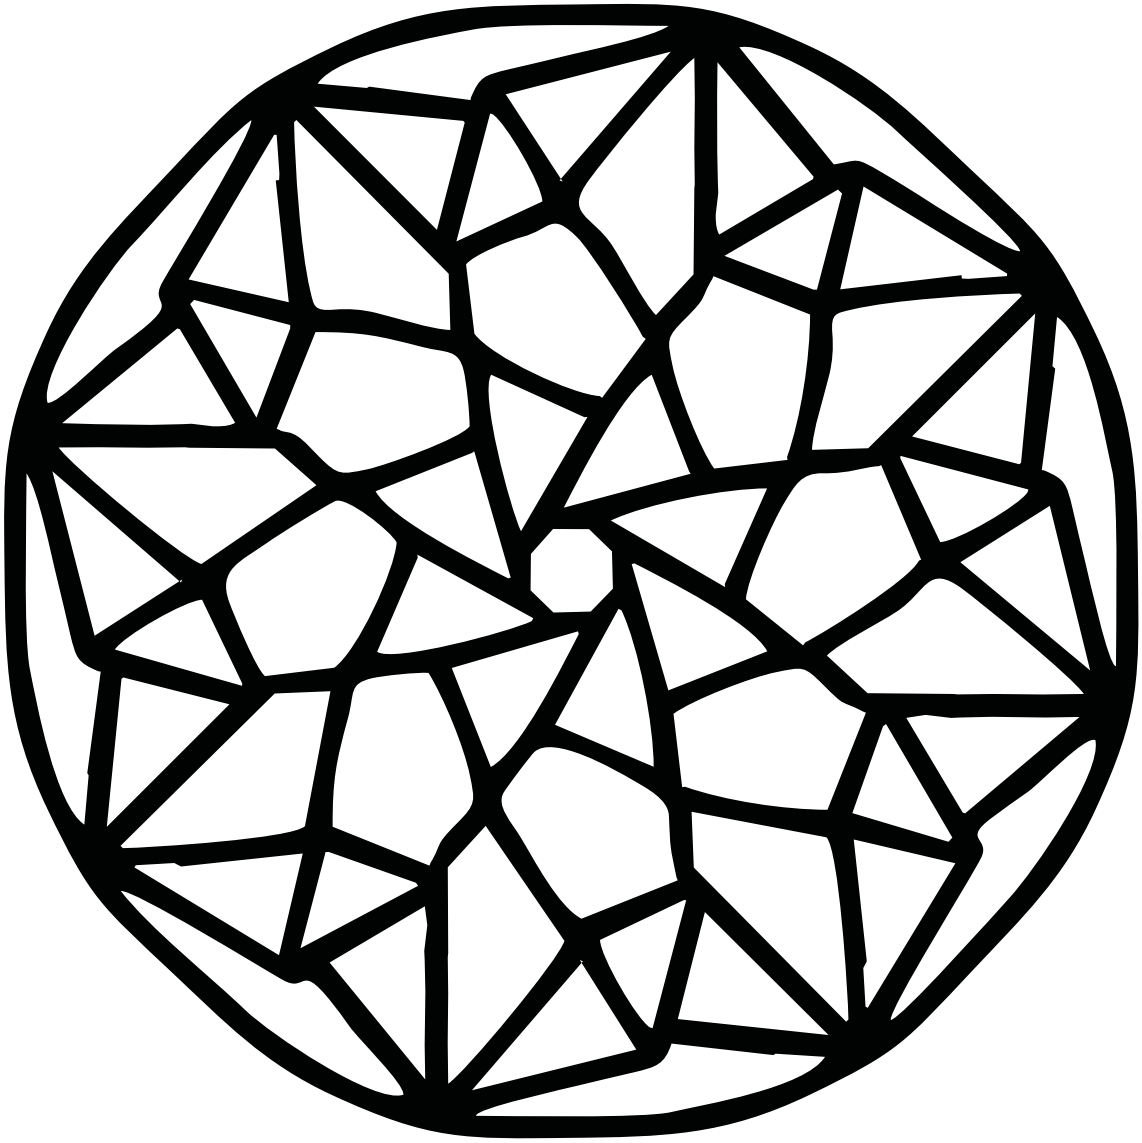


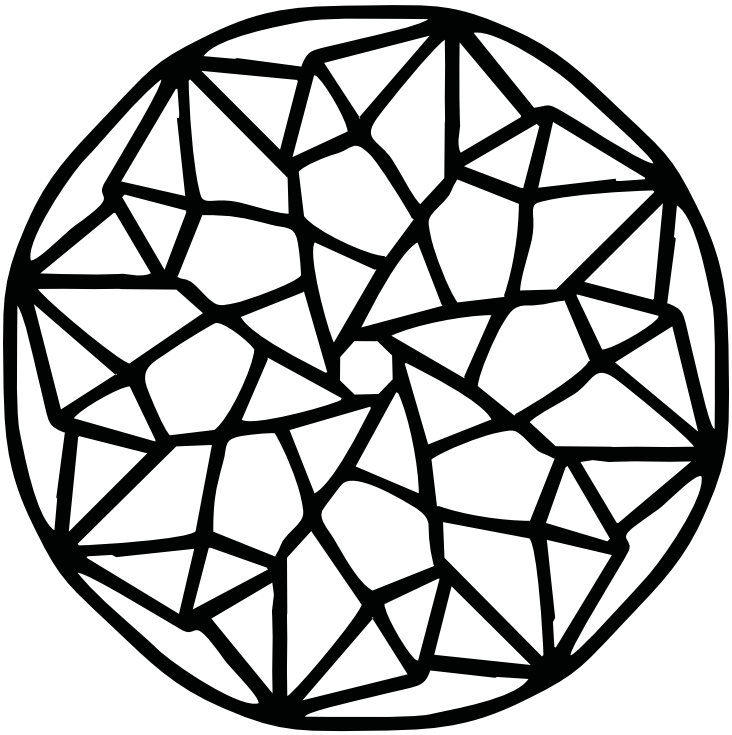


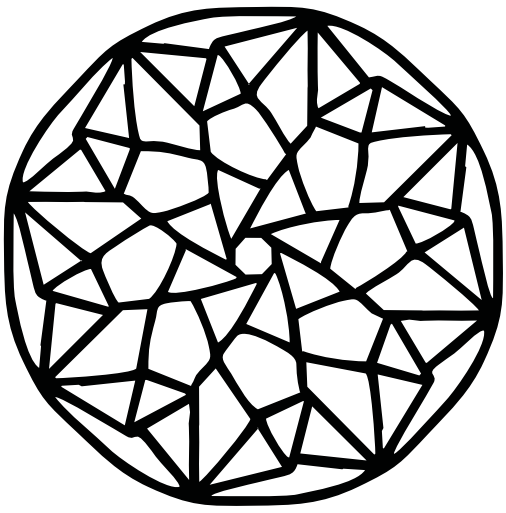


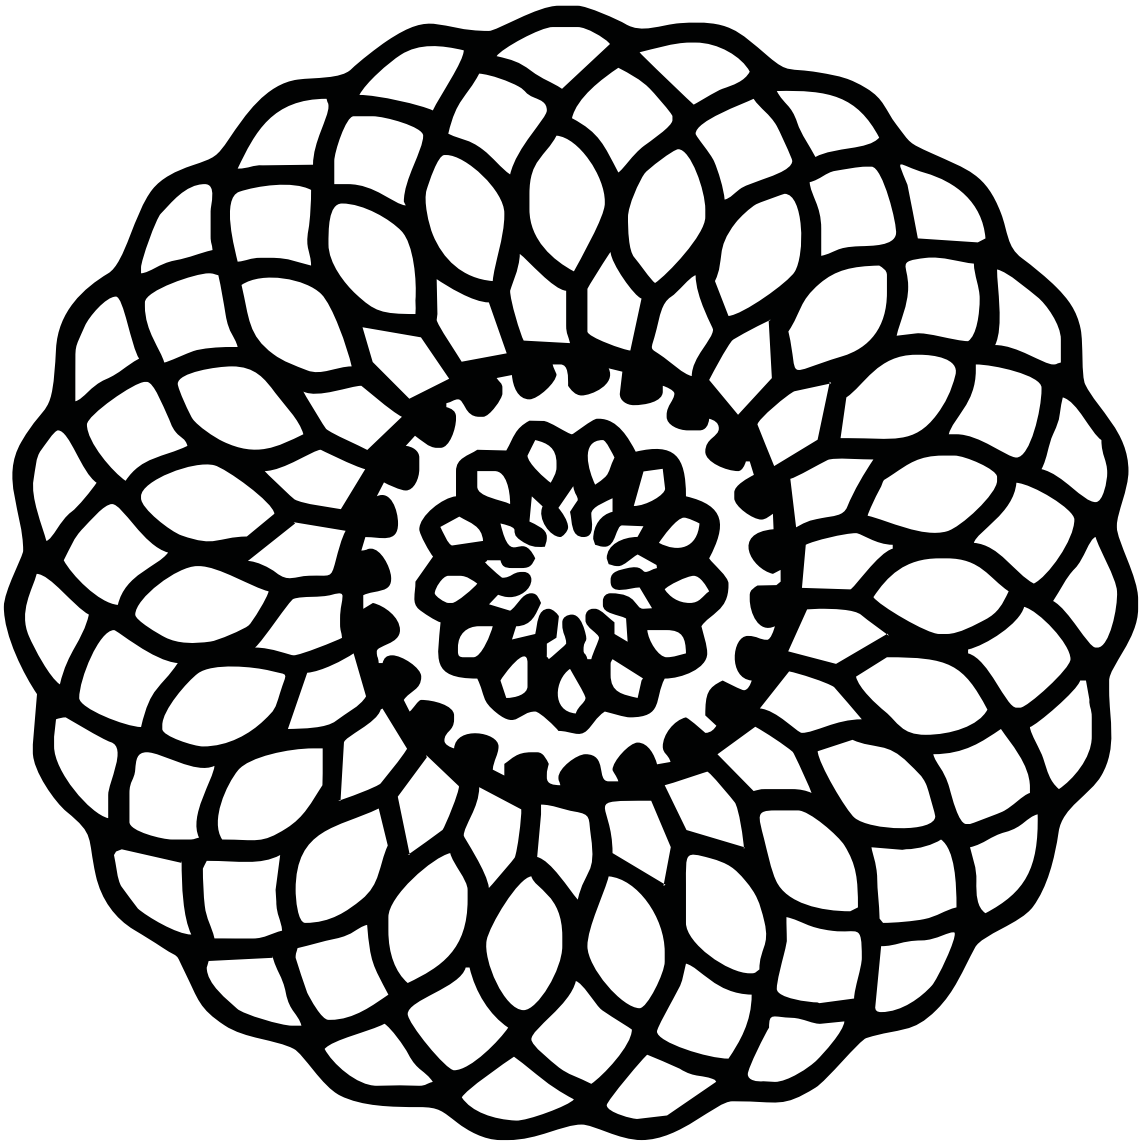


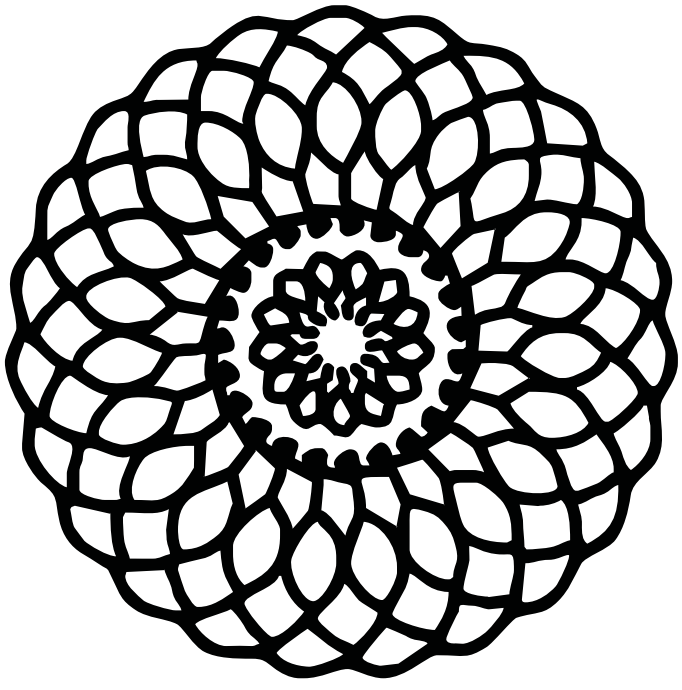


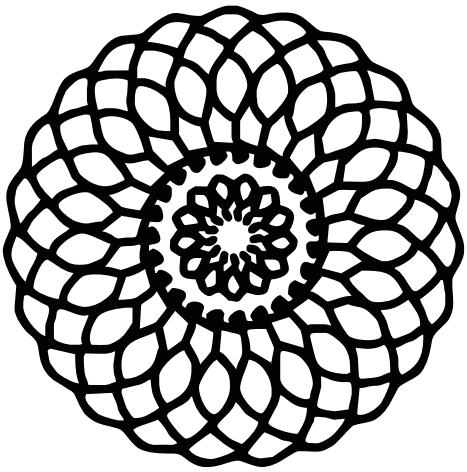


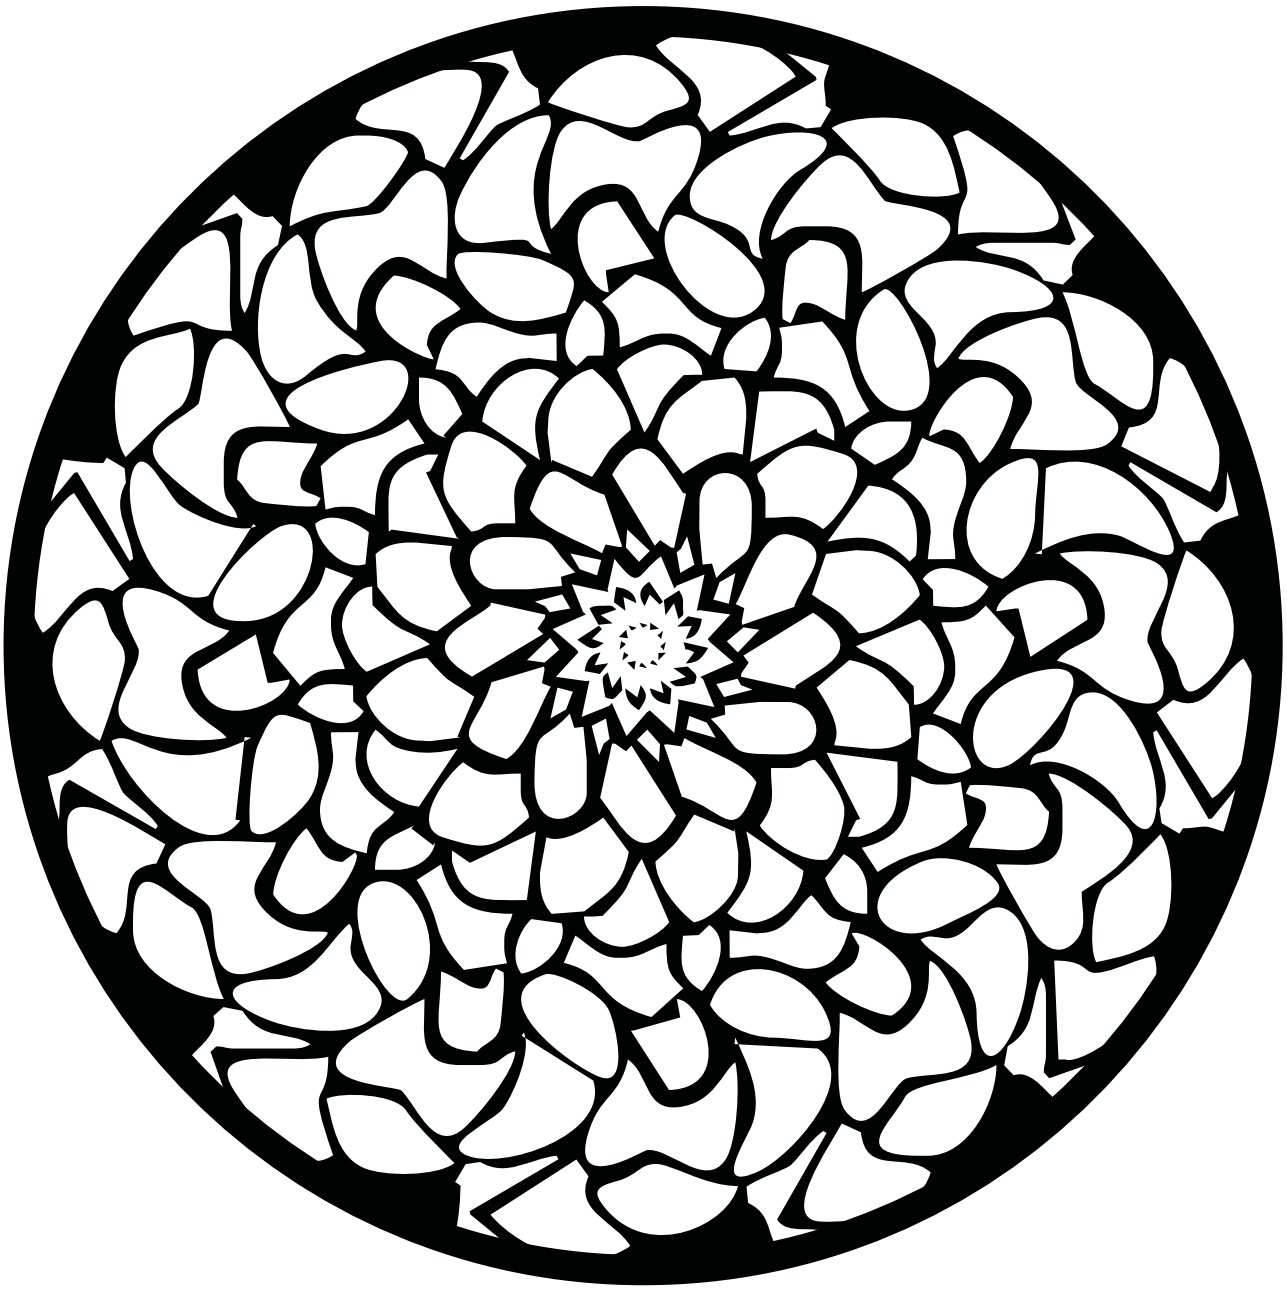


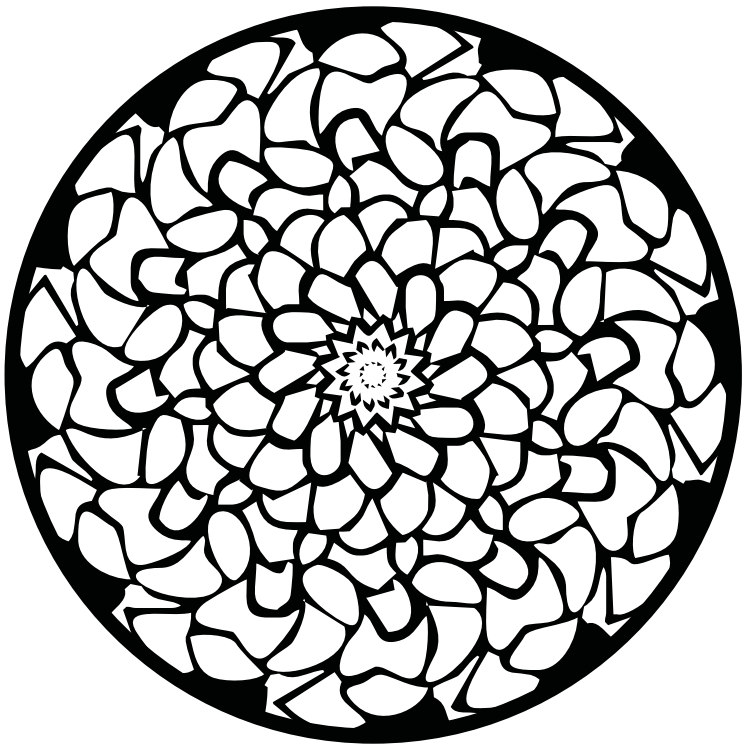


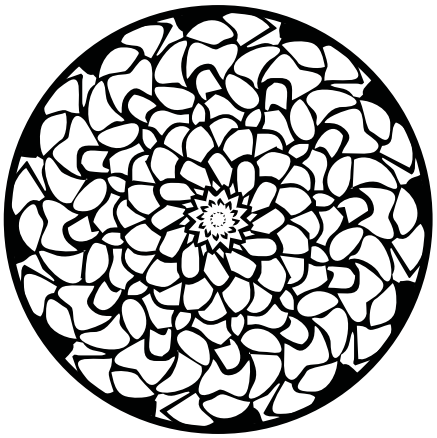


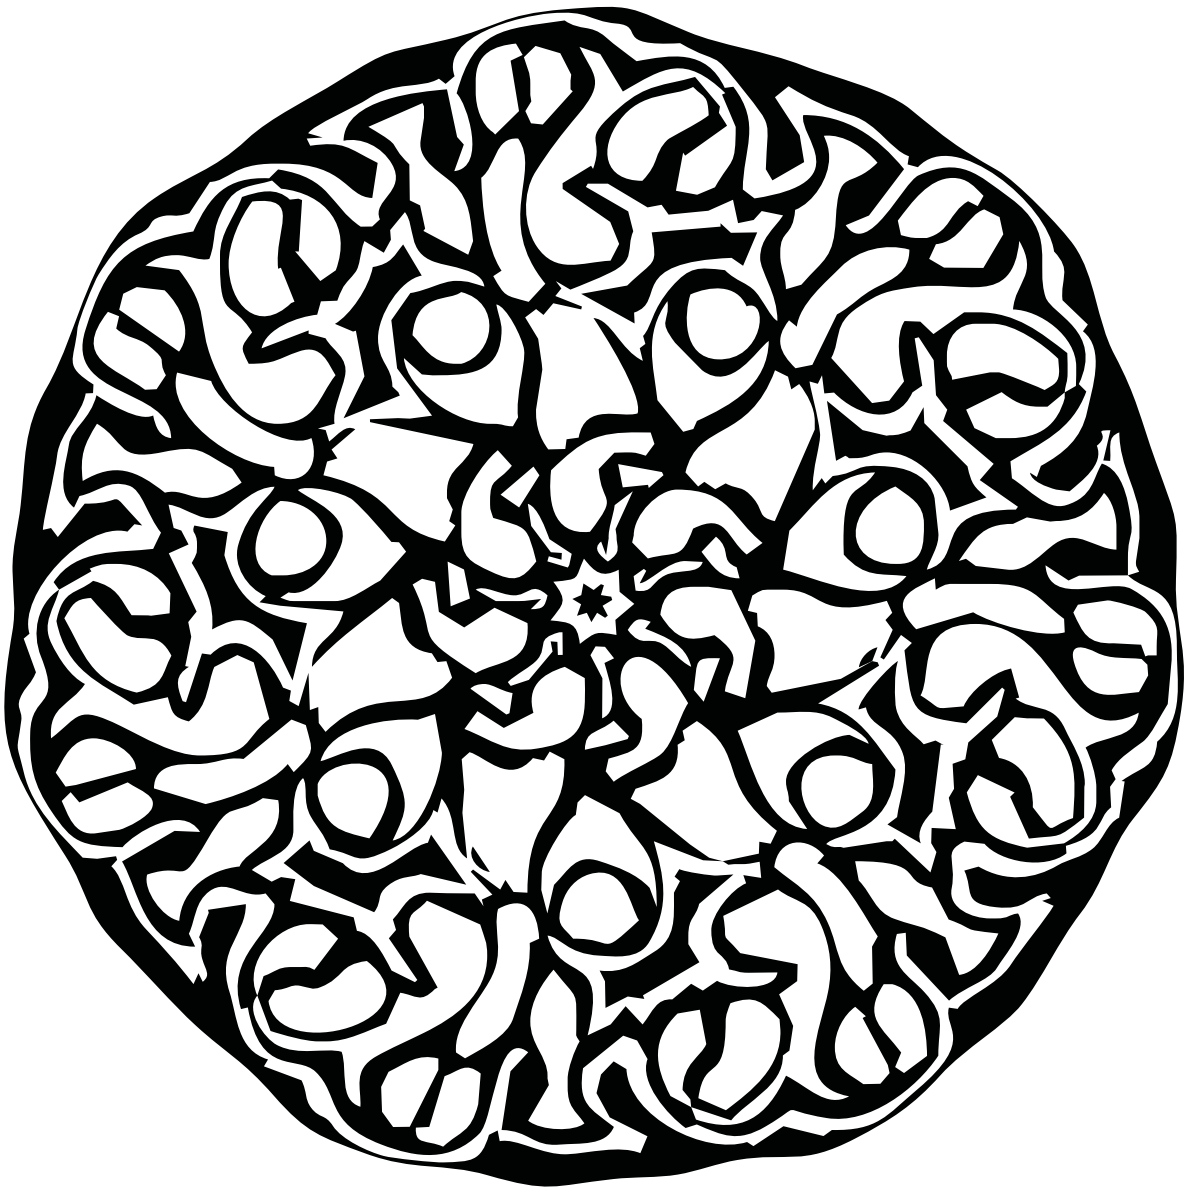


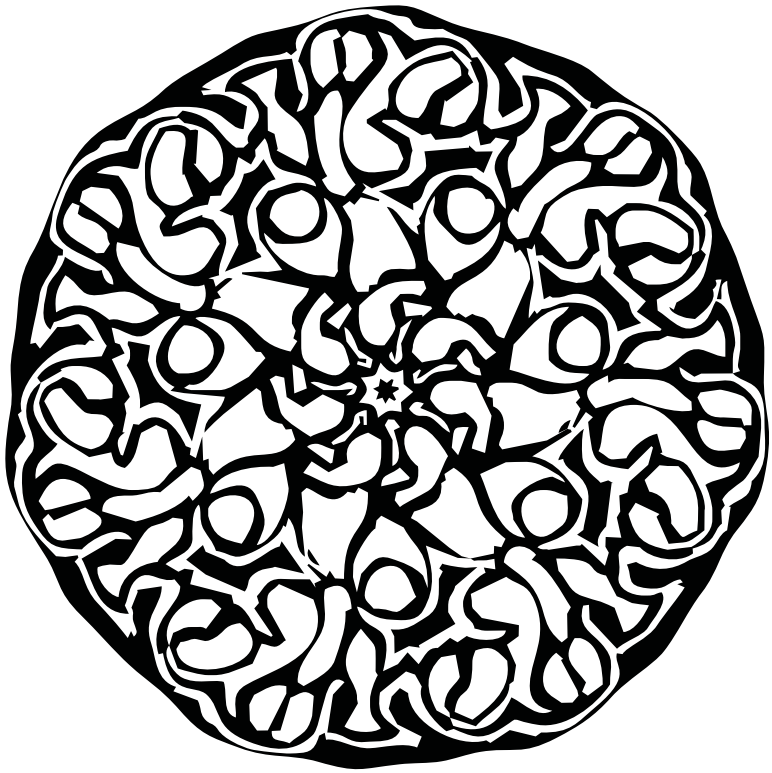


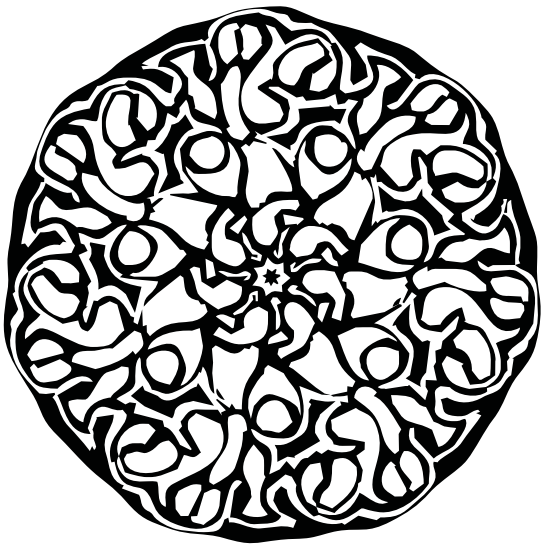


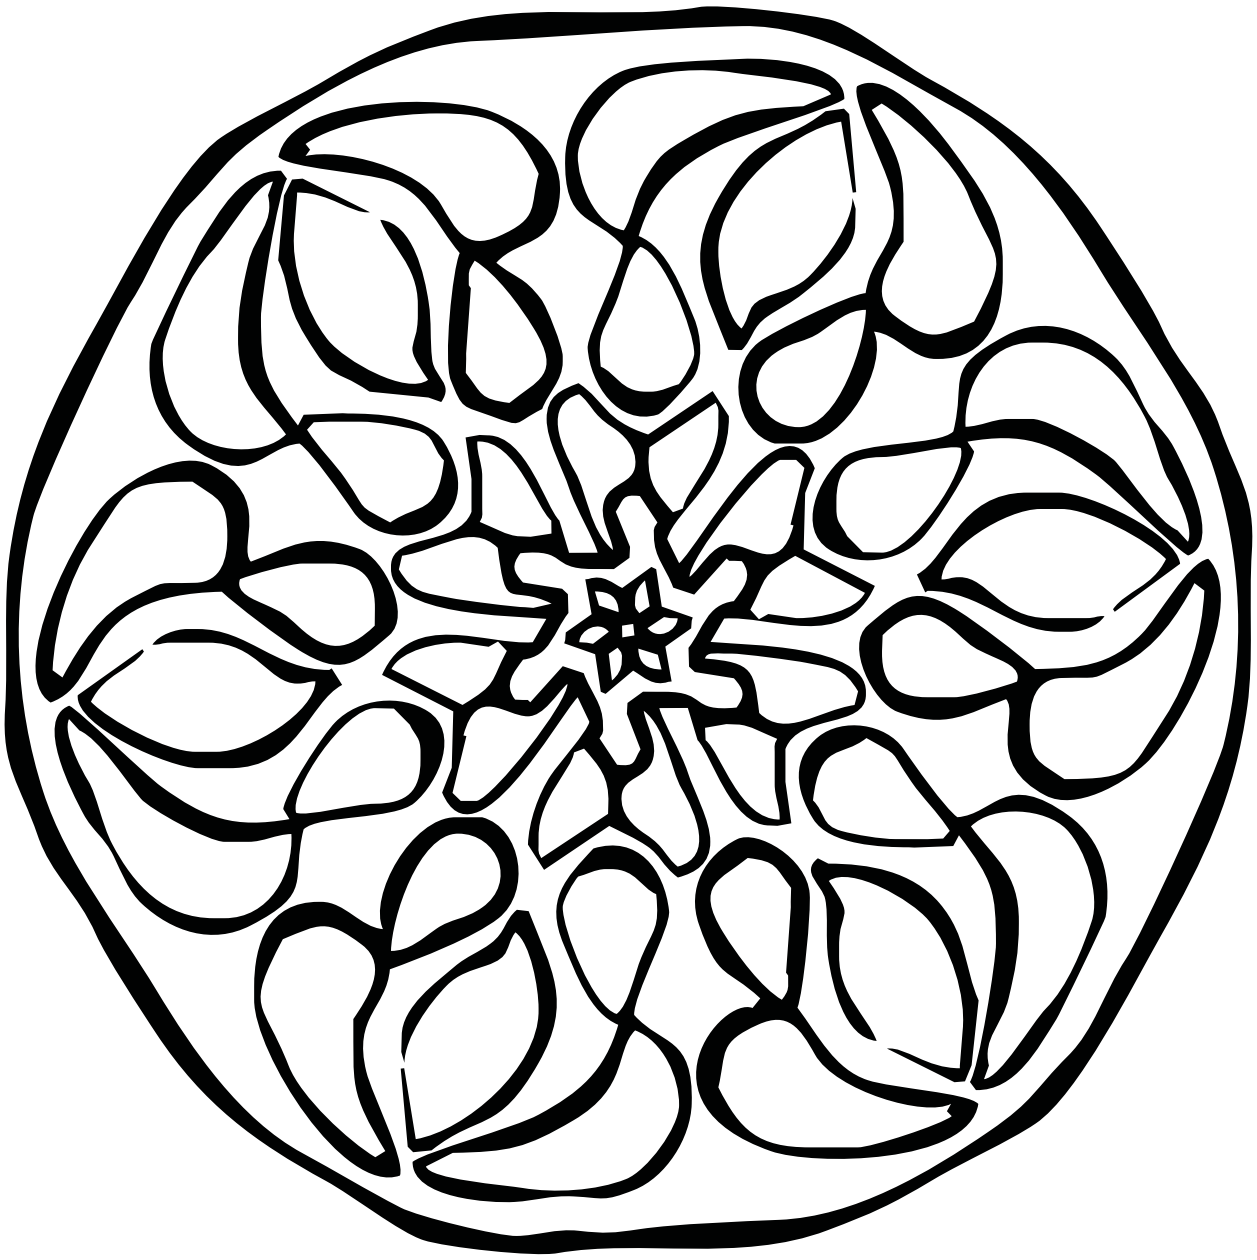


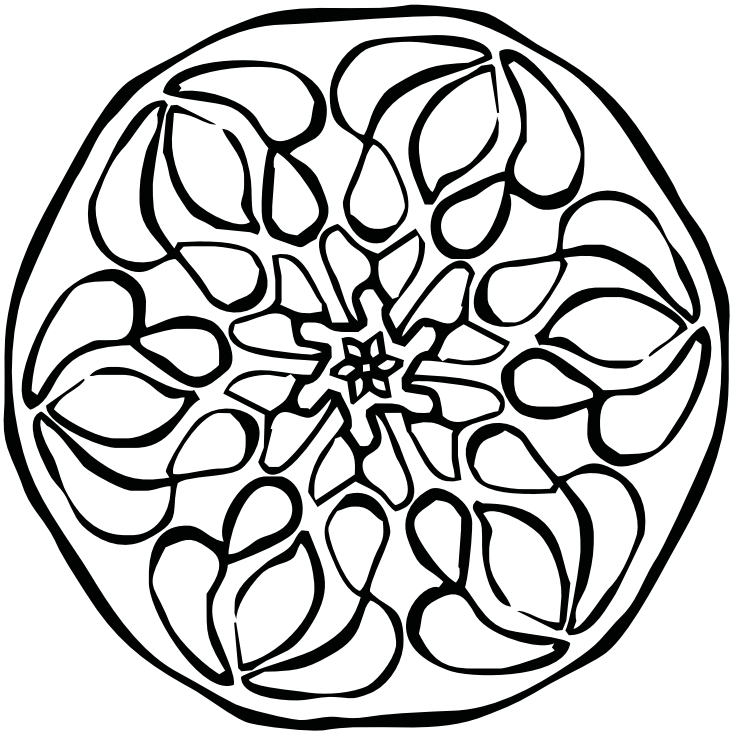


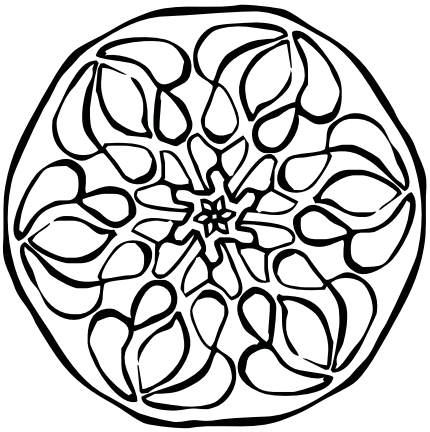


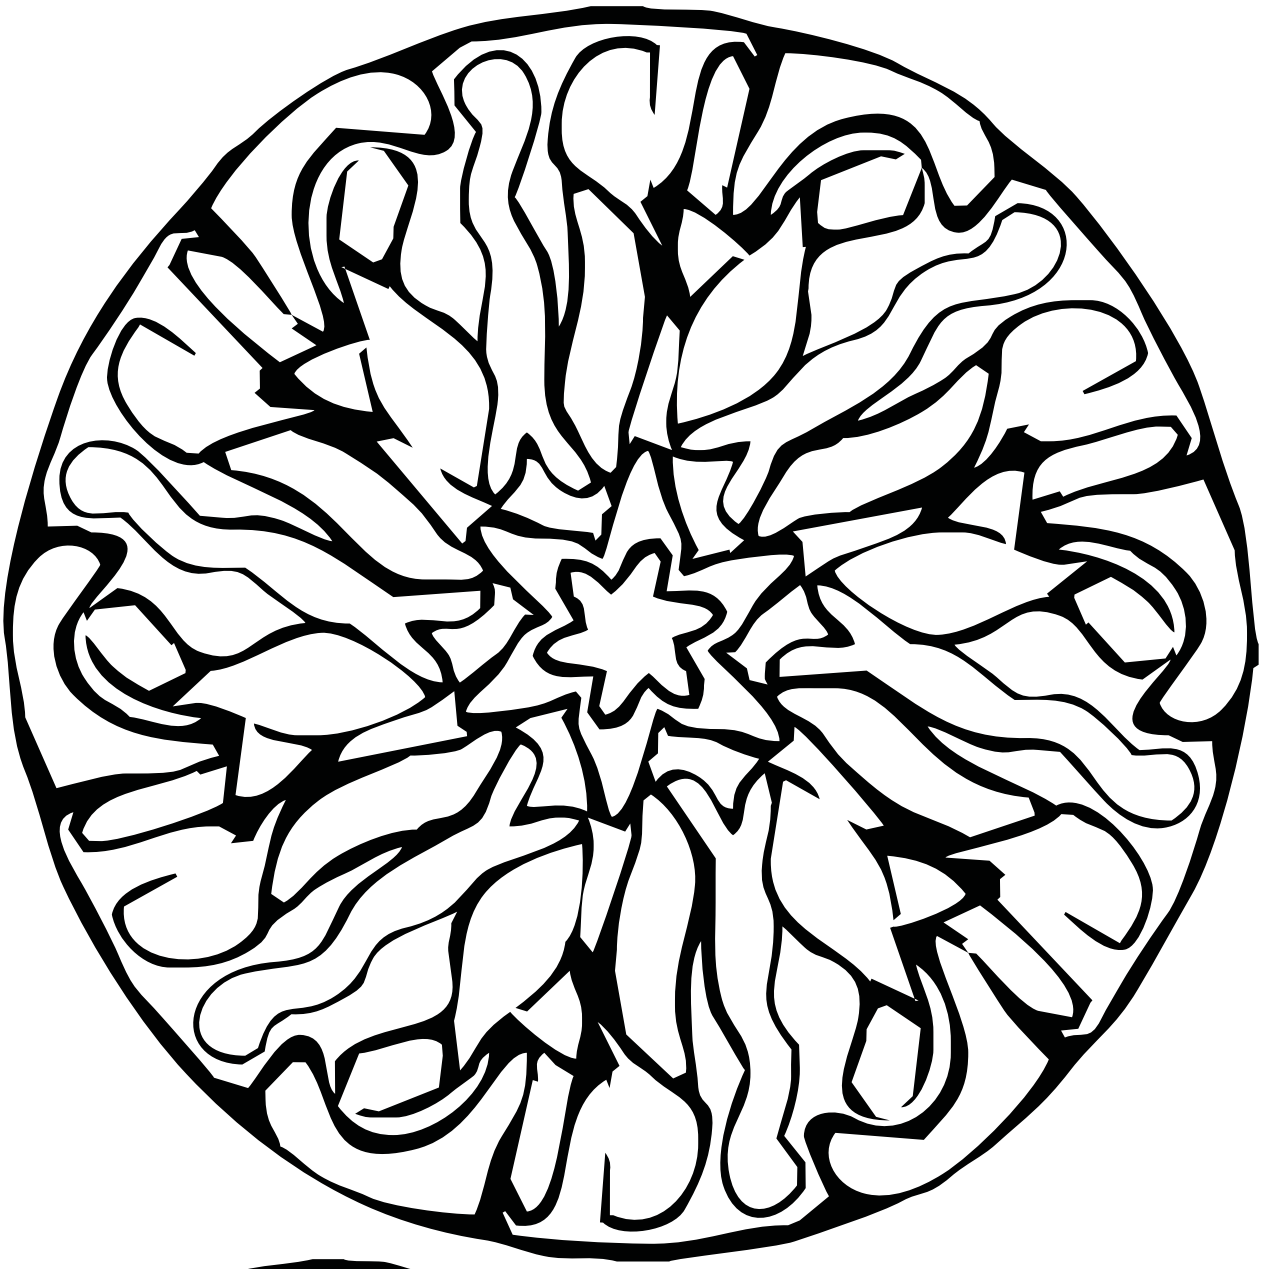


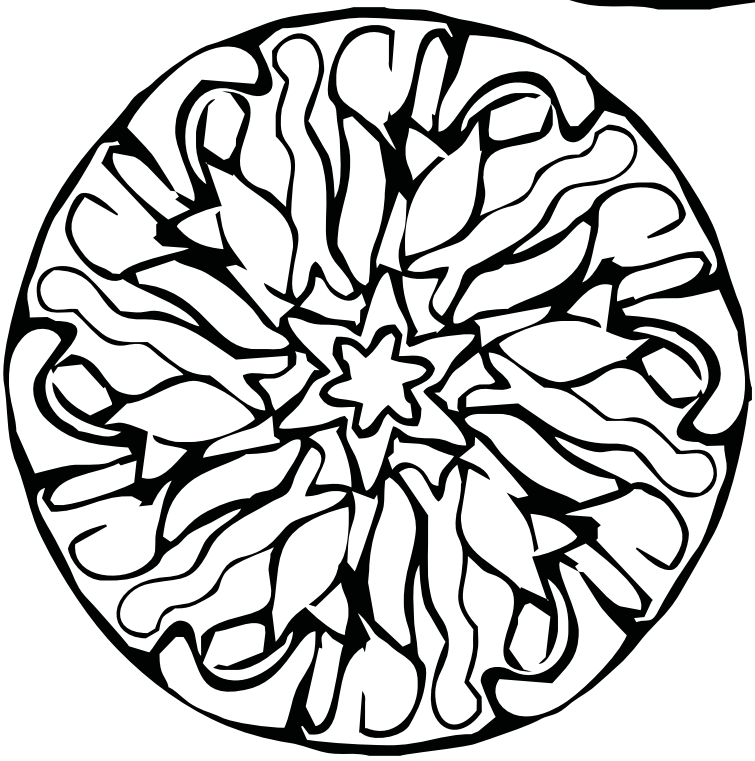


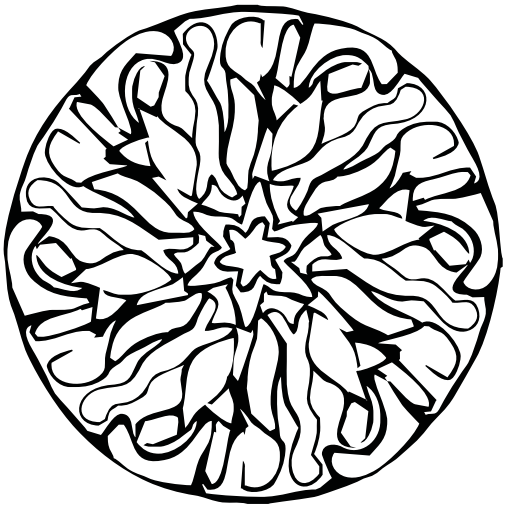


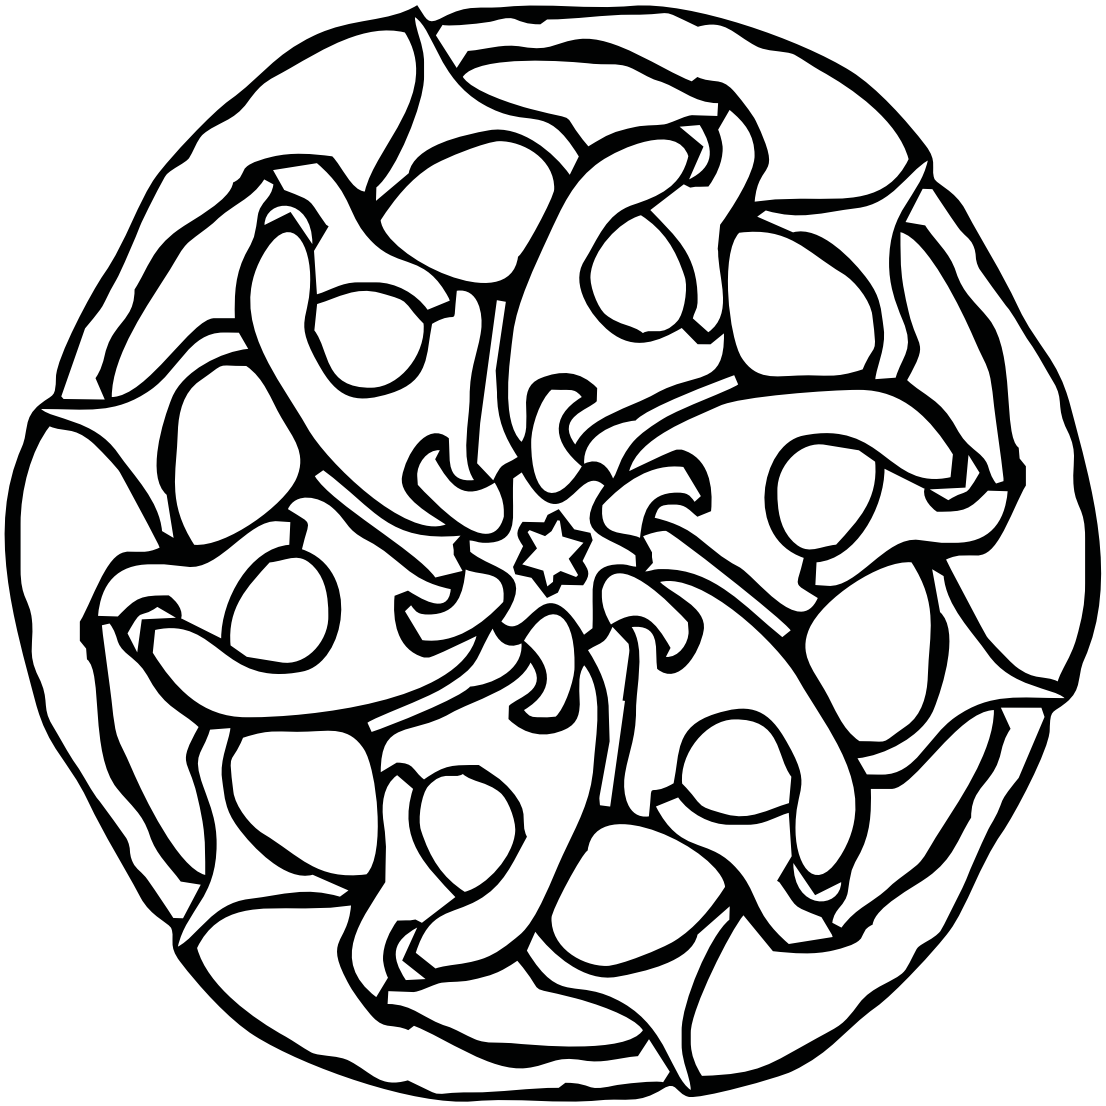


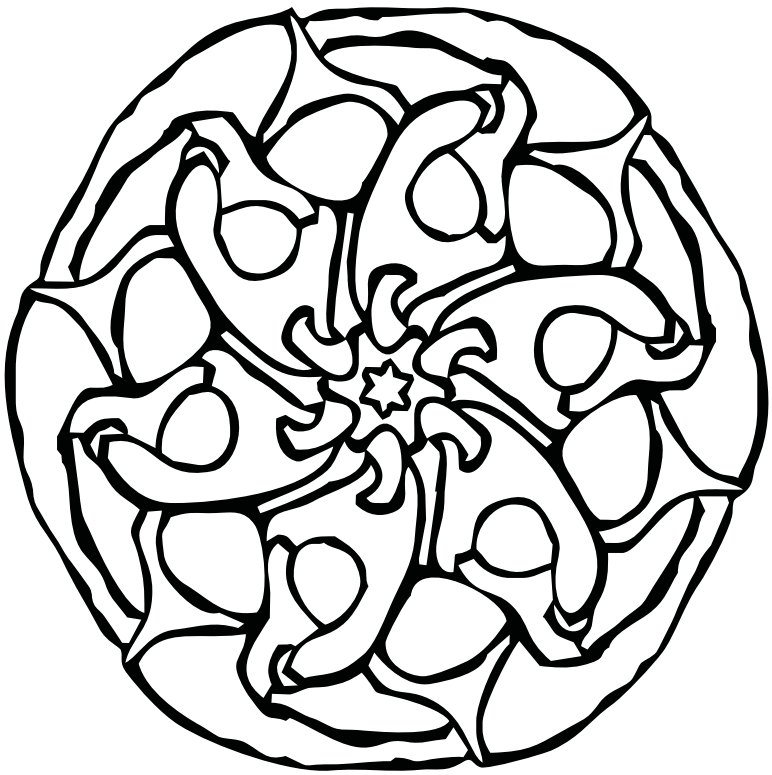


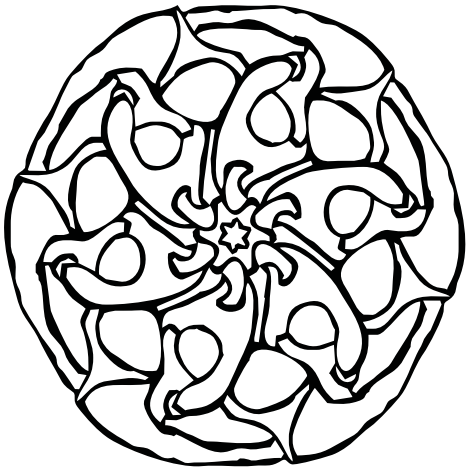


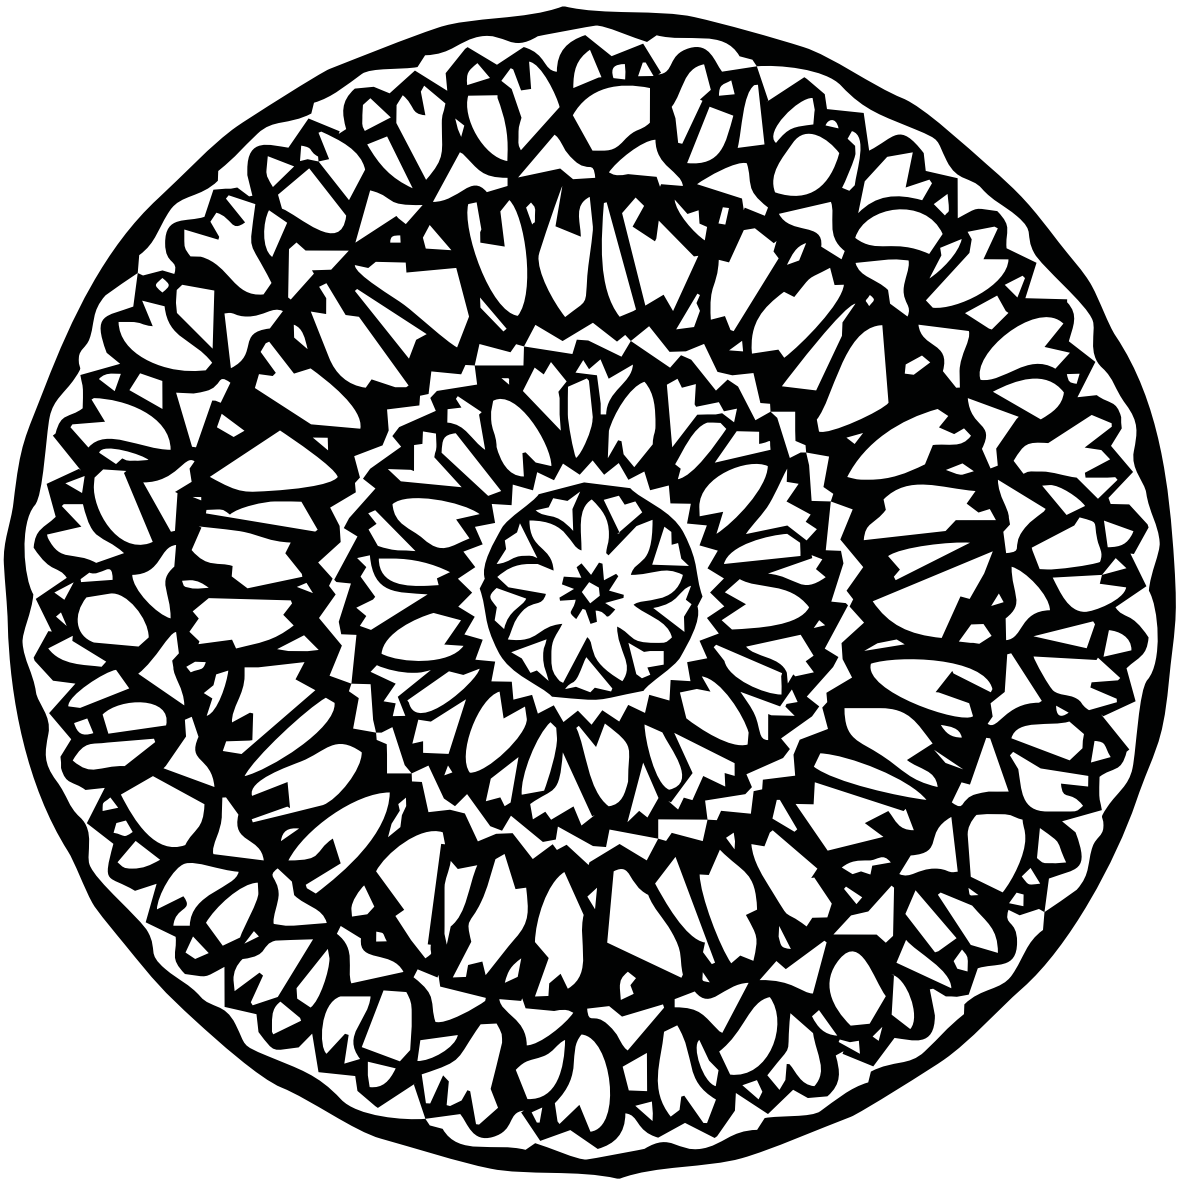


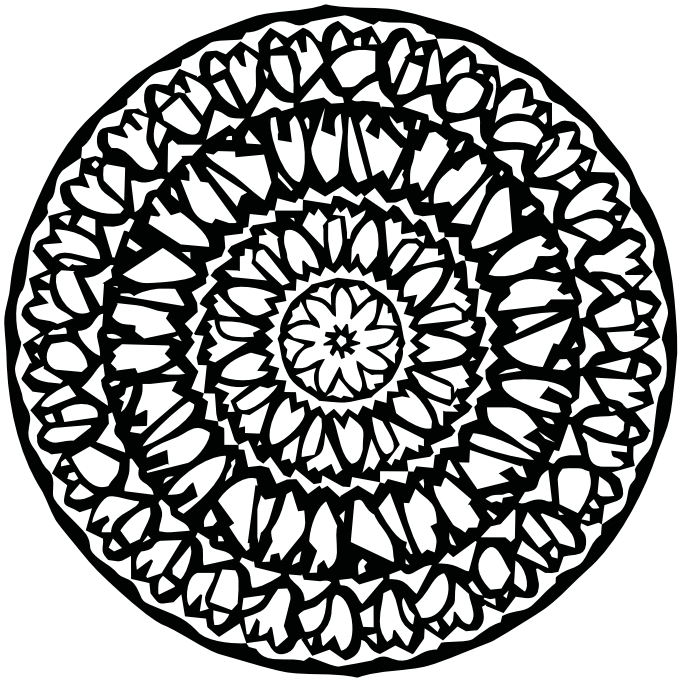


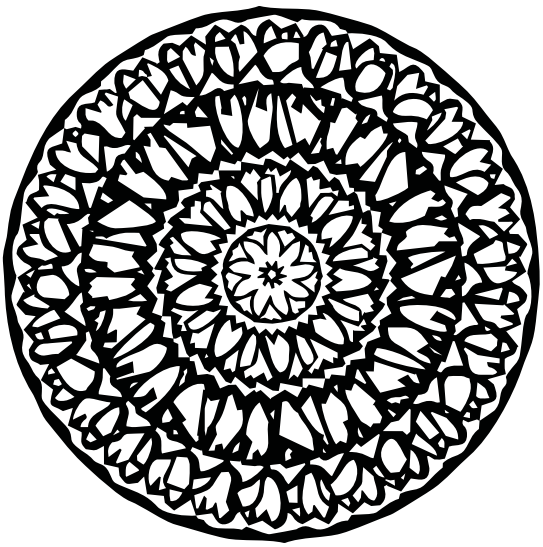


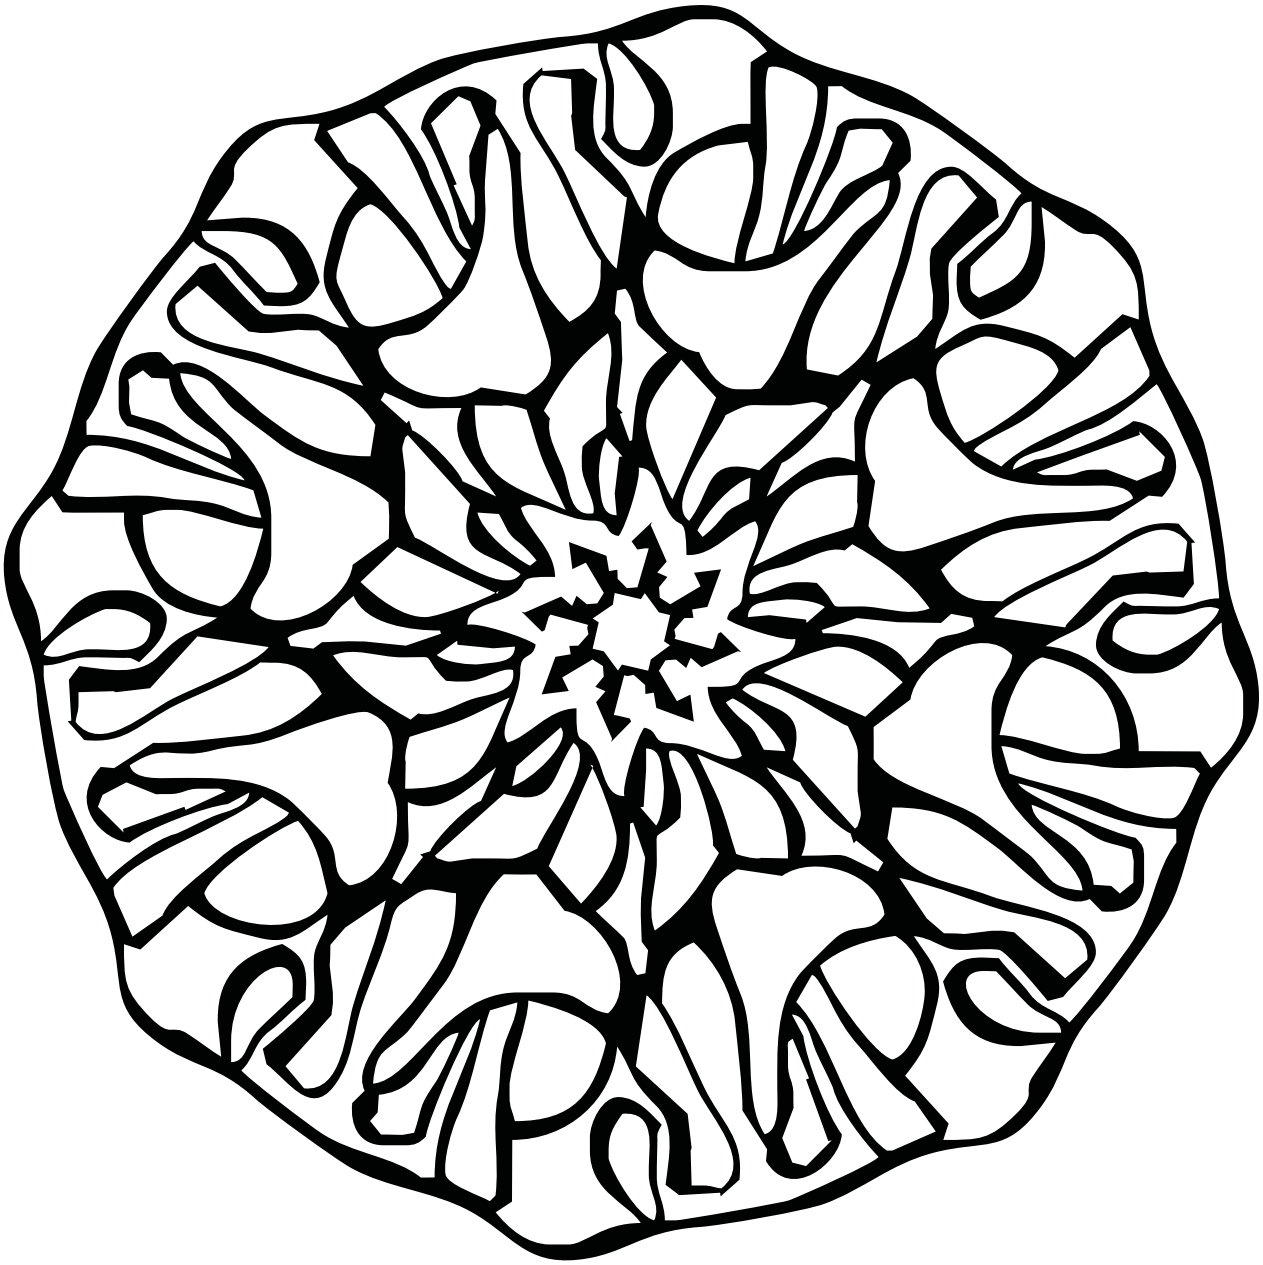


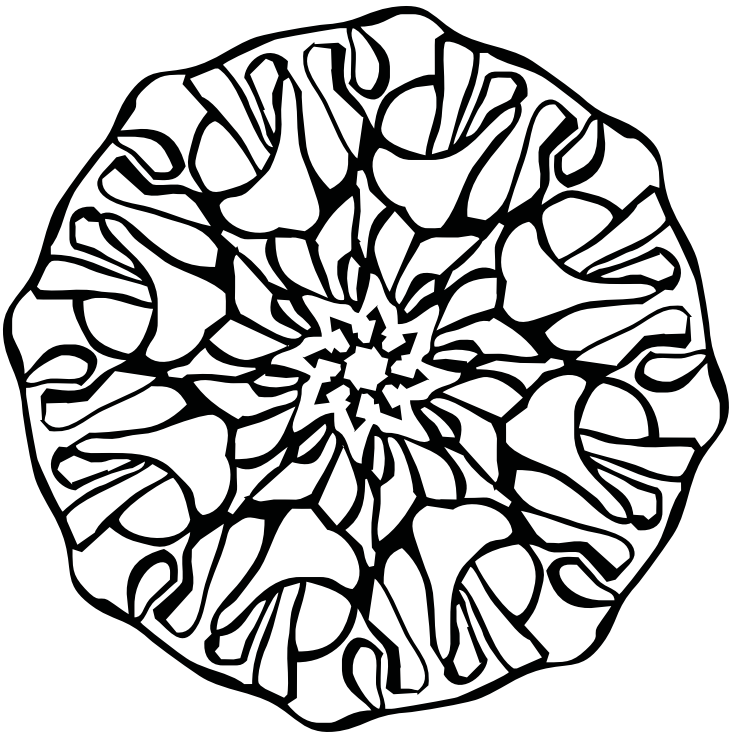


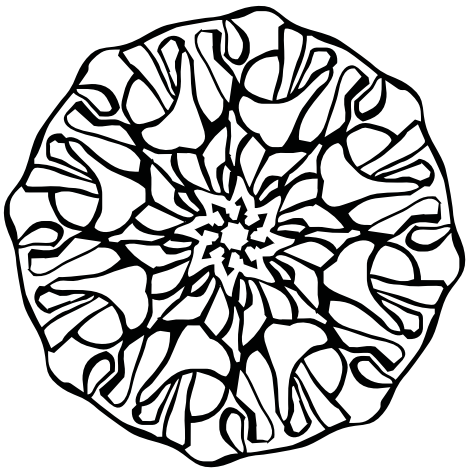


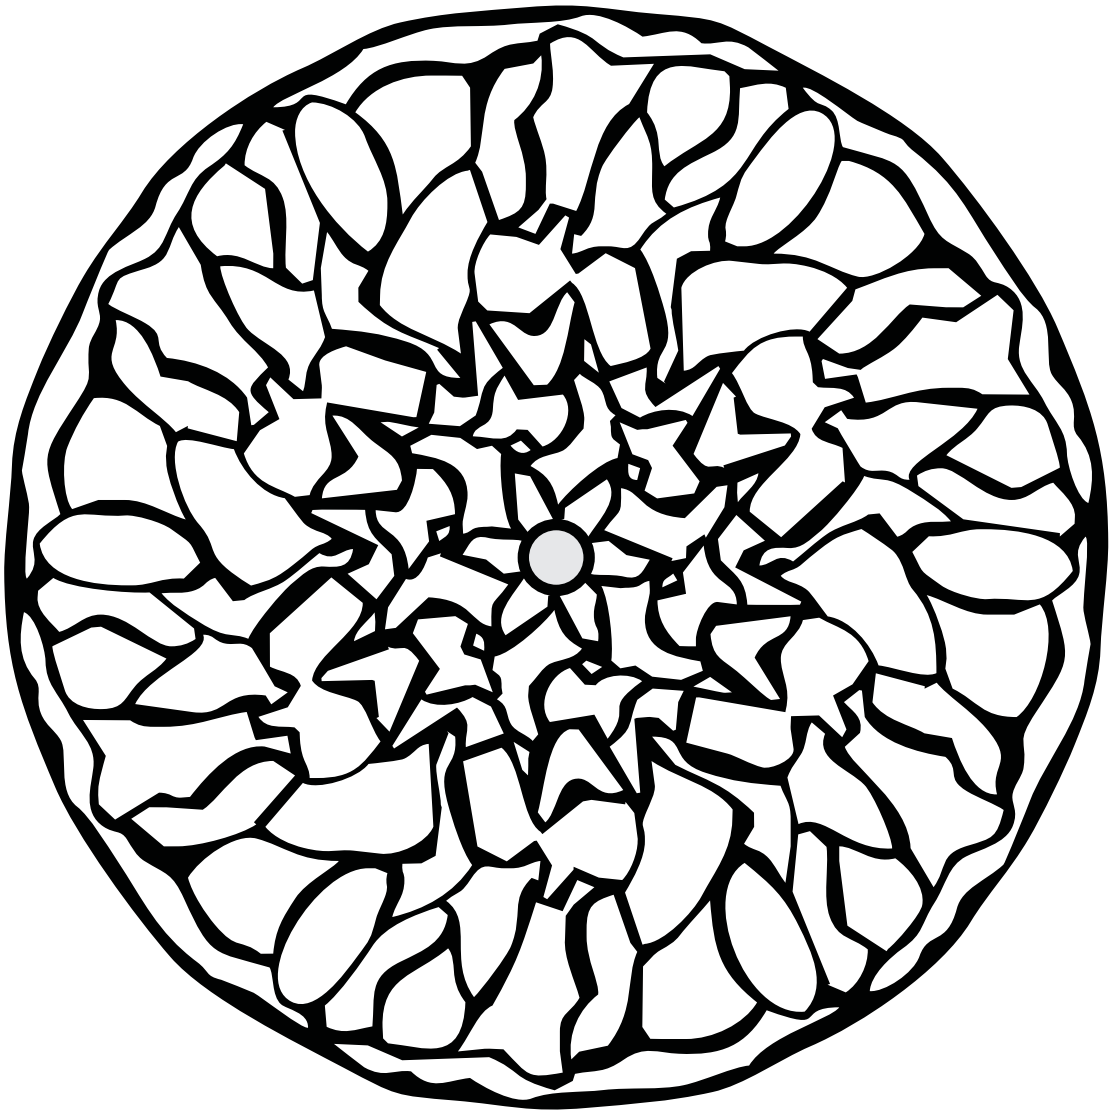


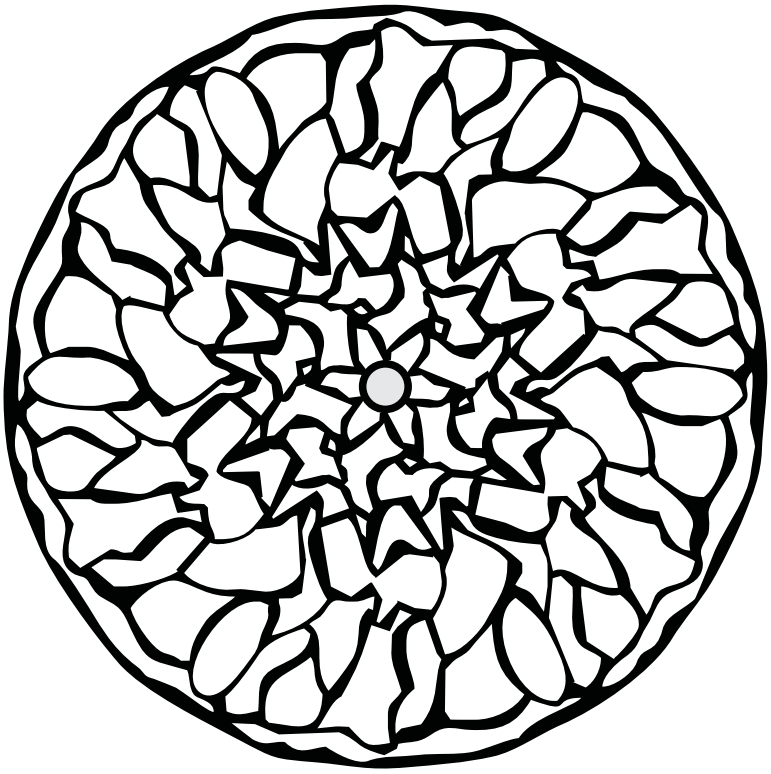


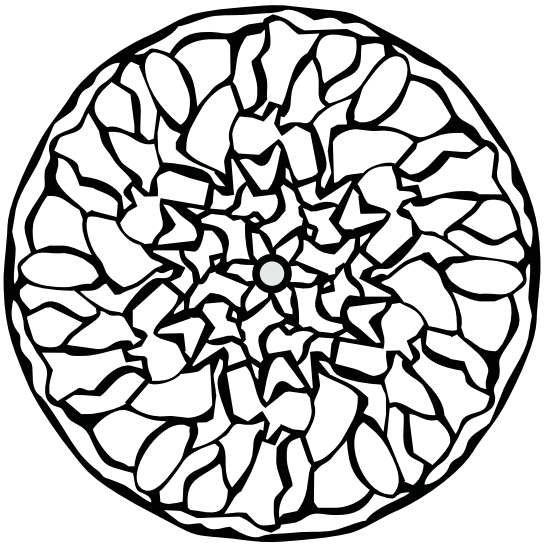


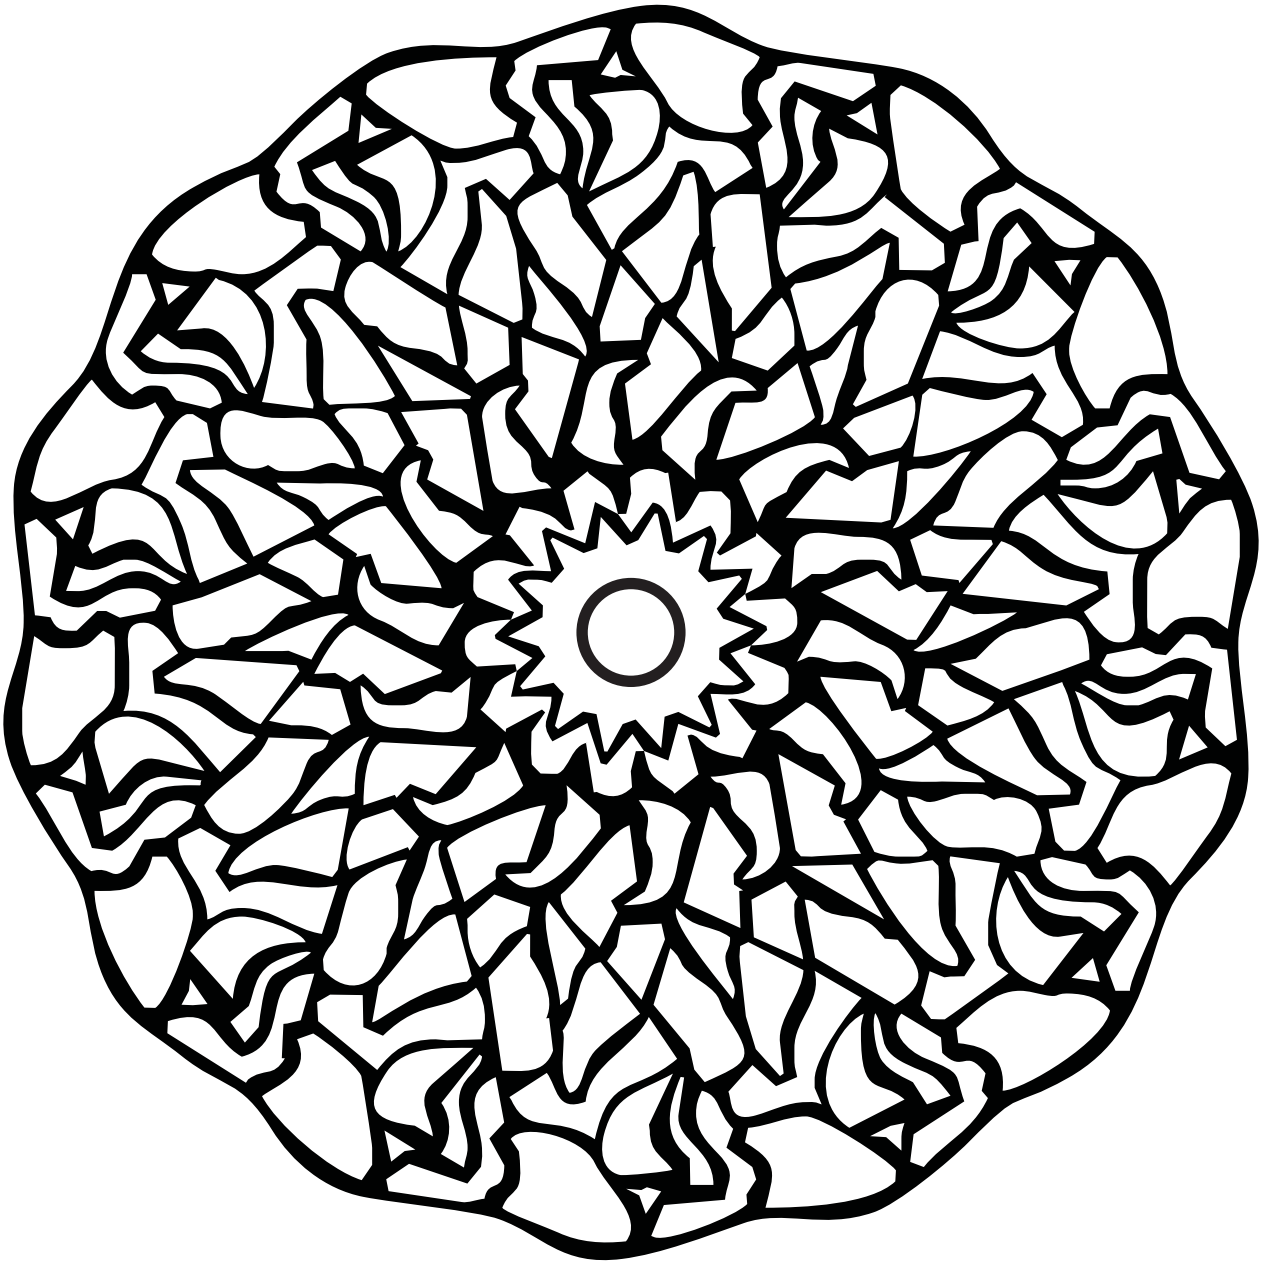


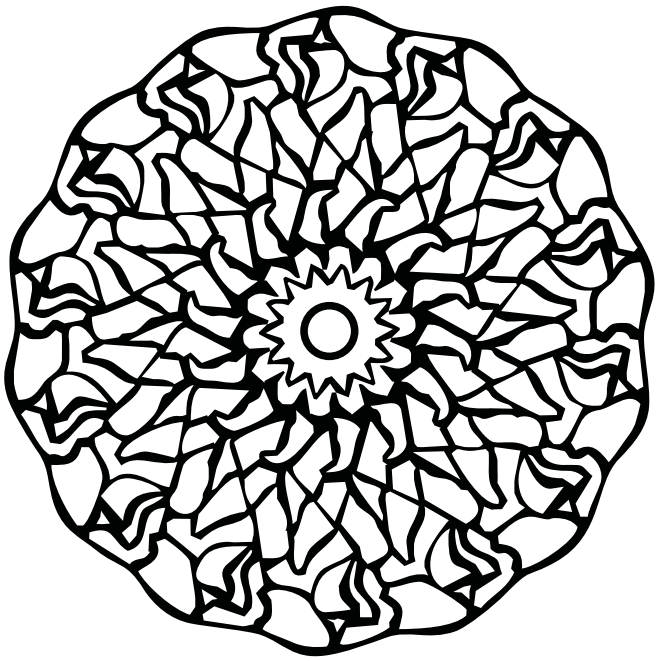


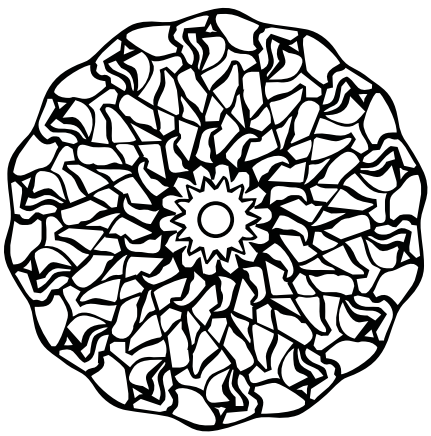


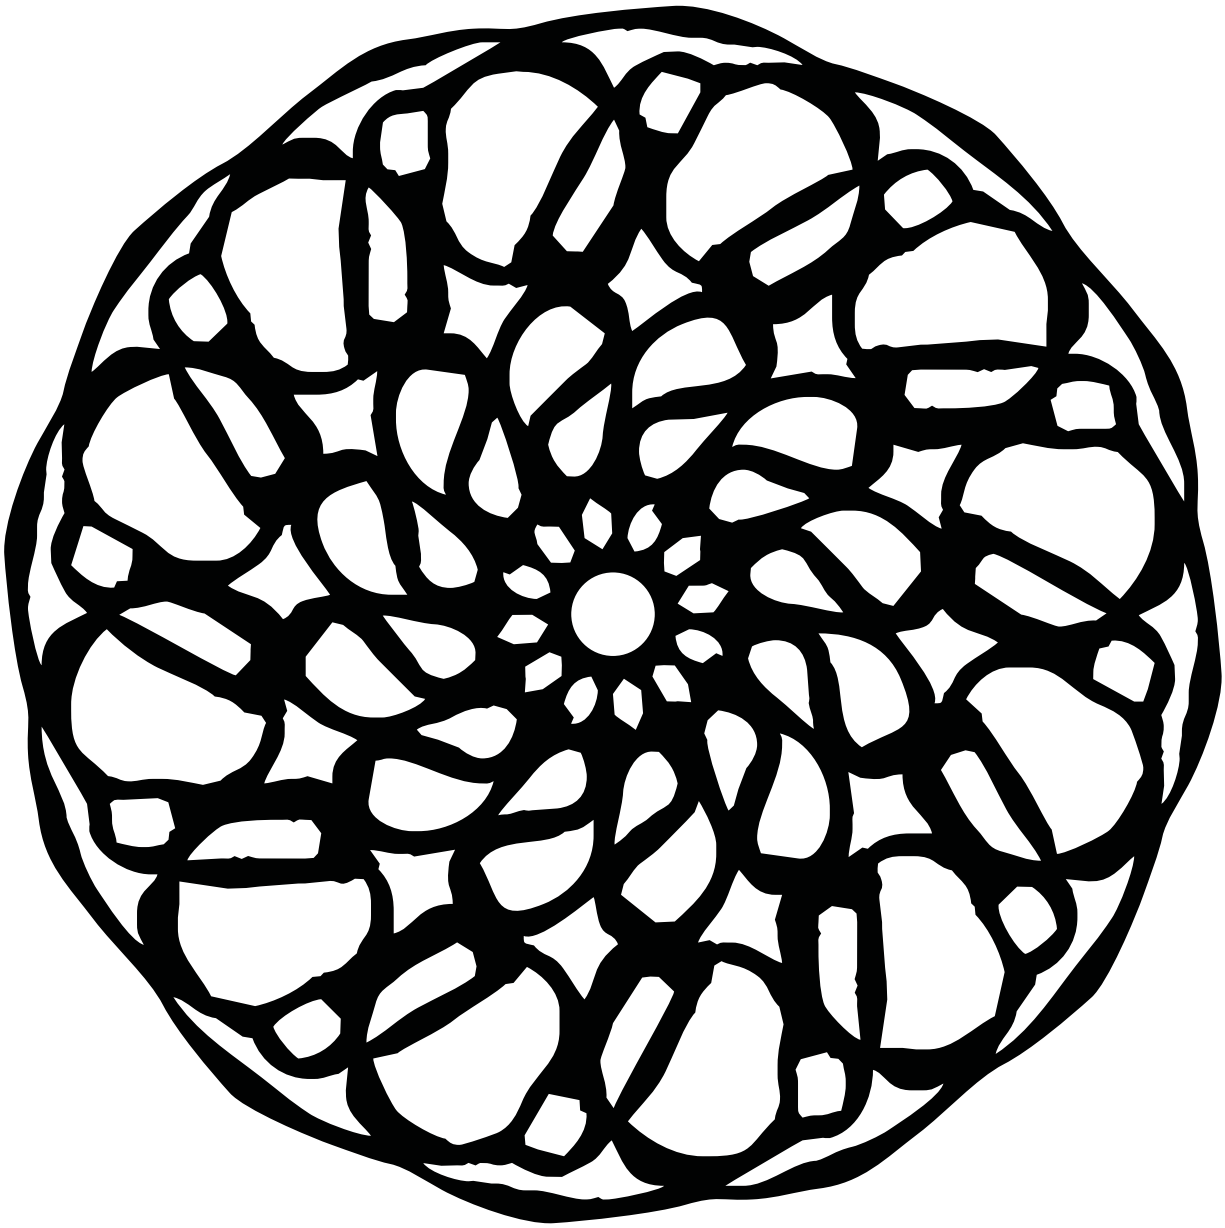


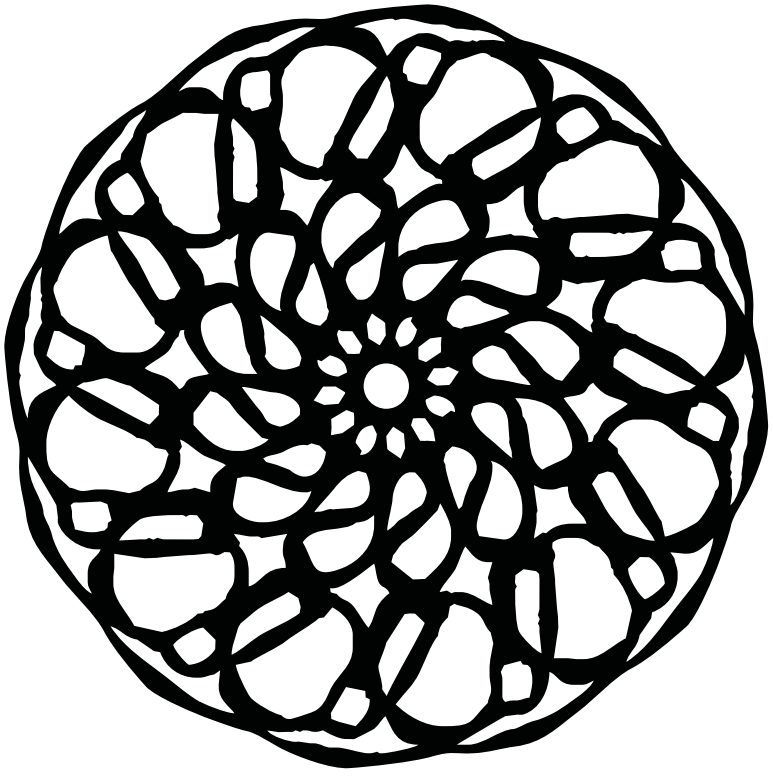


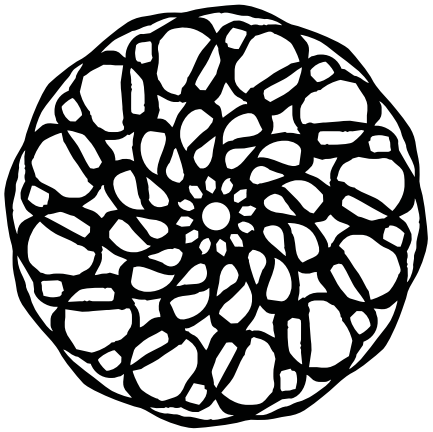


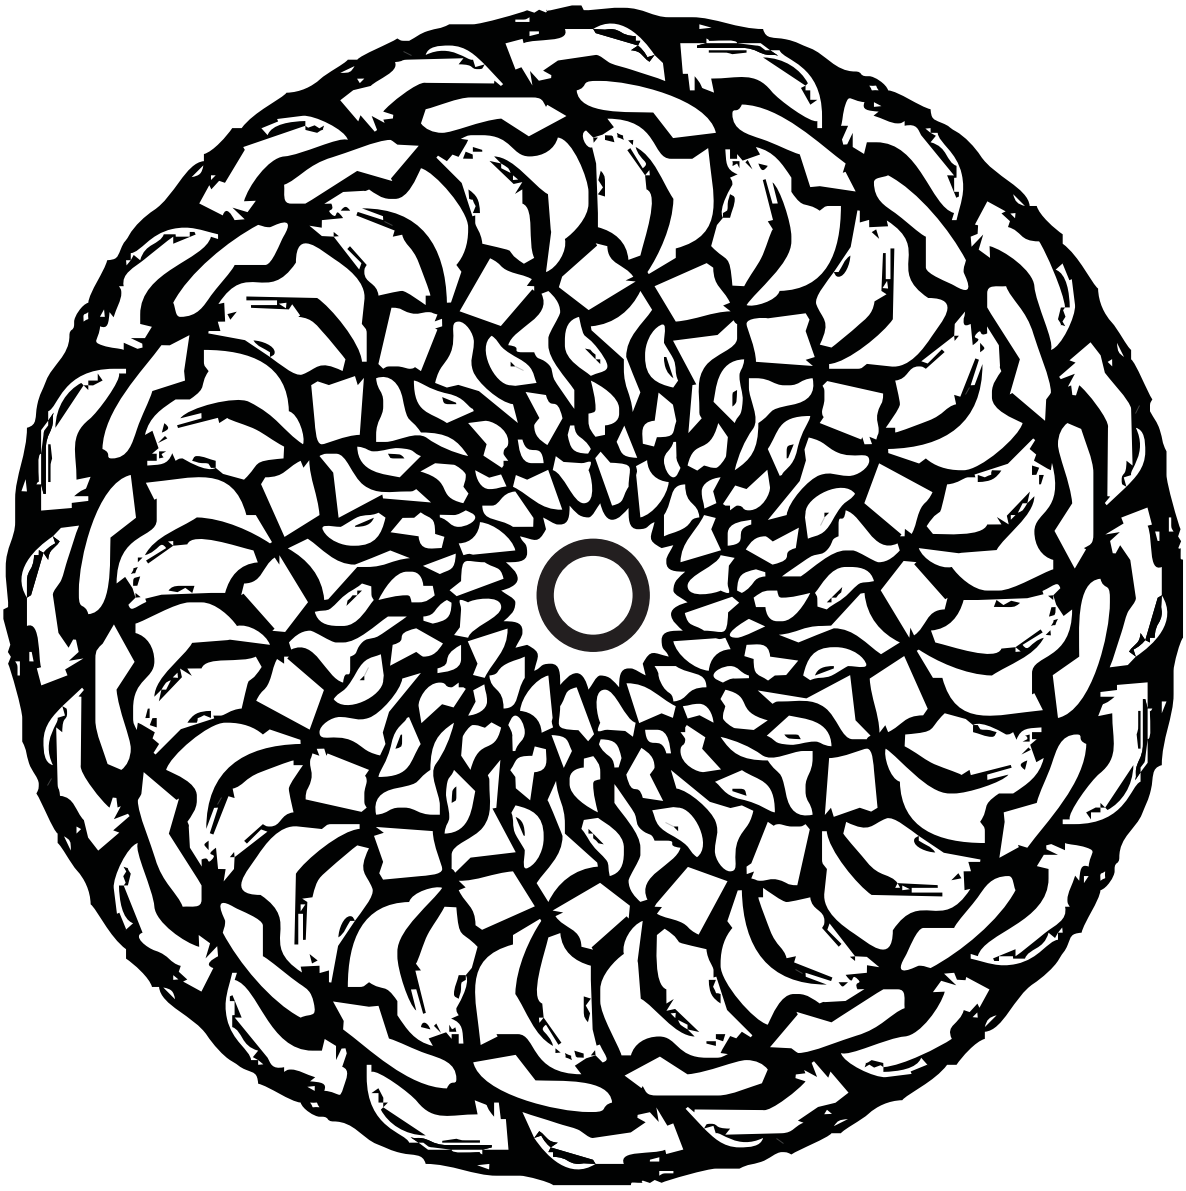


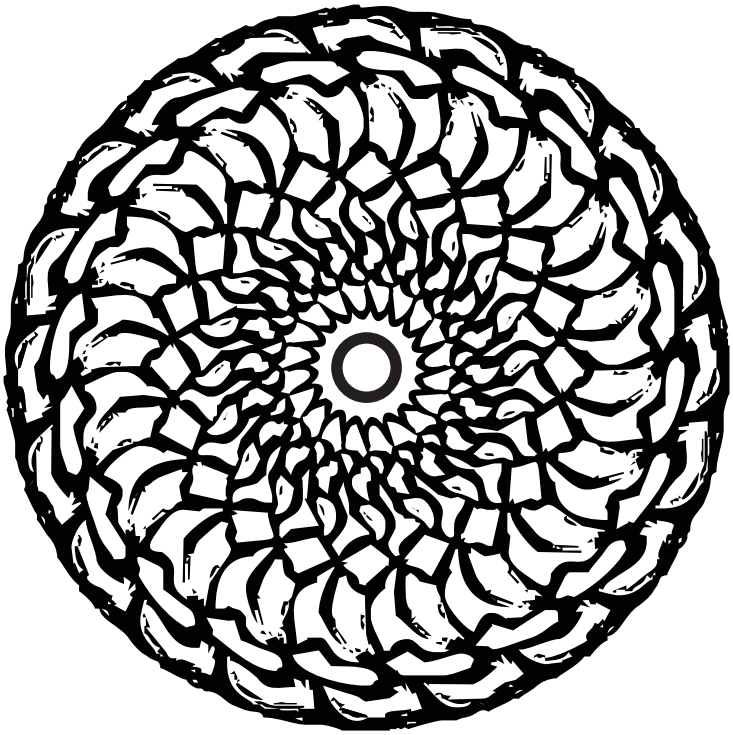


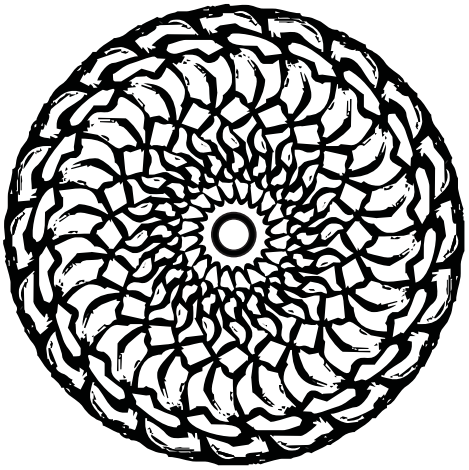


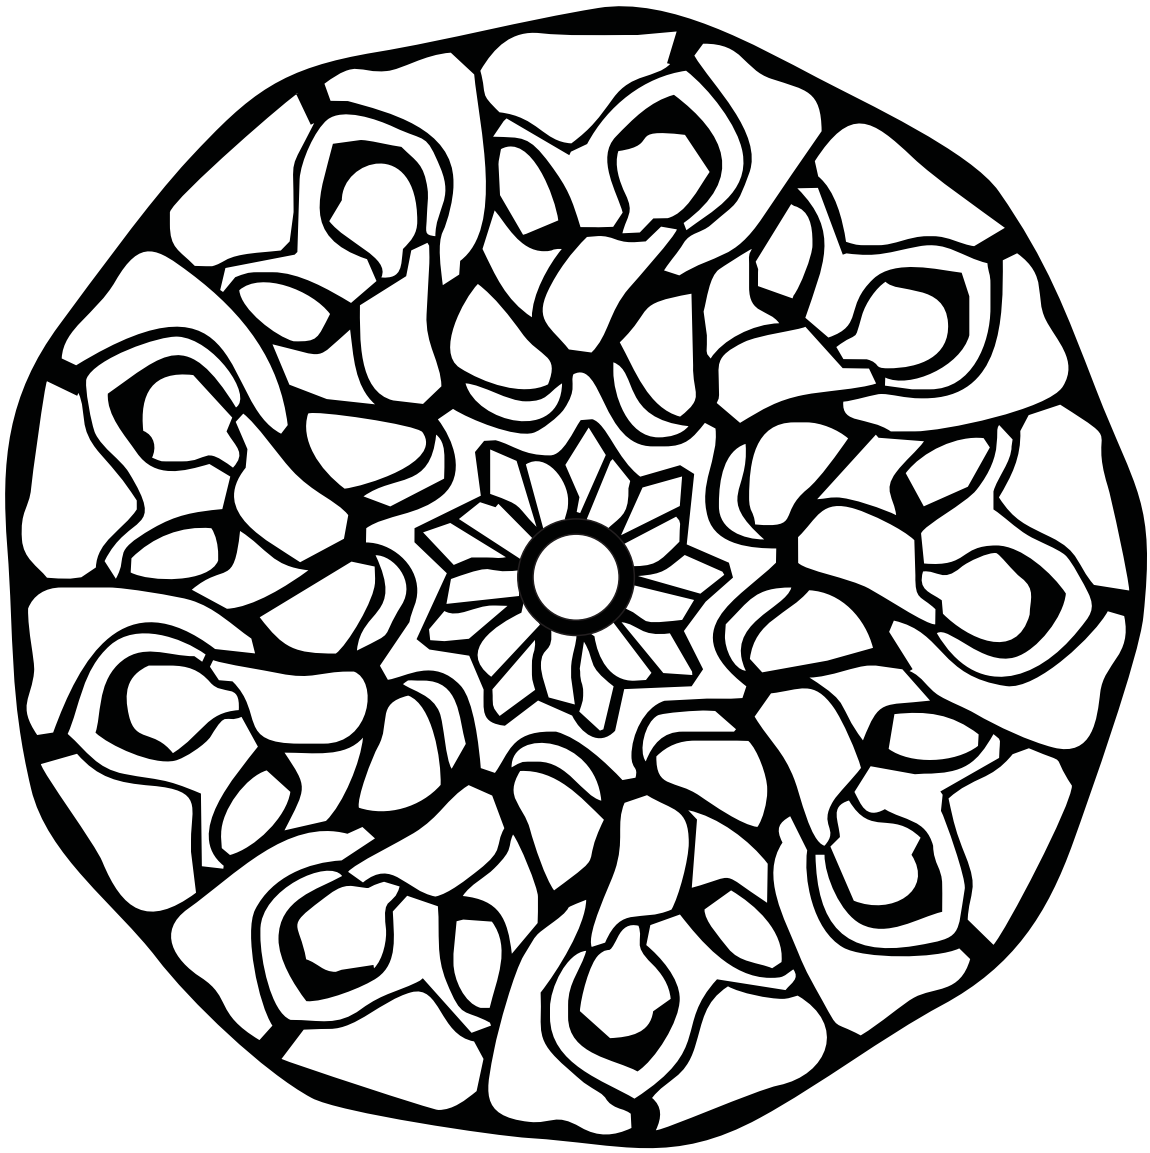


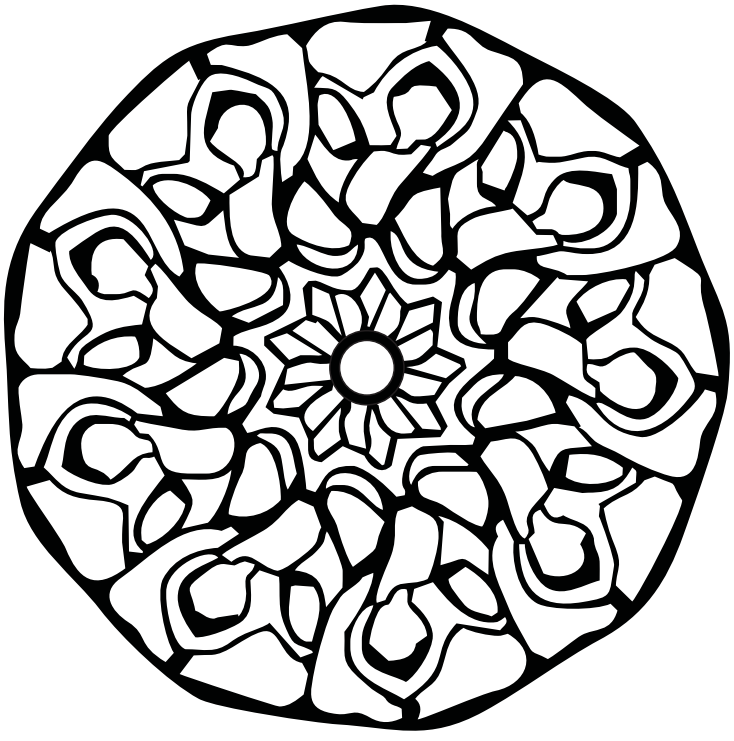


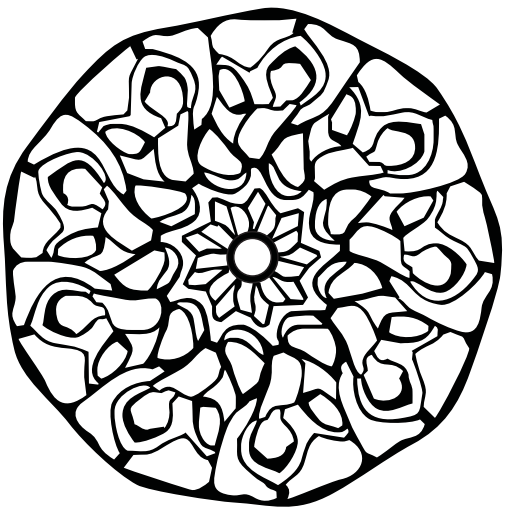


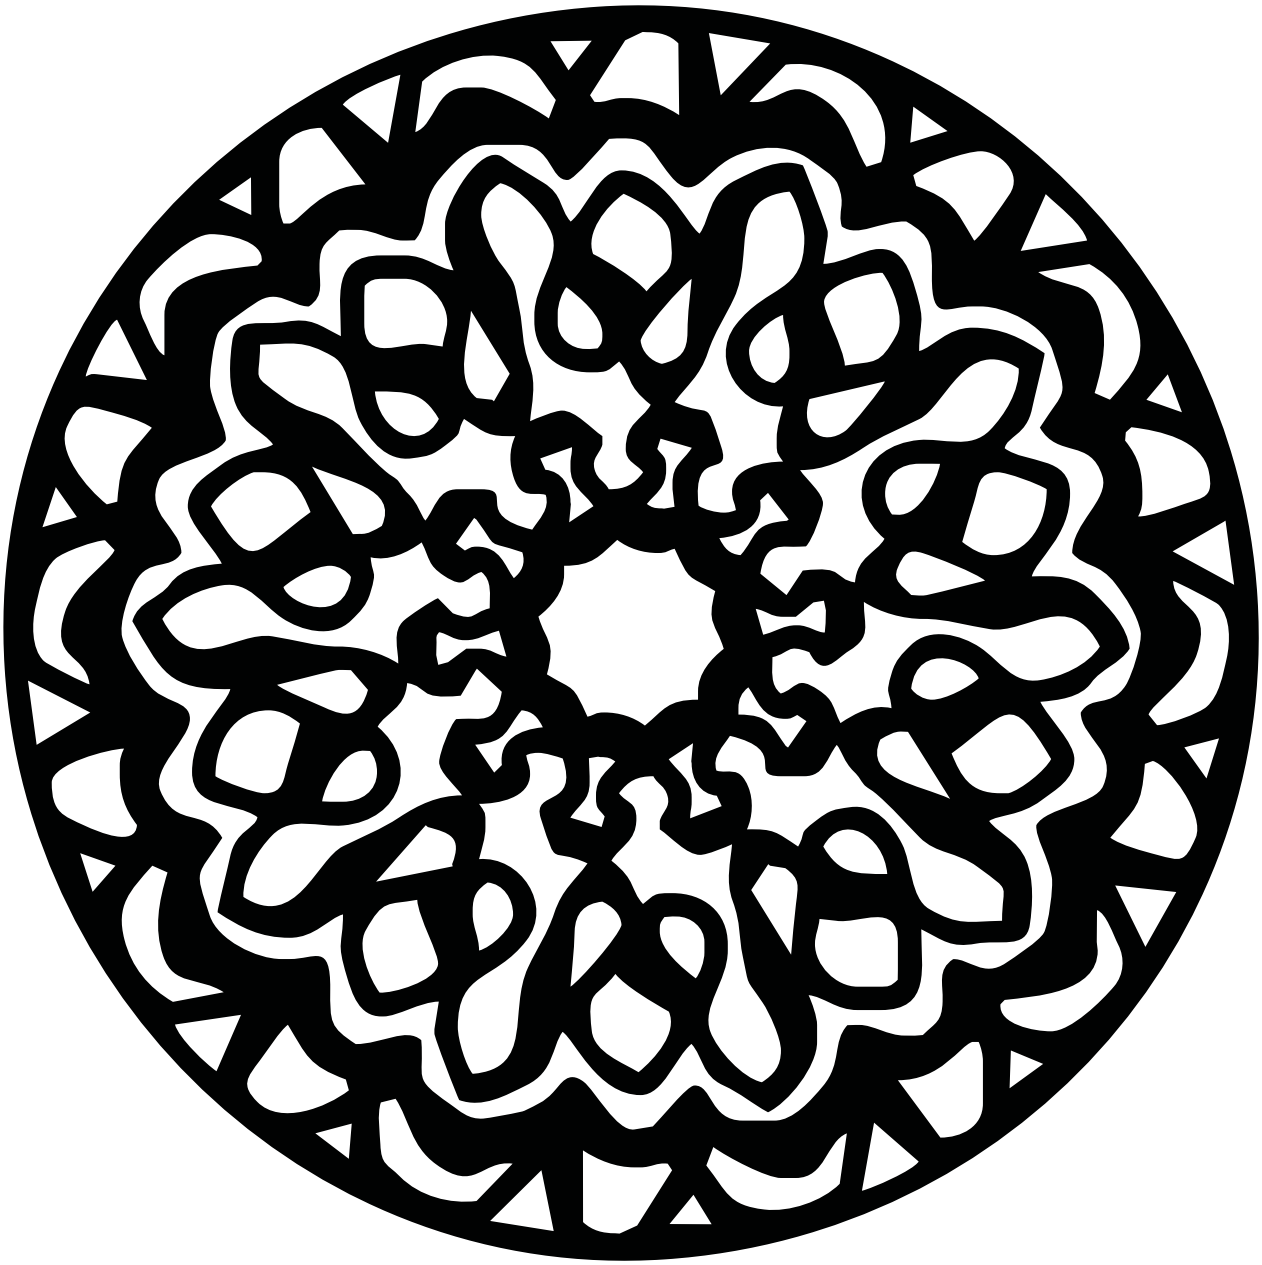


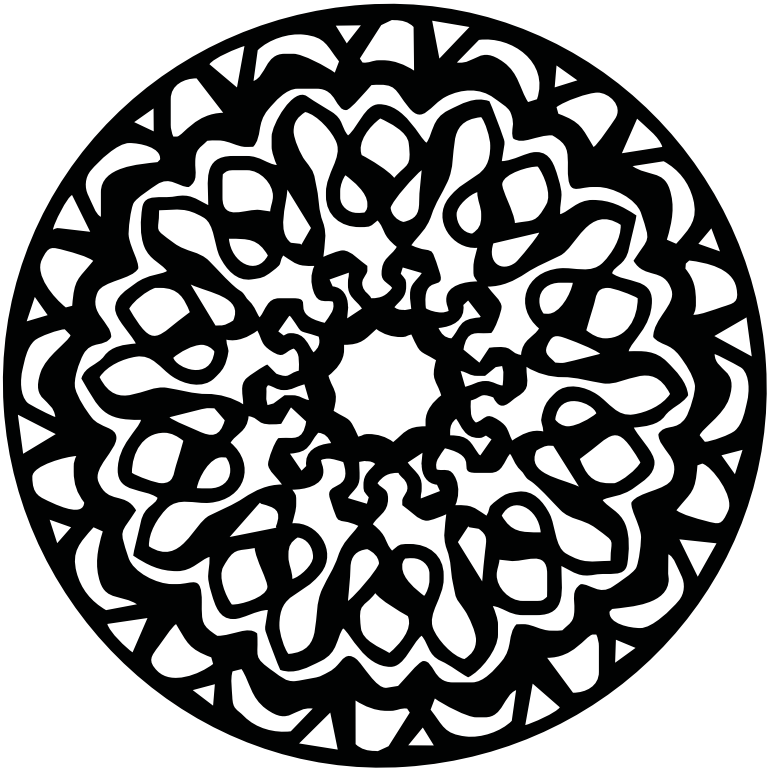


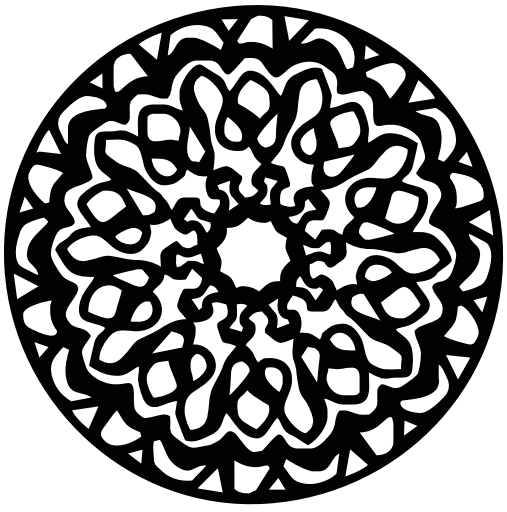


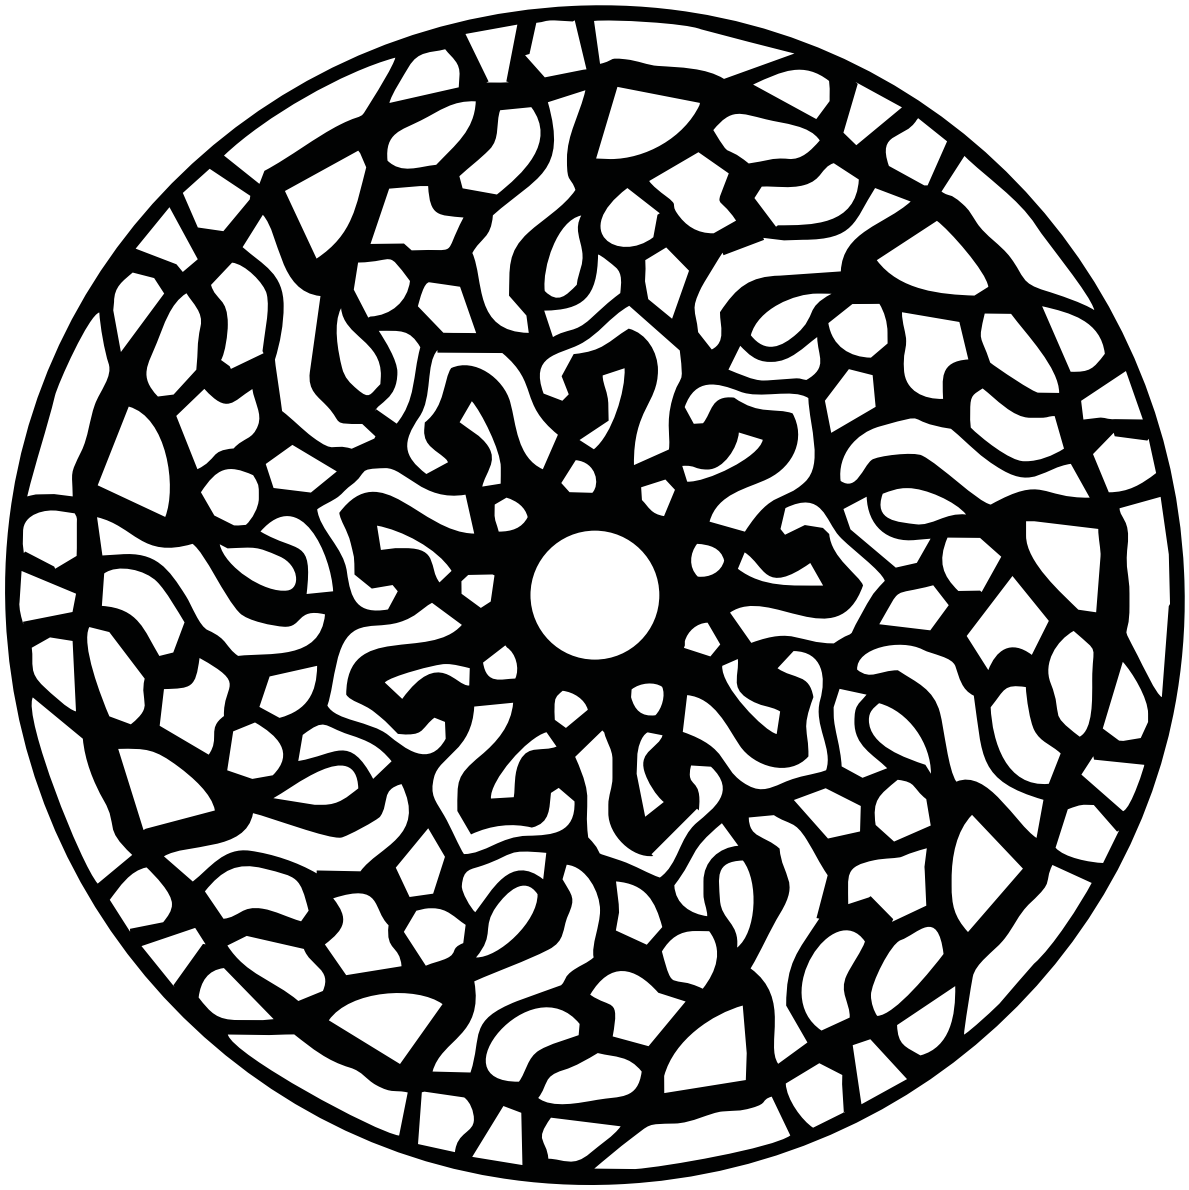


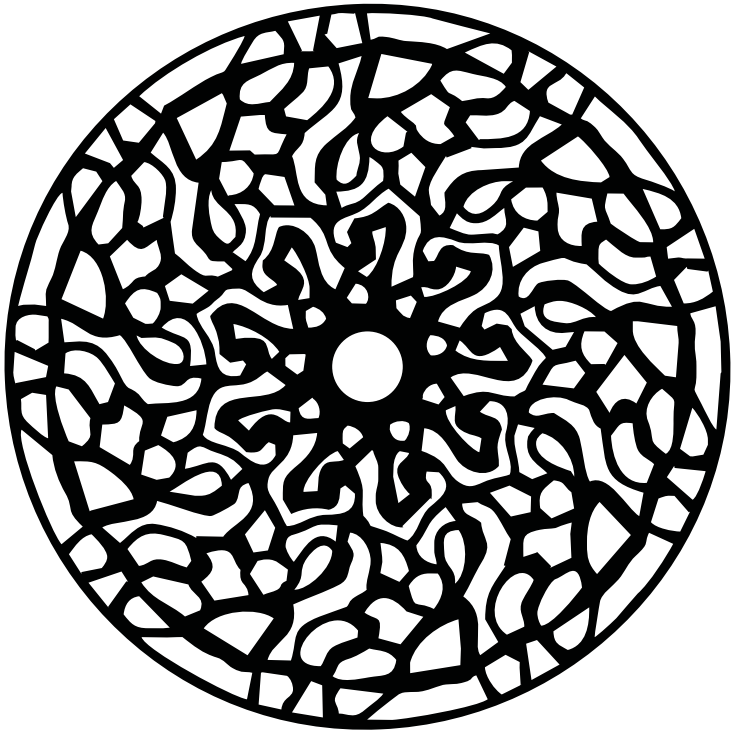


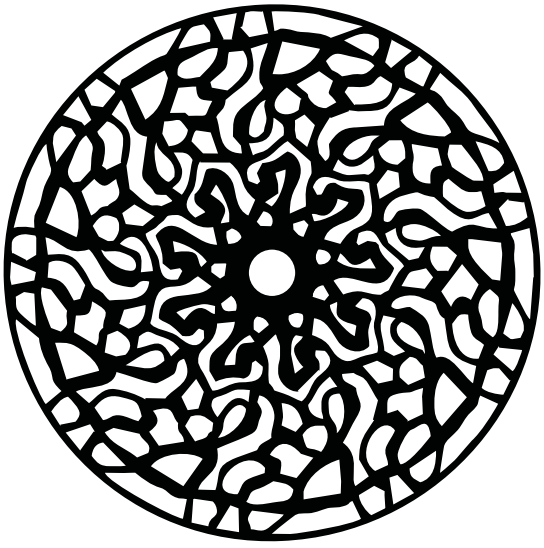


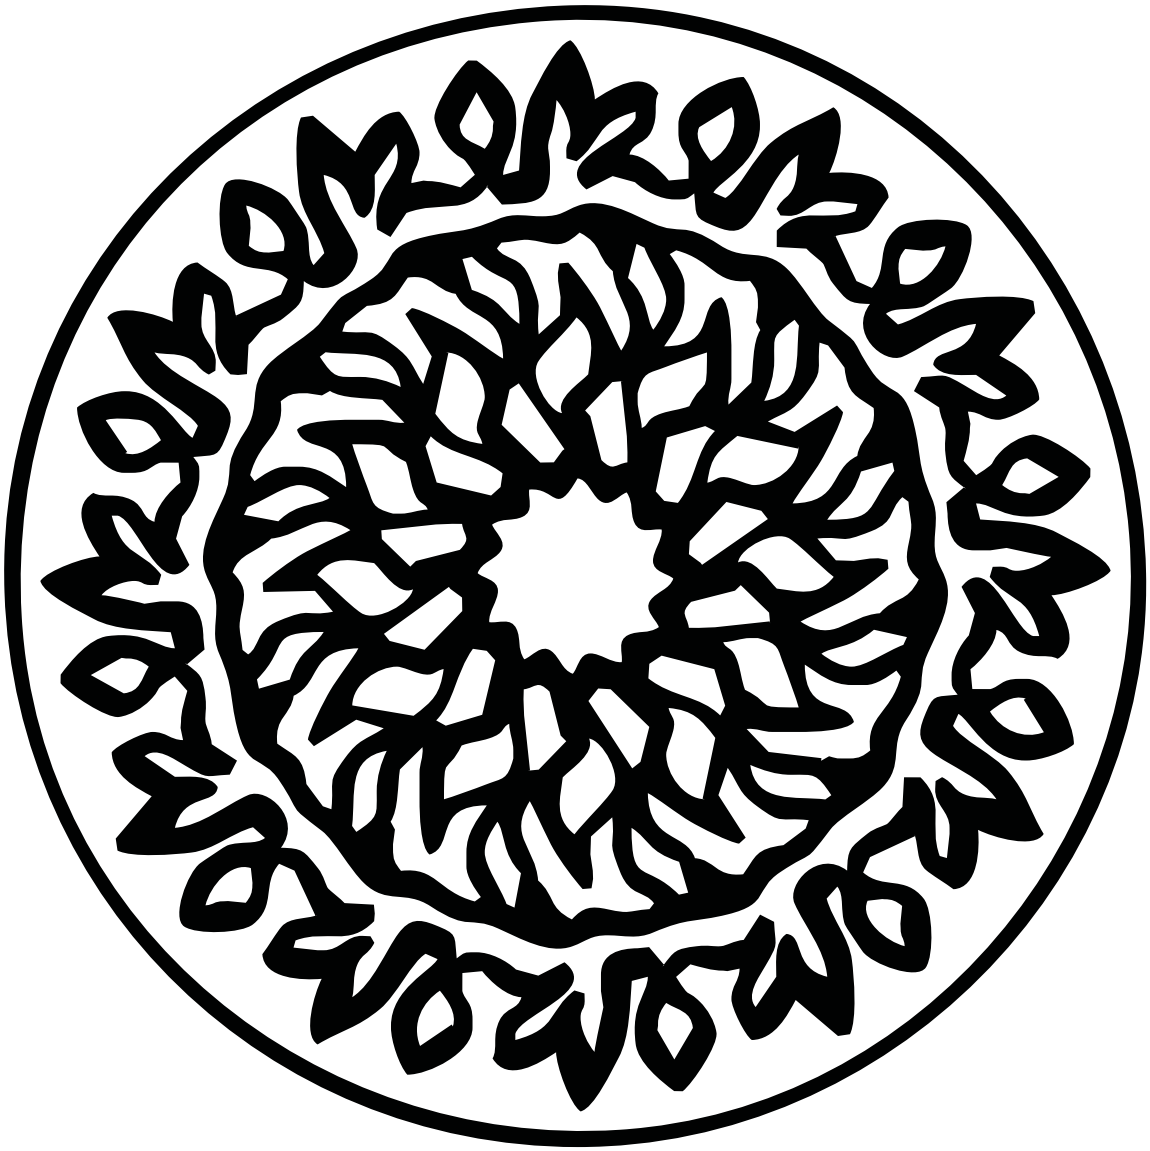


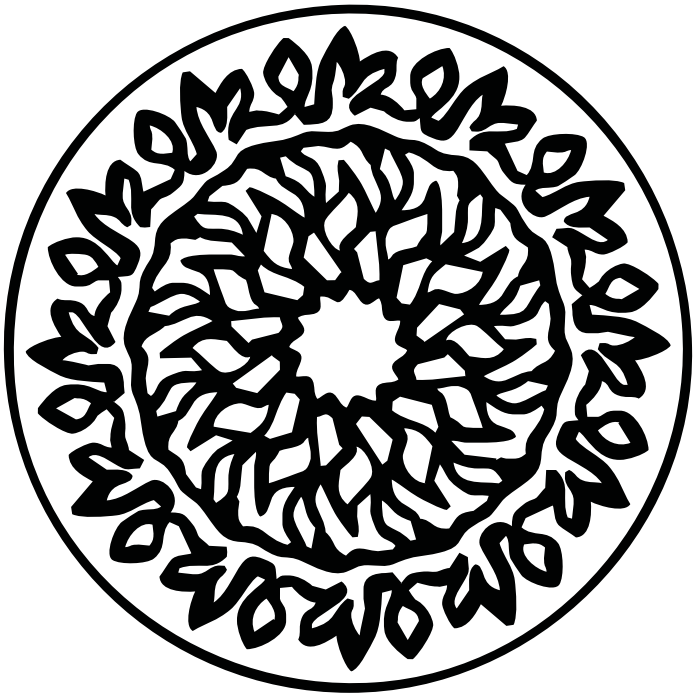


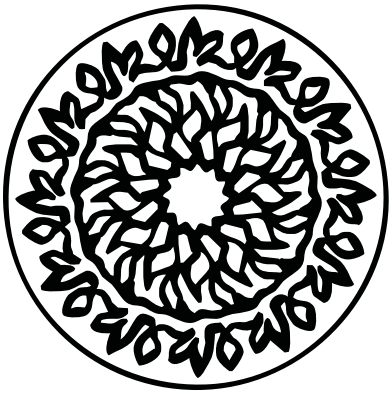


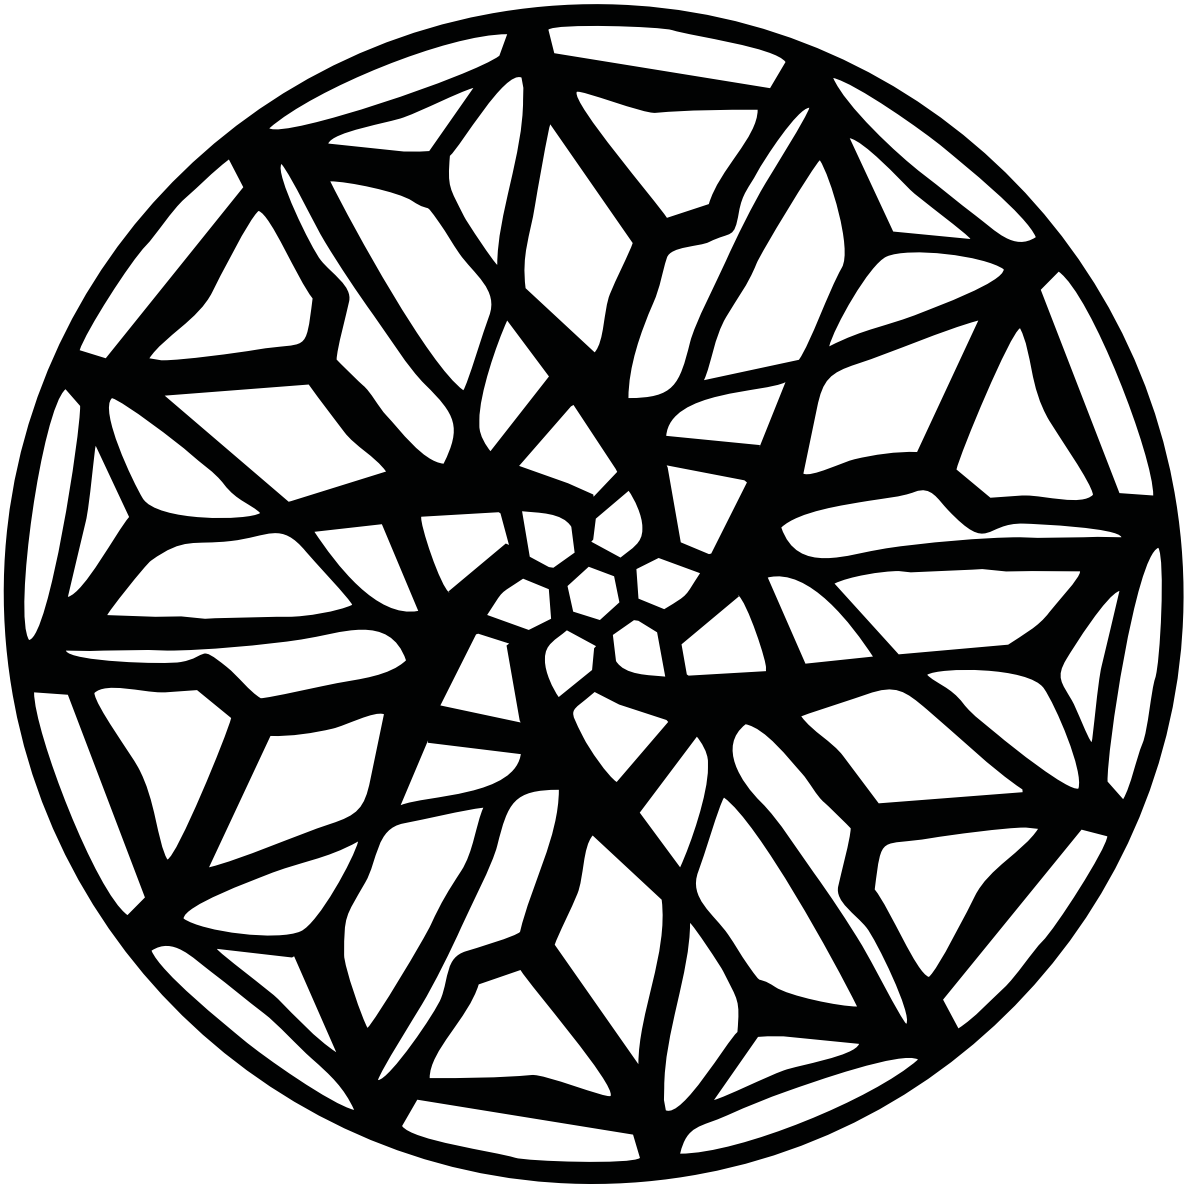


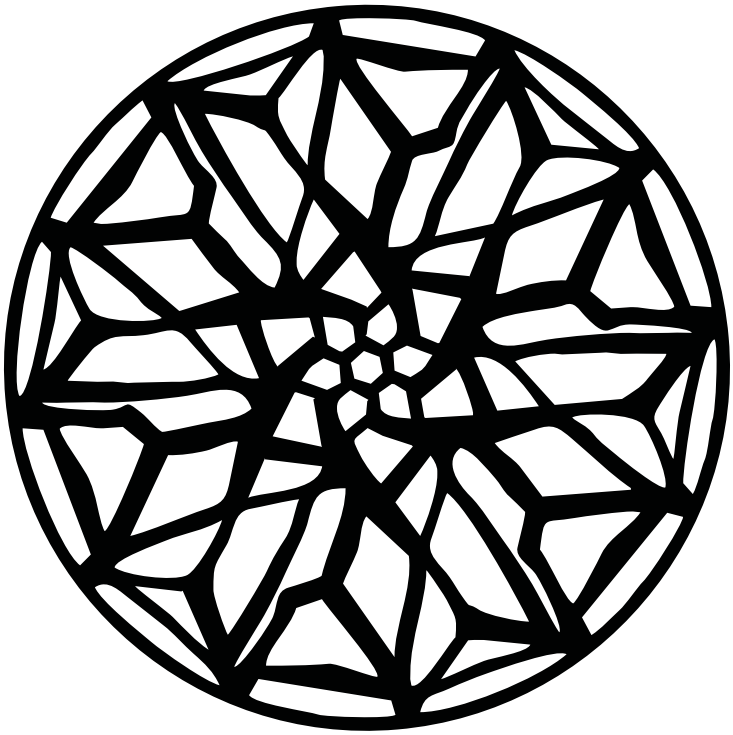


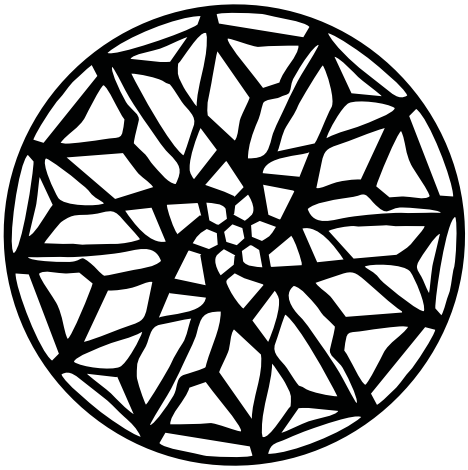


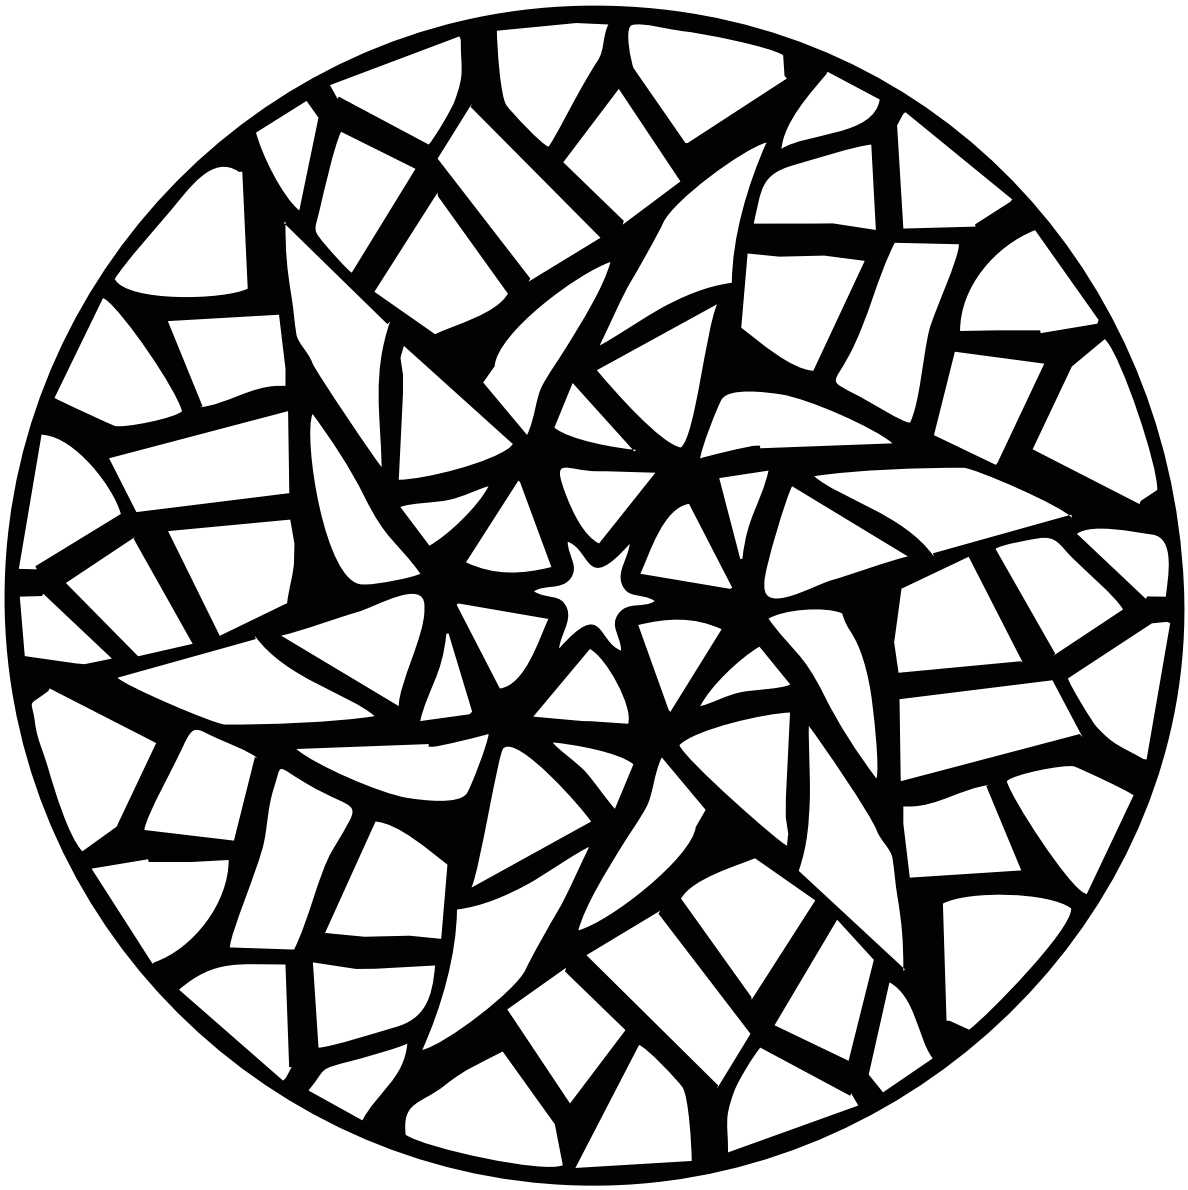


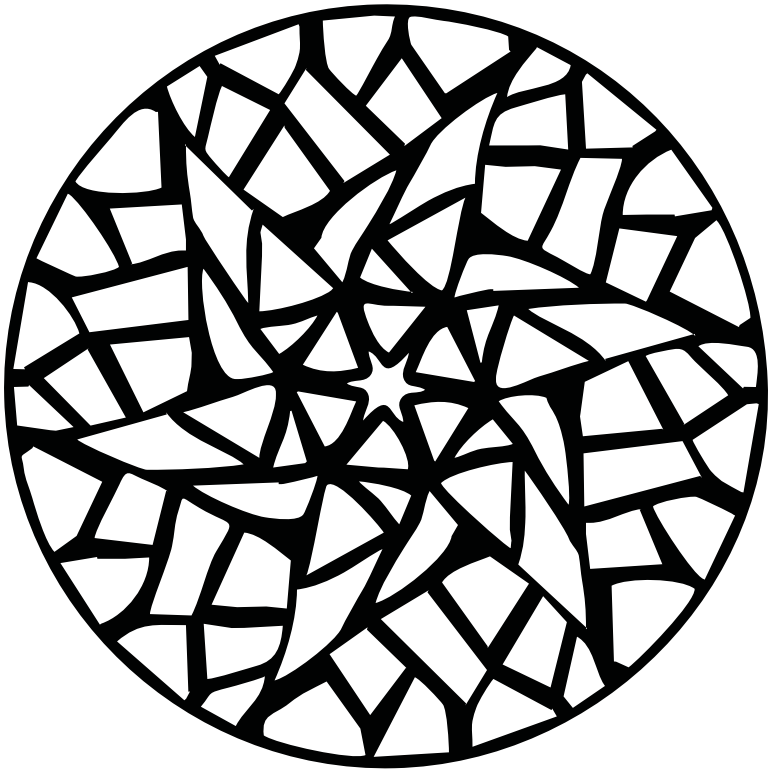


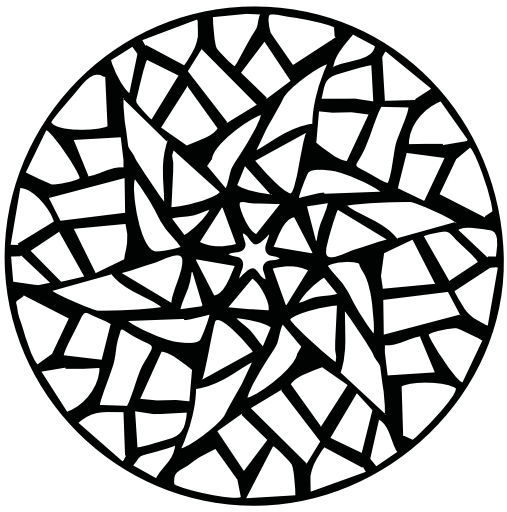


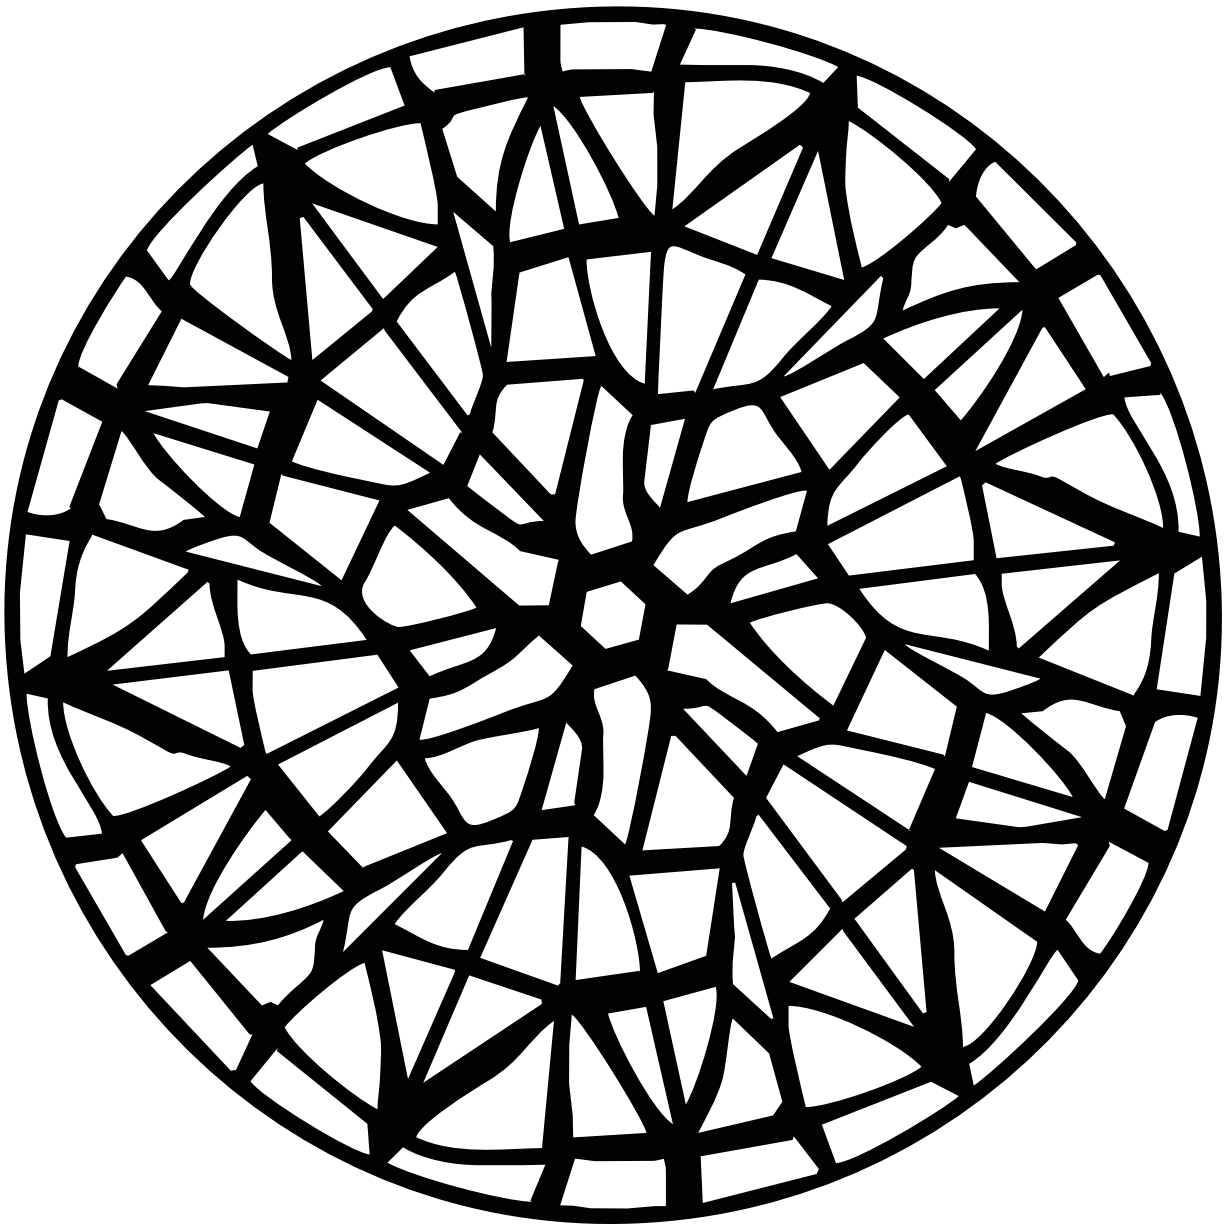


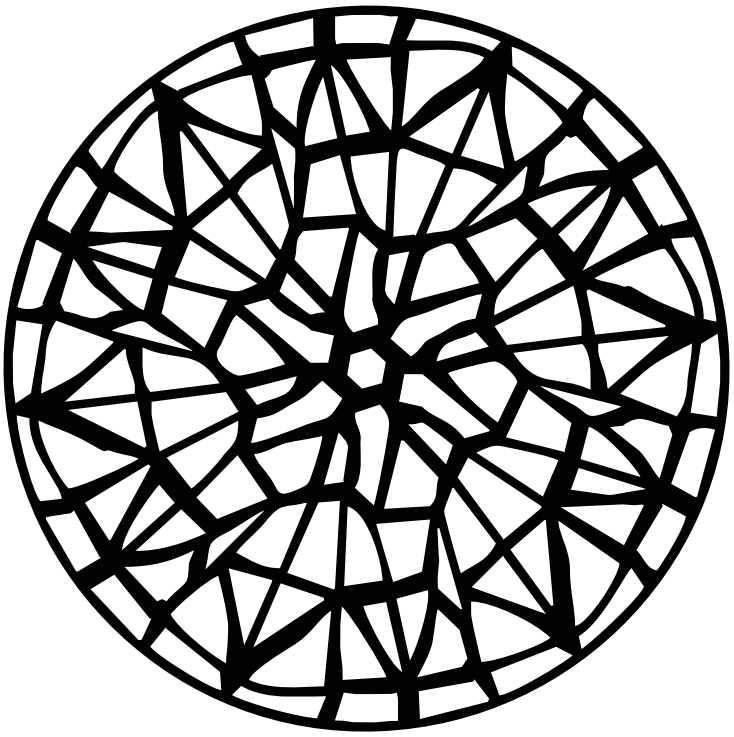


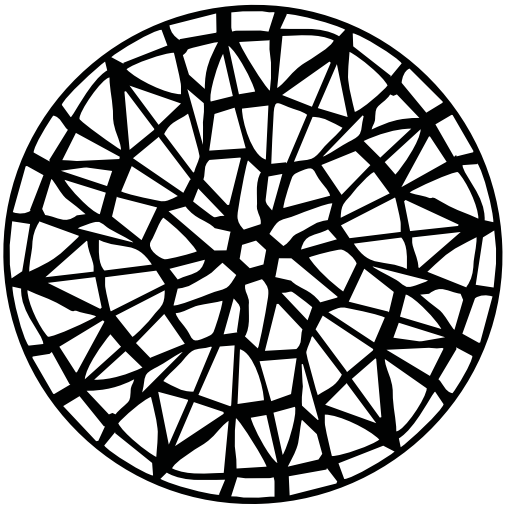


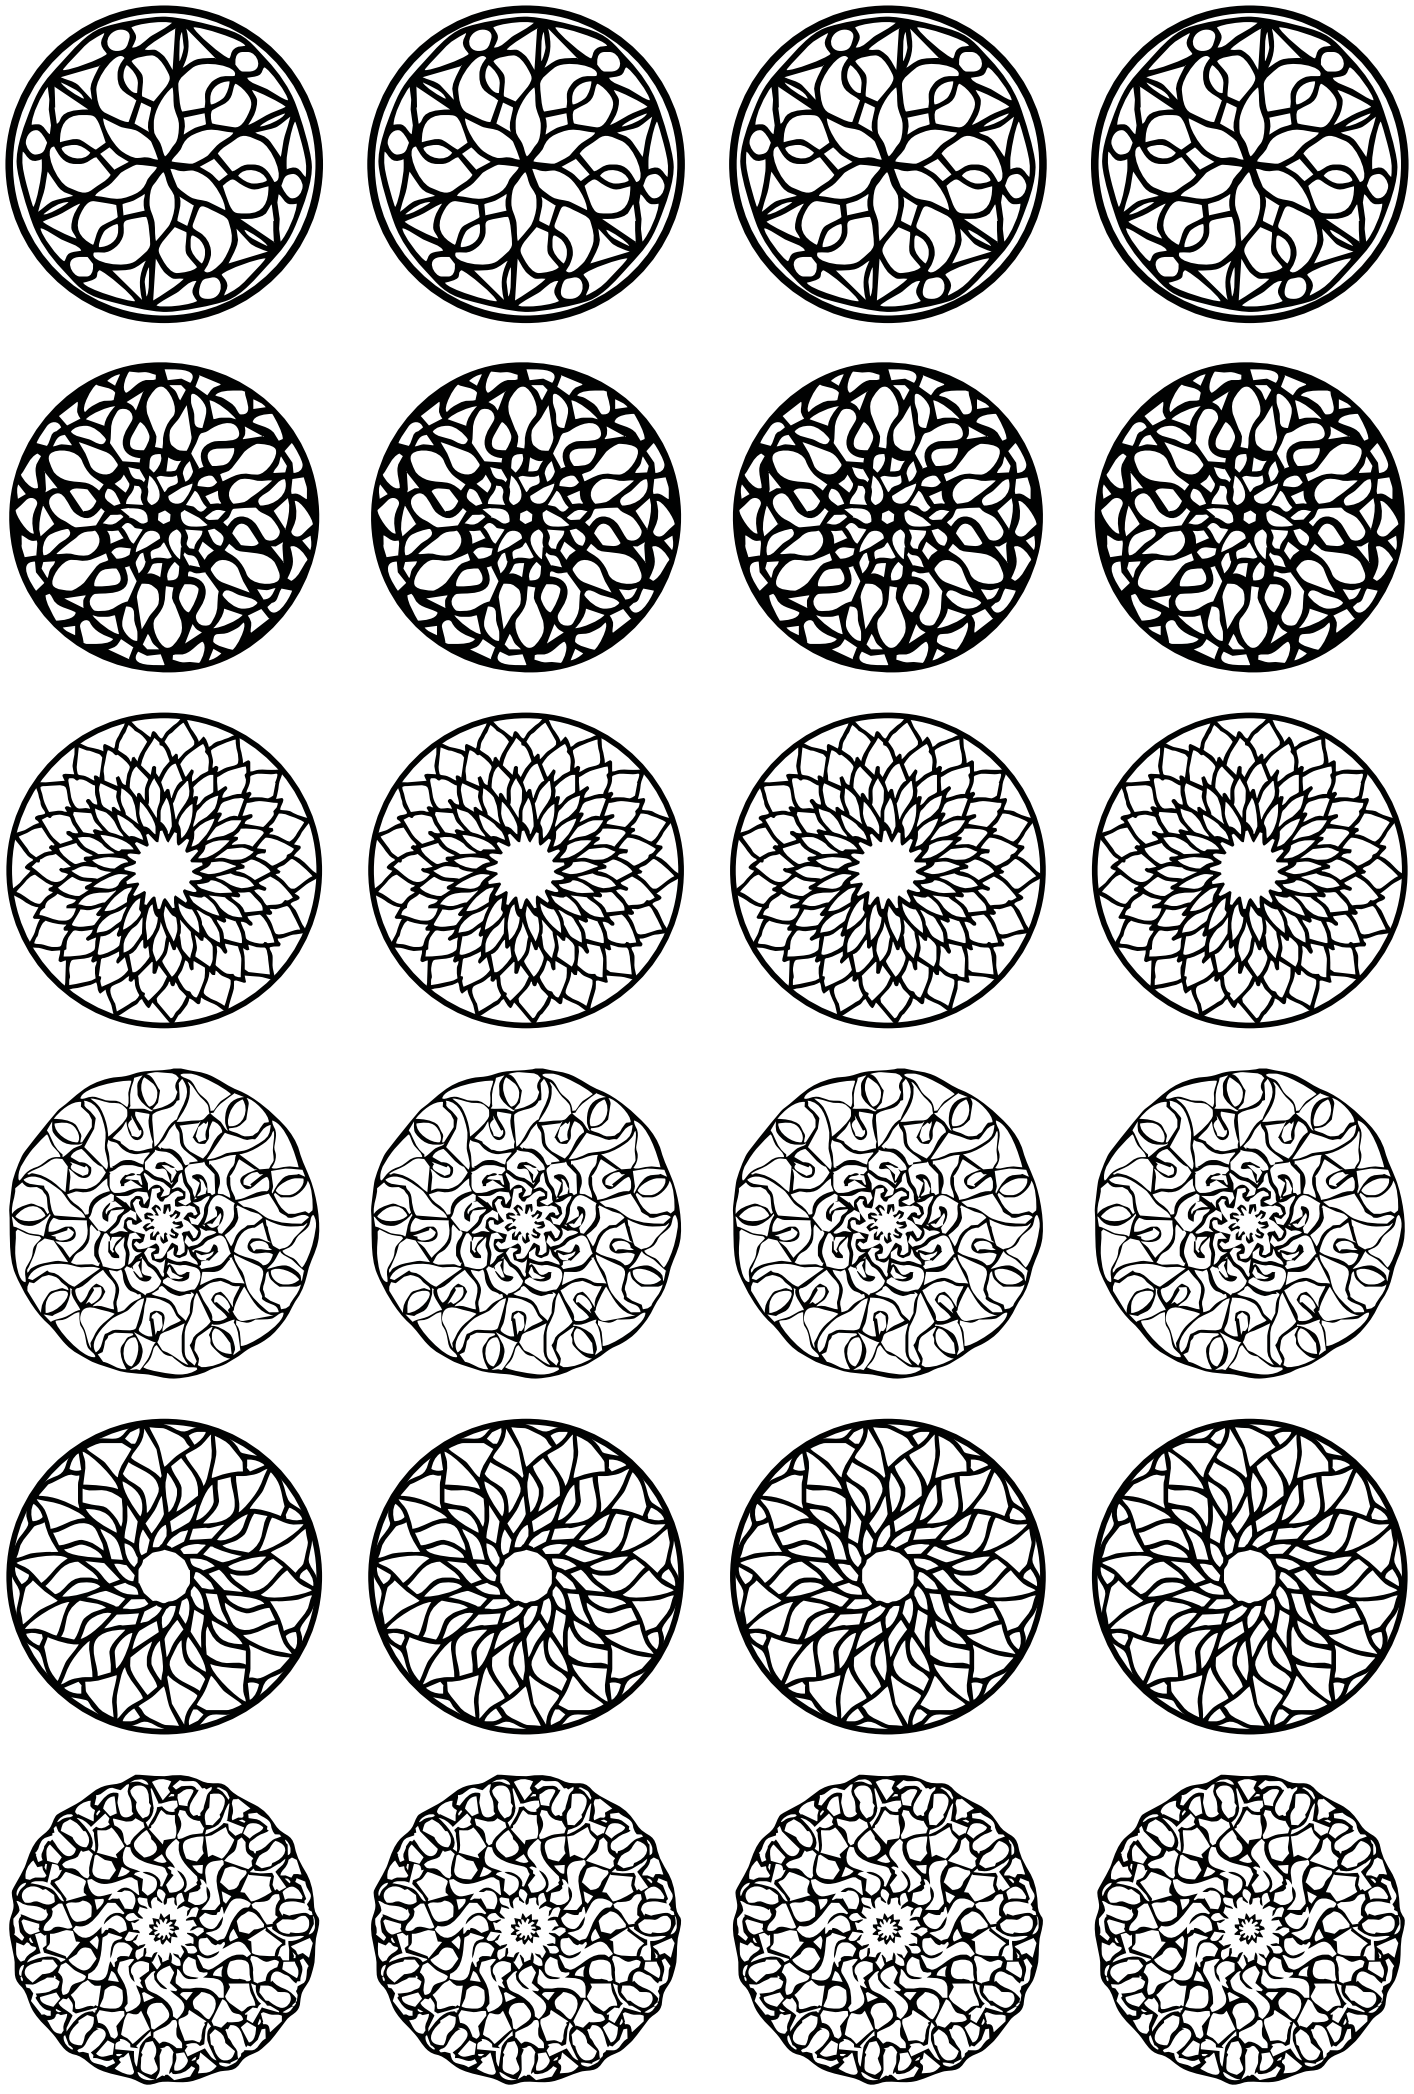


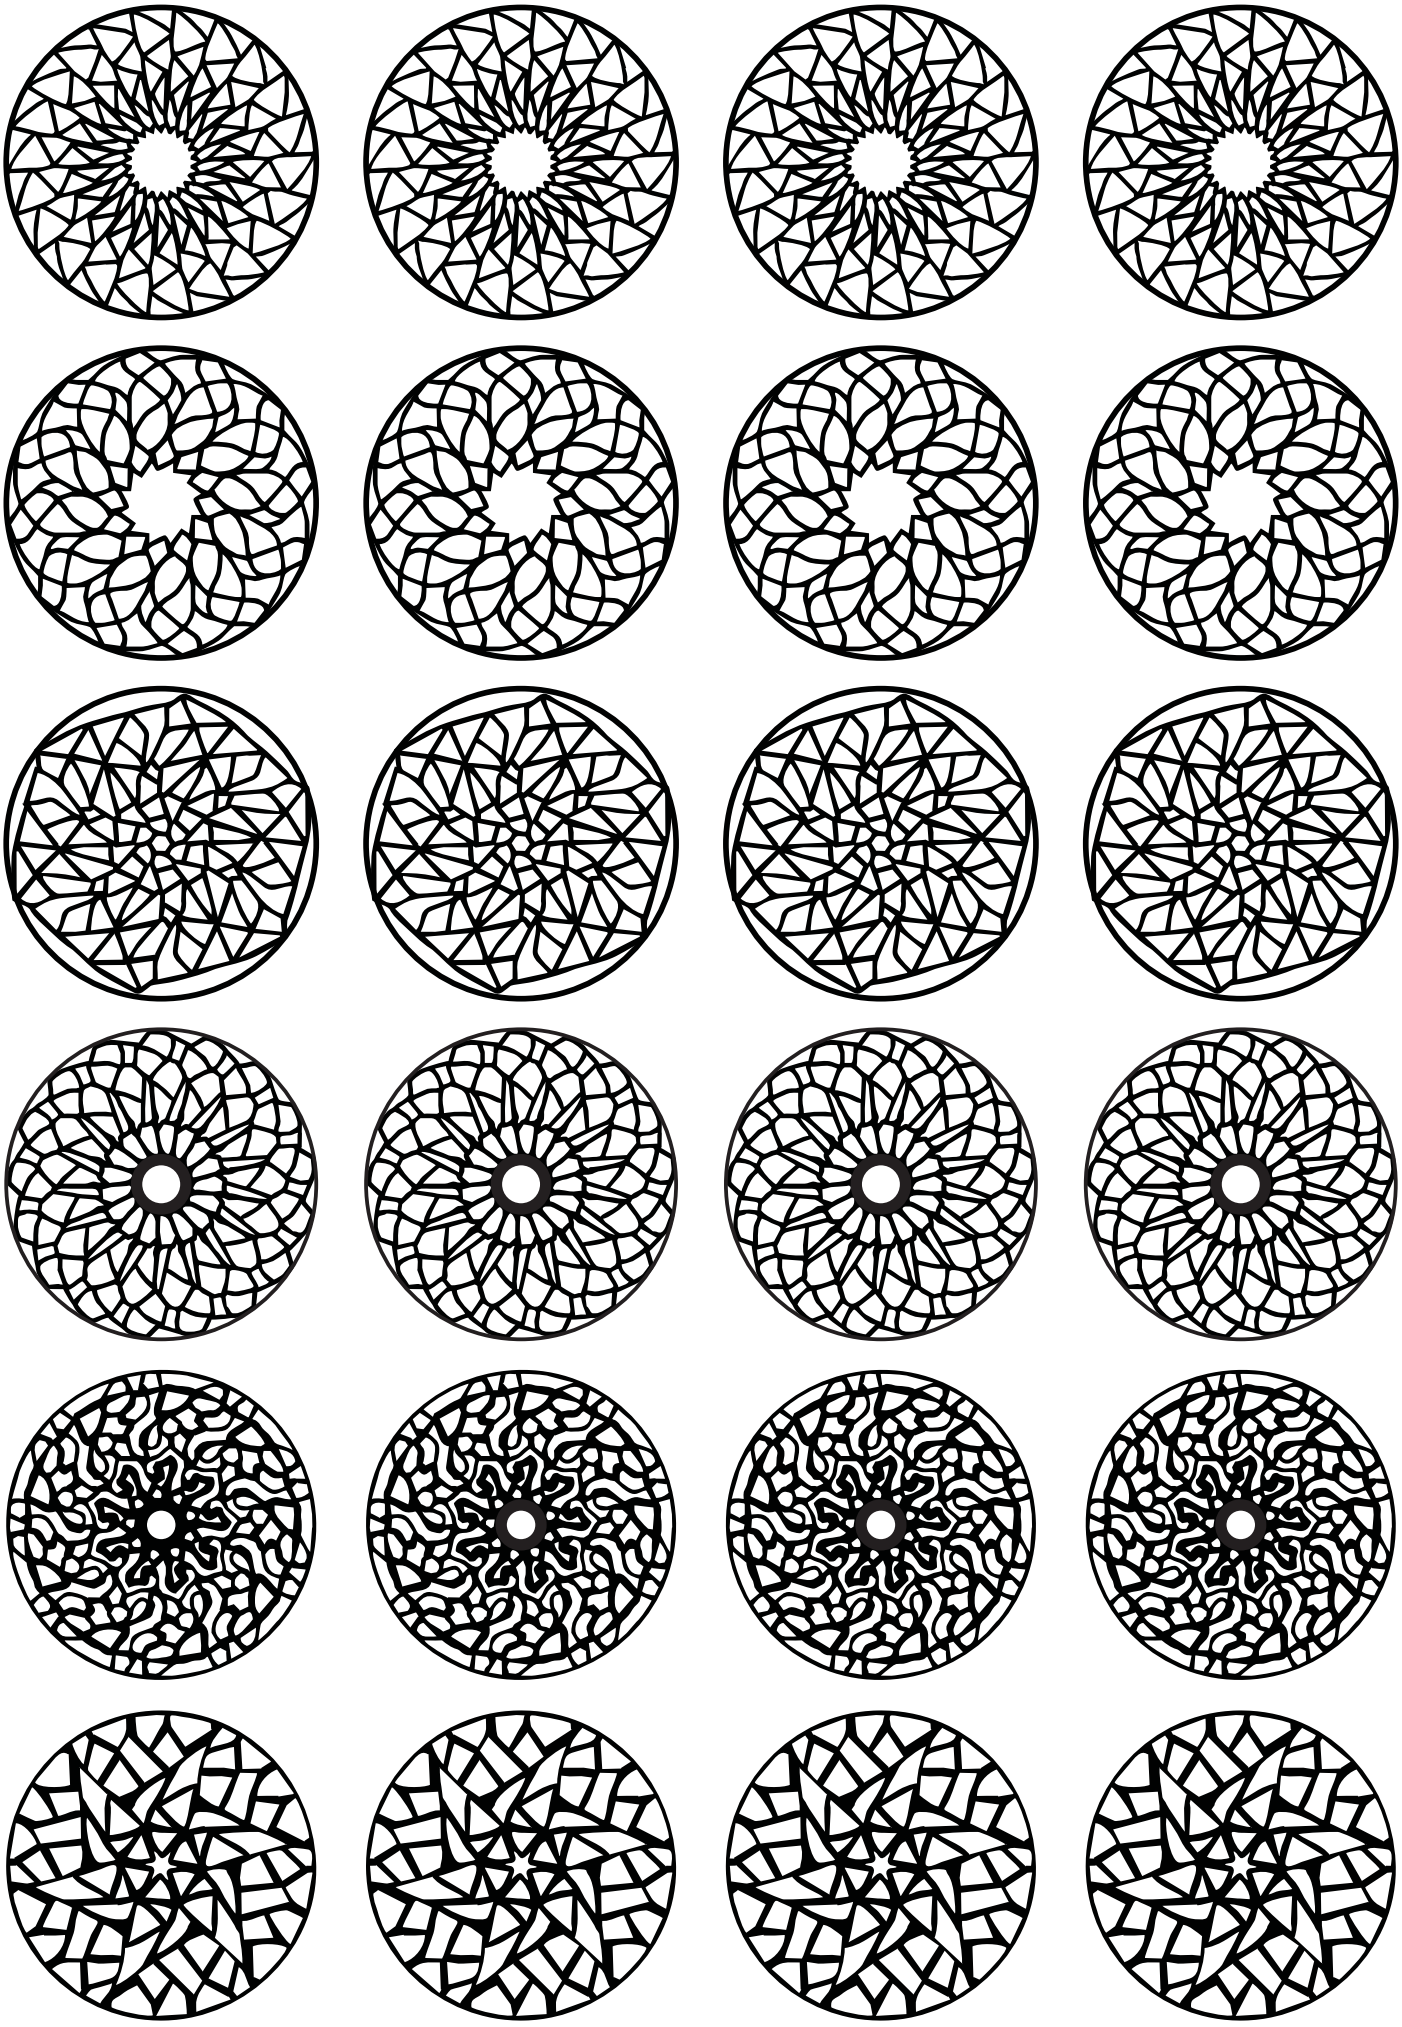


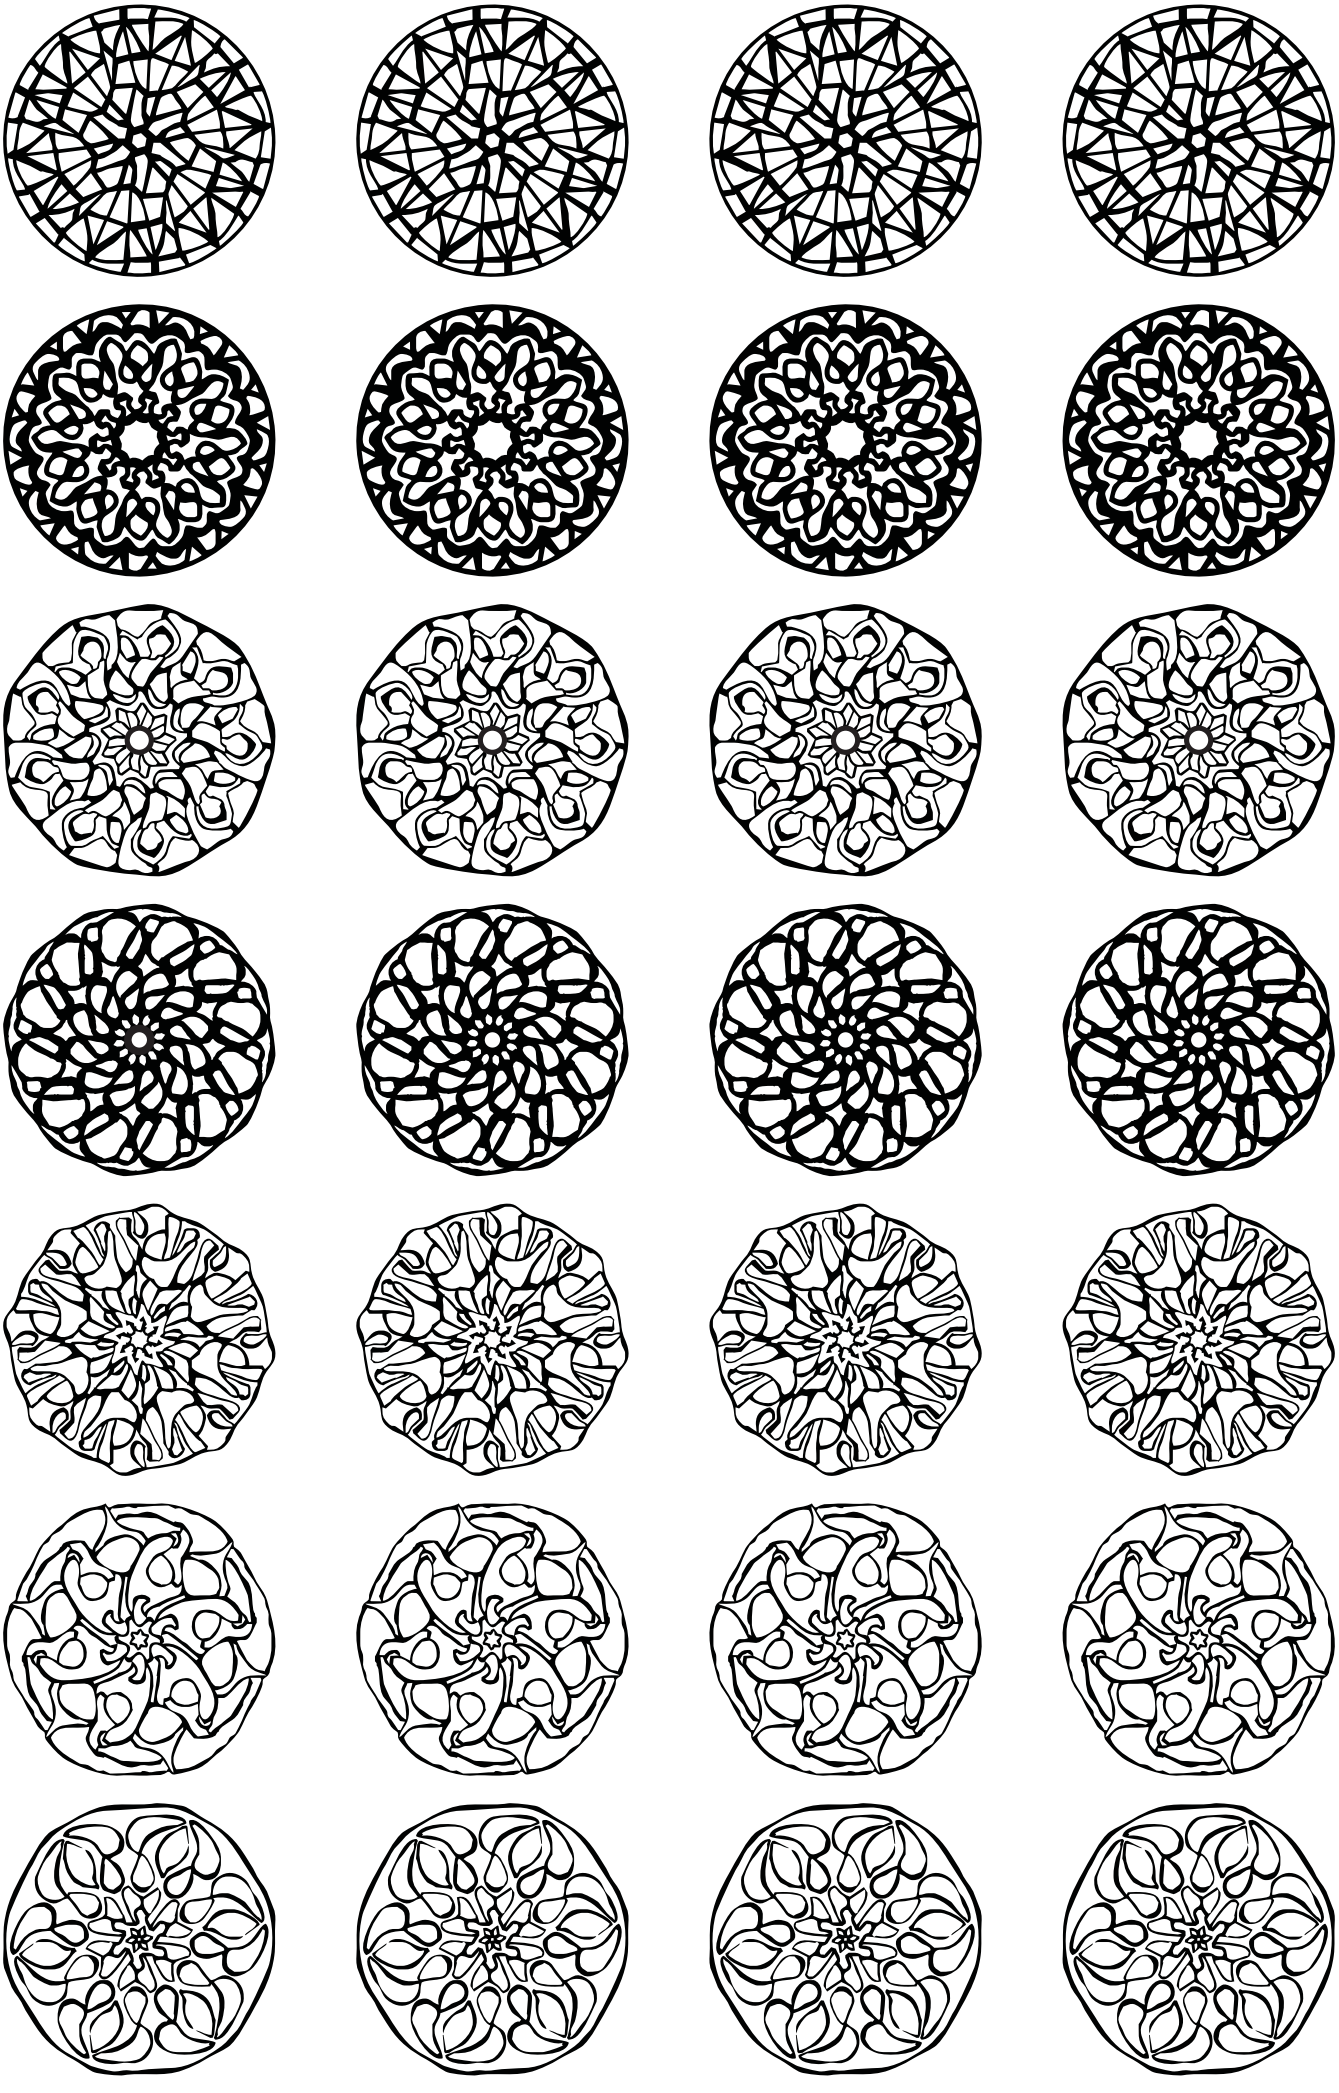


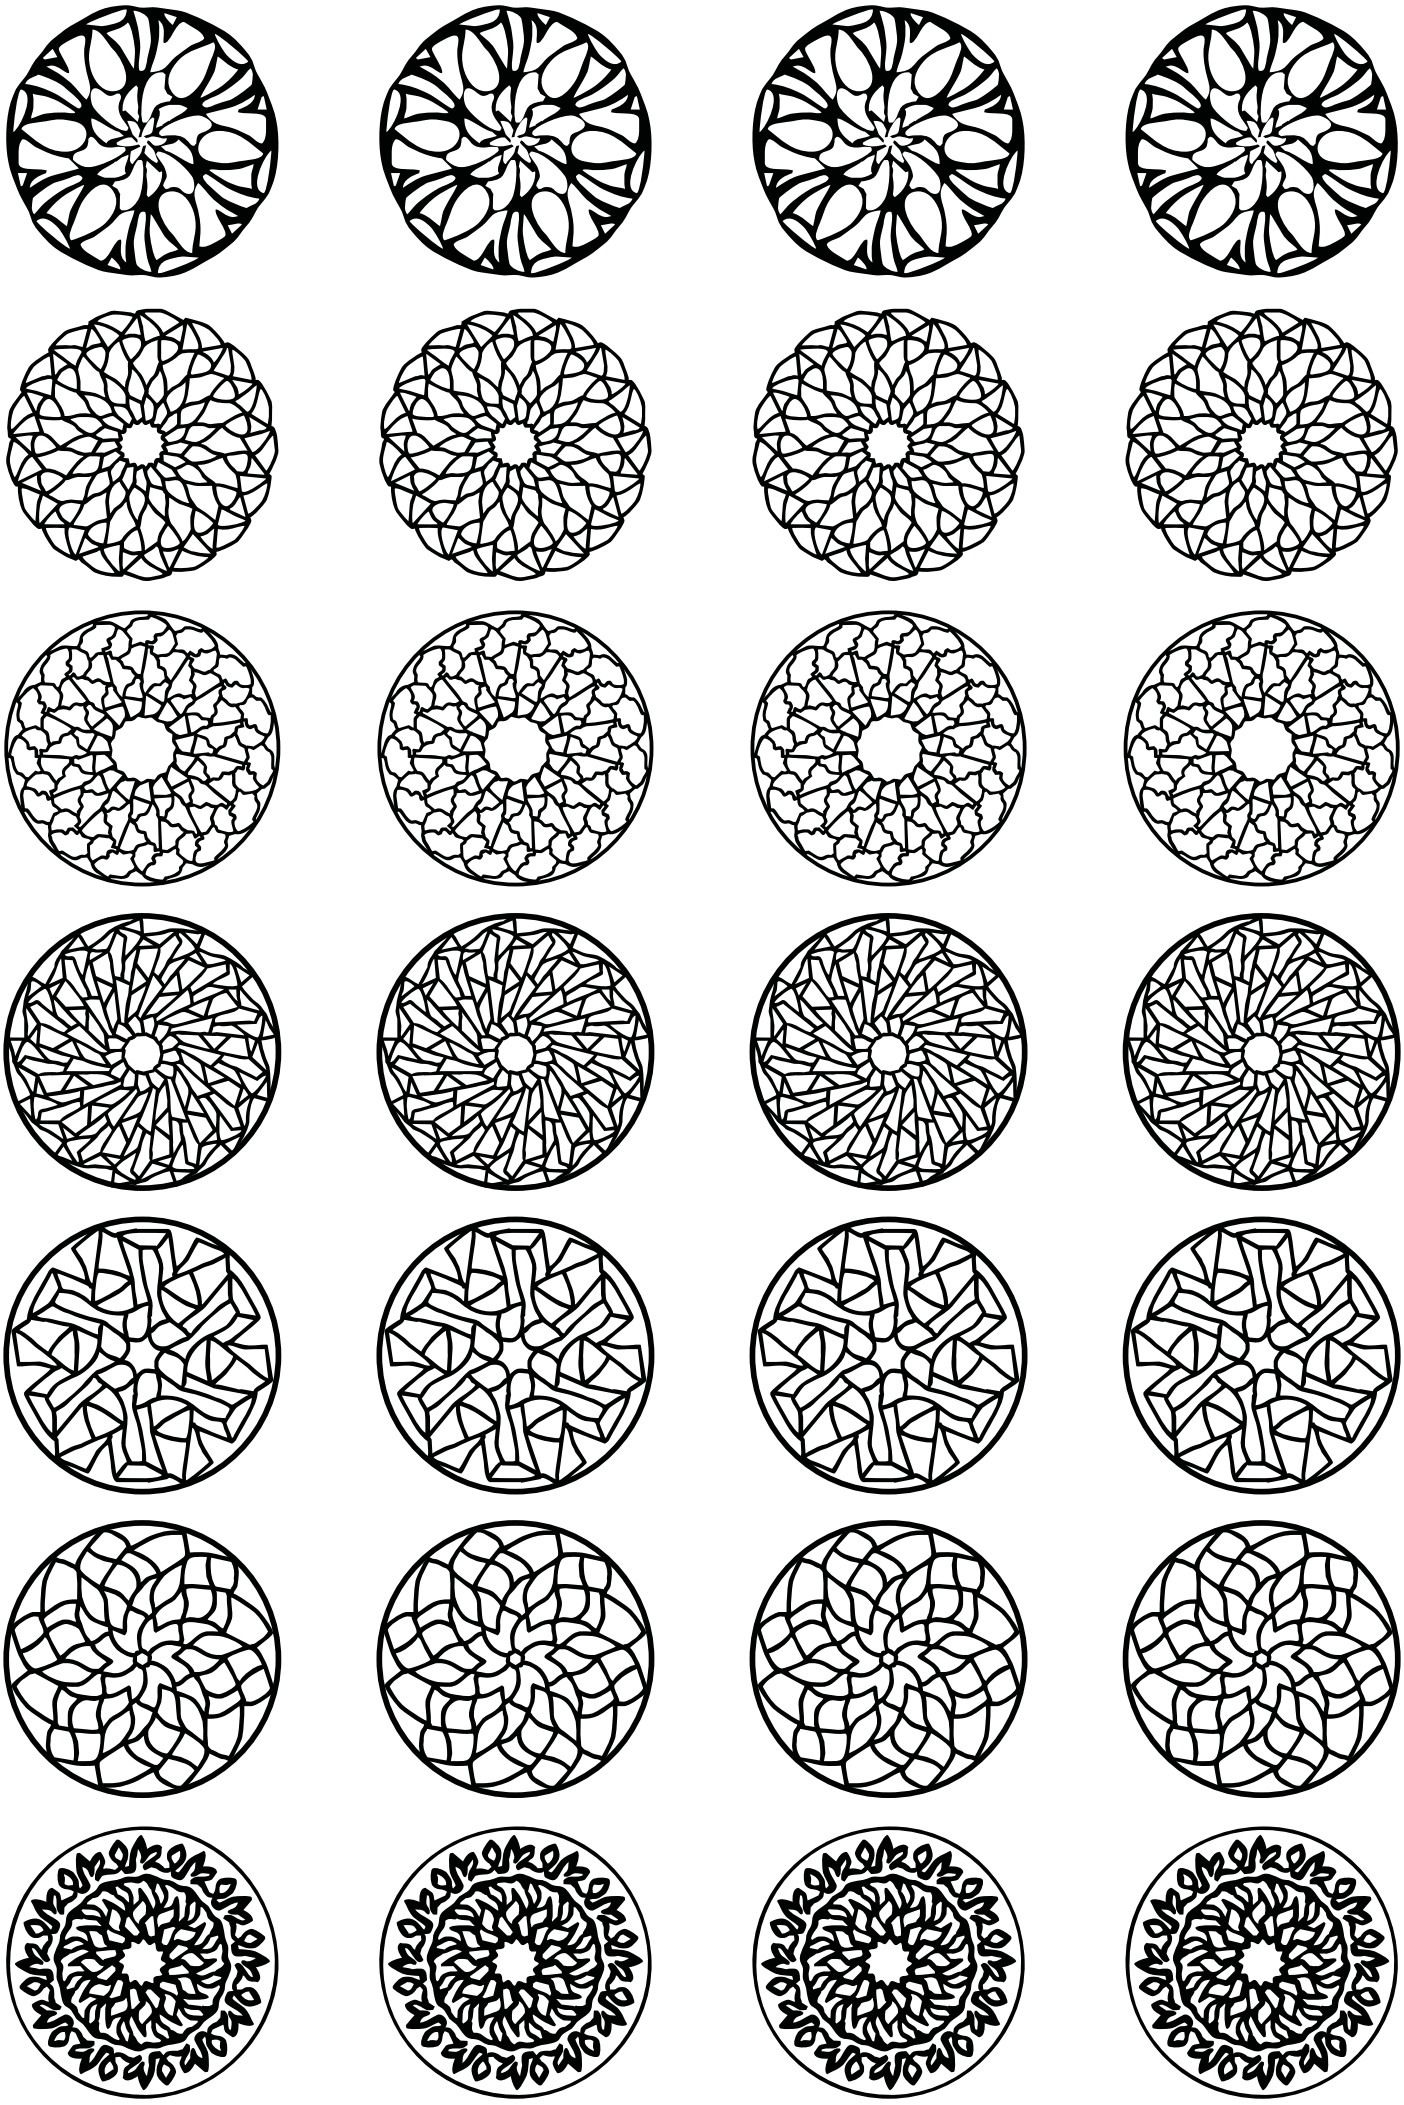


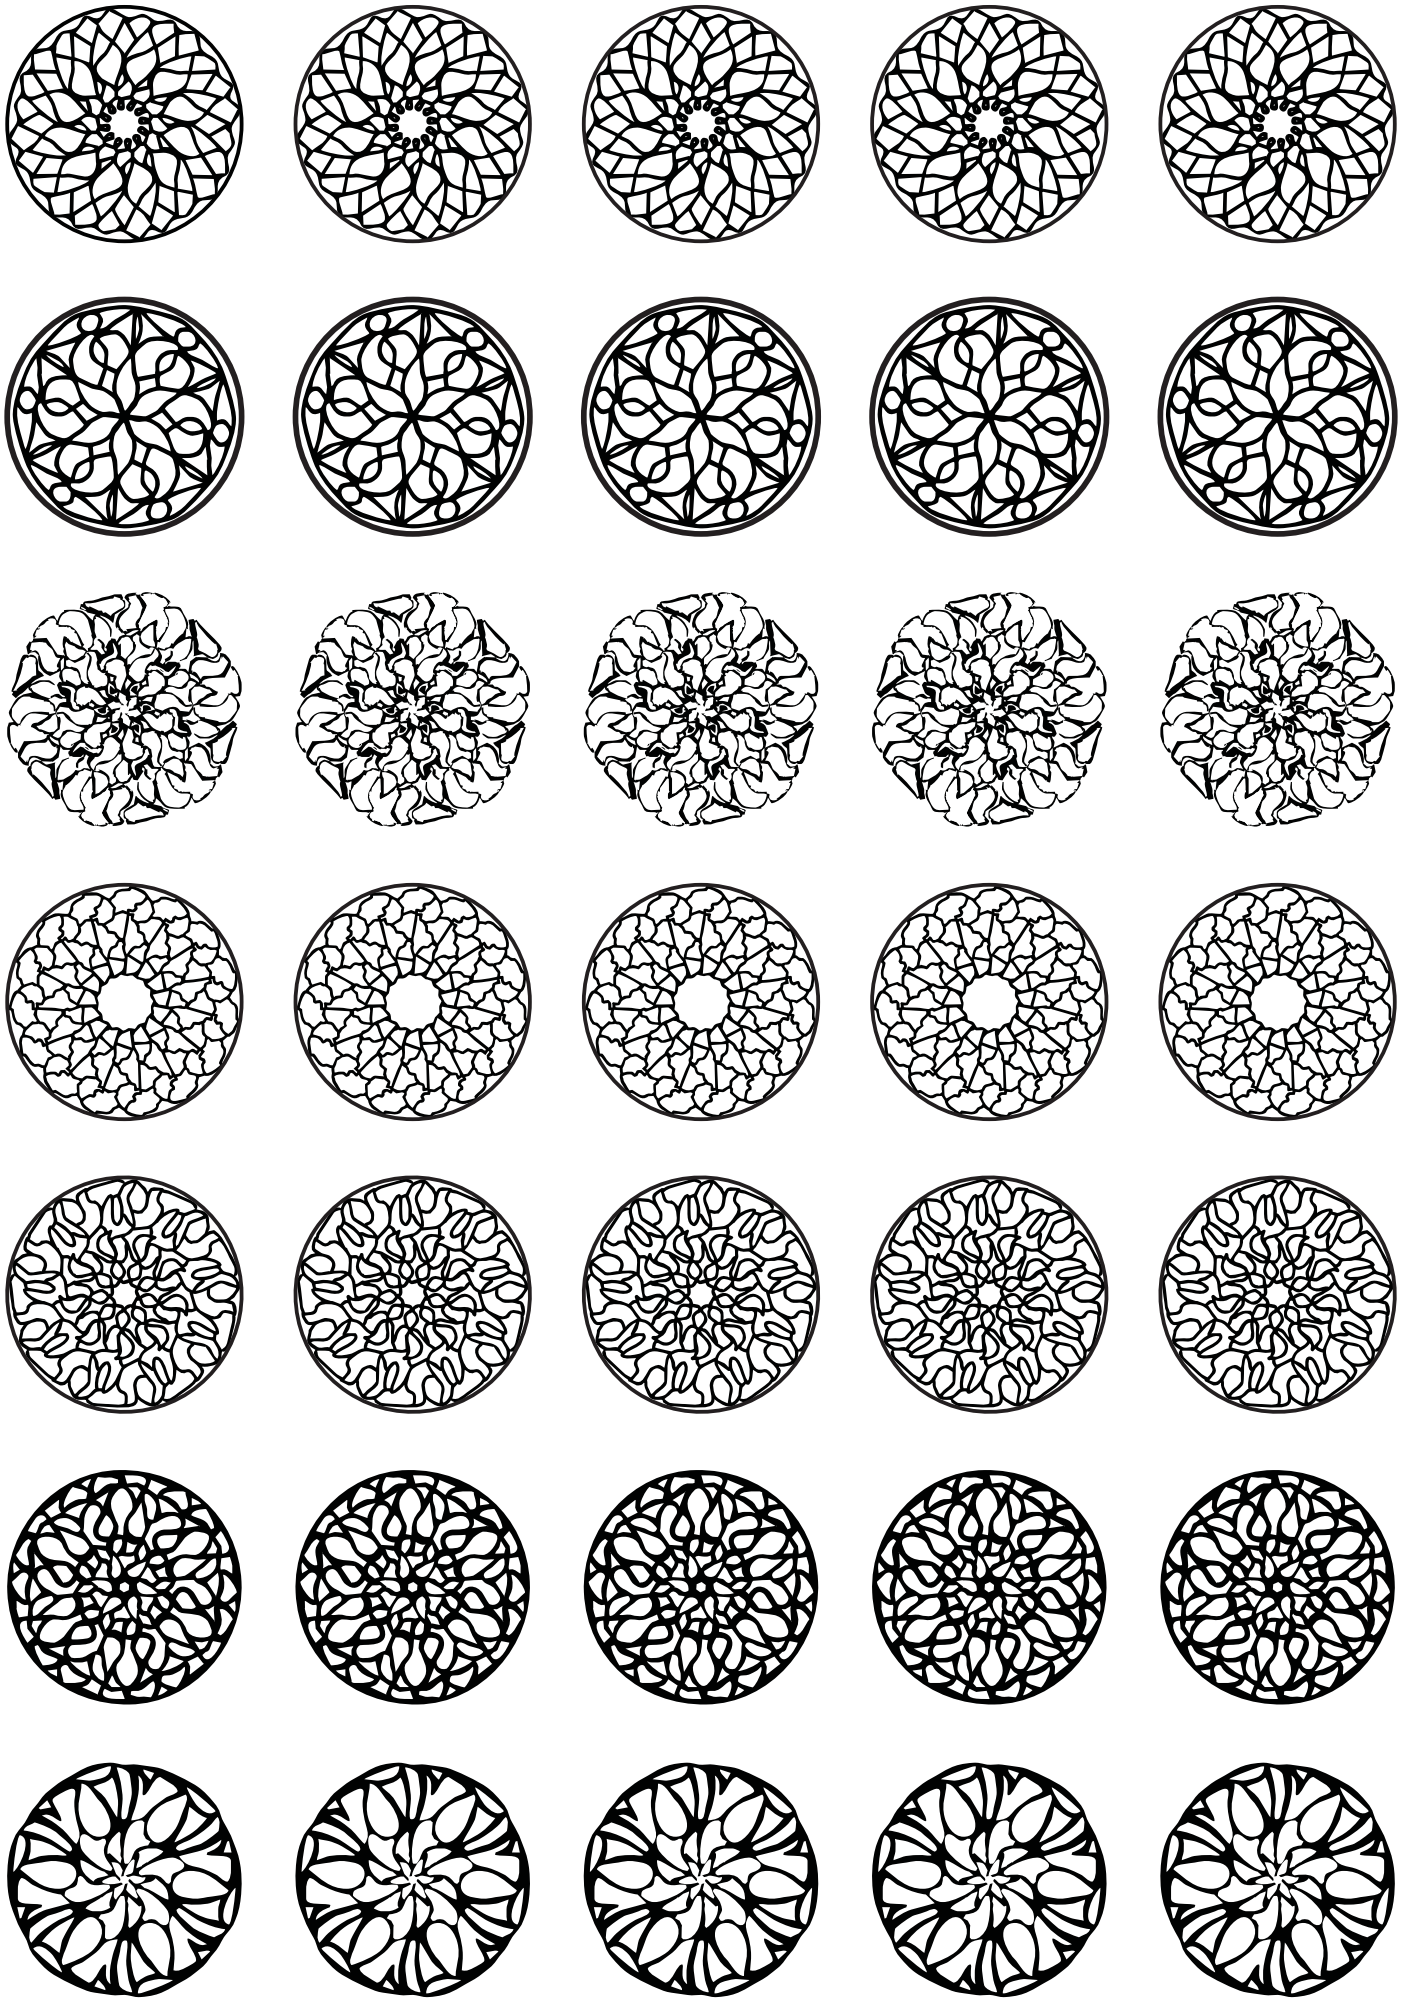


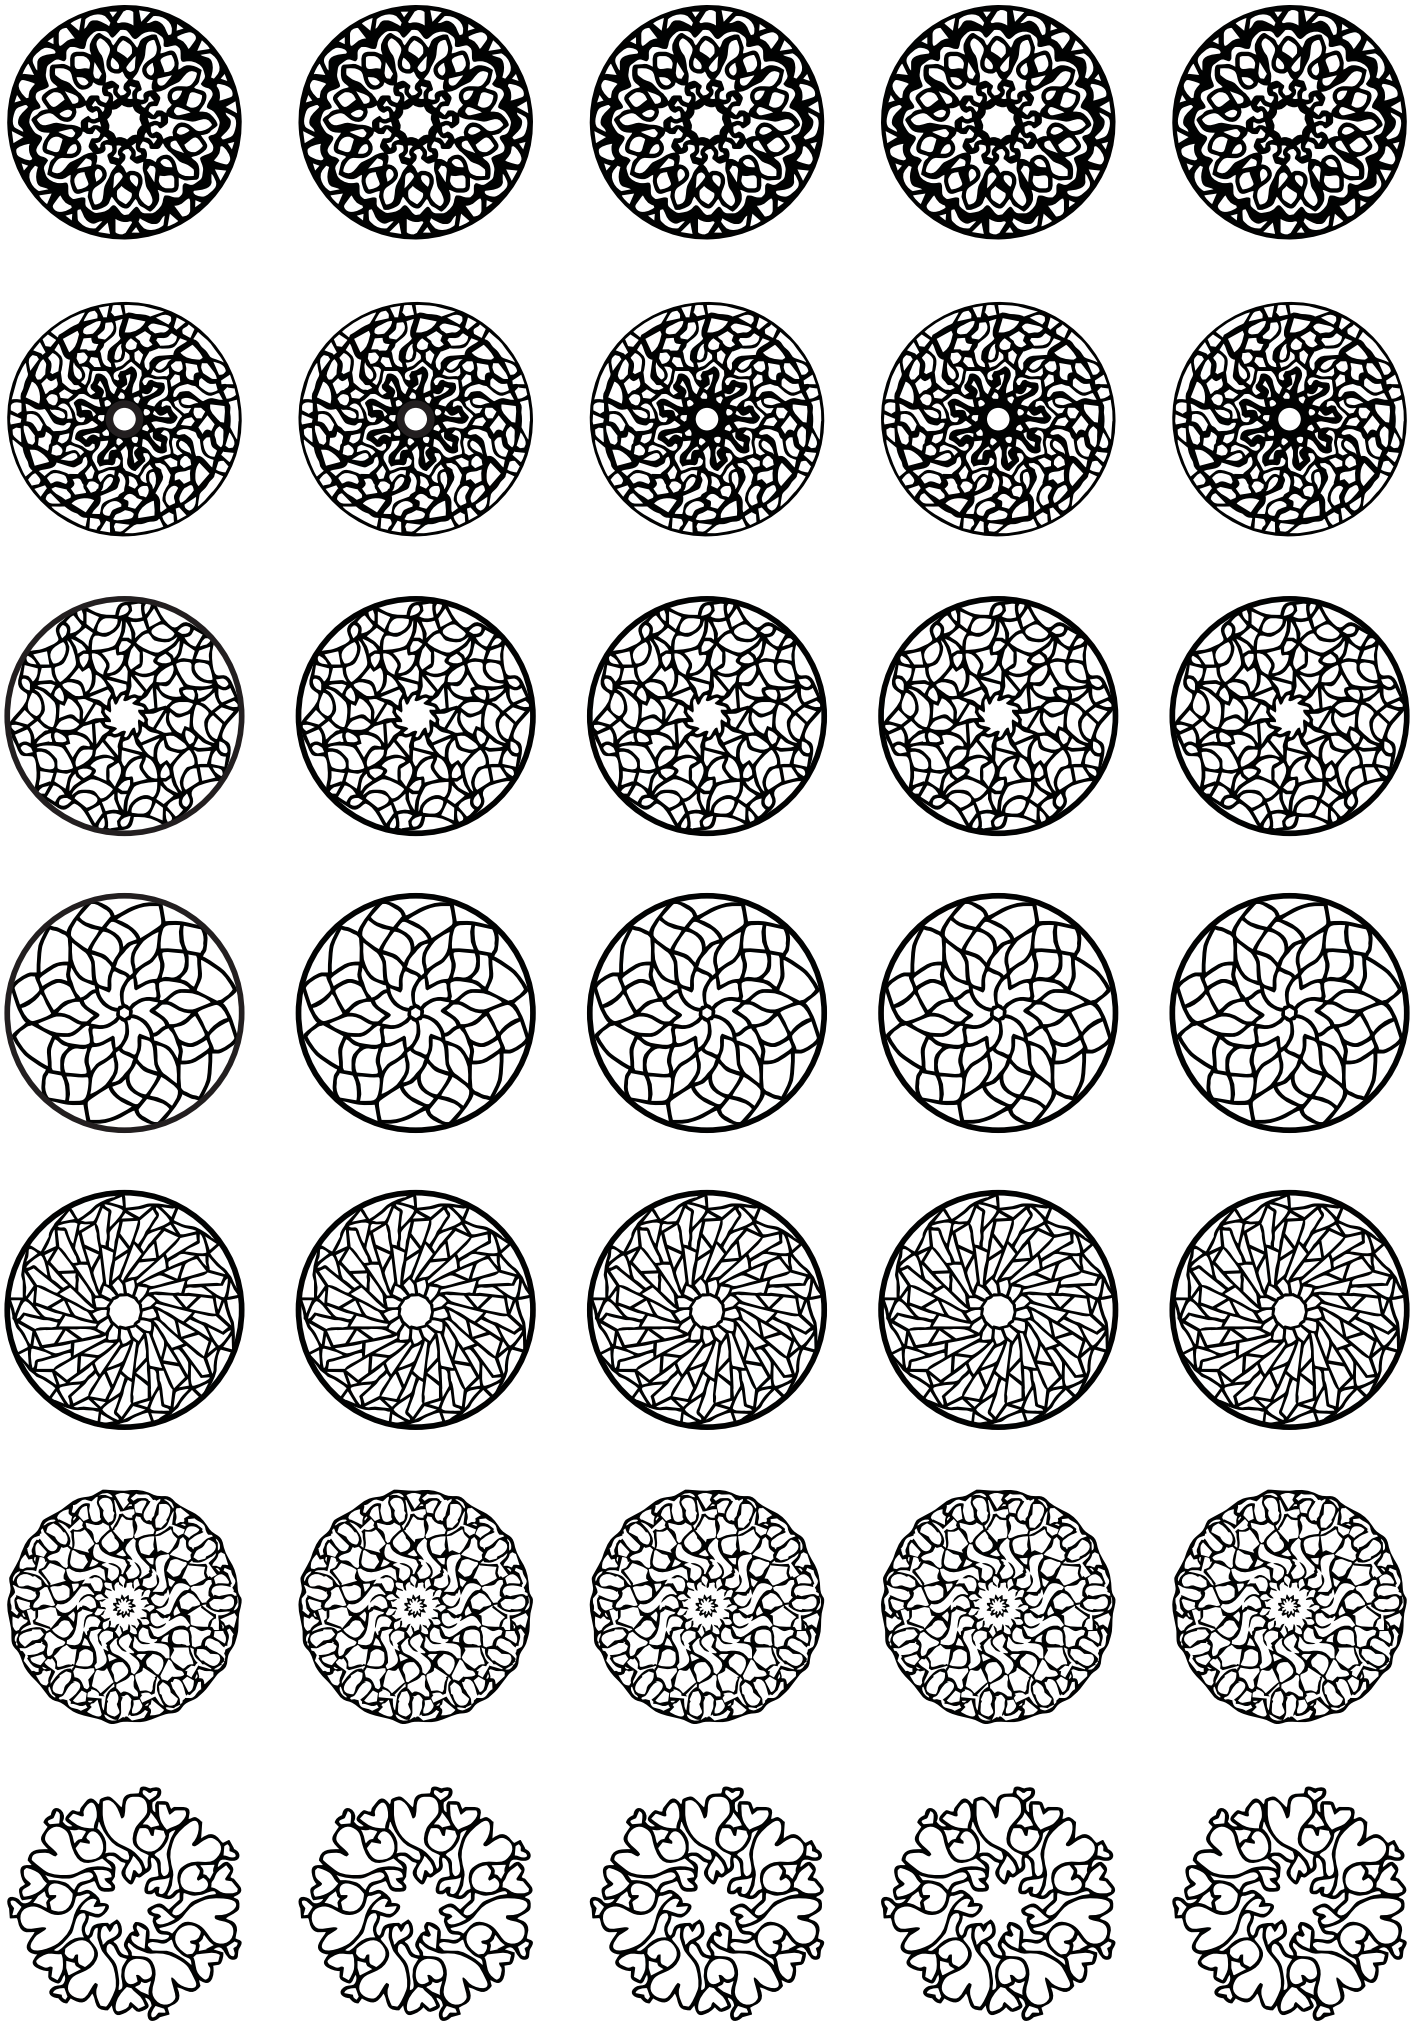


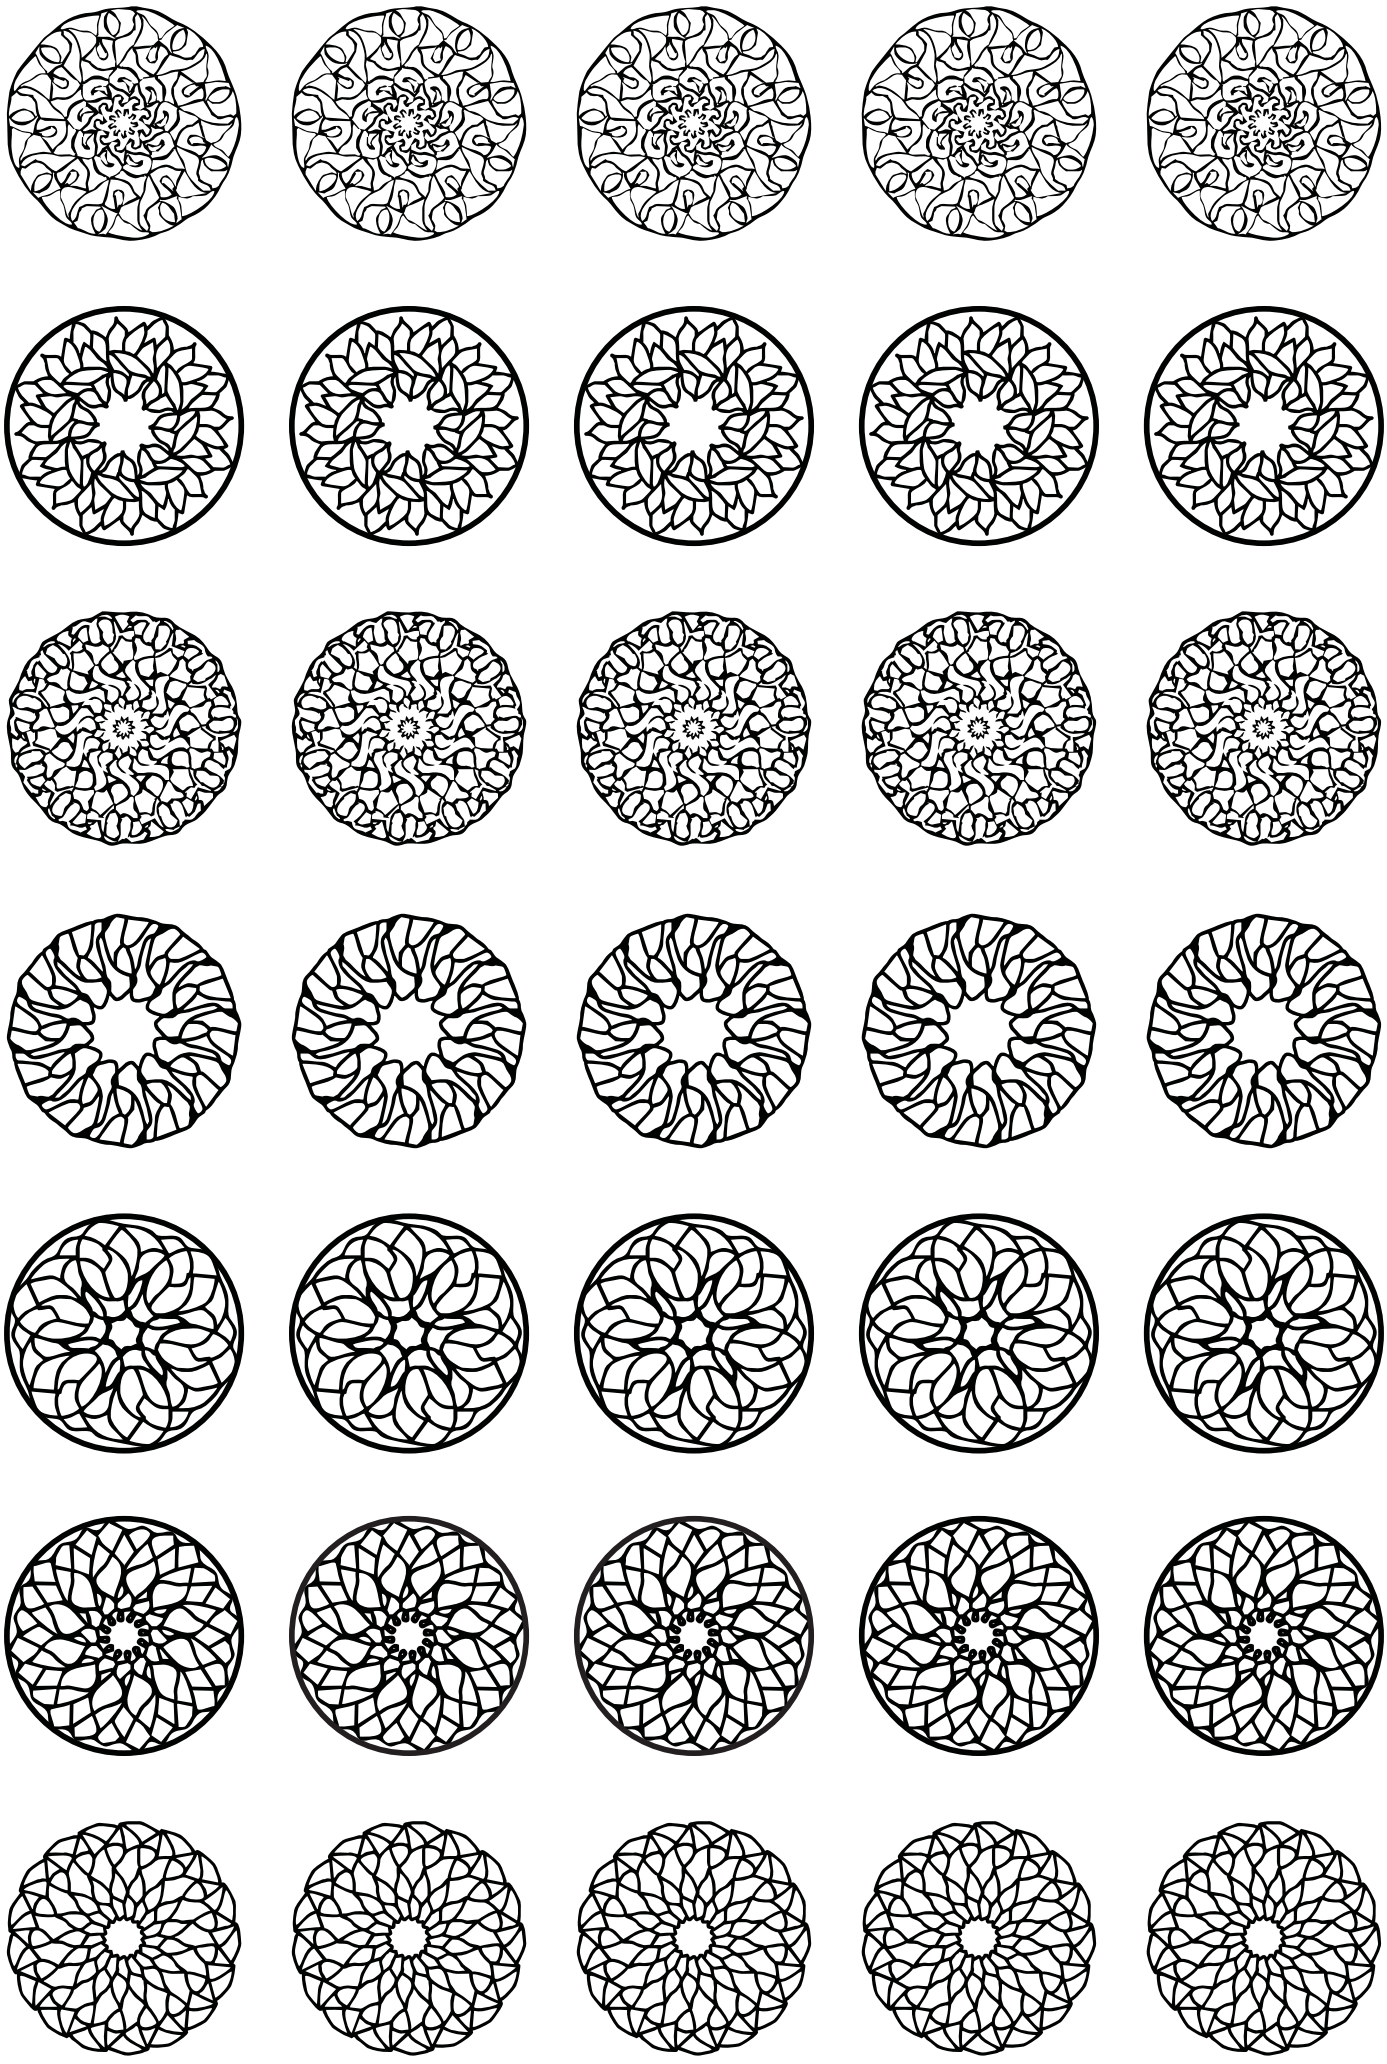


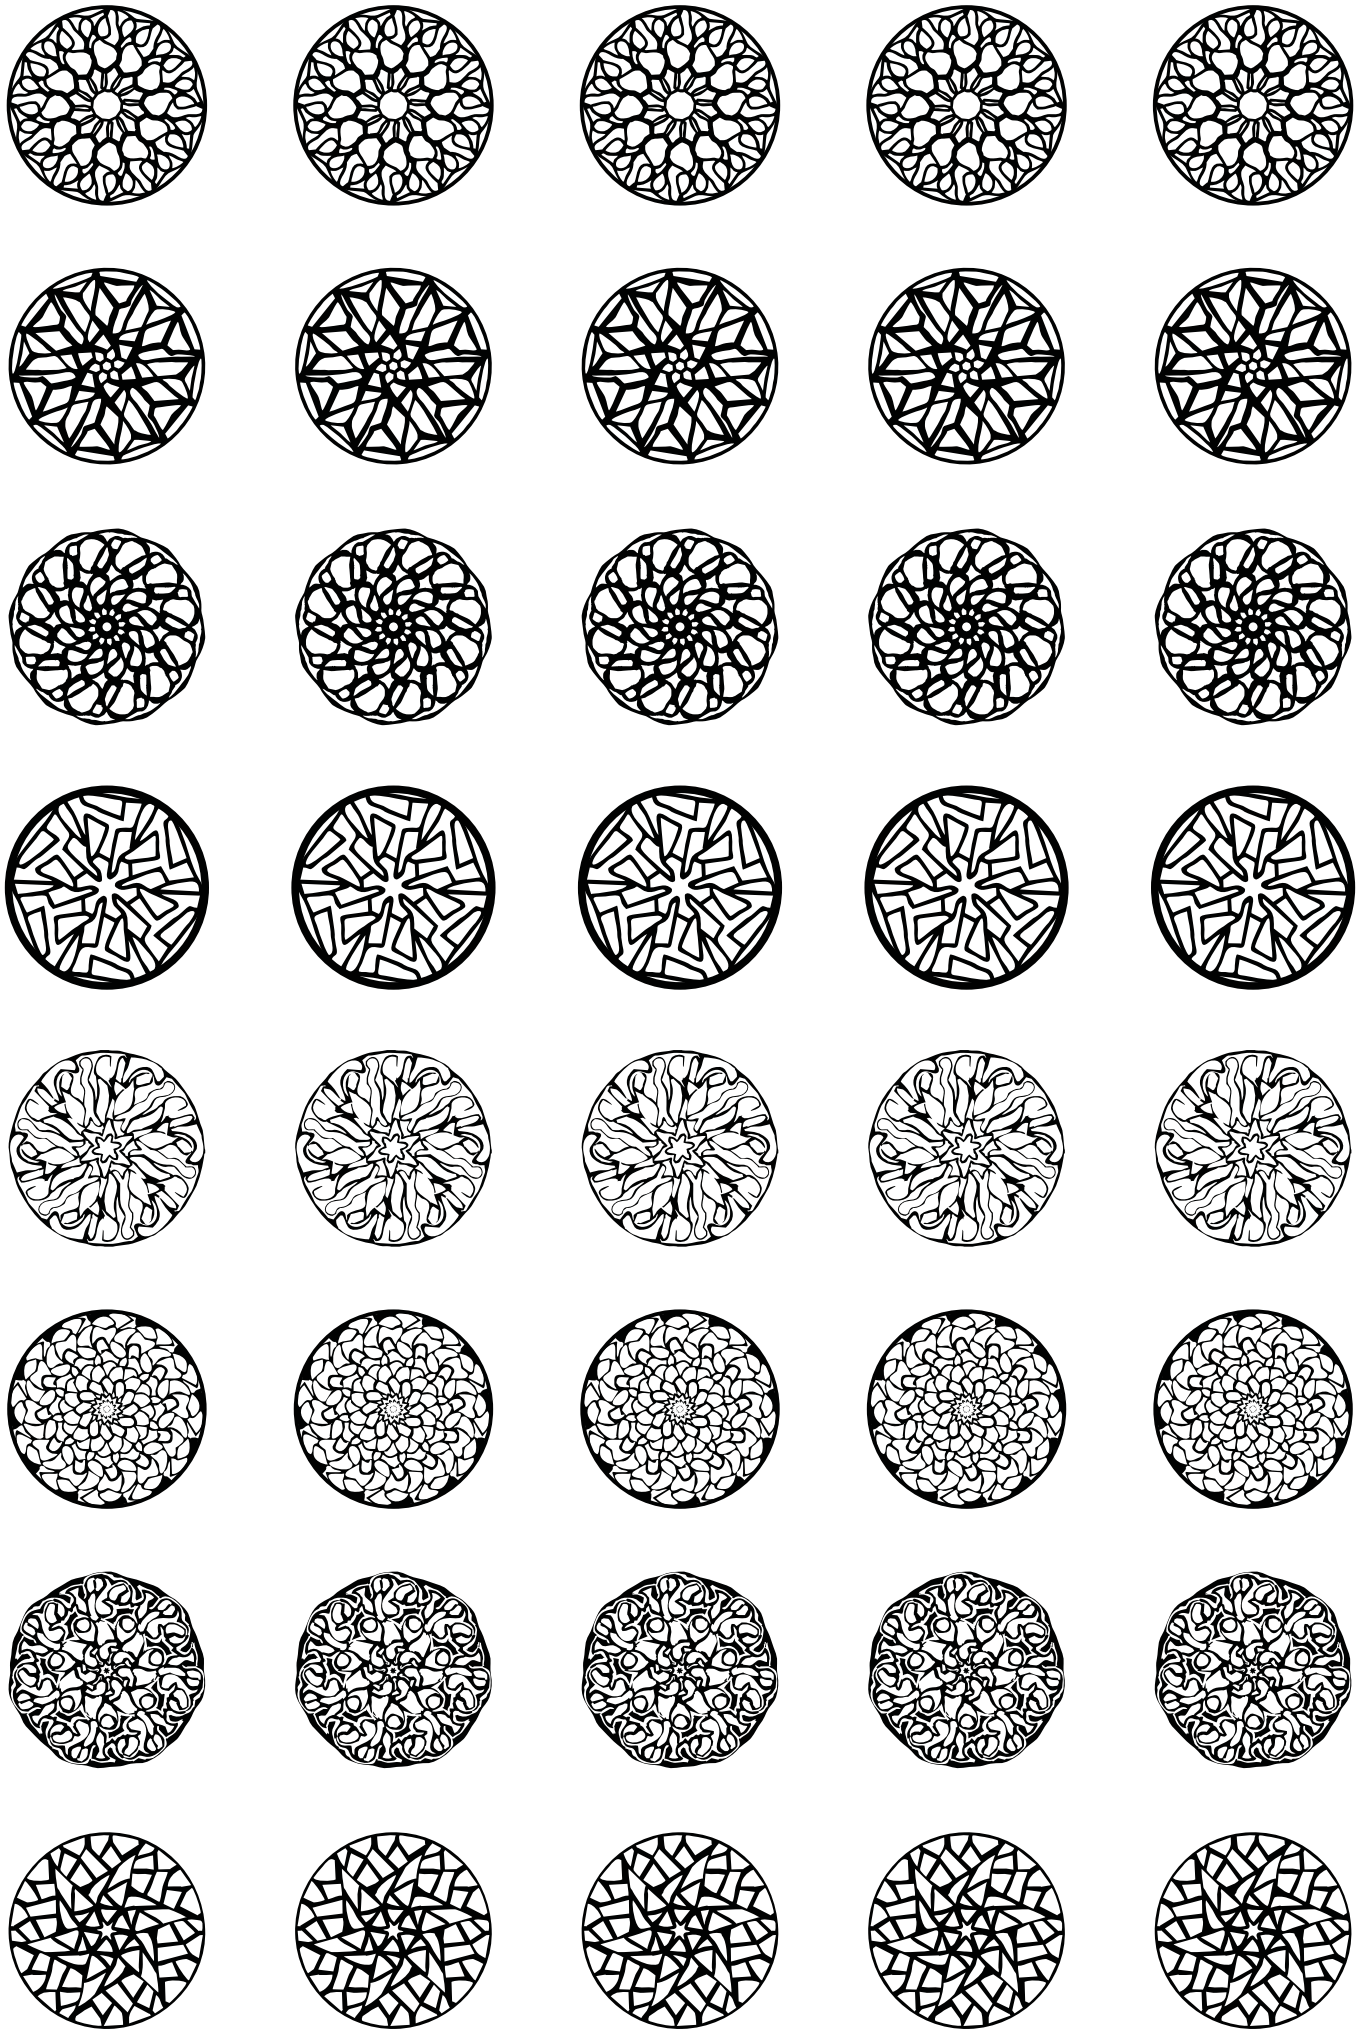


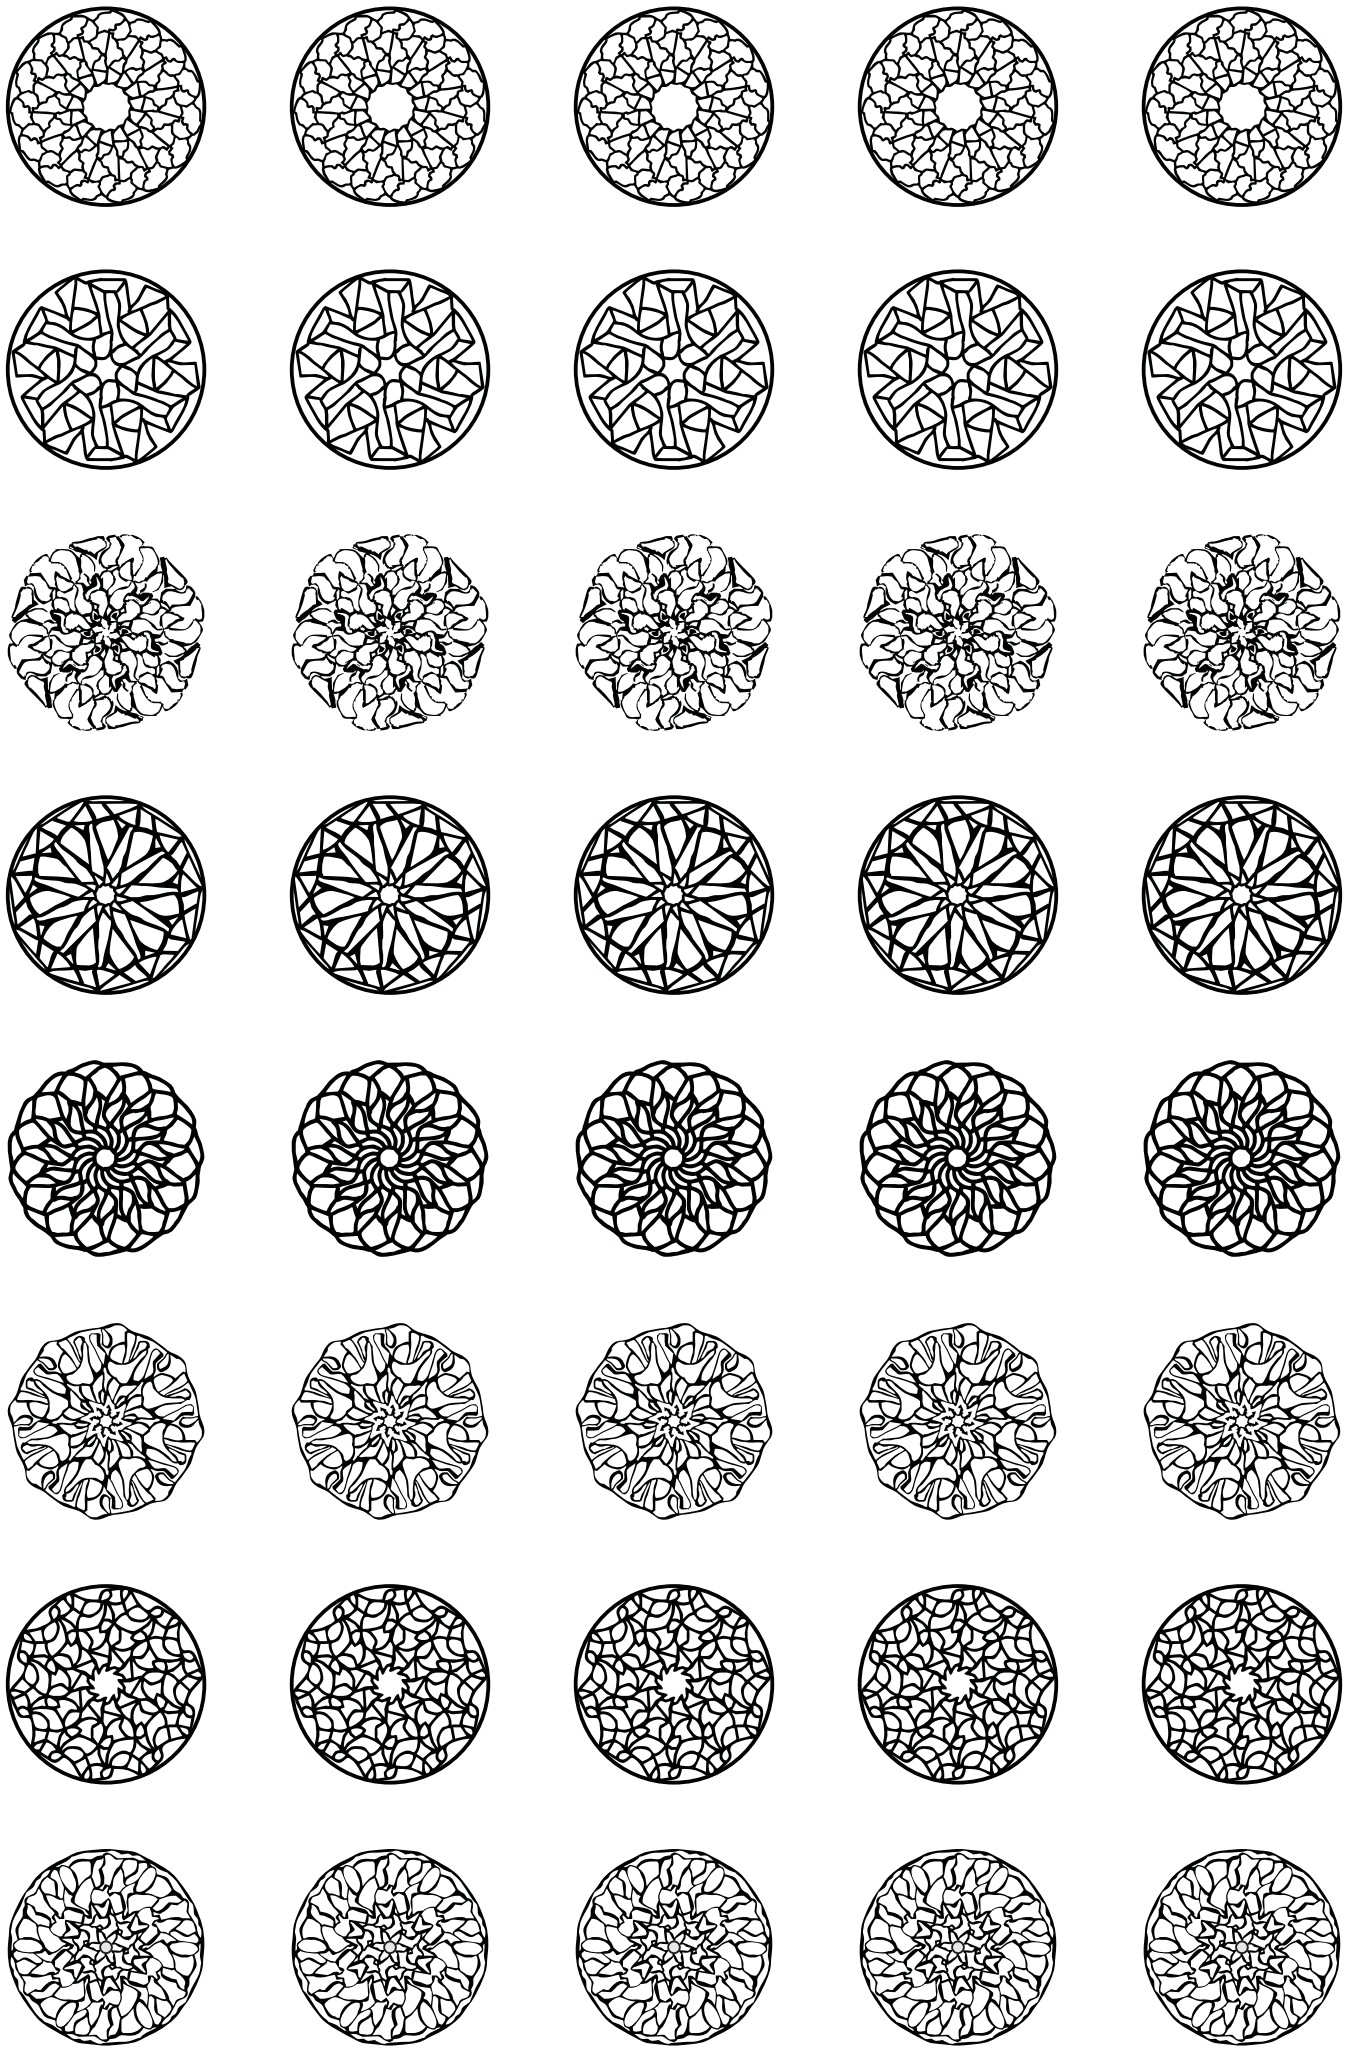


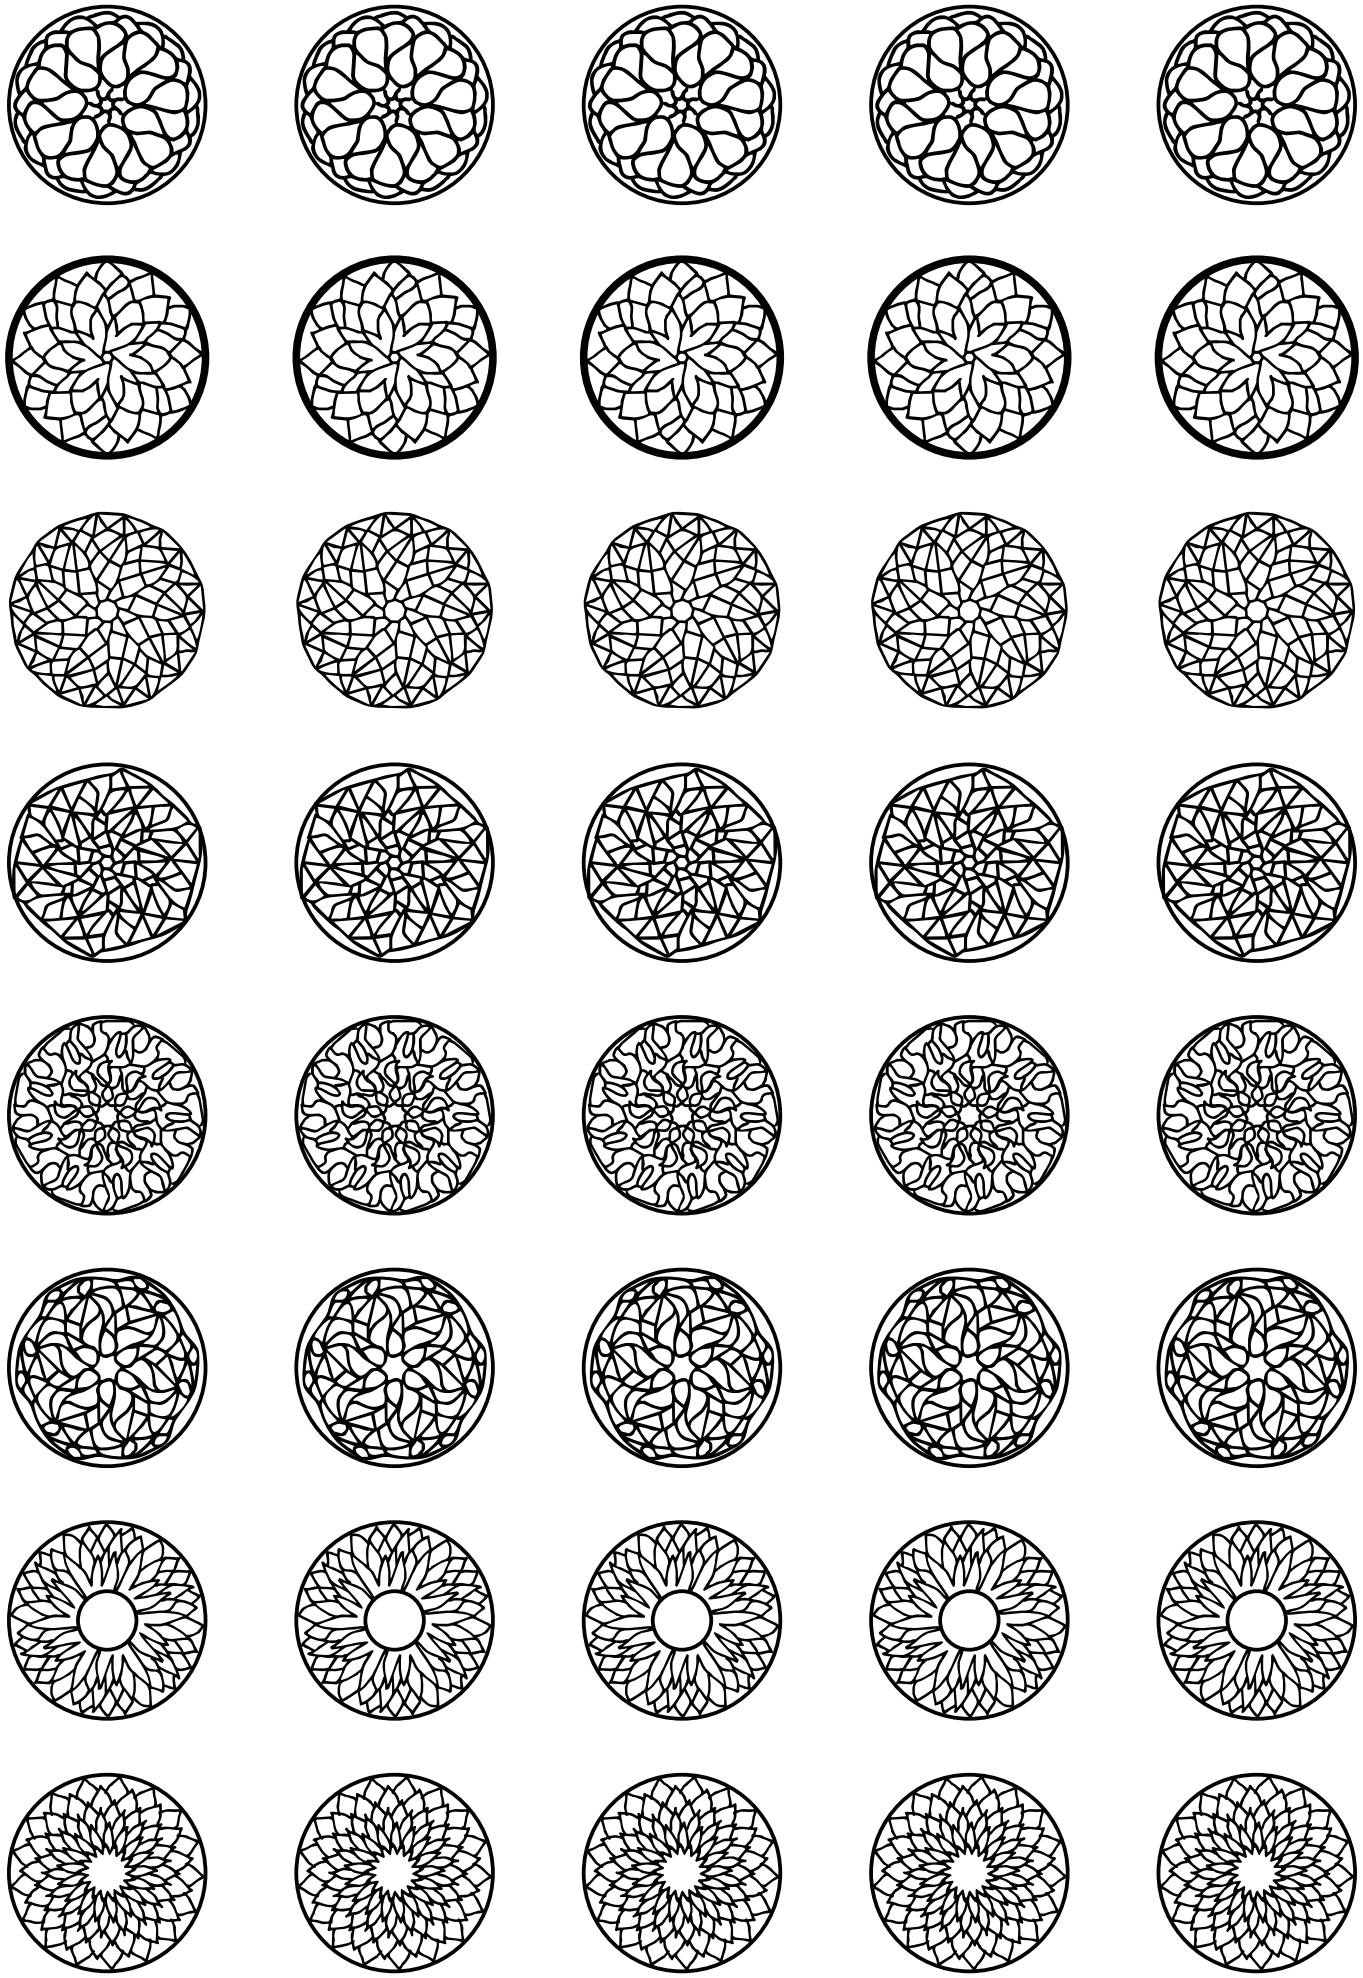


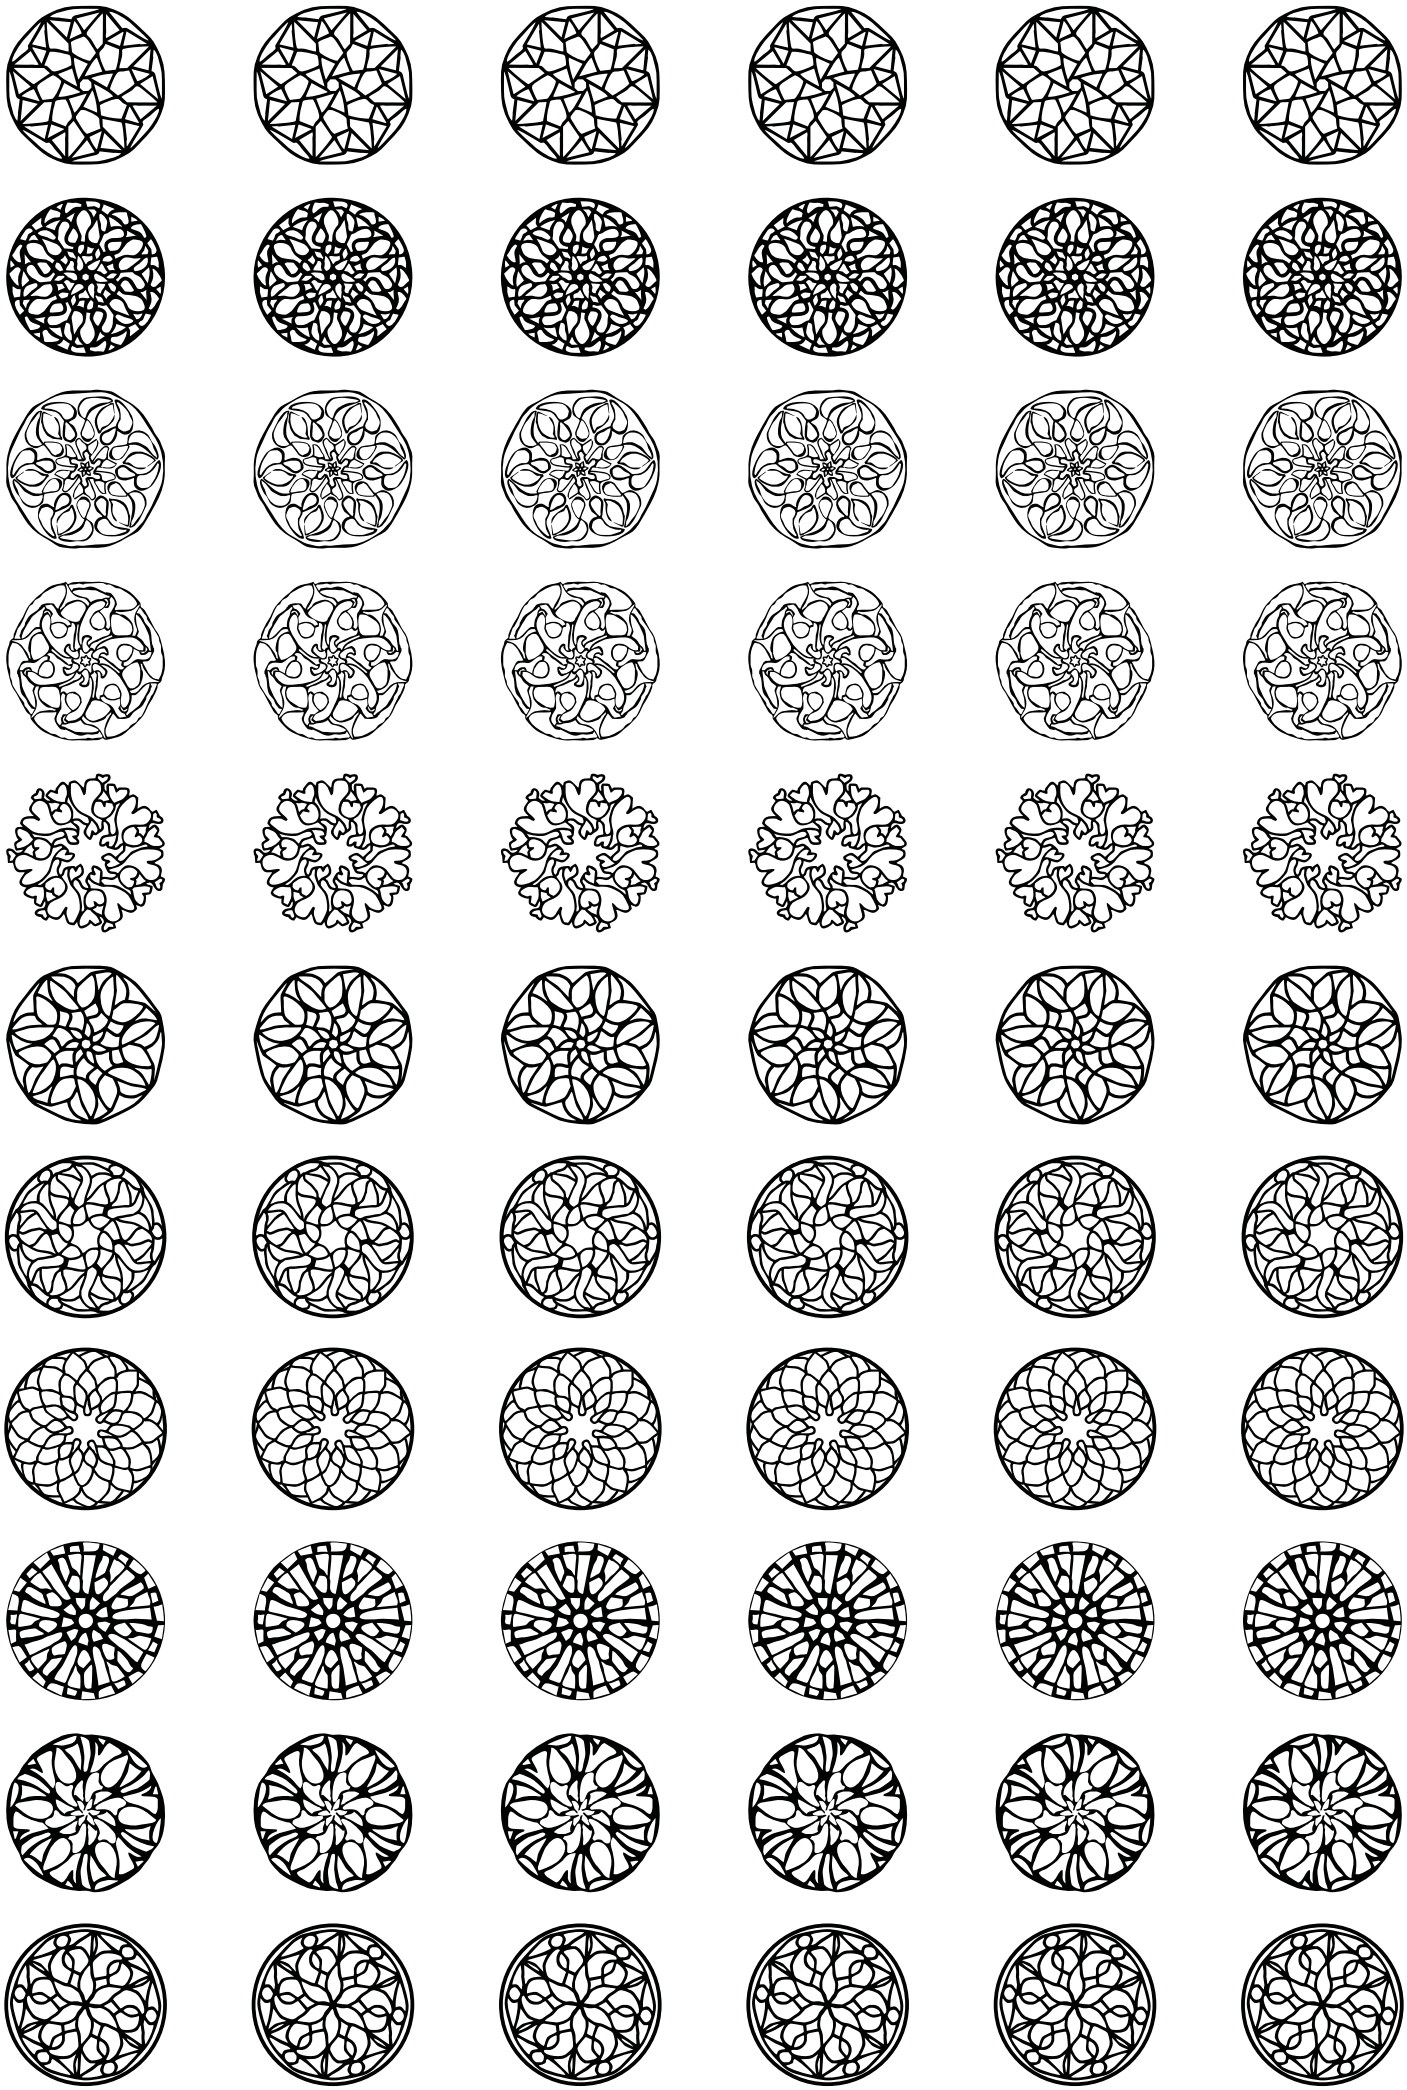












UWAGA!
Jeżeli planujesz zabezpieczyć swoją mandalę lakierem wodnym (co jest niezbędne w przypadku ozdabiania pudełek, podkładek czy biżuterii) najpierw sprawdź na czystej kartce, czy kredki lub pastele którymi planujesz je pomalować nie będą rozmazywały się pod wpływem lakieru.
